FILM REVIEW

Jockey FLAVIEN PRAT, along with his agent DEREK LAWSON who translated, met with the Stewards to review the disqualification of his mount in the seventh race yesterday (Ref. 02/08/14⁵). After a review and discussion of his ride in the race, in a majority vote (Sawyer dissenting), Mr. Prat was issued a warning. The majority felt that the lack of room between horses in the stretch run contributed to the interference and this relieved Mr. Prat of responsibility.

BRIONES FORMAL HEARING – CASE 14SA022

The CHRB filed a complaint against MARCO BRIONES for an alleged violation of rule 1489(h) (Grounds for Denial or Refusal of a License). Executive Director of Winners' Foundation, BOB FLETCHER, attended and issued his recommendation after an evaluation with Mr. Briones. Assistant Trainer for TOM PROCTOR, AMY DOLLASE, appeared as a character witness for Mr. Briones. After all testimony and opinions were given, the following ruling was issued.

RULING #037

Exercise rider MARCO BRIONES, having violated California Horse Racing Board rule #1489(h) (Possession of drug paraphernalia), is required to sign a testing agreement with the California Horse Racing Board, remain on probation for as long as he holds a license issued by the California Horse Racing Board and abide by the recommendations issued by Winners Foundation following evaluation.

02/09/14³**MALDONADO RULING**

The following ruling was issued after Mr. Maldonado rode two designated races on the same day while under suspension.

RULING #038

Jockey EDWIN MALDONADO is suspended for ONE (1) additional RACING DAY (February 14, 2014) pursuant to California Horse Racing Board rule #1766 (Designated Races – participated in more than one designated race on February 8, 2014).

02/09/14⁴**GUILLOT FORMAL HEARING – CASE 14SA015**

The CHRB filed a complaint against trainer ERIC GUILLOT for an alleged violation of CHRB rules 1843(a)(d) (Medication, Drugs and Other Substances), 1844(c)(1) (Authorized Medication), 1866(d) (Veterinarian's List), 1887(a) (Trainer to Insure Condition of Horse). Mr. Guillot worked his horse WILLYCONKER for removal from the Veterinarian's List. The test results from U.C Davis revealed a Phenylbutazone level of 2.9 ug/ml. This violation is categorized as a Category "D" penalty. Mr. Guillot could not appear due to illness; his assistant trainer JOHN DALEY represented him. In their opinion, the horse in question metabolized the medication slowly. The next time the horse worked, it did so without this medication. Due to Mr. Guillot's medication record and a CHRB recommendation, Mr. Guillot received a warning.

02/09/14⁵**INQUIRY: THIRD RACE: NO CHANGE**

Following the running of the race, the Inquiry sign was posted to review an incident at the start involving #4 GREENFIELD d'ORO (V. Espinoza). At the start of the race, #4 stumbled badly and unseated the jockey. After a video review and conversation with the Patrol Judges, it was a unanimous decision that no other horses were involved and the race was made official. Jockey Accident Report attached.

02/09/14⁶**INQUIRY: FOURTH RACE: DISQUALIFICATION**

After #1 and #8 straightened and resumed their stretch drive, they both closed strongly and were beaten a half-length and a head, respectively. After a review and conversation with all jockeys involved, it was a unanimous decision to disqualify #3 from first place. It was a majority decision where to place #3. The majority placed #3 behind #8, the second place finisher. Steward SAWYER voted to place #3 behind #1, the third place finisher.
