Ms. Barney is crossing over from the thoroughbred industry where she has been and continues to be an accomplished outrider. Kenneth Fowler is our Interim Starter/Patrol Judge this meet. Fowler has driven the mobile starting gate in California for nearly twenty (20) years. He is filling in for longtime Starter/Patrol Judge Bill Vallandingham who has been experiencing some health issues currently. We wish him a speedy recovery. The Stewards met with both of these new racing officials before tonight's opening card.

Along with the drivers and Stewards present were Paddock Judge Walter Peteresen, Starter/Patrol Judge Kenny Fowler, CHRB Investigator Duane Tadlock and Safety Steward Tom McCarthy. Several topics were discussed. Among some of the subjects reviewed were:

1. Keeping out of certain restricted areas
2. Checking in person with Paddock Judge prior to races
3. Proper parading of horses
4. Breathalyzer procedures
5. Mandatory safety vest usage
6. Allowing holes in the first turn (Don't do it)
7. Dawdling fractional times causing confusion
8. Misuse of the whip
9. Pylon violations
10. Good starting gate procedures
11. Making driver selections in racing office in timely manner
12. Not changing course after selecting a position in home stretch

A good 'back and forth' was had by all present.

10/04/14 (4) **Thirty One (31) Minute Delay – First Race**

Tonight's season opening card got off to a poor start when the first race, originally scheduled to commence at 6:15PM, went off at 6:46PM. Watch and Wager.com LLC were unable to show exacta probable exotic payoffs and other forms of graphics prior to the first race. They also would have been

unable to show payoffs on their graphics system following the running of their races. According to General Manager Chris Schick, Pegasus Communications (video department) was unable to get Tote Department information out to the wagering public. Video department regular Frank Matthews, who was welcoming his first child to this world, was summoned from the Bay Area to help solve this situation and horses and horsemen waited in the paddock patiently. A backup system was implemented in order to get the night's program underway. General Manager Chris Schick has been asked to provide the CHRB with a 'letter of explanation' about this matter.

10/04/14 (5) **Program Wagering Error**

The four (4) Pick 3(three) wagers were incorrectly listed as twenty (20) cents wagers in tonight's program. They should have been listed as a \$1 wager. Announcements were made and it was also listed on the video crawl throughout Cal Expo and the satellite network.

10/04/14 (6) **Third Race Inquiry/ Disqualification**

The Stewards posted the inquiry sign after viewing fourth place finisher #1 "Im Fasterthanu" (Daniel Gassien) race inside several racetrack pylons while racing down the backstretch after the opening ¼ mile. After all replay angles of this race the Stewards, in a unanimous decision, disqualified #1 "Im Fasterthanu" and placed her in sixth (last) position for violation of the 'Cal Expo Pylon Rule.' The Stewards determined #1 "Im Fasterthanu" left the race course and raced inside three (3) pylons. Driver Daniel Gassien was ordered to film review with the Stewards.
