(Equine Hospital at Santa Anita) in support of a financial complaint filed as case number 08SA159 against owner DONJI MORINAGA, alleging an unpaid bill. The stewards contacted Mr. Morinaga, who stated that he had not received the complaint, but acknowledged owing the bill. Mr. Morinaga came to the stewards' office and signed a financial agreement to which both parties assented.

FILM REVIEW

Jockey JOEL ROSARIO met with the stewards regarding the fourth race on Friday (he has been sick and was off of his mounts in the interim). After viewing the films with Mr. Rosario, we explained to him that although his mount only drifts in six inches during the stretch run, he does tighten up the space for the horses to his inside. While one would be hard pressed to label this action "interference," we nevertheless cautioned Mr. Rosario that maintaining a straight course is always advisable.

It was truly a once in a lifetime event, well attended by race goers who stood in long lines for autographs in the paddock gardens prior to the event. PETERSON HEARING

The stewards held a formal hearing this morning into case number 08DM0015 filed by the CHRB involving Hotwalker FRED PETERSON. The complaint alleged several rule violations surrounding an alleged incident of animal abuse against Mr. Peterson's dog. Unfortunately, the security officer for Del Mar could not be located, thus he did not attend the hearing. Therefore with no evidence, the stewards had no choice but to dismiss the complaint. It pained us to take no action, as this type of behavior, if proven, would certainly have resulted in the revocation of Mr. Peterson's license. However, a positive aspect of the case was the fact that the dog is now safe and no longer under the care of Mr. Peterson.

10/19/08²

INQUIRY – NO CHANGE

The stewards posted the inquiry sign following the running of the third race, to examine an incident involving the first two finishers. Films revealed that the winner #3 When We Met, ducks in sharply into the path of #5 Mark S the Cooler, the second place finisher, at the three sixteenths pole. #5 Mark S. the Cooler, ridden by Garrett Gomez, steadies sharply and runs on to be beaten by two and one half lengths. After speaking with the patrol judges and riders involved, and reviewing the aforementioned films, the stewards unanimously decided to make no change to the original order of finish. It was our opinion that while #5 Mark S the Cooler is clearly interfered with, the interference did not cost him the opportunity at a better placing.

10/19/08³

INQUIRY – NO CHANGE

Following the running of the seventh race, the stewards posted the inquiry sign to examine an incident in which fifth place finisher #5 Alex's Wish, ridden by Danny Sorenson, steadies near the wire. Films revealed that although the horses to his inside and outside made running room very tight, there was always sufficient space for #5 Alex's Wish, negating the need to steady. For this reason, and after consulting with the patrol judges and riders involved, the stewards unanimously agreed to make no change to the original order of finish.
