Claims

Race #7 - #6 "Art's Clown" was claimed by Owen Eiler Jr. for Three Thousand (\$3,000) Dollars. The new trainer will be Frank Petrelli.

02/05/09 (4)

Track Condition

The track went from good to sloppy after the fourth race, with rain, and getting worse as the night went on.

02/05/09 (5)

Delay

We had a delay of Race #7. The drivers refused to go on the track because of the track condition. There was a 45 minute delay. We tried to contact somebody in management, but were unable to do so. Joe Nefsky was supposed to be on duty for Management, but wasn't. Safety Steward Wayne Oke and Steward Grant Baker went to the paddock to discuss the problem with Rocky Stidham and the horseman. Situations like this should always have a member of management involved. After some time, the track crew was able to get the track to where it was felt to be safe enough to resume racing. Once again, I must comment, in this situation where racing is in doubt, or anything involving the plant itself, management should always have someone there to make decisions along with the stewards.

Racing resumed and the night proceeded without a problem.
