ARAGON RULING

Groom JOEL ARAGON was suspended for failure to appear for yesterday's hearing which involved a complaint (case number 12SA0015) filed by the CHRB following a conviction for a domestic issue:

LATS #027

Groom **JOEL ARAGON**, having failed to appear to respond to a complaint alleging violation of California Horse Racing Board rule #1489(a)(Grounds for Denial or Refusal of License) is suspended for violation of California Horse Racing Board rule #1547 (Failure to Appear).

During the term of suspension, all licenses and license privileges of Joel Aragon are suspended and pursuant to California Horse Racing Board rule #1528(Jurisdiction of Stewards to Suspend or Fine), Mr. Aragon is denied access to all premises in this jurisdiction.

01/22/12²

SADLER HEARINGS

Trainer JOHN SADLER came to the office for a formal hearing this morning to answer two complaints involving methocarbamol positives (case numbers 11HP0123 and 11HP0134). The first one, he explained, was such a high level that there must have been a mistaken veterinary injection. He attributed the second positive to a barn error. Mr. Sadler's medication record is remarkably good given his large number of starters. A decision will be forthcoming.

FILM REVIEW

Apprentice jockey ESWAN FLORES came to the office as directed to review several issues. First, we explained that when he is on the board to see us as he was yesterday, he is required to be here, and that his absence will result in a fine. Also, we explained the requirement that apprentice riders view films everyday with the film analyst. Lastly, we wanted to review the last race from Friday, which he won but in his exuberance galloping out, he lost his whip while waiving it around. We explained all of the problems associated with this type of behavior and suggested that he celebrate after he dismounts. He was fined in the following ruling for his absence yesterday:

LATS #028

Apprentice jockey **ESWAN FLORES** is fined **TWO HUNDRED DOLLARS (\$200.00)*** for violation of California Horse Racing Board rule #1930 (Obedience to Security Officers and Public Safety Officers-failure to meet with the Stewards as directed).

Jockey VICTOR CARRERO came to the office this morning to review his ride in the fifth race Friday in which he angled down and put pressure on two rivals to his inside. He was candid in that it was his mistake, and accepted a warning.

01/22/12⁴

INQUIRY/ACCIDENT/NO CHANGE

Following the running of the ninth race, we put up the inquiry sign to examine an incident near the three eighth's pole during which jockey Agapito Delgadillo was unseated from his mount #14 Salty Robbin. Films revealed that there was a four horse spread as the field entered the turn. Space was very tight and several horses made contact. It was difficult to assign fault partly because the camera angle was inconclusive and partly because several horses were involved. Therefore, we unanimously voted to make no change to the original order of finish. Mr. Delgadillo escaped unscathed and the horse was quickly captured. See attached accident report.

THURSDAY01/26/12¹**REYES HEARINGS**

We held a formal hearing into case number 12SA0011, which was a complaint filed by the CHRB against jockey CHRISTIAN SANTIAGO REYES alleging violation of CHRB rules 1889 (Entry to Area Assigned to Trainer) and 1874 (Disorderly Conduct). This action stemmed from an altercation Mr. Reyes had with John Sadler's assistant trainer Larry Benavidez in the Sadler barn. Present at the hearing were this Board of Stewards and Safety Steward Luis Jaurgeui, CHRB Investigator Rick Amieva, certified translator Jerry Wolff, Mr. Reyes, several witnesses and court reporter Barbara Weinstein. Testimony was heard centered around an incident where Mr. Reyes was on a difficult horse waiting for the track to open, went into Mr. Sadler's barn for more control and Mr. Benavidez asked him to leave. An argument ensued and at best Mr. Reyes turned his horse around and approached Mr. Benavidez in order to argue with him. At worst, Mr. Reyes turned his horse around and chased after Mr. Benavidez, trying to run over him. This Board feels that the truth is somewhere in the middle but photographic evidence indicated that Mr. Reyes did steer his horse too close to a person on the ground and was present in Mr. Sadler's barn. Decision to follow.

01/26/12²**SCHIEWE COMPLAINT**

An informal hearing was scheduled this morning involving a financial complaint (case number 12SA030) filed by San Luis Downs (Leigh Ann Howard) alleging unpaid stall fees in the amount of \$2,160.30. Both parties agreed to a payment plan to satisfy the debt and memorialized that understanding in a written agreement.

01/26/12³**BEAN RULING**

The following ruling was published against trainer BOB BEAN when one of his runners failed to receive lasix last week:

LATS #029

BEAN**, pursuant to California Horse Racing Board rule #1629 (Penalty for Late Declaration) is fined **FOUR HUNDRED DOLLARS (\$400.00)*** for violation of California Horse Racing Board rule #1845(Authorized Bleeder Medication-failed to receive authorized bleeder medication), which resulted in the late declaration of "Golden Augusto" in the ninth race at Santa Anita Park on January 16, 2011.

FIGUEROA HEARING

The CHRB filed a complaint (case number 12SA031) against jockey agent MARCOS FIGUEROA for an alleged altercation in the grandstand. FILM REVIEW

Jockey VICTOR ESPINOZA came to the office to review his ride in the fourth race Thursday in which his mount came out and made contact with the rival to his outside. Despite the fact that the incident occurred when the horses were crossing the dirt and the horse had switched leads early, we nevertheless believed that he could have made a better effort. AMBULANCE PROTOCOL MEETING

We asked Director of Security Lou Scalera and Operations head Paige Rickard to meet with us this morning to discuss how the second ambulance and EMT crew would be utilized. Safety Steward Luis Jauregui organized and attended the meeting. We decided that the best use would be that in the event the paramedic team had to leave the grounds or transfer to Arcadia Fire Dept, the second ambulance with the EMT team would be mobilized and cover the races until the Paramedic team either returned to the grounds or completed the transfer.
