RULING

HRTH Ruling #06

Trainer GARY SHERLOCK, who started the horse “Buck Basolo” which finished second in the first race at Santa Anita Park on March 17, 2008, is fined FOUR HUNDRED DOLLARS* (\$400.00) pursuant to California Horse Racing Board rule #1887 (Trainer to Insure Condition of Horse) for violation of California Horse Racing Board rule #1843 (A) (D) (Medication, Drugs and Other Substances – Phenylbutazone).

This ruling was issued after the trainer had appeared in response to a complaint filed by the Board for an overage of the permitted medication, Phenylbutazone, at a level of 5.63 ug/ml, which is above the permitted level of 5.0 ug/ml. The sample was collected from his horse Buck Basolo, which finished second in the first race at Santa Anita Park on March 17, 2008.

Mr. Sherlock was not certain as to what caused the overage, but surmised that an oral administration may have led to the problem.

VIDEO REVIEW

Richard Migliore viewed video of the third race from 4-27, in which his mount was disqualified from first to third position for interference in the stretch (Ref. 4-27-08⁴). After a thorough review of all angles and a discussion with the rider, a split vote absolved Migliore of blame. His horse came in marginally when it changed leads and the rider reacted quickly. Steward Chaney, in his dissenting opinion, felt Migliore’s actions constituted careless riding.

Michael Baze reviewed the eighth race from 4-27, in which his mount was responsible for interference in deep stretch. After review, it was the unanimous opinion of the stewards that while the horse did come in sharply after switching leads, Baze reacted to the situation readily and tried to correct his mount.

REFUND

A refund was ordered in the third race as #8 By Far was off in the left foreleg during the warm up period and was declared on the advice of Racing Veterinarian Bailey. The refund amounted to \$37,465.20

RULING

HRTH Ruling #06

Trainer JERRY FANNING is fined ONE HUNDRED DOLLARS* (\$100.00) for violation of California Horse Racing Board rules #1852 (Reporting to the Receiving Barn – Late) and #1894 (Duties of a Trainer) with his horse STEAM IRON on April 17, 2008 at Santa Anita Park.

This ruling was issued after the trainer accepted responsibility for his horse arriving late to the Receiving Barn for the fifth race on April 17, 2008. Jerry said he was at his barn until the call for the fifth race went out, then left for the saddling barn. He learned that after his departure his help decided to give the horse a bath.

ACCIDENT / INQUIRY / NO CHANGE

The stewards posted the inquiry sign after the fourth race as jockey Richard Migliore, aboard #5 Crude Oil, was unseated shortly after the start. After speaking with the Patrol Judges and reviewing video of the incident, the Stewards unanimously voted to make no change in the placings. Video shows that the horse started to buck two strides away from the gate, causing Migliore to be unseated. He was fortunate to escape injury as his left foot was momentarily hung up in the iron.

RIDER IN

Jockey Joel Rosario was in the office this morning in response to an advertisement which first appeared in the Daily Racing Form this past Thursday. The ad, placed by the racing selection service “WINBY5.COM”, stated that they were “the only site with a top jockey on our team – Southern California sensation JOEL ROSARIO”.

The stewards were in receipt of several phone calls questioning the propriety of the rider being associated with a selection service as the implication was that the rider was giving the site information on the horses he rode.

Rosario said that he never gave any information, nor was asked to do so, but merely wore riding pants with the web site’s logo. He was instructed to discontinue wearing the attire until further notice. A copy of the ad is included with the minutes.

This ruling was issued after Mr. Chatlos failed to respond to a complaint which alleged he owed past due wages to an exercise rider.

HRTH #09

Trainer PAULA CAPESTRO is fined ONE HUNDRED DOLLARS* (\$100.00) for violation of California Horse Racing Board rules #1852 (Reporting to the Receiving Barn – Late) and #1894 (Duties of a Trainer) with her horse UNION DANCER on April 26, 2008 at Hollywood Park.

This ruling was issued after Ms. Capestro was in the office to address a complaint filed against her for being late to the Receiving Barn on April 26, 2008. She said it was her intention to be the last one in the barn as her horse was a stud and hard to handle. According to the complaint filed by Official Veterinarian Tim Connor, the horse arrived ten minutes after it was due.

05/04/08³

RULING

HRT# #10

Trainer DAVID HOFMANS, who started the horse "Desert Code" which finished first in the third race at Santa Anita Park on March 22, 2008, is fined FOUR HUNDRED DOLLARS* (\$400.00) pursuant to California Horse Racing Board rule #1887 (Trainer to Insure Condition of Horse) for violation of California Horse Racing Board rule #1843 (A) (D) (Medication, Drugs and Other Substances – Methylprednisolone).

The foregoing ruling was issued after Mr. Hofmans pled guilty to the charge against him; namely, the fact that the sample obtained from his horse Desert Code contained Methylprednisolone, a class 6 drug. Hofmans had an answer to the problem, stating his veterinarian had injected the horse's hocks and back over a three day period and the trainer felt a buildup had occurred.
