MISSING RIDER APPEARS

Garrett Gomez, who last rode at Hollywood Park on July 14, 2013, appeared in the Stewards' office this morning seeking permission to be allowed to name on horses. He said that on the evening after he rode, family pressures caused him to relapse and he started drinking again. After two days of drinking, he realized he was in trouble and checked himself into a hospital/rehabilitation center to get help. He was released yesterday, but did not produce any documentation which validated he was able to return to riding. Mr. Gomez further stated that he was on medication for anxiety and mood issues. Present at the meeting were Supervising Investigator Rick Amieva,

Leroy Martinez of Winners Foundation, Safety Steward Luis Jauregui, and the Board of Stewards. Mr. Gomez felt that he should be able to name on horses immediately but was advised that a number of issues must be addressed before he would be given permission to resume riding.
A formal hearing will convene on this coming Friday.

07/28/13³

MEDICATION HEARING

Trainer Steve Knapp was in the office this morning in response to a complaint filed against him by the Board for an overage of Phenylbutazone. His horse "Harlington's Rose", the winner of the fifth race at Hollywood Park on June 8, 2013, showed the presence of 3.4 ug/ml of the drug in a post race test. Testimony in the case was recorded by Michelle Derig.

Mr. Knapp, who has an excellent medication compliance record, felt that the problem was caused by the fact that he worked the horse seventy-two hours prior to the race, a departure from his usual training regimen. He gave two Bute pills, each one-gram, prior to and following the work, as is his normal practice. His attending veterinarian then gave an injection 27 hours prior to post time.
A decision will be rendered next week.

07/28/13⁴

APPRENTICE IN

Irving Orozco came to the Stewards' office to explain why he missed yesterday mornings' mandated film review with Safety Steward Luis Jauregui. He was candid, stating that he took a nap after morning training hours and overslept.
A ruling will be forthcoming next week.

07/28/13⁵

STEWARDS' INQUIRY – NO CHANGE

The Stewards posted the inquiry sign after the second race to review an incident near the finish involving the second and third place finishers, #3 Laugh At Life (R. Bejarano) and #2 Humorous (M. Garcia).

After speaking with the riders involved, reviewing video of the stretch run and taking the Patrol Judges' reports into account, the Stewards unanimously voted to make no change to the original order of finish. Review showed that while Garcia steadied his mount in the final strides, the incident took place at a point in the race where his finish position was not affected.

07/28/13⁶

BREAKDOWN

The third race was marred by an injury to #7 Rosies Rascal, who suffered a severe fracture of the left front fetlock while racing in the clear during the stretch run. All involved in attending to the filly performed their duties well and the horse, after being fitted with a Kimsey splint, was removed from the turf by an equine ambulance.

Unfortunately, trainer Dan Blacker's attending veterinarian later euthanized her.

07/28/13⁷

CLAIM VOIDED

The claim of the horse Cherry On the Cake from the ninth race by trainer Keith Craigmyle was voided after the horse showed signs of lameness in the Receiving Barn after the race and was placed on the Veterinarian's List by Official Veterinarian Tim Grande. The former trainer, Art Sherman, was informed of the situation.

RULING

DMTD Ruling #013

Apprentice jockey **IRVING OROZCO** is fined **FIVE HUNDRED DOLLARS (\$500.00)*** for violation of California Horse Racing Board rule #1930 (Obedience to Security Officers and Public Safety Officers-failure to attend film review class-3rd offense).

This ruling was issued after a discussion of Orozco's failure to attend the film review session.

07/31/13³

RULING

DMTD Ruling #014

Trainer **Steve Knapp**, who started the horse "Harlington's Rose" in the fifth race at Santa Anita Park on March 14, 2013 is fined **TWO HUNDRED AND FIFTY DOLLARS (\$250.00)*** Pursuant to California Horse Racing Board rules # 1887 (Trainer to Insure Condition of Horse), #1843(a)(d) (Medications, Drugs and Other

Substances) and #1844(c)(1) (Authorized Medication-Phenylbutazone in excess of permitted level -3.4 ug/ml- second offense).

The preceding ruling was issued to finalize the complaint filed against him for an overage of a permitted medication. (Ref 7-28-13-3) As mentioned in the original minute entry regarding the complaint, Mr. Knapp has an enviable medication record. Therefore we went with the minimum fine allowed by rule.

07/31/13⁴

**GAINES PRELIMINARY INJUNCTION REQUESTED DENIED
-TRAINER CHANGE PERMITTED**

The Stewards were in receipt of a court order signed by Judge Luis Lavin in which he denied Ms. Gaines' request for a preliminary injunction for a stay of the Board's decision to suspend her for thirty days and fine her \$2,500 for two medication violations. During her suspension, all horses trained by Ms. Gaines will be transferred to Mr. Jerry Quinn.

Given the circumstances, the Stewards allowed a trainer transfer so that a horse of Ms. Gaines, which is in to race tomorrow, be allowed to start, a departure from the norm. In all but one other instance, once a horse is in the entry box, the trainer transfer is denied. By majority vote, Ward in the minority, the request was honored.

07/31/13⁵

ACUPUNCTURIST IN

Ms. Jenny Hayes was in the office this morning in response to a complaint filed against her by Board investigators charging her with working out of her license category. She currently has an exercise rider's license, but was observed doing acupuncture on one of trainer Leonard Powell's horses. Ms. Hayes was candid, stating that she was unaware that a license was needed to perform the procedures. She has been working on Mr. Powell's horses for approximately eight months and is currently doing her internship after having graduated from school last year. Dr. Dawn Hunkin originally was overseeing Ms. Hayes's work, but the doctor's schedule did not permit her to continue her oversight.

A decision will be rendered shortly.

GOMEZ HEARING

The Stewards held a formal hearing into the complaint filed by the Board against jockey Garrett Gomez for violation of California Horse Racing rule #1872 (Failure to Fulfill Jockey Agreement) and various health related concerns.(Ref. 7-28-13-2)

Present were the Board of Stewards, Safety Steward Luis Jauregui, Supervising Investigator Rick Amieva, Winners Foundation representative Bob Fletcher, Mr. Gomez's sports agent Damien Scott, Mr. Gomez's jockey agent Tony Matos, several media representatives and Ms. Amy Zimmerman.

The first item of business was to address the fact that Mr. Gomez did miss mounts for several days. This charge was not contested by the jockey and he will be fined \$1,000.00 for the violations. Next was the issue of completing a number of items addressed at the previous meeting. Investigator Amieva testified that all were satisfactorily completed. At this point the hearing turned to medication which the rider was taking. Mr. Amieva stated that Mr. Gomez gave him the name of a local physician who examined the rider but his – Amieva's – conversation with the doctor did not result in any recommendation with respect to Mr. Gomez riding while taking the medications.

At this point Mr. Fletcher testified as to his knowledge of the situation, stating that a very well known physician in the field of psychology and addiction, Dr. Daniel Amen, has come on board and will be working closely with Mr. Gomez. Mr. Fletcher then enumerated a comprehensive two-part plan, starting with a consultation with Dr. Amen this coming Monday. Mr. Fletcher thanked the Board, especially the investigators, for taking time on their days off to facilitate getting Mr. Gomez back in the irons. Mr. Gomez will be tested today and should medication levels be under what would be considered "normal", he will be allowed to gallop horses and name on mounts for this coming Wednesday.
