CHRB NEWS RELEASE

JUNE 13, 2013

ENFORCEMENT UPDATE 6-10-13

SACRAMENTO, CA – This is the California Horse Racing Board’s update of all complaints and stewards’ rulings involving Class 1, 2, and 3 medication violations and other significant matters.

The Board meeting in executive session May 23 adopted the recommended decision of the stewards at Los Alamitos to suspend trainer James Hanson for 30 days and fine him \$3,000 for violation of CHRB Rules 1843 (a) (b) (d) pursuant to Rule 1887 after the Maddy Laboratory at UC Davis determined the urine sample collected from Wylie N Wyatt, a horse in his care, contained clenbuterol. The suspension begins June 28. Clenbuterol is a beta-2 agonist bronchodilator. The confirmation was performed by Iowa State University. This is a Class 3 violation. Wylie N Wyatt finished first in the first race at Los Alamitos on February 1, 2013. The stewards disqualified Wyle N Wyatt and ordered the redistribution of the purse.
