Northern California Race Dates Ad Hoc Committee Meeting
April 15, 2015

BACKGROUND

In anticipation of the 2016 allocation of race dates staff requested that the Northern California thoroughbred and fair industry stakeholders, submit proposed calendars identifying dates of interest for 2016. Attached you will find the 2016 proposed industry calendars.

Business and Professions Code section 19530 provides the Board the authority to allocate racing weeks to an applicant pursuant to the provisions of the horse racing law and to specify such racing days, dates, and hours for horse racing meetings as will be in the public interest, and will subserve the purposes of the law. Business and Professions Code section 19531 states the Board shall make allocations for racing weeks, including simultaneous racing between zones as it deems appropriate. The maximum number of racing weeks that may be allocated for horse racing other than at fairs, shall be as follows: (a) For thoroughbred racing: 44 weeks per year in the northern zone; 42 weeks per year in the central zone; and seven weeks per year in the southern zone. (b) For harness racing: 25 weeks per year in the northern zone. (c) For quarter horse racing: 25 weeks per year in the northern zone. (d) For harness racing and quarter horse racing: a total of 77 weeks per year in the combined central and southern zones. Business and Professions Code section 19532(a) specifies any association licensed to conduct thoroughbred racing in the northern zone may receive no more than 35 weeks of that racing. (b) Any association licensed to conduct thoroughbred racing in the central zone may receive no more than 17 weeks of that racing, except that any association which conducts a split meeting may receive up to 20 weeks of that racing. No more than one such split meeting may be licensed in any one year. Business and Professions Code section 19549 provides the maximum number of racing weeks that may be allocated to a fair shall be four weeks each, except under specified conditions.

Board Rule 1430, Allocation of Racing Weeks and Dates, states the Board shall allocate racing weeks and dates for the conduct of horse racing in this State for such time periods and at such racing facilities as the Board determines will best subserve the purposes of the Horse Racing Law and which will be in the best interests of the people of California in accord with the intent of the Horse Racing Law.

STAFF ANALYSIS
DISCUSSION AND ACTION REGARDING THE PROPOSED ADJUSTMENT OF THE 2015
NORTHERN CALIFORNIA RACING CALENDAR
TO MODIFY THE ALLOCATED FRESNO OCTOBER 1, 2015
STARTING DATE TO OCTOBER 8, 2015

Northern California Race Dates Ad Hoc Committee
April 15, 2015

ISSUE

California Authority of Racing Fairs (CARF) is requesting an adjustment to the 2015 race dates allocated to the Fresno Fair (Fresno): The Board allocated Fresno race dates of October 1, 2015 through October 12, 2015. CARF is requesting the Board modify the starting date for the Fresno race meeting from October 1, 2015 to October 7, 2015. CARF has shared that Fresno's live horse racing would begin October 8, 2015.

ANALYSIS

CARF has provided that in order for horse racing to run concurrently with the Fresno Fair, the race dates would need to be modified. CARF has additionally provided *"the dates presently shown in the calendar for Fresno Fair would require it to conduct racing without Fair activities, a scenario which would hurt the Fair and its racing meeting.*

A change to the October calendar would involve a change in Golden Gate Fields schedule. Consequently, we've met several times with principals at GGF and Santa Anita and with representatives of the Thoroughbred Owners of California (TOC) to discuss this matter. We want the Board to know that CARF and the Fresno Fair are working with other affected parties and making every effort to find a mutually agreeable solution to this matter.

If the Fresno start date is not revised to October 7, the initial purse and stakes schedule we have proposed for Fresno Fair may need to be revised. If this were to occur, it could also affect purses and stakes at other Fairs."

BACKGROUND

Business and Professions Code section 19530 provides the Board the authority to allocate racing weeks to an applicant pursuant to the provisions of the horse racing law and to specify such racing days, dates, and hours for horse racing meetings as will be in the public interest, and will subserve the purposes of the law. Business and Professions Code section 19531 states the Board shall make allocations for racing weeks, including simultaneous racing between zones as it deems appropriate. The maximum number of racing weeks that may be allocated for horse racing other than at fairs, shall be as follows: (a) For thoroughbred racing: 44 weeks per year in the northern zone; 42 weeks per year in the central zone; and seven weeks per year in the southern zone. (b) For harness racing: 25 weeks per year in the northern zone. (c) For quarter horse racing: 25 weeks per year in the northern zone. (d) For harness racing and quarter horse racing: a

total of 77 weeks per year in the combined central and southern zones. Business and Professions Code section 19532(a) specifies any association licensed to conduct thoroughbred racing in the northern zone may receive no more than 35 weeks of that racing. (b) Any association licensed to conduct thoroughbred racing in the central zone may receive no more than 17 weeks of that racing, except that any association which conducts a split meeting may receive up to 20 weeks of that racing. No more than one such split meeting may be licensed in any one year. Business and Professions Code section 19549 provides the maximum number of racing weeks that may be allocated to a fair shall be four weeks each, except under specified conditions.

Board Rule 1430, Allocation of Racing Weeks and Dates, states the Board shall allocate racing weeks and dates for the conduct of horse racing in this State for such time periods and at such racing facilities as the Board determines will best subserve the purposes of the Horse Racing Law and which will be in the best interests of the people of California in accord with the intent of the Horse Racing Law.

Mr. Rick Baedeker, Executive Director
California Horse Racing Board
1010 Hurley Way
Sacramento, CA 95825

Dear Rick,

We respectfully request that a matter be placed on the Board agenda for the meeting of March 19. We respectfully request that the Board approve certain adjustments to the October dates shown in 2015 racing calendar for Northern California.

The present calendar shows a starting date of October 1, 2015, for this year's Fresno Fair meeting. This year the Fresno Fair actually opens on **October 7, 2015**. In order for horse racing to run concurrently with the two weeks of the Fair in Fresno, racing would need to begin on Oct 7.

CARF and the Fresno Fair respectfully request that the Board approve a revised start date of October 7, 2015 for this year's Fresno Fair meeting.

The dates presently shown in the calendar for Fresno Fair would require it to conduct racing without Fair activities, a scenario which would hurt the Fair and its racing meeting.

A change to the October calendar would involve a change in Golden Gate Fields schedule. Consequently, we've met several times with principals at GGF and Santa Anita and with representatives of the Thoroughbred Owners of California (TOC) to discuss this matter. We want the Board to know that CARF and the Fresno Fair are working with other affected parties and making every effort to find a mutually agreeable solution to this matter.

If the Fresno start date is not revised to October 7, the initial purse and stakes schedule we have proposed for Fresno Fair may need to be revised. If this were to occur, it could also affect purses and stakes at other Fairs.

We respectfully suggest that time is of the essence in this matter. The parties which would be affected are planning right now for their respective meetings in the Fall. For this reason, we have requested that the matter be put on the March 19 agenda to seek the Board's approval for a prompt resolution.

We very much appreciate the Board's consideration of this matter.

Respectfully submitted,
