STAFF ANALYSIS
September 10, 2010

Issue: APPLICATION FOR LICENSE TO CONDUCT A HORSE RACING MEETING OF THE OAK TREE RACING ASSOCIATION AT HOLLYWOOD PARK SEPTEMBER 29, 2010 THROUGH OCTOBER 31, 2010.

Oak Tree Racing Association (OTRA) filed its application to conduct a thoroughbred horse racing meeting at Hollywood Park:

- September 29 through October 31, 2010, or 22 days, 9 less than 2009. The association proposes to race 189 races, or 8.59 per day. In 2009 they raced 8.16 races per day with an average of 7.82 runners per race. The (actual) average daily purse for the 2009 meet was \$359,798. The (estimated) average daily purse for this meet is \$345,798.

The Oak Tree Racing Association (OTRA) previously leased Santa Anita Race Track from Los Angeles Turf Club Inc (LATC). On March 5, 2009, Magna Entertainment Corporation (MEC) filed for bankruptcy. The MEC bankruptcy filing impacted the LATC which was a MEC subsidiary. On Monday, April 26, 2010, a Delaware bankruptcy judge approved a plan that allowed Magna Entertainment Corp. (MEC) to transfer the vast majority of its racing assets to its parent company and largest creditor, MI Developments. Subsequently, MID terminated the OTRA lease with LATC. At the June 22, 2010, Regular Board meeting Frank Stronach, chairman of MI Developments agreed to allow Oak Tree Racing Association to run its 2010 race meet at Santa Anita. At the August 19, 2010, Regular Board meeting the Board rejected the Oak Tree Racing Association license application. During the meeting California Thoroughbred Trainers and Thoroughbred Owners of California voiced their concerns regarding the safety of the Santa Anita track. Consequently, Oak Tree Racing Association is proposing to run its race meet at the Hollywood Park race track.

- Oak Tree Racing Association was allocated 26 race days for 2010. The proposed race dates differ from the allocated dates with the proposal to offer simulcast wagering with no live racing on September 29, October 13, 20 and 27th. The change would reduce their race days to 22.

MEMORANDUM

From: Don Barney, Director of Security & Safety

Subject: Emergency Medical Action Plan for Injured Jockeys

Since May 1, 2003 we at Hollywood Park have had in place an emergency medical action-plan for injured jockeys. There is now a new law requiring such an action plan. Pursuant to the Business and Professions Code section 19481.3 (b) each racing association shall adopt and maintain an emergency medical action plan for injured jockeys and shall be posted in English and Spanish within the jockeys room.

The system we have in effect follows the exact guidelines required by the above statute. The emergency action plan we deploy goes as follows:

“Upon the observed or reported injury of a jockey, medical assistance will be immediate. The responding medical technician, track doctor or security will contact communications (via hand held radio or calling 310 4191555). Security will then activate the emergency contact procedure. This procedure will be the responsibility of the Safety Director or his designee. The Safety Director will contact the Chief of Medical Staff at Centinela Hospital and prepare for the injured jockeys arrival. The phone number of Centinela Hospital is 310- 4198636 and is located at 555 East Hardy Street, Inglewood.

The Chief of Staff will ensure that his personnel are standing by to receive the injured jockey. The Chief of Staff will also contact any specialists who are contracted for the care of an injured jockey. This will lay the foundation for a rapid admittance and treatment of the injured Jockey. A Security Agent will also be dispatched to respond to the emergency room to assist family members of the injured jockey and to also maintain the integrity of the injured jockeys needs. It will also be the responsibility of the Security Agent to keep the Director of Safety informed as to the condition and progress of the injured jockey. It will be the responsibility of the Security Agent to obtain a copy of the accident from the T.V. department. The Security Agent will prepare a report as to the accident and treatment. The agent will also ensure that all workers compensation information pertaining to the jockey is accurate and current.”
