OPENING DAY

Today's racing card kicks off the sixty day Spring/Summer meeting at Hollywood Park.

04/23/08²

JOCKEY MEETING

The Board of Stewards met with the jockey colony to discuss procedures and expectations for the meet. Following a successful Santa Anita meeting on the riding front, we explained that we expected more of the same high level of riding. Also in attendance at the meeting were Dr. Tim Connor, Dr. Jill Bailey, CHRB Investigators Bill Westermann and Rick Amieva, Jockey Guild Representative Darrell Haire, Clerk of Scales Ruben Hernandez and Chairman of the CHRB Richard Shapiro.

04/23/08³

TOTE BOARD MALFUNCTION

As is sometimes the case, opening day brought with it a couple of glitches. The left side of the tote board was inoperable; this is the side that usually displays the order of finish and the payouts. This led to some confusion for the wagering public, but the Board of Stewards did its best to ameliorate some of this confusion by relying on the TV department to broadcast the information and by staying in contact with the track announcer who relayed the appropriate information. The TV department hoped to have the tote board fixed for Thursday's card.

INQUIRY / DISQUALIFICATION

Following the running of the first race, the stewards posted the inquiry sign to examine an incident at the start in which the winner, #3 Seismometer, ridden by Joe Talamo, broke in sharply. In this two year old race, the films revealed that the winner breaks in sharply and severely impedes the fourth place finisher #1 Granite and the fifth place finisher #2 Fil's Regent. After speaking with the riders involved as well as the patrol judges, the stewards unanimously voted to disqualify #3 Seismometer and place him last. While the stewards are normally reluctant to make changes for incidents at the start because it is difficult to assess whether they cost rivals the opportunity at better placings, in this case, the interference was so dramatic that the decision was an easy one.

Original Order of Finish: (3)-5-6-1-2

Corrected Order of Finish: 5-6-1-2-(3)

METZ DISCUSSION

Trainer JEFF METZ met with the stewards to discuss the fact that his horse, Abbey Cat (IRE), was scratched from yesterday’s card by the racetrack veterinarian, Dr. Jill Bailey, for being unsound. The official veterinarian, Dr. Tim Connor, also examined the horse and concurred with the scratch, but may or may not have had a different diagnosis. It sounded as if the scratch was in order but Mr. Metz felt that the situation could have been handled in a better manner. The Board of Stewards explained that we fully support our veterinarians and believe that they are doing a superlative job, but that we would relay his concerns in order to facilitate harmony and cooperation on the backside.

04/24/08²

FILM REVIEW

Jockey JOE TALAMO met with the stewards to discuss his ride in the seventh race on closing day at Santa Anita. Nearing the wire, Mr. Talamo angles his horse out very sharply in order to create a clear running path. While the stewards believed that this move was ill advised, we also believed that Mr. Talamo was fortunate in that he didn’t interfere in any significant way with any other rival. However, the Board of Stewards did warn Mr. Talamo that moves such as this, would certainly result in suspension days if repeated.

04/24/08³

SAN LUIS REY RULINGS

The stewards issued the first two rulings of the meet for San Luis Rey Downs stable area infractions.

HRTH Ruling #01

Groom VICENTE VIDAL is fined TWENTY FIVE DOLLARS* (\$25.00) for violation of California Horse Racing Board rule #1930 (Obedience to Security Officers and Public Safety Officers) at SLRD Training Center on April 8, 2008.

HRTH Ruling #01

Groom LUIS BANDA is fined TWENTY FIVE DOLLARS* (\$25.00) for violation of California Horse Racing Board rule #1930 (Obedience to Security Officers and Public Safety Officers) at SLRD Training Center on April 8, 2008.

04/24/08⁴

INQUIRY / NO CHANGE

Following the running of the fourth race, the stewards posted the inquiry sign to examine an incident in which jockey Martin Pedroza steadies sharply aboard fifth place finisher #8 Warren's Yodler at the sixteenth pole when second place finisher #6 Big Red Tate, ridden by Joe Talamo, ducked out into his path. This initial assessment of the incident was confirmed by a review of the films, conversations with the jockeys involved, and the patrol judges. However, in the stewards' opinion, #8 Warren's Yodler was not cost the opportunity at a better placing and therefore no change was appropriate.

NAKATANI DISCUSSION

Jockey COREY NAKATANI met with the stewards to discuss a ride on closing weekend at Santa Anita in which he appears to ease up his mount before the finish and is beaten a nose for second. In reviewing the films, the pan view certainly seems to bolster the idea that he fails to persevere, in contravention of the rules. However, in reviewing the head on replay, two things become clear: (1) his mount switches leads right before the wire and (2) Mr. Nakatani pulls his mount up very quickly and through body language clearly believes that something is amiss with his horse. Mr. Nakatani confirmed these two facts in our discussion.

In the stewards' opinion, these actions and information exonerate him from any penalty for failing to ride his mount to the finish. However, we made it clear to Mr. Nakatani that in these types of situation he should immediately dismount and wait for the veterinarian. Under no circumstances should these horses be ridden back to the unsaddling area, regardless of whether or not it is only a few feet away.

04/27/08²

GUERRERO HEARING

Assistant trainer LEONARDO GUERRERO met with the stewards informally after an incident yesterday in which he was intoxicated in the stable area and attempted unsuccessfully to exercise the horse with whom he had traveled from Northern California. Mr. Guerrero apologized profusely for the incident and given his clean record, the stewards made the following decision:

HRTH Ruling #03

Assistant Trainer LEONARDO CALOCA GUERRERO is fined TWO HUNDRED DOLLARS* (\$200.00) for violation of California Horse Racing Board rule #1874 (Disorderly Conduct – intoxication). Additionally, Mr. Guerrero is placed on probation through September, 2010, and is required to comply with the guidelines set forth by the Winners' Foundation.

04/27/08³

TOC DISCUSSION

LUCINDA MANDELLA met with the stewards this morning to discuss the details of an ownership project that her office is creating. She wanted to keep the stewards informed and educate us regarding the details of the program but also wanted to explore any obstacles that might exist from our perspective. The stewards gave her a few suggestions, but for the most part, the project appeared to comply with CHRB rules and regulations.

04/27/08⁴

INQUIRY / DISQUALIFICATION

Following the running of the third race (Melair Stakes) the stewards posted the inquiry sign to examine an incident that occurred at the three sixteenths pole in which third place finisher #2 Final Fling hits the fence, checks and nearly falls. A film review revealed that the winner #1 Gambler's Justice, ridden by Richard Migliore, drifts out slightly turning for home, and in doing so, creates an opening (albeit a narrow one) for the rival to his inside. #2 Final Fling is about three quarters of the way into that opening when the winner drifts back down to the fence, causing him to hit the fence, check sharply and nearly fall. Jockey Richard Migliore claimed that the third place finisher came out and tipped his horse's hind end, causing the incident, but the video tapes did not confirm his analysis. After speaking with the patrol judges and riders involved, the stewards unanimously voted to disqualify #1 Gambler's Justice and place her third.
