CHRB NEWS RELEASE

AUGUST 6, 2015

ENFORCEMENT UPDATE 8-6-15

SACRAMENTO, CA – This is an update of all complaints, stewards' rulings, and Board decisions involving Class 1, 2, and 3 medication violations and other significant matters.

Under the terms of a stipulated settlement agreement between Patrick Valenzuela and the California Horse Racing Board, Valenzuela is being granted a license to exercise horses. As a result, the matter will not go to hearing before the Board as described in an earlier [enforcement update](#).

Valenzuela's jockey license remains suspended for its term through October 31, 2015. If he chooses to apply for a jockey license after that time, his application will be subject to review according to standard CHRB procedures. The stipulated agreement will have no bearing on his fitness for licensure as a jockey.
