(2) FILM REVIEW

Jockey Omar Berrio was in to review the first race from last Sunday, a 4 ½ furlong Thoroughbred affair, where his mount #8 "Condition" (3rd) broke in sharply from the gate, bothering several horses to his inside. Mr. Berrio said the trainer told him to hustle the horse from the gate, however Omar forgot all about keeping the horse straight. By the time he took hold of the outside rein, the damage was done as he waited about five more strides to react. Omar took full responsibility for his tardy response. The following ruling was issued to Omar Berrio for his inaction out of the gate, resulting in a disqualification.

Ruling # 162

JOCKEY OMAR BERRRIO, WHO RODE CONDITIONAL IN THE FIRST RACE AT LOS ALAMITOS RACE COURSE ON JUNE 12, 2016, IS SUSPENDED FOR THREE(3) RACING DAYS(JUNE 24,25, AND 26, 2016) FOR FAILURE TO MAKE THE PROPER EFFORT TO MAINTAIN A STRAIGHT COURSE SHORTLY AFTER THE START, CAUSING INTERFERENCE WHICH RESULTED IN THE RACING BOARD RULE #1699(RIDING RULES-CARELESS RIDING). TERM OF SUSPENSION SHALL NOT PROHIBIT PARTICIPATION IN DESIGNATED RACES.

(3) FOURTH RACE ACCIDENT

Following the finish of the fourth race (300 yards – Quarter Horse) #4 "IONE IT ALL" (6th – R. Hernandez) broke down dramatically, falling and throwing her; Jockey Roberto Hernandez rather forcefully to the track surface. The horse was euthanized on track, approximately fifty yards past the finish line for a broken cannon bone and right front ankle. Jockey Hernandez was transported by the paramedics for treatment. A full report will follow by the Safety Steward, but the early report was that Mr. Hernandez complained of collarbone and wrist pain.

(1) VIDEO REVIEW

Jockeys Jesus Ayala and Ruben Lozano were requested in by the Stewards to review their rides in Friday's seventh race. No Inquiry or objection was posted and the horses involved were all unplaced and did not affect the mutuel pools or payouts. It was for the purpose of instructing both riders to be a little more aware of their positions when drifting and lugging inward to be prepared to do their best to keep their mounts straight. Part of the problem was put on their horses and circumstances not entirely their fault. No sanctions were deemed warranted, but Mr. Lozano was schooled about the process of using his reins to straighten his mount being preferable to left handed cropping. Jockey Ramon Guce came in as directed to review his ride in the first race on #8 (1st), going into the far turn. It appeared, although inconclusively, that he shaved #7 (S. Mendez) just a hair, causing him to check briefly. The stewards didn't have enough film evidence to prove it, but it may have been the case. We cautioned Mr. Guce to be especially careful when folding into the far turn, allowing for clearance to those inside of him and that the horse's natural action will cause them to drift inward. Ramon was aware that he made it a bit close and would be more aware going forward. No sanction was given.

SUNDAY

06/19/2016

(1) FILM REVIEW

Jockey Salvador Iniguez was in to review the first race from Friday night, the same one referenced with Ramon Guce yesterday (6/18/2016). In this case Mr. Iniguez was laying in second place going into the first turn, and just after Ramon Guce took out behind Sal, to avoid putting #7 with Samuel Mendez on his heels, Mr. Iniguez came in slightly to almost put Guce on his heels. Ramon anticipated this and took up slightly. No sanction was given, but a warning was stressed to Salvador to always

be aware of horses behind and inside of him. Jockey Iniguez apologized and agreed to this assessment.

(2) BAUTISTA RULING

The following ruling was issued to Jockey Alex Bautista for over cropping his horse in the second race from Saturday night. Alex used his "crop" in a manner that was several strokes beyond the allowable three that is the current measure in the CHRB Rule. Alex offered that he just mentally forgot and was trying hard to win; we explained that this rule has been in effect for some time and that he is a veteran rider who should be more aware.

Ruling # 163

JOCKEY ALEX BAUTISTA IS FINED ONE HUNDRED DOLLARS (\$100.00)* FOR VIOLATION OF CALIFORNIA HORSE RACING BOARD RULE #1688(b)(6) (USE OF RIDING CROP-MORE THAN THREE TIMES IN SUCCESSION, WITHOUT GIVING THE HORSE A CHANCE TO RESPOND-FIRST OFFENSE WITHIN THE PREVIOUS 60 DAY PERIOD), DURING THE SECOND RACE AT LOS ALAMITOS RACE COURSE ON JUNE 18, 2016.

(3) RIVERA RULING

Trainer Sally Rivera was in to explain why her horse was very late to the receiving barn Friday evening for the first race. Mrs. Rivera explained that her husband, who was the groom, had missed hearing the call over the loudspeaker system and that he and their horses were located in one of the furthest barns away from the receiving barn. We informed her that every other horse made it on time. Sally offered no other excuse and admitted that she needs to be there at the barn herself to make sure things run smoothly. The following ruling was issued.

Ruling # 164

TRAINER SALLY RIVERA IS FINED ONE HUNDRED DOLLARS (\$100)* FOR VIOLATION OF CALIFORNIA HORSE RACING BOARD RULE #1894 (DUTIES OF TRAINER – LATE TO THE RECEIVING BARN) FOR THE FIRST RACE ON JUNE 18, 2016.
