(3) FOURTH RACE – INQUIRY – DISQUALIFICATION

After the running of the fourth race (Quarter Horse – 300 yards) the Stewards posted the Inquiry sign to review the start where #5 "Double Kool" (5<sup>th</sup> – Alex Bautista) broke in, interfering with #4 "AR Firestorm" (6<sup>th</sup> – Eduardo Nicasio) causing #4 "AR Firestorm" to slightly clip heels on #3 "Deep In Thought" (3<sup>rd</sup> – Eulices Gomez). After film review and speaking with all jockeys involved, the Stewards unanimously agreed to disqualify #5 "Double Kool" and place him behind #4 "AR Firestorm."

(1) INFORMAL HEARING

Trainer Mark Hill appeared to address California Horse Racing Board case #10LA0202, excess amount of Phenylbutazone (6.78 ug/mL) on July 18, 2010. The trainer agreed to an informal hearing stating Veterinarian Brian Satoff administered the Phenylbutazone and that Dr. Satoff offered the explanation that "Currency Trader" being a smaller horse combined with an early post time were contributing factors to the overage of the drug. Since trainer Mark Hill's explanation seemed reasonable and his record showed no prior violations the Stewards unanimously agreed to no penalty, advising Mr. Hill to be more attentive to such details in the future.

(2) FILM REVIEW

Jockey Genaro Tapia was in to review his ride from the previous evening in the fifth race where his mount #6 "Askquestionslater" broke out, bumping #7 "Joyous Prayer." Mr. Tapia reasoned with the Stewards that his horse was lugging out and that he did all he could possibly do in this instance. After reviewing the films the Stewards acknowledged that the horse was at fault and that Mr. Tapia made his best effort. No penalty was given.

(3) FIRST RACE – INQUIRY/ JOCKEY OBJECTION – NO CHANGE

After the running of the first race (Thoroughbred – 4½ furlongs) the Stewards posted the Inquiry sign to review an incident at the ¼ pole where #8 "Born To Shop" (2<sup>nd</sup> – C. Charlton) appeared to drift in on #3 "Swiss Alpine" (6<sup>th</sup> – E. Mode). While this incident was under review jockey Emily Mode called to place an objection against "Born To Shop," stating that jockey Cheryl Charlton put pressure on her mount by drifting in and causing intimidation. However, Charlton stated she felt her ride never interfered with "Swiss Alpine's" path of travel. Charlton felt her horse was much the best and having demonstrated the early speed to clear the #7, #6, #5, and #4 horse her mount held this course and never interfered in any manner with "Swiss Alpine." After further discussion and film review, the Stewards unanimously agreed to allow the original order of finish to stand, stating that while "Born To Shop's" drifting in may have placed "Swiss Alpine" in tight quarters making him uncomfortable, it did not cause interference in a manner that would have cost him a better placing in the race.

(4) FIFTH RACE – INQUIRY – NO CHANGE

After the running of the fifth race (Thoroughbred – 4½ furlongs) the Stewards posted the Inquiry sign to review an incident at the starting gate where #1 "Turnagain Taylor" (7<sup>th</sup> – J. Cruz) broke extremely slow. After talking to the starter, John Baker, and film review it was determined that "Turnagain Taylor" had caused his own problems at the start by lifting and throwing his head, causing him to break behind the field. It was unanimously agreed by all Stewards that "Turnagain Taylor" was considered a starter.

**SUNDAY**

09/05/2010 (1) FILM REVIEWS

Apprentice Jockey Emily Mode was in to review her ride in the fifth race on Friday, September 3, 2010 in which her mount #7 "Joyous Prayer" drifted in on #6 "Askquestionslater." Ms. Mode mentioned that "Askquestionslater" had actually drifted out on her leaving the starting gate and that her horse contributed to the situation by drifting in slightly. After review of the films it was decided no sanction would be given but Ms. Mode was cautioned to make a better effort. At this point Ms. Mode brought up the objection she had raised in the first race on Saturday, September 4, 2010, in which her mount #3 "Swiss Alpine" was pressured by #4 "Born To Shop." Jockey Mode was advised that she has to be either "in or out" with her mounts. Ms. Mode was accepting of the explanation presented.

Jockey Eddie Garcia was also in to review his ride in the second race on Friday, September 3, 2010 in which his mount #3 "Raw Energy" drifted in on #1 "Dashin' Coverage." Review of the films showed Mr. Garcia's mount had stumbled and was scrambling to his feet when he drifted in. Films also showed "Dashin Coverage" stumbling about the same time and running greenly throughout the race. Jockey Garcia explained that trainer Angela Aquino had fitted "Raw Energy" with a run-out bit, making Garcia cautious about potentially overcorrecting his mount due to the severity of the bit and in his judgment had given his best effort. After a long discussion it was determined that "Raw Energy" was deemed at fault, and jockey Garcia was issued a warning only. It needs to be noted that this was a two year old maiden race and that both horses showed their lack of experience, contributing to the problems presented.

(2) RACING PROGRAM – GOOD RACING

This evening's program of ten races was conducted without incident.
