VIDEO REVIEW

Jockey Jose Valdivia was in the office to review the first race from Saturday, in which his mount was responsible for interference entering the far turn. Mr. Valdivia was candid, admitting that he rode a competitor a bit too closely and said he would refrain from doing so in the future.

04/05/12²**FITNESS HEARING**

Former exercise rider Martin Rubalcava, who was suspended in 2002 for marijuana usage, was in the office this morning seeking approval for his license. During the course of the conversation, Mr. Rubalcava admitted to using the drug approximately three weeks prior, after having been "clean" for a number of years. Neither investigator Rick Amieva nor Winners Foundation representative Leroy Martinez were aware of the situation and said they would not have scheduled the hearing had they known of Rubalcava's recent usage. He will be tested today and will be required to start over on the approval process.

04/05/12³**ENTRY ISSUE**

This past Sunday, when entries were being taken for today, Thursday, trainer Marty Jones entered a filly named Starry Skies in extra #6, which was for fillies three years old which had never won \$10,000 other than maiden, claiming or starter or which had never won two races. When entering, he told Racing Secretary Rick Hammerle that he actually preferred a Cal Bred race on Sunday with similar conditions and asked if he could enter the Thursday race with the provision that if the Sunday race filled, he would be allowed to scratch from the Thursday race, which had eight interests. Mr. Hammerle approached us with that request as we have to approve all matters such as this. He was told that as long as Mr. Jones understood that if the Sunday race filled, he would have to come out of the race on Thursday as that way he would not be getting a look at two races. Mr. Hammerle explained the scenario to Mr. Jones and informed us that the trainer understood and agreed to the stipulation. This morning Mr. Hammerle informed us that Jones told him that he wanted to run today, which was contrary to the agreement he had with the Racing Secretary. Since the Sunday race was going to be used with six entries, Mr. Jones was informed that a scratch card was going to be filed for the filly in today and she would be re-entered to run on Sunday.
