CHRB NEWS RELEASE

SEPTEMBER 5, 2012

ENFORCEMENT UPDATE 9-5-12

SACRAMENTO, CA – This is the California Horse Racing Board’s regular update of all complaints and stewards’ rulings involving Class 1, 2, and 3 medication violations and other significant matters.

The stewards at Los Alamitos suspended trainer Hector Sanchez for 60 days and fined him \$3,000 for violation of CHRB Rule 1843 (a) (b) (d) pursuant to Rule 1887 after the Maddy Laboratory at UC Davis reported the blood and urine samples collected from Nozomu, a horse in his care, both contained clenbuterol. Clenbuterol is a beta-2 agonist bronchodilator commonly used in horses. The trainer did not request testing of a split sample. This is a Class 3 violation. Nozumu finished first in the second race at Los Alamitos on July 21, 2012. The stewards ordered the disqualification of Nozomu from that race and the redistribution of the purse.
