CHRB NEWS RELEASE

APRIL 4, 2008

**WEEKLY UPDATE**

SACRAMENTO, CA – This is the California Horse Racing Board’s weekly update of complaints, accusations, stewards rulings, and Board decisions involving Class 1, 2, and 3 medication violations and other significant matters.

The CHRB filed a complaint against trainer Dan Hendricks for violation of CHRB Rules 1843 (a) (d), 1844 (e) (1) and 1887 after the Maddy Laboratory at UC Davis reported that a sample collected from a horse in his care, Lotacat, tested in excess of the authorized decision level for 3-hydroxy(ethyl)-promazine, a metabolite of acepromazine. Acepromazine is a commonly used tranquilizer in horses. This is a Class 2 violation. Lotacat finished second in the sixth race at Santa Anita Park on February 10, 2008. A hearing is scheduled April 13 at Santa Anita.
