(3) DR. ALLRED VISITS

Dr. Allred dropped by this morning to inform me that Veterinarian Troy Ford, who practices in the Fresno area, had been approached by an unnamed individual who attempted to get Dr. Ford to give him a prescription for Clenbuterol for one of Juan Aleman's horses and to predate it by several months. Dr. Ford advised Dr. Allred he would be willing to testify if necessary.

(4) THE DRAW

The \$1,031,100 Golden State Million Futurity will highlight Sunday's three Thoroughbred and six Quarter Horse races.

FRIDAY

10/31/2014

(1) SCRATCHES

Scratch time resulted in no changes or Sunday's program.

(2) FILMS

Jockey Guillermo Suarez reviewed the Wild West Futurity with the Stewards this afternoon. His mount drifted in during the first fifty yards of the race, and we felt he made a rather weak attempt to maintain a straight path. The race was not compromised, but he was warned his effort to keep his mounts on a straight course needed to improve.

(3) GOOD NIGHT

Friday evening's program was conducted with nothing of significance to comment on.

(2) TRACK VET REPLACEMENT

The Stewards were notified this afternoon that Dr. Becky Fitzgerald was in the hospital giving birth and Dr. Ashley Troncatty will be substituting.

(3) FILMS

Jockey Eddie Aceves was in to review Friday's fourth race. His mount drifted in at the start, and although he did straighten him, we felt he could have reacted a little quicker. He agreed and assured us that in the future he would do a better job.

(4) THIRD RACE – CLAIM VOIDED

The third race claim of "Rachels Belle" by Trainer Justin Clark was voided after she was placed on the Vet's List as unsound by Dr. Beck. The mare was returned to Trainer Jose Moreno.

(5) RACE DELAY

There was a thirty-three minute delay after one of the two horses that broke through the gate prior to the start of the seventh race jumped the inside rail and ended up in the lake. Enough praise cannot be bestowed on Outrider Eric Newdick after he jumped into the water and singlehandedly placed girths around the gelding so he could be lifted out of the lake. Also instrumental in the rescue were the gate and maintenance crews. It appears that "Walk The Dog" is going to be just fine.
