Independent Accountant's Report

We have examined the handle, distribution of takeout, breakage and amounts payable to winning tickets of Humboldt County Fair in compliance with parimutuel wagering with State of California Horseracing Law, Chapter 4, Division 8, Business and Professional code, excluding ADW and International AB 509 wagering, for the 10 day fair meet conducted August 13, 2014 to August 24, 2014. Management is responsible for Humboldt County Fair compliance with those requirements. Our responsibility is to express an opinion on Humboldt County Fair compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included examining, on a test basis, evidence about Humboldt County Fair compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on Humboldt County Fair compliance with specified requirements.

This report does not include ADW wagering or AB509 wagering for the fair meet.

In our opinion, the handle, distribution of takeout, breakage and amounts payable to winning tickets of Humboldt County Fair complied in all material respects, with parimutuel wagering with State of California Horseracing Law, Chapter 4, Division 8, Business and Professional code requirements for the 10 day fair meet conducted August 13, 2014 to August 24, 2014.
