01-23-11² NOLAN HEARING (Case #10GG229)

An informal hearing was conducted telephonically for trainer Bill Nolan who was the subject of a complaint after the horse LIFE'S A THRILL showed the presence of bute at a level of 6.88 ug/ml following a win in the sixth race on November 20, 2010. Nolan felt his groom failed to administer the medication in a timely fashion the day before the race.

Nolan has not had a medication violation in the last three years so a warning was deemed sufficient.

01-23-11³ RULING NO. 15 – ORTIZ

Exercise Rider **AMBROSIO B. ORTIZ** is fined the sum of fifty dollars (\$50.00) for failure to obey orders from security personnel on January 6, 2011; a violation of California Horse Racing Board rule #1930 (Obedience to Security Officers and Public Safety Officers).

The foregoing ruling was issued after Ortiz reported to the stewards and admitted he

failed to vacate a tack room in a timely manner after he had gained unauthorized access. The stall superintendent had allowed Ortiz to remain in a tack room through the holidays after he suffered some financial setbacks. Ortiz overstayed his welcome and ignored the security staff's orders to leave the room until he was finally ordered to appear before the stewards.

01-23-11⁴ **DILLENBECK HEARING**

Trainer **BRUCE DILLENBECK** appeared in response to a security citation after an officer noticed that there was a heater in Dillenbeck's tack room plugged into a wall socket without a surge protector attached. This would constitute a violation of association barn area regulations.

Dillenbeck acknowledged that he had been warned previously about a surge protector and purchased one which apparently was stolen because it was not present when the security officer appeared.

Decision forthcoming.

01-23-11⁵ **CLEAR AFTERNOON**

The afternoon's nine race program was contested without noteworthy incident.

Trainer **Valerie Rhoden**, having waived her right to a formal hearing, met informally with the stewards in response to a complaint alleging the horse ZEHNER'S ZENNA tested positive for methocarbamol.

Valerie stated only one horse in her barn received Robaxin and was located on the opposite side of the barn. She did not think feed tubs were mistakenly switched but had no other explanation. Being the trainer of record, Valerie accepted full responsibility.

Decision to follow.

01-27-11⁴ **RULING NO. 16 – MILLER**

Trainer **RICHARD E. MILLER**, who started the horse **MON IN THE MOON**, winner of the third race at Golden Gate Fields on November 19, 2010, is fined the sum of five hundred dollars (\$500.00) pursuant to California Horse Racing Board rule #1887 (Trainer to Insure Condition or Horse) for violation of California Horse Racing Board rule #1843(a) & (d) (Medication, Drugs and Other Substances: Phenylbutazone – in excess of permitted level – 5.92 ug/ml [Class 4]).

The above ruling was issued after Mr. Miller appeared before the stewards on Saturday, January 22nd and accepted responsibility for the overage.

The above ruling was issued following an informal hearing in which Mr. Dillenbeck admitted responsibility for the non-compliance.

RHODEN**, who started the horse ZEHNER'S ZENNA, winner of the ninth race at Golden Gate Fields on October 31, 2010, is fined the sum of five hundred dollars (\$500.00) pursuant to California Horse Racing Board rule #1887 (Trainer to Insure Condition of Horse) for violation of California Horse Racing Board rule #1843 (a) & (d) (Medications, Drugs and Other Substances: Unapproved Substance – Methocarbamol – [Class 4]).
