Trainer RON MCANALLY's assistant, Dan Landers, appeared in the office this morning in an informal hearing to answer case number 09HP168 which involved a complaint filed by the official veterinarian when one of his trainees showed up late to the receiving barn. Mr. Landers offered no excuse but said that it wouldn't happen again. It was Mr. McAnally's first complaint for this violation so he was issued a warning.

KITCHINGMAN COMPLAINTS

Trainer ADAM KITCHINGMAN called the office this morning to discuss two complaints filed against him by the official veterinarian when his trainees arrived late to the receiving barn on two separate occasions (case numbers 09HP170 and 09SA249). Mr. Kitchingman accepted a warning for the first one and the following ruling for the second incident:

HRTH #030

Trainer **ADAM KITCHINGMAN**, is fined **ONE HUNDRED DOLLARS (\$100.00)*** for violation of California Horse Racing Board rules #1852 (Reporting to Receiving Barn-Late) and #1894 (Duties of Trainer) with his horse “Fitzmo” in the fifth race on November 26, 2009.

12/10/09²

PEREZ HEARING AND WARNING

Trainer MAG PEREZ contacted the office by telephone to discuss case number 09HP166 which embodied a complaint filed by the CHRB alleging that one of his runners was late arriving on the grounds on race day. Mr. Perez explained that the horse van had a flat tire and that he couldn't leave the Los Alamitos grounds during training hours. Although the excuses didn't make total sense, Mr. Perez was issued a warning for the violation.

12/10/09³

HARDGROVE HEARING AND WARNING

Veterinarian NICOLA HARDGROVE came to the office this morning for an informal hearing regarding case number 09HP167—a complaint filed by the official veterinarian for a late and incorrect veterinary confidential. After explaining the importance of confidentials to Dr. Hardgrove, we issued a warning based on her spotless record.

INQUIRY/NO CHANGE

Following the running of the seventh race, the stewards posted the inquiry sign to examine an incident shortly after the start in which several horses checked. In this four horse field, video replay revealed that the outside horse #5 Tenacious Tina, ridden by Mike Smith, angles in shortly after the six and a half furlong start, and puts pressure on the horse to his inside, #4 Seedless. Alonso Quinonez, the rider of #4 Seedless, checked his horse, who then threw his head in the air, ducked in and then out. Unfortunately, the two horses to his inside were interfered with as well. In the unanimous opinion of the stewards, although the winner #5 Tenacious Tina began the incident, it did not cost the second place finisher #3 Jocata a placing (checked briefly and was beaten 1 ¾ lengths). We also believed that the third place finisher #4 Seedless was partially responsible for the incident, and that the last #1 Little Dodger, was beaten 11 lengths for third and therefore was not cost a better placing. Hence, while dramatic, the incident did not warrant a disqualification.

FILM REVIEW

Jockey EULICES GOMEZ came to the office to discuss his ride in the sixth race yesterday in which his mount drifted in shortly after turning for home and made contact with the horse to his inside. Mr. Gomez, who was refreshingly candid, said that he was overriding a tired horse. We agreed, commended him on his candor and issued a warning.

Jockey MIKE SMITH came to the office this morning to discuss his ride in the seventh race yesterday which was the subject of a stewards' inquiry. Ultimately there was no change but films showed that Mr. Smith's horse angled in and put pressure on the three horses to his inside. Mr. Smith pointed out that he was initially clear but that when his horse went to the lead, she slowed down unexpectedly. That claim was somewhat substantiated by the films. Although Mr. Smith does pull his horse off quickly, the damage had already been done. The majority elected to give Mr. Smith a warning (Steward Ward voting for three days).

Jockey AMIR CEDENO came to the office this morning to discuss his ride in the sixth race yesterday in which we felt that he had maintained a bad position down the backside and that he had angled out too sharply in the lane. After reviewing the films, he agreed with the analysis and accepted a warning without objection.

ROSARIO HEARING

Today was the third and final day of the hearing involving jockey JOEL ROSARIO. Steward Winick (currently assigned at Hollywood) joined Stewards Christiansen and Sawyer in presiding over the hearing. Roger Licht, Respondent's counsel, presented evidence on his client's behalf, which included testimony from Mr. Rosario and Vic Stauffer, agent for Rosario. The hearing was closed and the matter deemed submitted. Decision to follow.

RAIN STORM

After Southern California was hit with what is supposed to be the beginning of some wet weather, the four races carded for the grass today were moved to the main track (1st, 4th, 7th and 8th). Unfortunately, there were 8 scratches this morning leaving a total of 45 horses for the eight race card.

12/11/09⁴

FROUSIAKAS HEARING

Trainer GEORGE FROUSIAKIS met with the stewards informally to discuss case number 09SA252 which was a financial complaint filed by Angel’s Feed Inc. based on a judgment in the amount of \$1,975.92. Also present was Christian Unamuno on behalf of Angel’s Feed. With a judgment, there shouldn’t have been much discussion, but Mr. Frousiakis claimed that he hadn’t paid the money because Angel’s had two portable pens that Frousiakis owned. While we explained that Mr. Frousiakis could file a complaint based on these allegations, it wouldn’t change the outcome of the this particular hearing. The Angel’s Feed representative then asked for a little time to determine if the allegations with respect to the pens were meritorious. That request was granted and this Board will withhold a ruling until Mr. Unamuno obtains more information.

FILM REVIEW

Jockey PEDRO ARAMBULA came to the office this morning to review his ride in the sixth race on Thursday. Films showed that down the backside. Mr. Arambula shifted his mount out and caused the horses to his outside to steady. Mr. Arambula blamed the horse in front of him for the incident and didn't seem willing to accept our analysis or any responsibility for the incident. He was issued a warning.
