Mr. Lopez was informed his actions bordered on carelessness and any future incidents of this nature would result in days.

10-04-08⁴ **DAB OF LIGHTNING – DISQUALIFICATION HEARING**

A disqualification hearing was scheduled to address California Horse Racing Board complaint 08GG119 filed by the Board after the horse DAB OF LIGHTNING tested positive for the Class II prohibited drug 3-hydroxylicocaine after racing in the ninth race at the Solano County Fair (Vallejo) on July 20, 2008.

Present for the hearing were stewards Dennis Nevin, Darrel McHargue and William Meyers, trainer Sean McLaughlin and Supervising Investigator Anne Glasscock. Certified Court Reporter Christine Niccoli recorded the proceeding.

Prior to opening the record a discussion was held regarding the procedural process of disqualifying a horse prior to having a hearing for the trainer.

After opening the record the question arose as to whether the owners of the horse were duly noticed for the hearing and a continuance was issued with instructions to send notices to all the owners.
