The winner of the 4th race driving #5 "California Dream" was Driver Rick Kuebler. It was to be his 4,284th win. He will now end his lustrous career in harness racing. It was a very magical night at Cal-Expo with his retirement. Many friends and family were present for this occasion. Mr. Kuebler has been driving harness horses since the 70's, having driven around the country against the best. His idol is Joe O'Brien, a legend in harness racing who also won 4,284 races, so Rick wanted to reach Joe, but not surpass his record.

This event was a very positive portrayal of the good people that can be found in harness racing and showed Rick Kuebler's class.
