Wednesday06-17-09¹**MANUEL CALVARIO MEETING**

Suspended trainer **MANUEL CALVARIO** appeared in the stewards' office this morning with a check for \$2,000 to pay **Jose O. Garcia** for farrier services. Horseshoer Garcia obtained a court judgment against trainer Calvario on April 24, 2009 in Alameda County Superior Court in Berkeley, California. A hearing (Ref: Case#09GG216) for this matter was scheduled for June 13, 2009 at the Golden Gate Fields stewards' office. Trainer Calvario failed to appear for the hearing and was subsequently suspended. (Ref: GGF Ruling #105)

Trainer Calvario appeared with a personal check made out for \$2,000 for Jose Garcia. The stewards refused to take the check and told trainer Calvario to bring cash or a cashier's check. More to follow.

06-17-09² **PATRICK GLEASON MATTER**

Supervising Investigator Anne Glasscock appeared in the stewards' office to talk about the '**PATRICK GLEASON** matter'. Mr. Gleason last trained horses in California during the fall of 2006. Recently he has trained horses in the states of Nebraska and Arizona. Mr. Gleason was refused a trainer's license July 2008 at the Solano County Fair in Vallejo by CHRB investigators.

Stewards Grant Baker and Will Meyers signed off on Mr. Gleason's license card following discussion with Supervising Investigator Anne Glasscock. Mr. Gleason then traveled to CHRB headquarters in Sacramento to meet with CHRB Chief Investigator Rad Coulter to finish his process of getting re-licensed.

06-17-09³ **ENTRIES FOR SATURDAY / JUNE 20**

Entries were taken today in the racing office for Saturday, June 20. A total of twelve (12) races were filled. One (1) mule, one (1) Arabia, one (1) Quarter Horse and nine (9) thoroughbred races are slated. One hundred twenty-one (121) horses/mules are scheduled to start.

Thursday

06-18-09¹ **ENTRY DAY**

06-18-09² **CALVARIO REINSTATEMENT – RULING NO. 1**

In the matter of:

Owner/Trainer **MANUEL CALVARIO**

Owner/Trainer MANUEL CALVARIO, having now resolved the outstanding financial obligation to **Jose O. Garcia**, is hereby restored to good standing and Pacific Racing Association ruling #105, dated June 14, 2009, suspending Mr. Calvario for violation of California Horse Racing Board rule #1547 (Failure to Appear) is set aside.

Any further violation of California Horse Racing Board rule #1876 (Financial Responsibility) during the term of his license shall result in the suspension of all licenses of MANUEL CALVARIO.

The foregoing ruling was issued after suspended trainer **MANUEL CALVARIO** appeared in the stewards' office with a cashier's check for horseshoeing services performed by Jose O. Garcia. This check satisfies the terms of Ruling #105, issued by Golden Gate Fields stewards last Sunday, June 14th.

The bottom paragraph of this ruling adds additional language that addresses any future violations of CHRB rule #1876 (Financial Responsibility) with regards to Manuel Calvario.

In an additional matter, Manuel Calvario was detained by CHRB investigators in their office this morning at Stockton and later arrested by officers from the Stockton Police Department. Stockton police were acting upon a warrant out of San Mateo County (CA) in a matter involving delinquent child support payments. (Ref: GGF minutes – 02-26-09³ & 04-09-09³)

06-18-09³ **ANISETE LEON FILM REVIEW**

Jockey **ANISETE LEON** appeared in the stewards' office this morning with an interpreter (Owner/Trainer Art Riesgo). Jockey Leon appeared to view the tenth race that ran Sunday, June 14, 2009 at Golden Gate Fields. (Refer: 06-14-09⁸) Jockey Leon rode **MUQS QUEST**, who was disqualified from second to sixth in this race.

After receiving a DVD of the race this morning, San Joaquin stewards reviewed all angles of the race with jockey Leon. Race replays show #7 MUQS QUEST drifted in at 3/16th pole and make contact with the unofficial sixth place finisher #2 PROUD CAJUN (Russell Baze) forcing that rival to steady.

The stewards felt jockey Leon was slow to correct his mount after the initial drifting. His last riding suspension was six (6) weeks ago at Golden Gate Fields. This is borderline as far as what Stockton stewards would consider for a stiffer riding suspension. The stewards unanimously ruled to issue the following ruling:

RULING NO. 2

Jockey **ANISETE LEON**, who rode **MUQS QUEST** in the tenth race at Golden Gate Fields on Sunday, June 14, 2009, is suspended three (3) racing days (June 25, 26 and 27, 2009) for failure to make the proper effort to maintain a straight course in the stretch and causing interference resulting in the disqualification of his mount from second to sixth; a violation of California Horse Racing Board rule #1699 (d) & (f) (Riding Rules – careless riding).

The term of this suspension shall not prohibit participation in designated races in California.

06-18-09⁴ **JOCKEYS' ROOM MEETING**

The stewards met with the Stockton jockey colony to go over procedures for this two (2) week portion of the summer Fair Circuit. The importance of communication between the jockey's room and other officials was reviewed. Starting gate, the turns and stretch portions of the racetrack were reviewed with regards to riding in the race itself.

Whipping rules, jockey film review, jockey room security and jockey objection procedures were also reviewed.

06-18-09⁵ **ACCIDENT / DELAY – Third Race**

Just prior to the start of the third race, jockey Chad Schvaneveldt (#1 ROSIANA) was thrown out the back of the starting gate just prior to dispatch. The human ambulance crew attended to jockey Schvaneveldt, who lay prone on the racetrack.

Track Veterinarian Robert Connolly recommended the late scratch of #1 ROSIANA after an examination of the horse. This incident led to a twelve (12) minute delay in the day's race card. An accident report of this incident is attached to these minutes.

Entries were taken today for racing on Wednesday, June 24th. Ten (10) races filled for this card. One (1) mule, two (2) Arabian, and seven (7) thoroughbred races will be contested. Sixty-five (65) horses/mules are scheduled to start.

06-19-09² **DAVID LOPEZ FILM REVIEW – RULING NO. 3**

Jockey **David Lopez** appeared in the stewards' office to review replays from the fifth race on Sunday, June 14 at Golden Gate Fields (closing day). Lopez appeared here (Stockton) yesterday but film review was cancelled after the DVD of this race failed to surface.

Jockey Lopez rode original third place finisher **#7 QUANTUM THEORY** who was disqualified (Ref: 06-14-09) and placed fourth after drifting out at the 1/8 pole. Film review shows jockey Lopez whipping his mount several times left handed while drifting out into the path of fourth place finisher **#2 SUSPECT** (Jockey Francisco Duran). Jockey Lopez was candid stating that he should have stopped whipping after the drifting started. For this ride the stewards unanimously voted to issued the following ruling:

Jockey **DAVID LOPEZ**, who rode **QUANTUM THEORY** in the fifth race at Golden Gate Fields on Sunday, June 14, 2009, is suspended three (3) racing days (June 25, 26, and 27, 2009) for altering course without sufficient clearance in the stretch and causing interference resulting in the disqualification of his mount from third to fourth; a violation of California Horse Racing Board rule #1699 (d) & (f) (Riding Rules – careless riding).

The terms of this suspension shall not prohibit participation in designated races in California.

06-19-09³ **LARGE SHOW WAGER**

Large show wagers were made in the first (mule) race today. Over \$32,000 was wagered on winner **#3 BAR JF CYA** (Anthony Ayala) who went off at odds of 1/2.

Mutuel Coordinator Annette Snezek reported that a twenty thousand dollar (\$20,000) wager was made at Santa Anita and a ten thousand (\$10,000) wager was made at the Surfside Wagering Complex at Del Mar.

06-19-09⁴ **INQUIRY – NO CHANGE – Ninth Race**

The stewards posted the inquiry sign after viewing post time favorite (odds 2/1) **#2 SHESOURKINDAGAL** (Modesto Linares) break six (6) or seven (7) lengths behind the field. In this general inquiry, race replays show this horse rear at the start causing her own problems.

In a unanimous vote, no change was made in the order of finish.

Jockey **Michael Martinez** appeared in the stewards' office to review the start of yesterday's (June 19) third race. Jockey Martinez was aboard #4 GIOVANNI (NZ) who finished second in this five (5) furlong race.

Race replays show that jockey Martinez was very slow to straighten his mount after breaking outwards.

The stewards told jockey Martinez a similar incident will lead to a riding suspension.

06-20-09³ **MEETING WITH STARTER**

The stewards called Starter **Robert Mooneyhan** into their office after an incident in yesterday's fifth race involving #8 NITA'S GAL (Trainer Willie Whitehouse / Jockey Modesto Linares). Mr. Thomas was not present for this hearing but was available via telephone. CHRB investigators were contacted by the veterinarian clinic, San Francisco Equine, with regards to an outstanding debt that was past due from owner **Ramon A. Maravilla**. They stated that all bills have been paid in full. This ruling restores Mr. Maravilla’s owner’s license to good standing.

The stewards spoke with both riders involved. Jockey Gregorio Arriaga was ordered to film review. In a majority vote (Steward Moreno dissenting) #3 NO JOHNY COME LATELY was disqualified and placed fourth.

Original Order of Finish: 8 – (5) – 3 – 4 – 9 – 6 – 7 – 1 – 2
