CHRB NEWS RELEASE

JULY 2, 2012

## ENFORCEMENT UPDATE 7-2-12

SACRAMENTO, CA – This is the California Horse Racing Board's regular update of all complaints and stewards' rulings involving Class 1, 2, and 3 medication violations and other significant matters.

The CHRB has filed a complaint against trainer Genaro Vallejo alleging violation of CHRB Rules 1843 (a) (d) pursuant to Rule 1887 after the Maddy Laboratory at UC Davis reported the sample collected from Red Dwarf, a horse in his care, contained zilpaterol. Zilpaterol is a beta-2 agonist typically used in livestock production to promote lean muscle growth. This is a Class 1 violation. The Pennsylvania Research and Toxicology Laboratory confirmed the split sample. Red Dwarf finished first in the seventh race at Golden Gate Fields on April 12. The stewards at Cal Expo (State Fair) have scheduled a hearing for July 13.
