12-12-10<sup>3</sup> **JOCKEY BEATO FILM REVIEW**

Jockey **Inoel Beato**, accompanied by trainer Tony Diaz, reviewed the start of yesterday's first race. At first glance it appeared Mr. Beato, aboard #1 PURE PROMISE, was slow to react to correct his mount's course after it broke sharply outward at the start. Upon a closer review, Mr. Beato's reactions were sufficient in trying to fix the problem; therefore, no sanction was issued.

12-12-10<sup>4</sup> **RULING NO. 25 – DURAN**  
Jockey **FRANCISCO DURAN** is fined the sum of fifty dollars (\$50.00) for violation of California Horse Racing Board rule #1680 (Jockey and Drivers to Report) on Friday, December 10, 2010.

The preceding ruling was issued after Mr. Duran stopped by the office and pled guilty.

12-12-10<sup>5</sup> **RULING NO. 26 – HARVEY**  
Jockey **BARRINGTON HARVEY**, who rode **GLOBAL STAGE** in the sixth race at Golden Gate Fields on Saturday, December 11, 2010, is suspended three (3) racing days (December 19, 26 and 29, 2010) for failure to make a proper effort to maintain a straight course in the stretch and causing interference resulting in the disqualification of his mount from first to second; a violation of California Horse Racing Board rule #1699 (d) & (f) (Riding Rules – careless riding).

The term of this suspension shall not prohibit participation in designated races in California.

The foregoing ruling was issue after Mr. Harvey met with the stewards and reviewed the race. The recordings clearly show Mr. Harvey allowed his mount to drift off course without making the necessary course correction in a timely manner.

12-12-10<sup>6</sup> **INQUIRY / OBJECTION – Fourth Race – NO CHANGE**  
Following the running of the fourth race the inquiry sign was posted for a review of observed contact between #2 KNOCKOUT ARTIST (1<sup>st</sup>, Russell Baze) and #6 NORTHERN J C (5<sup>th</sup>, Jesus Velazquez) near the quarter pole.

Jockey Velazquez also lodged an objection against the winner for interference on the turn.

After reviewing all the recorded views and talking to the riders involved the results, as posted, was made official.

The recordings clearing show contact between the two horses however, the recording failed to show which horse was at fault; therefore, no change in the placing was made.

The term of this suspension shall not prohibit participation in designated races in California.

The ruling listed above was issued after Mr. Romero reviewed the race with the stewards and acknowledged his error.
