HOLLYWOOD ADW SIGNAL LIMITED - PURSES CUT

A stalemate between California horsemen and advance deposit wagering companies resulted in Hollywood Park's ADW signal being restricted to residents of California only.

Hollywood Park management, expecting a drop in handle due to the dispute, immediately announced a 6.25% cut in overnight purses for the 40 day fall meet, effective November 2, 2008. This reduction is in addition to a previously announced overnight purse slice of about 7% enacted prior the start of the meet, made in anticipation of lower revenue due to the ailing economic situation. The horsemen and Hollywood Park had reached an agreement on October 10th allowing operation of the meet, but left the issue of host fees for interstate ADW open.

10/30/08³

MEETING WITH JOCKEYS

Today we had the traditional Stewards meeting with the Hollywood Park jockey colony before the first race to review our expectations of them and to open a dialogue. Safe riding, film reviews, and reporting on time to the walking ring were among the topics discussed. The riders were positive and upbeat overall, knowing full well what the Stewards require in their day to day performance.

GLATT HEARING (CASE #08SA0166)

Trainer Mark Glatt was in for an informal hearing to address the above referenced financial complaint brought by groom Rene Herrarte for non-payment of services rendered. Mr. Glatt produced documentary evidence along with a witness, foreman Tello Gutierrez, to substantiate his claim that he had paid Mr. Herrarte in full for the time he worked with no further compensation owed. Foreman Gutierrez also stated that Mr. Herrarte was not employed at this time. Mr. Herrarte offered one witness for his defense, however his testimony was weak. The Stewards deliberated over this matter and came to the conclusion that the evidence supported Mr. Glatt and dismissed this case in his favor.

11/01/08³

TRUMAN RULING (CASE #08SA157)

The Stewards issued the following ruling after trainer Eddie Truman was contacted by telephone and waived his right to a hearing, in regard to the above referenced complaint. Mr. Truman stated that a mistake was made by his groom giving additional bute in the afternoon feed after the veterinarian had already given an intravenous injection that morning. Mr. Truman accepted his responsibility in this matter and indicated he would take preventative measures to avoid a recurrence.

Mr. Black is further ordered to enter into a testing agreement with the California Horse Racing Board and his license will be considered probationary for its term.

11/02/08³

CHO RULING

HRTH #003

Trainer **MYUNG CHO**, who worked the horse "Double Galore" at Santa Anita on October 2, 2008 for removal from the Veterinarian's List, is fined FIVE HUNDRED DOLLARS (\$500.00)* pursuant to California Horse Racing Board rules #1866 (Veterinarian's List) and #1887 (Trainer to Insure Condition of Horse) for violation of California Horse Racing Board rules #1843 (d) (Medication, Drugs and Other Substances - Flunixin in excess of permitted level).

Ms. Charlton's explanation was that she was unaware of the engagement. The Stewards advised her that it is the rider's responsibility to check the overnights and take off at the proper time, if desired.

11/02/08⁵

SUTHERLAND IN TO SEE STEWARDS

Jockey Chantal Sutherland appeared as requested by the Stewards to explain her tardiness to the walking ring for Friday's first race. Her actions caused the post parade to be held up and the horses went onto the track out of numerical order. Ms. Sutherland said she had a personal problem and additionally, there is no bell to warn the female riders when it is time to leave the jockey's quarters for the paddock. In a majority vote, (Kim Sawyer dissented), the Stewards gave the rider a warning. Jockey Sutherland was advised she must be more aware of her duties or a sanction would be forthcoming.
