04-09-09³ **CALVARIO HEARING** (Ref: 02-26-09³)

A record was opened today to begin the process of addressing CHRB Case # 09GG065 filed against trainer Manuel Calvario for alleged violations of California Horse Racing Board rules #1405 (Punishment by the Board), #1484 (Evidence of Unfitness for License), #1528 (Jurisdiction of Stewards to Suspend or Fine), #1530 (Case not Covered by Rules and Regulations) and #1899 (Offenses Requiring Suspension).

The complaint was generated after Child Support Division, San Mateo County, contacted the CHRB and reported Mr. Calvario was delinquent in his child support payments and they were seeking the suspension of his trainer license.

The complaint packet also included Family Law Code 17520, in part, which outlines the authority given to state agencies to suspend state licenses of individuals that are behind in their child support payments.

Present for today's procedure were stewards John Herbuveaux, Grant Baker and Darrel McHargue; Mr. Calvario, CHRB investigators Gabriel Palomar and Anne Glasscock. Court reporter Christine Niccoli recorded the proceedings.

After the documents were entered into the record, verbal notice was given to Mr. Calvario, as outlined in the Family Law Code, that once he receives written notice from the CHRB he has one hundred and fifty days in which to resolve the delinquency or his license would be subject to suspension.

04-09-09⁴ **INQUIRY – NO CHANGE – First Race**

Following the running of the first race, the inquiry sign was posted for a review of observed interference at the head of the stretch involving #4 URSULITA (3rd, Jorge Ayarza) and #1 SWEET WINE (5th, Jose Contreras).

After talking with the riders involved and considering the patrol judge's report the numbers, as posted, were made official.

The tapes show #4 veers out while under left handed whip and into the path of #1, who was tiring and dropping back, forcing that rival to take evasive action to avoid heels. In the stewards' unanimous opinion, #1 was not cost a chance of a better placing therefore no change was made in the placing.

The term of this suspension shall not prohibit participation in designated races in California.

The rulings listed above were issued after both riders met with the stewards, reviewed the stretch run of their respective races and failed to offer valid reasons for allowing their mounts to drift off course and cause interference. Both incidents were similar in nature in that both riders allowed their mounts to drift out about three horse paths, forcing the fast closing horse on their outside to shift out and lose ground. Also, in both instances the horses interfered with went on to win their races by the narrowest of margins.
