Joe Nefsky Meeting

We had a meeting with the assistant racing secretary concerning the horse "Photo Delight", the #1 horse in the fourth race on October 18, 2008. The horse was ineligible for the race but was drawn by mistake. The stewards caught this and scratched the horse. We wanted to find out how it happened. It appears to be a miscommunication between the trainer and the race office. It is something that should be caught and the race office will be more observant of these things.

10/23/08 (4)

Qualifying Results

Of the forty one (41) entries for qualifying, thirty (30) were able to make the standards.
