The above ruling was issued after Raul admitted he named his rider, **Juan Avila**, on a horse at the draw without first securing the permission of the trainer.

07-05-07⁴**RULING NO. 6 - CODY** (Case07GG050)

Owner **JOSEPH B. CODY**, having failed to respond to written notice to appear before the Board of Stewards at the Alameda County Fair (Pleasanton) on or before June 28, 2007, to answer charges of alleged violation of California Horse Racing Board rule #1876 (Financial Responsibility), is hereby suspended pending appearance before the Board of Stewards for violation of CHRB rule #1547 (Failure to Appear).

During the term of suspension, all licenses and license privileges of **JOSEPH B. CODY** are suspended and pursuant to California Horse Racing Board rule #1528 (Jurisdiction of Stewards), subject is denied access to all premises in this jurisdiction.

The above ruling was published after Mr. Cody contacted the stewards by phone the day after his scheduled hearing and promised to pay \$1,069.00 to **San Francisco Equine**. He then failed to keep his promise.

07-05-07⁵**APPRENTICE CERTIFIED**

Exercise Rider Alvaro Rojas was approved for an apprentice jockey license today after he completed each step in the arduous process required to obtain an apprentice certificate.

07-05-07⁶**OBJECTION - NO CHANGE - First Race**

The stewards lit the objection sign after jockey Jesus Arriaga, aboard the fourth place mule #1 BAR JF PARTY GIRL, lodged a claim of foul against the third place finisher, #2 BAR JF WINNING TICKET, for interference near the 1/16. After a thorough review the stewards disallowed the objection. Tapes showed that BAR JF WINNING TICKET drifted in front of BAR JF PARTY GIRL but was clear when doing so.

07-05-077 STEWARDS' INQUIRY - NO CHANGE - Fifth Race

The stewards posted the inquiry sign to evaluate the start of #3 ANDREWS TURN (6th, Modesto Linares). Tapes showed that ANDREWS TURN stumbled severely at the start losing considerable ground. Linares miraculously stayed in the saddle and the horse rallied to finish well. The stall doors opened properly and no other horses were involved so no action by the stewards was warranted.

07-05-078 STEWARDS' INQUIRY - NO CHANGE - Seventh Race

The stewards posted the inquiry sign to review an incident at the start when the winner, #5 OLD ED broke in, crowded #4 ELEGANT VICTOR (5th, Jorge Ayarza) and caused ELEGANT VICTOR to clip heels and stumble. Although there was no doubt that OLD ED interfered with ELEGANT VICTOR, no disqualification was effected because the majority of the stewards were not convinced that ELEGANT VICTOR was cost the opportunity at a better placing. ELEGANT VICTOR was five lengths behind the fourth place horse. Steward McHargue dissented.

Today's session completed testimony for the first portion of the hearing dealing with Stockham's request to have his license privileges restored. Time constraints once again prevented the completion of the entire case for John and the matter was continued until next week in Vallejo.

07-06-07⁴ **TRAINER OBJECTION - NO CHANGE - Third Race**

Sandy Comontofski, trainer of #5 BAR JF DIXIE BELL (2nd, Robert Anderson), lodged an objection against the winner #8 BABY SISTER, ridden by Carlos Villalobos, alleging interference near the 1/8. 07-07-07² **RULING NO. 7 - FARIAS**

Trainer **ADAN FARIAS** is fined the sum of three hundred dollars (\$300.00) pursuant to California Horse Racing Board rule #1629 (Penalty for Late Declaration) for failure to have the horse LUNA TIKI treated with lasix in a timely fashion necessitating a late declaration in the first race on Saturday, July 7, 2007 -- a violation of California Horse Racing Board rule #1845 (Authorized Bleeder Medication).

The above ruling was issued after Adan was contacted in southern California by the stewards. Farias explained that the horse left Los Alamitos at 1:00 a.m. this morning but the van had a flat tire. The horse should have arrived on the grounds by 8:15 a.m. but was forty-five minutes late.

07-07-07³ **STEWARDS' INQUIRY - NO CHANGE - Third Race**

The stewards lit the inquiry lamp to review the start of #5 AMANDA ANN (4th, Pedro Flores) after that horse broke in leaving the gate. After a thorough review the stewards affirmed the original order of finish. Tapes showed that AMANDA ANN broke in and bumped and impeded #4 MISS ACTION (5th, Barrington Harvey) but the stewards unanimously concluded that the placings were unaffected by the incident as MISS ACTION was well beaten for fourth.

07-07-07⁴ **STEWARDS' INQUIRY - ACCIDENT - NO CHANGE - Eleventh Race**

The stewards posted the inquiry sign to review the start of #1 SCRUMPY when the horse stumbled at the start and unseated jockey Juan Ochoa. Tapes showed the horse caused his own problems and no other horses were involved. No action by the stewards was warranted.

07-07-07⁵ **POST DELAYED - TWELFTH RACE**

Post time for today's final race was delayed approximately fifteen (15) minutes when the grader came onto the racing surface shortly after the running of the eleventh race while the track was being renovated for the twelfth race.

The grader driver thought there were only eleven races on the program and began refurbishing the surface. Luckily his progress was halted after only a sixteenth of a mile, between the 1/4 and the 3/16. The surface was put back into running condition and certified raceable by jockey Chad Schvaneveldt who inspected the area on a pony horse.

07-07-07⁶ **LATE SCRATCH - TWELFTH RACE - REFUND**

#5 BELLA BALLENA, trained by Manuel Calvario, was scratched on the recommendation of track veterinarian Forrest Franklin as the field approached the starting gate after he reported the horse failed to warm up satisfactorily. On vet's list. The refund totaled \$27,114.70.

07-08-07² **CAL-BRED REPORT**

For the five-day race week two races written exclusively for horses bred in California filled and were placed on the program.

07-08-07³ **RULING NO. 8 - FLORES**

Apprentice Jockey **PEDRO FLORES** is fined the sum of one thousand dollars (\$1,000.00)* for misuse of the whip (whipping the horse on the flank) on June 22, June 24 and June 27, 2007 - a violation of California Horse Racing Board rule #1688 (Use of Whips).

The above ruling was issued after Pedro pleaded guilty as charged and promised he will attempt to alter the manner in which he arcs the arm with the whip.

07-08-07⁴ **FILM REVIEW**

Jockey **David Lopez** and **Pedro Flores** viewed the tapes of yesterday's races with the stewards. Lopez was warned to leave more room for horses racing on his inside and Flores was told to have better control of his mounts leaving the starting gate or face the consequences.

07-08-07⁵ **JOCKEY OBJECTION - NO CHANGE - First Race**

Jockey **Anthony Ayala**, aboard the third place finisher #3 SMOKING JOE, lodged a claim of foul against the place mule, #4 BAR JF GENE0, ridden by Jesus Arriaga. Ayala felt Arriaga crossed his path in mid- stretch. After a thorough review the stewards dismissed the claim of foul. Tapes showed that BAR JF GENE0 did cross in front of SMOKING JOE but was sufficiently clear at the time.

07-08-07⁶ **MINUS POOL**

The first race was the \$10,000 *Pleasanton Mule Championship* headlined by SARAH NELSON who won easily at 1/5 odds. Although seven mules entered the Fair Association was given permission by the California Horse Racing Board to eliminate show wagering in order to reduce the possibility of a minus pool in the wagering. The effort was somewhat successful but the bridge-jumpers shifted their money to the place pool to the tune of \$120,000. The resulting 5% return on their investment caused a total minus pool of \$28,000 with \$20,000 of that total attributed to wagers from southern California.

07-08-07⁷ **LATE SCRATCH - REFUND - Second Race**

#2 T L THREE, trained by Frances Henderson, was scratched by the stewards just before post time after Dr. Franklin stated the horse was unsound. The refund amounted to \$6,000.95. The loss of T L THREE reduced the field to four horses and resulted in the elimination of the show pool which led to a refund of \$19,194.70.
