MINUTES – THIRTEENTH WEEK OF HOLLYWOOD PARK SPRING/SUMMER MEETING
For the period: Wednesday, July 15, 2009 through Sunday, July 19, 2009

WEDNESDAY

07/15/09¹**TRAINER IN FOR MEDICATION VIOLATION**

Trainer David LaCroix was in the Stewards' Office this morning to address a complaint filed against him for an overage of Banamine following a workout to have his horse, Bye Bye Hollywood, removed from the Veterinarian's List. The post-work sample showed the presence of 6,299ng/ml of Banamine. The permitted level is 50mg/ml.

LaCroix explained that the filly received a normal administration of the drug at 5:00 p.m. on the afternoon prior to the work. He said that his foreman lays out tubes of Banamine and Gastroguard in the morning and surmises that the groom took a Banamine tube rather than Gastroguard. The timing of the morning administration seems likely to be the cause of the problem. A ruling will follow.

07/15/09²**FINANCIAL HEARING**

Owner Terrence DeKretser was in the office this morning in response to a financial complaint filed against him by his former trainer, Ted H. West Jr., in the amount of \$6,288.00. Mr. DeKretser said that he is responsible for 50% of the bill as he had a partner in the horse. The partner, Sarwan Sudal, is out of the business and it appears unlikely that we will be able to obtain any money from him. DeKretser will drop off a cashier's check for his portion tomorrow.

VIDEO REVIEW

Joel Rosario was in the office this morning to review the seventh from Friday evening in which his mount was responsible for an incident during the stretch run. While the interference did not cost the horse which was bothered a placing, all Rosario had to do was maintain a straight path with horse which was much the best. Mr. Chaney felt that days were in order while the majority did not.
