Sunday

08/24/14[1] **FILM REVIEW**

Jockey RAFAEL BEJARANO came to the office to review his ride in the last race on Saturday in which he angled out to make some running room turning for home. Although the jockey to his outside told him to go, we felt that he could have completed the move more artfully. Warning issued.

08/24/14[2] **INQUIRY/NO CHANGE**

Following the running of the tenth race (Pacific Classic), we posted the inquiry sign to examine an incident in which the second place finisher #8 Toast of New York (V. Espinoza) steadied as the winner passed him at the quarter pole. Films revealed that there was always sufficient clearance between the two horses and that the ride, of the second place finisher may have anticipated interference, rather than suffered interference. Therefore, in our unanimous opinion, no change was appropriate.

08/27/14[1] **FILM REVIEW**

Jockey COREY NAKATANI came to the office to review his ride in the fifth race on Sunday. Films showed that he finds himself in a tough spot in the stretch with a horse in front of him and a horse on his outside, with no running room. He eased his mount out, making some contact with the horse to his outside (albeit artfully) to make running room. He acknowledged his actions and left with the warning that while this may have been acceptable in years past, it is no longer the standard. Warning.

Jockey KAYLA STRA came to the office to review her ride in the sixth race on August 21, during which several riders were involved in a bumping incident at the head of the stretch. We felt that all contributed to it, and that Ms. Stra specifically, could have backed up a bit more artfully.

DMTD Ruling #040

Owners DAVID FRANKHAM and BRIAN CARMODY, who own the horse "SMOGCUTTER" entered to run in the first race at Del Mar Race Track on July 31, 2014, are fined ONE THOUSAND DOLLARS ($1,000.00)* pursuant to California Horse Racing Board rule #1698 (Failure to Start and Run – refused to run), for violation of California Horse Racing Board rule #1629 (Penalty for Late Declaration).

08/28/14[3] **AGUAYO HEARING**

We held an informal hearing into case number 14DM029 which was a complaint against trainer VERNON AGUAYO for working his horse while it was on the Veterinarian's List for flipping in the paddock the previous day (and was scratched from that race). He claimed that he didn't know how badly the horse had flipped during the races and that had he known, he wouldn't have worked the horse. Mr. Aguayo also stated that he didn't know the horse was on the vet's list even though the horse was a veterinarian scratch. The rules preclude working a horse 72 hours after being placed on the list. Decision to follow.

08/29/14[5] **INQUIRY/DISQUALIFICATION**

Following the running of the first race, we posted the inquiry sign to examine an incident in the stretch involving the first two finishers. Films revealed that the winner (#7 Beach Fever, jockey K. Desormeaux) drifted out throughout the stretch, finally making contact with the second place finisher to his outside (#4 Missing Groom, jockey R. Bejarano). The margin at the finish was a nose. After speaking with the patrol judges and rider, involved, we unanimously voted to disqualify the winner and place him second.

Corrected order of finish:	4-(7)-5-3-6-1-2

08/30/14[1] **FILM REVIEW**

Jockey KENT DESORMEAUX came to the office this morning as directed to review his ride in the first race yesterday after which his mount was disqualified for interference. Films revealed that his mount had a tendency to drift out, but that Mr. Desormeaux was using his left rein to keep him in with the riding crop in his right hand. Although we think he could have pulled a bit harder on the rein, we thought a warning, rather than suspension days were appropriate.

08/30/14[2] **JOCKEYS' MEETING**

We invited the jockeys to our office for a second week in a row to review races with an eye toward interpreting a possible new riding crop rule. For the most part, the Jockeys' Guild and the riding colony are for the reform, are leading the charge and even have offered a new rule, and we wanted to discuss some examples of what would be considered violations. We had a great discussion and seem to have reached an understanding.

We held a formal hearing today into a complaint (case number 14DM036) filed by the CHRB against trainer PETER MILLER alleging violation of CHRB Rule 1874. Mr. Miller also cross complained against paddock judge Karen Denovel. The complaint stemmed from an incident in the paddock two weeks ago. Both parties were witnesses and explained from their perspective what happened and what was said. Both accused the other of swearing and being generally abusive. The record was closed and a decision will be made in the near future.

> Jockey TYLER BAZE is fined THREE HUNDRED DOLLARS ($300.00)* for violation of California Horse Racing Board rules #1688 (Use of Whips – using whip after finish of race) while riding ROCKED TWICE in the fourth race at Del Mar Race Track on August 30, 2014.

Jockey KENT DESORMEAUX came to the office to review his ride in the fifth race yesterday during which we thought he could have made a better effort leaving the gate to maintain a straight course. Although he was incredulous, he accepted the warning.

The following ruling was the memorialization of a stable area citation:

DMTD Ruling #047

Exercise rider **OMAR BERRIO** is fined **TWENTY DOLLARS ($20.00)*** for violation of stable area regulations. California Horse Racing Board Rule #1530 (Cases Not Covered by Rules and Regulations- parking).

08/31/14[5] **INQUIRY/NO CHANGE**

Following the running of the fourth race, we posted the inquiry sign to examine an incident at the quarter pole involving the first and second place finishers. Films revealed that the winner #5 Designated (J. Rosario) floated in and then out but was always clear of second place finisher #6 Burning (K. Desormeaux) who steadied nevertheless. After speaking with the patrol judges and riders involved, we unanimously voted to make no change to original order of finish.
