Joe Harper welcomed the participants and stressed horse safety and welfare. Tom Robbins discussed the mustang show on opening day, a potential work stoppage, issues surrounding the starting gate, changes to the jockeys' room and a new head-to-head wager. Several other issues were discussed and input was received from various attendees.

FILM REVIEW

Jockey **JOE STEINER** came to the office as directed to review his ride in the sixth race yesterday in which films revealed his mount drifted in during the stretch run, causing two horses to his inside to check. While one of the horses probably shouldn’t have been trying to move up the inside at that point, Mr. Steiner’s mount drifted in and interfered with both horses, and given that there was not a demonstrable effort to correct the drift, we suspended Mr. Steiner in the following ruling:

DMTD # 003

Jockey **JOE STEINER** is suspended for **THREE RACING DAYS** (July 27, 28, and 29, 2011) for failure to make the proper effort to maintain a straight course in the stretch, causing interference in the sixth race at Del Mar on July 20, 2011. This constitutes a violation of California Horse Racing Board rule #1699 (Riding Rules – Careless Riding).

Terms of suspension shall not prohibit participation in designated races pursuant to California Horse Racing Board rule #1766 (Designated Races).

Jockey BRICE BLANC came to the office to review his ride in the first race yesterday in which he floated a rival to the outside as the field turned for home. Mr. Blanc acknowledged the mistake and pledged to make a better effort. Apprentice jockey ESWAN FLORES came to the office to review his ride in the third race yesterday. While he didn't commit any interference, we wanted to educate Mr. Flores on some of the finer points of riding. We felt that he was maintaining a dangerous position going into the far turn and while his fellow riders protected him, he shouldn't expect that treatment forever. He seemed to understand and was open to the constructive criticism.

07/21/11²

MIRANDA HEARING AND RULING

Groom LUIS MIRANDA came to the office this morning to address case number 11HP0054 which was a complaint filed by the CHRB for a burglary conviction. Based on the contours of the case, it appeared that the deed would be classified as a misdemeanor. The CHRB recommended probation pending final outcome of the criminal case. We agreed and issued the following ruling:

DMTD #004

Groom **LUIS MIRANDA**, having been convicted of a misdemeanor (burglary) and pursuant to California Horse Racing Board rule #1489 (Grounds For Denial or Refusal of License), is placed on probation until July 31, 2012.

07/21/11³

LASIX PENALTIES

The following rulings were issued when two trainers failed to register their horses for lasix at entry time for opening day:

DMTD #001

Trainer **VANN BELVOIR** is fined **THREE HUNDRED DOLLARS (\$300.00)*** for violation of California Horse Racing Board rule #1845 (Authorized Bleeder Medication-late registration) in the third race at Del Mar on July 20, 2011.

DMTD #002

Trainer **LEONARD ESPINOZA** is fined **THREE HUNDRED DOLLARS (\$300.00)*** for violation of California Horse Racing Board rule #1845 (Authorized Bleeder Medication-late registration) in the second race at Del Mar on July 20, 2011.

07/21/11⁴

INQUIRY/DISQUALIFICATION

Following the running of the second race, we posted the inquiry sign to examine an incident in which several horses appeared to bump in mid-stretch. Films revealed that second place finisher #4 Money Included (ridden by Kerwin John) shifted out and caused a chain reaction that involved #5 (third place), #3 (second place), #2 Edgwick Road (fifth place). After speaking with the patrol judges and riders involved, we unanimously voted to disqualify #4 Money Included, and place him fourth because we felt that two of the three horses that suffered interference were cost the opportunity at a better placing.

Original order of finish	1-(4)-3-5-2-6
Corrected order	1-3-5-(4)-2-6

07/21/11⁵

TOTE ISSUE

Shortly after the seventh race became official, the tote department called to inform us that there was an irregularity with the payoffs. Apparently the problem was created when numbers 1 and 1A finished first and second. The numbers were properly posted on the tote board and the correct fifth place finisher was announced because that horse completed the superfecta. However, when the tote department posted the payouts, it appeared as if #1A was treated as a separate betting interest. When the problem was discovered, payouts were halted, corrected, and resumed. The CHRB was informed and is conducting a review of the situation.

FILM REVIEW

Jockey CHANTAL SUTHERLAND came to the office to review the second race from Wednesday. We felt that she cut it a little close when she moved to the inside rail as the field was leaving the chute on the turf course. She agreed and pledged to make a better effort in the future.

Jockey KERWIN JOHN came to the office to review his ride in the second race yesterday in which his mount was disqualified for interference in the stretch. While he did drift out and cause a chain reaction, the majority believed that the horse hadn't given Mr. John the indication that this could happen, and therefore put the lion share of the blame on the horse, sparing Mr. John days. Steward Chaney voted for a three day suspension.

Jockey MARTIN GARCIA came to the office to review his ride in the last race yesterday. We felt that Mr. Garcia could have made a less precipitous move to the fence leaving the starting gate. He agreed and pledged to make a better effort in the future.

VAN BERG COMPLAINT

Case number 11HP071 was disposed of this morning when trainer JACK VAN BERG signed a financial agreement with feed company ANGEL’S FEED. The agreement established monthly payments until the bill is paid in full.

07/23/11²

MALDONADO COMPLAINT

The CHRB filed case number 11HP0070, which was a complaint against jockey EDWIN MALDANADO alleging violation of the whip rule in that Mr. Maldonado allegedly left a welt on one of his mounts at Hollywood Park. Unfortunately, the photographic evidence was inconclusive at best and the program from the alleged race and the date on the face sheet of the complaint did not match. Therefore we were unable to view the race itself or even really

know in which race the alleged infraction was supposed to have occurred. While we take these kinds of actions very seriously, given the evidence, we had no choice but to dismiss it.

07/23/11³

LATE JOCKEYS FINED

Jockeys CHRISTIAN SANTIAGO REYES and RAFAEL BEJARANO were both fined this morning for being extremely late to the paddock for the second race yesterday, which delayed the horses getting to the track:

DMTD #005

Jockey **CHRISTIAN SANTIAGO REYES** is fined **ONE HUNDRED DOLLARS (\$100.00)*** pursuant to California Horse Racing Board rule #1530 (Cases Not Covered by Rules and Regulations-late to paddock for the second race at Del Mar on July 22, 2011).

DMTD #006

Jockey **RAFAEL BEJARANO** is fined **ONE HUNDRED DOLLARS (\$100.00)*** pursuant to California Horse Racing Board rule #1530 (Cases Not Covered by Rules and Regulations-late to paddock for the second race at Del Mar on July 22, 2011).

07/23/11⁴

BLAKE COMPLAINT WITHDRAWN

The complaint against owner LES BLAKE (case number 11HP088) filed by veterinarians Von Bluecher, Blea and Hunkin Inc. was withdrawn when the group received a check for the balance due.

07/23/11⁵

FILM REVIEW

Jockey ALONSO QUINONEZ came to the office as directed to review his ride in the sixth race yesterday. We felt that he pushed his way out a bit during the run down the backside. After some review and convincing, he agreed and pledged not to do it again.

Jockey CHRISTIAN SANTIAGO REYES came to the office to discuss his ride in the sixth race yesterday in which he was the victim of a squeeze play down the backstretch but then was a bit too aggressive with a rival to his inside going into the far turn. He seemed to understand and agree with our critique.

07/23/11⁶

PERIBAN SCRATCH AND RULING

We received a call this morning from Official Veterinarian Jill Bailey, who informed us that trainer JORGE PERIBAN's horse, #2 Ribat, that was scheduled to start in the first race this afternoon had not received lasix in a timely manner. Apparently, Mr. Periban's private veterinarian had treated another runner that afternoon believing that he was treating the horse in the first. By the time the error was discovered, it was too late to treat Ribat. Mr. Periban's groom held the horse and the trainer took full responsibility. We scratched the horse and issued the following ruling:

DMTD #007

Trainer **JORGE PERIBAN** whose horse "Ribat" was scheduled to start in the first race at Del Mar on July 23, 2011, is fined **FOUR HUNDRED DOLLARS (\$400.00)*** for violation of California Horse Racing Board rule #1845(e)

(Authorized Bleeder Medication-failure to treat in a timely manner) pursuant to California Horse Racing Board rule #1629 (Late Declaration).

07/23/11⁷

HEAD TO HEAD WAGER

This afternoon marked the first day of Del Mar's new wager which will be a head to head proposition between two horses designated by the racing secretary in the eighth race each Saturday. We reminded the jockeys involved about the wager before the field left the paddock and the race went off without a hitch, partly because the two horses weren't close. Total all sources handle for the race was \$31,413.00.
