11/26/08²

MEDICATION HEARING

Trainer Jorge Alcala appeared and agreed to an informal hearing. The case involves a positive test for the muscle relaxant Dantrolene. Mr. Alcala stated he feeds the Dantrolene in pill form and this particular horse was slow in cleaning up its feed. The split sample was confirmed by the Pennsylvania Lab. The trainer also offered that his situation was made difficult because his stable is split between Pomona and Hollywood Park. The filly was receiving the medication for tying up problems. Decision regarding penalty to follow.

FRIDAY11/28/08¹**GROOMS APPEAR**

Grooms Jesus Banuelos and Miguel Mendoza appeared to address the financial complaints they filed against trainer George Papaprodromou for wages owed. The trainer called and stated he could not be present for today's hearing. He requested the Stewards direct the grooms to see him at Pomona tomorrow. Mr. Papaprodromou admitted he owed these grooms wages, but a lesser amount than they have claimed. Banuelos and Mendoza were advised to call the Stewards if the parties are unable to come to an agreement, and the case was put on hold for the time being.

11/28/08²**FINANCIAL AGREEMENT**

Trainer Gerardo Contreras appeared in response to a complaint filed by San Luis Rey Downs that alleged he owed stall rent of \$9,858.00. The trainer signed a financial agreement to pay \$500 per month towards the debt, which was acceptable to both parties.

11/28/08³**RULING #14 (ref 11/26/08²)****HRTH #014**

Trainer JORGE ALCALA, who started the horse "Ourtequilasunrise" which finished first in the thirteenth race at Fairplex Park on September 14, 2008, is fined ONE THOUSAND FIVE HUNDRED DOLLARS* (\$1,500.00) pursuant to California Horse Racing Board rule #1887 (Trainer to Insure Condition of Horse) for violation of California Horse Racing Board rule #1843 (A) (D) (Medication, Drugs and Other Substances – Hydroxydantrolene – Class IV, Second Offense).

This ruling was agreed upon after due deliberation. Mr. Alcalá's record was considered in arriving at a penalty. The trainer's testimony, in an attempt at mitigation, was not credible.

11/28/08⁴**NO PROBLEMS**

Ten races were completed without a reportable incident.

11/28/08⁵**LATE DECLARATIONS**

SATURDAY11/29/08¹**APPRENTICE JOCKEY'S WOES**

Apprentice jockey Tabitha Morrison appeared as requested this morning. Of immediate concern was yesterday's fifth race in which Ms. Morrison rode #1 Premier Yank. The rider explained she lost an iron at the start, was out of control for about one hundred yards, ran up on a horse and clipped heels. Morrison got the iron back at about the three-eighths pole, and finished the race without further problems.

The Stewards then reviewed the fourth race from Wednesday, November 26, 2008. In this race, the apprentice rode #2 Red Lollipop and had trouble with her cross at the start, then struggled with the horse bearing out down the backside. Ms. Morrison has ridden about forty races and has two wins. Currently she is riding mostly at Los Alamitos. When contacted, the Los Alamitos Stewards stated they felt the rider was green, but otherwise had not drawn attention to herself.

After discussing the situation, the Stewards informed the rider that she will need more experience before riding at Hollywood Park again. It appears to the Stewards the young rider is overwhelmed and may be intimidated riding here. Ms. Morrison agreed not to accept any further mounts for the remainder of the meet, and to work on her riding skills.

11/29/08²**JOCKEY REVIEWS REPLAY**

Jockey Luis Contreras appeared to review Thursday's seventh race with the Stewards. The rider was cautioned to make sure he was clear when passing another horse and then dropping inwards.

11/29/08³**RULING #015**

This ruling was issued after telephonically conversing with Mr. Avila. The trainer has not had a bute overage for more than a year. However, he has had numerous high butes in previous years, which was taken into account when arriving at the penalty.

HRTH #015

Trainer **A. C. AVILA**, who started the horse "Winky" which finished second in the first race at Oak Tree Racing Association on October 26, 2008, is fined SEVEN HUNDRED FIFTY DOLLARS* (\$750.00) pursuant to California Horse Racing Board rule #1887 (Trainer to Insure Condition of Horse) for violation of California Horse Racing Board rules #1844 (1) (Authorized Medication – Phenylbutazone -Class IV, in excess of permitted level) and rule 1843 (A) (D) (Medication, Drugs and Other Substances).

11/29/08⁴**STEWARDS' INQUIRY / ACCIDENT – NO CHANGE**

After the finish of the first race (six furlongs) the Stewards posted the inquiry sign to review an accident just past the eighth pole. Replays verify that #7 Captain Cash (jockey Martin Garcia) suddenly veers in, hits the inside rail, and unseats jockey Garcia. Reports indicated the horse and rider were uninjured. Jockey Garcia rode

the next race as well as his remaining mounts on the card. Accident report attached.

11/29/08⁵**STEWARDS' INQUIRY – NO CHANGE**

At the conclusion of the seventh race, the Stewards once again posted the inquiry sign to review an incident at the top of the stretch. Involved were the winner #4 Taxi Fleet (jockey Rafael Bejarano) and the ninth place finisher, #9 Hoist the Sail (jockey Victor Espinoza). After talking with these riders, receiving the patrol judges' reports and reviewing the replays, the Stewards unanimously agreed no change was in order. The tapes show #4, on the inside, angle out and head for a hole as #9 drifts down and closes the hole that #4 is in. Both horses contributed to the incident, thus no change was warranted.

11/29/08⁶**LATE DECLARATIONS**

 #6 Hurry Up Austin (Tr. Melvin Stute) stake – Stewards
 #7 Towzee (Tr. Patrick Gallagher) stake – Stewards

SUNDAY11/30/08¹**JOCKEY REVIEWS RACE (ref 11/29/08⁵)**

Jockey Victor Espinoza appeared to review yesterday's seventh race with the Stewards, in which he was involved in an inquiry. The Stewards explained the incident as they viewed it and Mr. Espinoza voiced his opinion of events. The jockey agreed that he contributed to the problem but thought the other rider, Rafael Bejarano, could have given him more help in avoiding a dangerous situation. The truth of the matter lies somewhere in between these versions.

11/30/08²**THE OTHER JOCKEY (ref 11/29/08⁵)**

Jockey Rafael Bejarano reviewed the same race as Mr. Espinoza. Mr. Bejarano, of course, voiced a different opinion than Mr. Espinoza had. From the point of view of the Stewards, both horses and jockeys contributed to the incident. Additionally, it was felt the performance of the riders did not merit suspension days.

11/30/08³**HORSE FATALITY**

As the first race was underway, the horse "Tiffanyspringsroad" ridden by Aaron Gryder, was eased and pulled up. As jockey Gryder dismounted, his mount collapsed from a heart attack and died. Mr. Gryder did not ride the rest of the card. Accident report attached.
