FILM REVIEW

Jockey TYLER BAZE came to the office as directed to review his ride in the ninth race yesterday. Mr. Baze used his crop five times in the stretch when his horse was clearly not in contention (it entered the stretch last and finished last in an eleven horse field). He was candid in stating that his instructions from trainer Michael McCarthy were that this horse was lazy and to use the crop. We explained that this is against our rules and issued the following ruling:

DMTD Ruling #046

Jockey TYLER BAZE is fined THREE HUNDRED DOLLARS (\$300.00)* for violation of California Horse Racing Board rule #1688(b)(6) (Use of Riding Crop – continued use of riding crop when horse is clearly out of the race) while riding 'Unblunted' in the ninth race at Del Mar Thoroughbred Club on August 15, 2015.

Jockey JAMES GRAHAM telephoned and accepted the ruling that follows rather than dispute it. He used his crop four times in succession without giving his mount in the eighth race a chance to respond:

DMTD Ruling #045

Jockey JAMES GRAHAM is fined FIVE HUNDRED DOLLARS (\$500.00)* for violation of California Horse Racing Board rule #1688(b)(6) (Use of Riding Crop – more than three times in succession without giving the horse a chance to respond – third offense), during the eighth race at Del Mar Race Track on August 15, 2015.

8/16/15²

SPAWR RULING

Pursuant to the formal hearing (case number 15SA0197) held yesterday, we issued the following ruling:

DMTD Ruling #044

Trainer WILLIAM "BILL" SPAWR, who started the horse LUCKY STUDENT in the sixth race at Santa Anita Park on May 16, 2015 is fined ONE THOUSAND DOLLARS (\$1,000.00)* for violation of California Horse Racing Board rule #1843(a)(d) (Medications

Drugs and Other substances), #1843.1 (Prohibited Drug Substances), #1887 (Trainer to Insure Condition of Horse) and #1844 (C)(2) (Authorized Medication – more than one approved NSAID; and Flunixin in excess of permitted level 36.1 ug/ml).

8/16/15³

DUNCAN RULING

Owner MICHAEL SCOTT DUNCAN was reinstated after we received evidence that his alleged debt to Dr. Nolton Pattio (case number 14SA056) was paid in full:

DMTD Ruling #047

Owner MICHAEL SCOTT DUNCAN, having complied with the provisions of California Horse Racing Board rule #1876 (Financial Responsibility - \$635.00 to Dr. Nolton Pattio) is restored to good standing. Ruling LATS #112, issued at Los Angeles Turf Club on March 23, 2014, is set aside.

ACCIDENT/INQUIRY/DISQUALIFICATION

Following the running of the fifth race, we posted the inquiry sign to examine an incident in the first turn (turf – 1 mile) the result of which was jockey Tyler Baze being unseated from his mount. Films revealed that eleventh place finisher (J. Cardenas) #1 Cape Royal did not make the turn, collided with #2 Sir Cat, who then ran into #8 Unusually, unseating Baze. After speaking with the patrol judges and some of the riders involved, we unanimously voted to disqualify #1 Cape Royal and place him unplaced. The horse was corralled by the outrider. Jockey Baze was transported to first aid where he was cleared to ride by the track physician. See attached accident report.

Original Order of Finish: 12-2-5-6-9-7-14-4-10-11-(1)

FILM REVIEW

Jockey JESSE CARDENAS came to the office to review his ride in the fifth race Sunday after which his horse was disqualified. He explained that he tried to angle out slightly to avoid heels and that his horse was uncontrollable. We questioned the wisdom and necessity of angling out and assigned the following penalty:

DMTD Ruling #049

Jockey JESSE CARDENAS, who rode Cape Royal in the fifth race at Del Mar Thoroughbred Club on August 16, 2015, is suspended for THREE (3) RACING DAYS (August 23, 26, and 27, 2015), for altering course without sufficient clearance causing interference which resulted in disqualification of his mount from eleventh to unplaced. This constitutes a violation of California Horse Racing Board rule #1699 (Riding Rules - careless riding).

Pursuant to California Horse Racing Board rule #1766 (Designated Races), the term of suspension shall not prohibit participation in designated races.

Jockey GONZALO NICOLAS came to the office to review his ride in the last race on Sunday. He angled down toward the rail rather sharply leaving the gate and interfered with at least one rival if not more. He was cautioned by the majority to be more careful whereas Steward Chaney voted for three suspension days.

Jockey FERNANDO PEREZ called the office and accepted the following penalty for a riding crop violation:

DMTD Ruling #048

Jockey FERNANDO PEREZ is fined TWO HUNDRED DOLLARS (\$200.00)* for violation of California Horse Racing Board rule #1688(b)(6) (Use of Riding Crop – more than three times in succession without giving the horse a chance to respond – first offense), during the eighth race at Del Mar Race Track on August 16, 2015.

FILM REVIEW

Jockey FERNANDO PEREZ came to the office to review his ride aboard #8 Among the Angels in the fourth race. At first glance, we felt that he didn't give his best efforts throughout the race. However, after reviewing the race with the rider, it was clear he had some trouble early in the race. In the stretch, however, we felt that he could have ridden a bit more vigorously. He concurred.

8/21/15²

BELL RULING

We issued the following ruling after meeting with trainer RAY BELL, who had been issued a citation by the outriders for entering the track while it was closed for Pacific Classic horses and Triple Crown winners:

DMTD Ruling #051

Trainer THOMAS R. BELL is fined FIFTY DOLLARS (\$50.00)* for violation of California Horse Racing Board rule #1930 (Obedience to Security Officers and Public Safety Officers – failure to comply with the orders of the outrider).
