CHRB NEWS RELEASE

SEPTEMBER 3, 2004

JOCKEY WEIGHTS OFF CHRB AGENDA WHILE TALKS CONTINUE

SACRAMENTO CA – At the request of the Jockeys' Guild, California Horse Racing Board Chairman John Harris has removed the jockey weights issue from the agenda for the September 15 meeting of the CHRB, which will give Guild representatives more time to work with industry leaders in their effort to deal with important health and safety issues for jockeys on a national basis.
