CHRB NEWS RELEASE

NOVEMBER 10, 2007

WEEKLY UPDATE

SACRAMENTO, CA – This is the California Horse Racing Board’s weekly update of complaints, accusations, stewards rulings, and Board decisions involving Class 1, 2, and 3 medication violations and other significant matters.

The CHRB filed a complaint against trainer Gregory Gilchrist for violation of CHRB Rules 1843 (a) (d), 1844 (e), 1859.5, and 1887 after the Ken Maddy Laboratory at UC Davis determined a sample collected from a horse in his care, Yodelay You’re Who, exceeded the regulatory threshold for procaine. Industrial Laboratories confirmed the finding of procaine in the duplicate sample above the authorized level. Procaine is a local anesthetic but is also found in procaine penicillin G antibiotic preparations. This is a Class 3 violation. Yodelay You’re Who finished first in the second race at Bay Meadows on September 26, 2007. A hearing is scheduled December 14, 2007.
