

**CALIFORNIA HORSE RACING BOARD**  
**1843.3. Penalties for Medication Violations**

(a) In reaching a decision on a penalty for a violation of Business and Professions Code section 19581, the Board, the board of stewards, the hearing officer or the administrative law judge shall consider the penalties set forth in subsections (d) and (e) of this Rule and any aggravating and mitigating circumstances. Deviation from these penalties is appropriate where the facts of the particular case warrant such a deviation, for example: there may be mitigating circumstances for which a lesser or no penalty is appropriate, and aggravating factors may increase the penalties beyond the minimum.

(b) Mitigating circumstances and aggravating factors, which must be considered, include but are not limited to:

(1) The past record of the licensee regarding violations of Business and Professions Code section 19581;

(2) The potential of the drug(s) to influence a horse's racing performance;

(3) The legal availability of the drug;

(4) Whether there is reason to believe the responsible party knew of the administration of the drug or intentionally administered the drug;

(5) The steps taken by the trainer to safeguard the horse;

(6) The steps taken by an owner to safeguard against subsequent medication violations including, but not limited to, the transfer of the horse(s) to an unaffiliated trainer;

(A) For the purpose of this regulation "unaffiliated trainer" means a trainer or an assistant trainer who is not related by blood, marriage or domestic partnership, or who is not or was never employed by the trainer from whose care such horse(s) were transferred.

(7) The probability of environmental contamination or inadvertent exposure due to human drug use or other factors;

(8) The purse of the race;

(9) Whether the drug found to be present in the official test sample was one for which the horse was receiving treatment as determined through the process described in Rule 1842 of this division;

(10) Whether there was any suspicious wagering pattern on the race;

(11) Whether the licensed trainer was acting under the advice of a licensed veterinarian.

(c) For the purpose of this regulation, the Board shall consider the classification of a drug substance as referred to in Rule 1843.2 of this division and the California Horse Racing Board (CHRB) Penalty Categories Listing By Classification, (1/08), which is hereby incorporated by reference, if a determination is made that an official test sample from a horse contained:

(1) Any drug substance, medication, metabolites or analogues thereof foreign to the horse, whose use is not expressly authorized in this division, or

Any drug substance, medication or chemical authorized by this article in excess of the authorized level or other restrictions as set forth in the article.

(d) Penalties for violation of each classification level are as follows:
