(2) CAL-BRED REPORT

Two races for California-breds were scheduled for tonight's card. The first race in the condition book is for California-bred two year old maidens for a claiming price of \$4,000 at 300 yards. It failed to fill Cal-Bred but went open and split with sixteen, eight in each half. The eighth race in the book is the Governor's Cup Derby Trial for California-bred three year olds at a distance of 400 yards. This race attracted sixteen runners and was divided into two divisions of eight California-bred runners.

(3) FILM REVIEW

Jockey Adrian Loza appeared for a film review of Sunday evening's sixth race where his mount was disqualified from first to fifth for interference out of the starting gate. Jockey Baltazar Contreras was along as Mr. Loza's interpreter. The taped replay clearly shows the interference, however in the opinion of the Stewards the horse was heading to his right immediately out of the gate and that Adrian could have done very little to prevent his awkward motion. He was however told to react as quickly as possible in all future races were this happens. No sanction was given.

(4) DE LA TORRE COMPLAINT (CASE #09LA0226)

A formal hearing was conducted in the Stewards' office at Los Alamitos Race Course to address the above referenced case (#09LA0226) filed against owner/ trainer Jose M. De La Torre for a positive test finding of the class III drug substance Clenbuterol in the official blood and urine sample from the horse "Luzoom," who finished fifth in the seventh race at Los Alamitos Race Course on September 10, 2009.

Present at the hearing were the respondent, trainer Jose M. De La Torre, his attorney Neil Papiano and legal assistant Richard Moore, Deputy Attorney General Dana T. Cartozian, representing the California Horse Racing Board, Supervising Special Investigator Ken Lady, Senior Special Investigator Tom Blake, Court Reporter Barbara Weinstein, and the Board of Stewards, Albert Christiansen, Randy Winick, and Ruben Moreno.

Steward Christiansen opened the proceedings by going on the record and introducing the participants and discussing procedure. It was noted that these proceedings would begin without Mr. Papiano initially and that the respondent would be represented by legal assistant Richard Moore, due to Mr. Papiano being delayed by a previous commitment and traffic. Steward Christiansen asks both sides if there are any witnesses that need to be sworn in and both sides say that there are none at this time.

Deputy Attorney General Cartozian makes his opening statements and introduces six exhibits that he would like to enter into the record, which is duly noted. Legal assistant Richard Moore begins his opening by submitting two documents into the record that illustrate previous violations and rulings against trainer's in the state of California over the last eight years regarding class I, II, and III offenses.

Attorney Papiano now arrives and the hearing momentarily goes off and then on the record. Neil Papiano's entire discussion is primarily concerning the penalty phase of this hearing and not disputing Mr. De La Torre's guilt, to which they conceed. Mr. Papiano states the case for Jose De La Torre's penalty to be fair and equitable and not out of line with previous, similar offenses. Deputy Attorney General Cartozian now gives his closing argument for a harsher penalty due to Mr. De La Torre's previous transgressions and that he has not learned his lesson.

The hearing goes off the record and Steward Christiansen tells all parties concerned that a decision will be forthcoming after due deliberation.

(5) RACING PROGRAM

The evening's racing went smoothly with no reportable incidents.

(2) FILM REVIEW

Jockey Wilberth Morales was in to review Friday evening's third race, where his mount broke outward leaving the starting gate. This session was basically a meet and greet with jockey Morales and to let him know that we expect a better effort when his mounts stray off the path. Wilberth was cooperative in this critique.

(3) SECURITY VIOLATION

Trainer Bobby Mirghafouri was given an official warning to not park his car within the backside enclosure overnight. Mr. Mirghafouri was unaware of Los Alamitos' parking regulations and said he would comply with this issue in the future.

(4) NAVARRO COMPLAINT (CASE #10LA0131 – REFER 06/18/10 (3))

This is a formal hearing for California Horse Racing Board case #10LA0131 for an alleged violation of rule #1551 (Entries) against jockey agent Leslie Navarro that has been rescheduled from June 18, 2010 due to a request by the respondent to have a court record.

Present at the hearing were the respondent, jockey agent Leslie Navarro, who chose to represent herself, witnesses for the complainant, trainer Jesus Enriquez and owner Jose Avalos, Senior Special Investigator Tom Blake, Court Reporter Barbara Weinstein and the Board of Stewards, Albert Christiansen, Randy Winick, and Ruben Moreno.

Investigator Blake opens by reading the complaint which charged that jockey agent Leslie Navarro entered a horse without the owner's and trainer's permission that ultimately had to be scratched due to unsoundness. Investigator Blake questioned both witnesses (owner and trainer) as to whether they gave agent Navarro permission to enter their horse, "Epic Rule," to which they both answered no.

Leslie Navarro now has an opportunity to question the witnesses and chooses instead to make a statement in her defense. Mrs. Navarro states that a person representing himself as the owner called and told her to enter "Epic Rule" and several other horses the night before entries. Leslie entered the horses having thought she had permission to do so. She said she never intentionally would enter a horse to fill a race, that was unsound or without the correct permission. This case has now turned into your basic "he-said, she-said" from the two different parties.

Investigator Blake gives his final statement stating that Mrs. Navarro violated the entry rule by entering a horse without permission. The hearing was closed and taken off the record for a decision to follow after deliberation by the Stewards.

(5) FORMAL HEARING – DISQUALIFICATION/ PURSE REDISTRIBUTION (CASE# 10LA0125)

A formal hearing was conducted for the disqualification and purse redistribution concerning the horse "Manitamanita," (trainer Juan Aleman) for violation of California Horse Racing Board rule #1859.5 (Disqualification Upon Positive Test Finding). Blood and urine sample #14995 contained Clenbuterol above the authorized levels.

Present at the hearing were Senior Special Investigator Tom Blake, who presented the case, Court Reporter Barbara Weinstein and the Board of Stewards, Albert Christiansen, Randy Winick and Ruben Moreno. Trainer of Record Juan Aleman chose not to appear.

After Steward Christiansen opened the hearing and went on the record, Investigator Blake presented the case by reading the text of the complaint containing the facts of the positive test finding. It was noted that a split sample was taken and that it confirmed the positive test. The hearing was concluded and the record was closed.

The following ruling was issued for a disqualification and purse redistribution concerning case #10LA0125.

The above ruling was issued to jockey Genaro Tapia for not notifying the Stewards that he was sick and could not ride for the evening, necessitating a late rider change. Genaro told the Stewards he thought since he took off the previous evening for sickness it would carry over to tonight. Mr. Tapia was informed that this was not the case and that he must inform the Stewards any time he needs to take off his mounts.
