Re: DMTC Dates Request for 2025 Racing Calendar

Dear Executive Director Chaney:

We write to address the Del Mar Thoroughbred Club's ("DMTC") requests for the 2025 racing calendar. We appreciate the California Horse Racing Board ("CHRB") addressing this issue at its August 15, 2024 meeting. Doing so will benefit owners and trainers in planning where to race their horses and will help determine DMTC's continued investments in purse enhancements, horse recruitment efforts and programs benefitting backstretch workers.

DMTC requests the same nine (9) week allotment for our 2025 summer meet that the CHRB has allocated to Del Mar each of the last five years, 2020 through 2024. **In 2025, DMTC's requested nine (9) week summer season is July 9 through September 9**. As was the case in 2021 through 2024, Del Mar requests to operate 31-days of racing over eight (8) weeks from July 19 through September 7, with a simulcast-only week prior to the start of our summer season.

A few points regarding DMTC's nine-week summer race meet:

- Del Mar is the only racetrack in California that traditionally operates a four-day race week (the state's other tracks generally run three-days per week). Our additional day of racing each week provides more racing opportunities and more purse money for industry stakeholders as well as additional work days (i.e., days for employees to qualify for health and welfare benefits).
- In addition to offering the state's highest purses, DMTC and the TOC have invested over $2 million in each of the last three years in horse recruitment efforts to attract over 900 out-of-state runners to California. In 2021 through 2023, our recruitment initiatives, which are highlighted by the popular *Ship & Win* program, have generated 2,764 starts at California racetracks (1,656 starts at Del Mar and 1,108 starts at Santa Anita and Los Alamitos) and the majority of these horses have remained in the state.
- Our investment in horse recruitment contributed to California's top performing race meet in 2023 which produced an average field size of 8.9 runners per race and average daily all-sources handle of $17.59 million. In addition to offering the state's largest daily average purses, DMTC's wagering levels provide valuable funding contributions to industry programs such as CHRB Board support, workers'

compensation and Stabling & Vanning. Notably, our generated funding per allocated race week leads all the other racing associations in California.

- DMTC values and respects our backstretch workers. They work tirelessly to care for our horses and without them there would be no industry. DMTC is proud to partner with the California Thoroughbred Horsemen's Foundation and the Oak Tree Racing Association on the continuation of our backstretch meals program, which provides free meals to the backstretch community over five days during most weeks. We anticipate providing over 20,000 free meals this summer for these men and women who are so integral to horse racing in California. This is an important investment in the well-being of our backstretch community and our commitment that their welfare continues to be a top priority for us.

DMTC further requests a five (5) week allotment from October 29 through December 2 for our 2025 fall race meet. Del Mar requests to operate sixteen (16) days of racing, including the Breeders' Cup, from October 30 – November 30 during our 2025 fall season. This five (5) week calendar is the same allocation that the CHRB approved for Del Mar's 2024 fall meet.

A few points regarding DMTC's fall race meet:

- Del Mar was recently awarded the 2025 Breeders' Cup World Championships, which will be held on October 31 and November 1. This represents the fourth time DMTC will host the Breeders' Cup over the last nine years.
- Since DMTC's inaugural fall season in 2014, the CHRB has allocated Del Mar either a four-week or five-week race meet each year.
- DMTC has proudly offered the Autumn Turf Festival each year since we began operating our fall meet in 2014. Originally created by Hollywood Park, the Turf Festival is a collection of Graded stakes races run over Thanksgiving weekend.
- In 2025, Del Mar's Turf Festival is projected to offer seven (7) Graded stakes races over Thanksgiving weekend. Due to the dates of preceding stakes races from across the country and the handle generated over Thanksgiving weekend, it is critical that the fifth and final weekend of Del Mar's 2025 fall meet is November 27 – 30.

Our commitment to investing in our racing program, the welfare of our backstretch community and other initiatives have resulted in Del Mar becoming one of the industry's most successful and safest race meets, not only in California but throughout the entire nation. As noted above, DMTC is prepared to make continued investments to ensure the health of racing at Del Mar as well as throughout California. We also value our relationship with the CHRB and appreciate your consideration of our requests for 2025 race dates.

We look forward to further discussion with the CHRB and industry stakeholders and are available to address any questions you may have.

Respectfully,

Josh Rubinstein
President & COO

Each practice has veterinarians available during training and racing; most of these have veterinarians available after training and on call for emergencies – the schedule by practice varies and would be difficult to specify.

Drs. Bohannon, Deluhery, Pattio, Perroni, Griffin, Austgen and Benson split duties but are always present for training when either the training or main tracks are open (typically 4:45 a.m. to 10:00 a.m. daily). The schedule varies monthly based upon availability and preference of each of the veterinarians. Drs. Bohannon, Deluhery, Perroni, Austgen, and Benson cover racing – usually one in the chase truck and one in the winner's circle.

Drs. Gonzalez, Perroni, Grant, and Benson work at SLR. One or more of them are available at SLR every training day throughout training hours (these change based upon ambient light but range from 6:00 a.m. to 6:30 a.m. until between 10:30 and 11:00 a.m.). Additionally, two private practices cover training hours at SLR.

It is our practice to provide the monthly schedule for each location to the CHRB's Equine Medical Director a week prior to the beginning of the month. There is no specific set schedule for the training veterinarians for the entirety of the meet.

Mr. Scott Chaney
Executive Director
California Horse Racing Board
1010 Hurley Way, Suite 300
Sacramento, CA 95825

Re: Three by Three

Dear Mr. Chaney,

This letter is in regard to Los Angeles Turf Club II Inc.'s ("LATC") "Application for License to Conduct a Horse Racing Meeting" for the time period of September 25, 2024, through October 29, 2024 (the "Race Meet Application").

As specified in the Race Meet Application, LATC wishes to use Method 6 (ARCI-004-105(T)(4)(f)) to govern the payout of our Pick (n) Position (x)—which will be a Pick (3) Position (3). The wager will be known as the "Three by Three." Like all wagers offered in California, Quick Pick will be available. The net pool will be guaranteed at $10,000.

The following are the minor shares that will be offered, as well as the share distributions for the major share, principal minor share, and additional minor shares.

- Major Share – 92.665%
- Minor Share #1 – 8 horses selected in exact position – 5.560%
- Minor Share #2 – 7 horses selected in exact position – 1.413%
- Minor Share #3 – 6 horses selected in exact position – 0.290%
- Minor Share #4 – 5 horses selected in exact position – 0.056%
- Minor Share #5 – range of 3-4 horses selected in exact position – 0.016%
- Principal Minor Share – 0%

Pursuant to ARCI-004-105(T)(2), LATC requests that the California Horse Racing Board ("CHRB") approve the following modifications to ARCI-004-105(T).

1. The winner of any share of the pool also qualifies for all additional tiers that require fewer winning selections. The following two examples illustrate the rule. Example 1: A customer correctly selects all nine (9) horses in exact position. The customer will be deemed to be holding a winning ticket for the Major Share as well as a winning ticket for each of the Minor Shares #1-5. Example 2: A customer selects six (6) horses in exact position. The customer will be deemed to be holding a winning ticket for each of the Minor Shares #3-5.

2. If there are no winning tickets for a minor share, that minor share will be combined with the major share carryover and the total carryover over will be distributed to each

Back to Top

share in the same proportion as the share distributions set forth above. We believe that ARCI-004-105(T) already allows for the minor shares that are not distributed to carryover next Three by Three and for the total amount carried over (major share and undistributed minor shares) to be distributed in the same proportion as the share distributions set forth above. However, if the CHRB disagrees, we request that for minor shares which are not distributed to be combined with the major share carryover and the total carryover over to be distributed to each share in the same proportion that the amount wagered on the Three by Three are distributed as set forth above.

3. On a mandatory payout day, any minor share that is not distributed will be added to the major share carryover and that total amount will be added to the minor share that has the greatest number of correct selections. There will be no minimum pool guarantee on closing day.

LATC requests these modifications be approved as part of its license application. Please let me know if you have any questions.

Sincerely,

Eric Sindler

Re: Los Angeles Turf Club – Rule 1927 Exemption Request

Dear Mr. Chaney,

As has been previously discussed, the City of Arcadia Fire Department is not able to conduct an inspection within 45 days of the start of each meet. Los Angeles Turf Club II, Inc. ("LATC") has previously submitted to the board the Arcadia Fire Department's fire clearance letter dated May 22, 2024.

LATC requests an exemption from the requirement of Rule 1927 that the fire authority having jurisdiction over the barn area of Santa Anita Park perform an inspection within 45 days prior to the commencement of the race meeting.

Please let me know if you have any questions.

Sincerely,

Nate Newby

3rd Party Lasix Administration Agreement

This 3rd Party Lasix Administration Agreement (this "Agreement") is entered into as of October 26, 2017 (the "Effective Date") by and between the Los Angeles Turf Club, Incorporated and Los Angeles Turf Club II, Inc. (collectively "LATC"), the Thoroughbred Owners of California, Inc. ("TOC"), and the California Thoroughbred Trainers, Inc. ("CTT" and each individually a "Party" and collectively the "Parties").

Recitals

A. CHRB Rule 1845 requires that the Parties enter into an agreement to provide for race-day furosemide administration.

B. CHRB Rule 1845 further requires that the agreement describe LATC's program for the administration of race day furosemide, the minimum level of staffing necessary to carry out the program, and the projected costs to horsemen for such administration.

C. The Parties intend for this Agreement to comply with and satisfy the requirements of CHRB Rule 1845.

Agreement

With reference to the foregoing Recitals, which are hereby incorporated by reference, and in exchange for good and valuable consideration, the sufficiency and receipt of which are hereby acknowledged, LATC, TOC, and CTT to hereby agree as follows:

1. Term. This Agreement shall take effect on December 26, 2017 and shall continue through December 25, 2018 (the "Term"). If the Parties have not entered into a new agreement which satisfies the requirements of CHRB Rule 1845 prior to the conclusion of the Term, the terms and conditions set forth in this Agreement shall continue to remain in effect and binding on the Parties after the Term until such time that the Parties enter into such a new agreement or until any Party terminates this agreement upon twenty-four (24) hours' notice.

2. Cost to Horsemen. The Paymaster of Purses will deduct the Lasix Administration Fee from such owner's purse account and remit it to LATC. By way of this Agreement, all owners hereby consent for the Paymaster of Purses to deduct the Lasix Administration Fee from such owner's purse account and remit it to LATC. LATC may increase the Lasix Administration Fee if there is a material increase in cost to administer the race day furosemide program; provided, however, that such increase must first be approved, with such approval not being unreasonably withheld, by the TOC.

3. Number of Veterinarians and Technicians. LATC shall initially hire one (1) furosemide veterinarian and three (3) furosemide veterinary technicians to administer the race day furosemide. The furosemide veterinary technicians shall report to the furosemide

If LATC decides, after consultation with the TOC and CTT, that additional furosemide veterinarians or furosemide veterinary technicians are necessary for the proper and orderly administration of race day furosemide, LATC shall hire such additional number of furosemide veterinarians or furosemide veterinary technicians as it deems necessary.

4. Race Day Lasix Administration Program.

a. By way of this Agreement, each individual Thoroughbred owner does hereby consent to the procedures set forth in this Agreement and agrees that the pre-race examination conducted under the direction of the official veterinarian or racing veterinarian shall constitute a veterinary-client-patient relationship within the meaning of 16 CCR 2032.1.

The witnesses shall sign the sealed evidence/ biohazard tamper-proof bag. The sealed and signed evidence/ biohazard tamper-proof bag containing the syringe will be delivered to the CHRB. c. Additional terms and conditions of the Race Day Lasix Administration Program are attached as Exhibit A and Exhibit B which are hereby incorporated into this Agreement.

5. TOC and CTT Covenants.

a. The TOC covenants that it will take all steps necessary to ensure that all Thoroughbred owners take all steps necessary to comply with: i) the terms of this Agreement and ii) all statutes, laws, and regulations which are necessary for the Thoroughbred owner to comply with in order to effectuate the purpose of this Agreement.

b. Venue of any action arising out of this Agreement shall be heard first in an applicable state court of California and absent jurisdiction in such state court, then in the applicable federal court of California.

c. Waiver; Remedies. The failure by one Party to require performance of any provision of this Agreement shall not affect that Party's right to require performance at any time thereafter, nor shall a waiver by one Party of a breach by the another Party be considered a waiver of any or all subsequent breaches by the breaching Party. All rights and remedies provided in this Agreement are cumulative and not exclusive of any other rights or remedies that may be available to the Parties, whether provided by law, equity, statute, or in any other agreement between the Parties, or otherwise.

d. Counterparts. This Agreement and all amendments hereto may be executed in several counterparts and each counterpart shall constitute a duplicate original of the same instrument. LATC, TOC, and CTT agree that copies of this Agreement sent by email (in PDF or similar format) or fax, and the signatures thereon, shall be deemed valid executed originals of this Agreement.

e. Severability. Any provision hereof prohibited by, or unlawful, or unenforceable under any applicable law, rule, or regulation shall be ineffective without affecting any other provision or enforcement of this Agreement.

f. No Third Party Beneficiaries. Except with respect to the indemnification obligations set forth in this Agreement, the provisions of this Agreement are not intended to be for the benefit of, or enforceable by, any party other than LATC, TOC, and CTT. Exhibit A

Santa Anita Park Furosemide Protocol

Furosemide (Lasix/Salix) may be administered on race day only if the horse is registered on the CHRB authorized bleeder medication list as provided for pursuant to 4 CCR 1845. If a horse is not registered on the CHRB authorized bleeder medication list, as provided pursuant to 4 CCR 1845 the horse may not receive furosemide on race day. The following rules shall govern the use of race day furosemide:

1. Race day furosemide shall only be administered by the furosemide veterinarian or furosemide technician. Any horse which receives race day furosemide from any person other than the furosemide veterinarian or furosemide technician shall be scratched from the race.

2. All horses that wish to be administered race day furosemide must be registered on the CHRB authorized bleeder medication list even if they have raced in other jurisdictions on race day furosemide.

3. The Stewards shall scratch a horse if they are unable to determine that a horse on the authorized bleeder medication list has been administered furosemide prior to a race, or that furosemide was administered to a horse less than four hours prior to the post time of a race that horse is entered to run.

4. Furosemide is the only authorized race day medication at a single IV dose between 150mg-500mg (3cc to 10 cc). A horse registered to be administered furosemide shall receive 250 mg of furosemide intravenously unless an alternative dose of not less than 150 mg and not more than 500 mg has been determined after consultation between the trainer, owner, or owner's veterinarian, and the furosemide veterinarian.

5. A horse registered on the official authorized bleeder medication list must remain on the list unless the trainer or owner's veterinarian requests the horse be removed. The request must be made using the applicable CHRB form, and which must be submitted to the official veterinarian and approved prior to the time of entry. A horse removed from the authorized bleeder medication list may not be placed back on the list for a period of 60 calendar days unless the official veterinarian determines it is medically necessary for the horse. If a horse is removed from the authorized bleeder medication list a second time in a 365-day period, the horse may not be placed back on the list for a period of 90 calendar days.

6. Horses registered on the authorized bleeder medication list which run in jurisdictions that do not allow the use of furosemide on race day do not require re-registering upon returning to California. A horse registered on the CHRB authorized bleeder medication list must receive furosemide. Failure to receive furosemide while registered in the CHRB authorized bleeder medication shall result in the horse being scratched from the race.

7. The trainer of any horse to be entered in a race in a race at Santa Anita Park shall report any previous or current incidents of exercise induced pulmonary hemorrhage and any

Back to Top

previous adverse reactions to furosemide to the furosemide veterinarian and the CHRB official veterinarian.

8. As it relates to all horses that are entered to race on any given day and that are either stabled at Santa Anita Park or have arrived at Santa Anita Park no later than 4:30 am of race day, the trainer shall post the applicable CHRB detention stall sign on the horse's stall no later than 4:30 am of race day. Notwithstanding the generality of the foregoing, if LATC personnel announce an earlier time for posting the CHRB detention stall sign for any particular race day, all trainers shall be required to post the applicable CHRB detention stall sign at such earlier time.

9. As it relates to all horses that are entered to race on any given day and that are not stabled at Santa Anita Park or have not arrived at Santa Anita Park by 4:30 am of race day, the trainer shall post the applicable CHRB detention stall sign on the horse's stall at the off-site stabling facility and at the stall at Santa Anita Park that the horse will occupy prior to the race no later than 4:30 am of race day. Notwithstanding the generality of the foregoing, if LATC personnel announce an earlier time for posting the CHRB detention stall sign for any particular race day, all trainers shall be required to post the applicable CHRB detention stall sign at such earlier time. All horses that are stabled at an off-site stabling facility must arrive at Santa Anita Park no later than five (5) hours prior to post time of the race for which it is entered.

10. Regardless of the time of arrival at Santa Anita Park, if the horse is not stabled at Santa Anita Park, LATC security officers which are assigned to the gate(s) through which horses arrive from other locations shall maintain a log depicting the horse's name, time of arrival, scheduled race number and post time. In the event that a horse arrives less than five (5) hours prior to the scheduled post time for its race, the security officer shall notify the Stewards and racing secretary of the late arrival.

2024 Fall Race Meet Agreement
Santa Anita & Thoroughbred Owners of California

This Agreement is entered into by and between Los Angeles Turf Club II, Inc. ("Track") and the Thoroughbred Owners of California, Inc. ("TOC") and becomes effective on September 25, 2024.

RECITALS

A. Track is a duly licensed Racing Association, licensed under and pursuant to the Horse Racing Law, Article 4, Chapter 4, Division 8 of the Business and Professions Code of the State of California.

B. TOC is the duly organized owners' association recognized by the California Horse Racing Board ("CHRB") as having authority to negotiate and covenant with Track pursuant to Article 22, Chapter 4, Title 4, of the Administrative Code of the State of California.

C. Track and TOC, in an effort to stabilize certain phases of the business of thoroughbred racing for the purpose of avoiding controversies between them which might interfere with the orderly commencement and conduct of race meetings to the detriment of Track, TOC, its members, and racing patrons, and for the purpose of providing for an orderly and uniform method of stakes and overnight purse distribution by Track, have reached an understanding with reference to the foregoing and other matters and things hereafter specified, and desire to incorporate their understanding in writing.

AGREEMENT

With reference to the foregoing Recitals, which are incorporated herein by reference, and in exchange for good and valuable consideration the receipt and sufficiency of which is hereby acknowledged, Track and TOC (each a "Party", and collectively, the "Parties") hereby agree as follows:

1. Race Meet. Except as otherwise provided herein, the provisions of this Agreement shall be applicable only to the thoroughbred race meetings conducted by Track under license from the CHRB for the period of September 25, 2024, through October 29, 2024 (the "Term").

2. Purse Distribution.

a. Track and TOC acknowledge and agree that disbursements made by Track to TOC, and to individual horse owners in the form of purses, will be governed by the provisions of this Agreement and the Horse Racing Law, Article 9.5, Article 9.2 and any other provisions regarding purses in any other Articles in Chapter 4, Division 8 of the Business and Professions Code. All moneys available for purses generated from the pari-mutuel handle and other sources, including but not limited to, underpayments from prior race meets, distribution of unpaid refunds or "outs" as more fully discussed in paragraph 5(b) of this agreement and deposits by TOC and interest on the Paymaster Account, shall be held in a separate trust account pursuant to section

Back to Top

19597.5 of the Business and Professions Code for the sole benefit of horsemen and shall not be commingled with monies belonging to Track. In this regard, the Track and TOC shall make those funds available for purses and bonuses. Nothing contained herein is intended to change, modify or amend the settlement agreement dated January 5, 1991, with respect to interest on the Paymaster Account.

b. Payment of Purses.

i. Non-Stakes Races. For all non-stakes races, Track agrees that its Horsemen's Paymaster of Purses will make owners' purse monies available upon request seventy-two (72) hours after the race is declared official for pari-mutuel purposes, regardless of whether Track has received the results from the testing laboratory providing that such distribution is consistent with applicable rules, regulations, and laws of the CHRB. In the event that a horse tests positive and is disqualified or otherwise ineligible to receive purse money, Track shall continue to employ its current practices to attempt to recollect such amount. Track will redistribute the purse to the new winner(s) as a result of such disqualification or ineligibility. However, in the event that Track is unsuccessful in collecting such amount, Track shall not be liable for the amount of purse money distributed, and no earlier than thirty (30) days after the race in question, Track shall have the ability to deduct from the purse account the amounts distributed to the owner of the disqualified horse for the re-collection of such distributed amounts. If Track is successful in recovering the amounts distributed to the owner of the disqualified horse, such amounts shall be returned to the purse account.

ii. Stakes Races. For all stakes races, Track agrees that its Horsemen's Paymaster of Purses will make owners' purse monies available within twenty-four (24) hours after Track has received confirmation from the testing laboratory that such owner's horse did not test positive and is not otherwise ineligible to receive purse money.

3. Distribution Estimated.

a. Because the total amount available for distribution as stakes and overnight purses will not be known until the conclusion of each individual race meet which takes place during the Term, it is understood by the parties that it will not be possible to determine in advance that the funds to be distributed in stakes and overnight purses will be equal to the exact amounts provided by this Agreement and law. However, if at the close of any individual race meet during the Term, Track shall not have paid and distributed in stakes and overnight purses the exact amounts provided for by this Agreement and law then, (i) if the Track has made excess payments, (A) up to fifty percent (50%) of such excess payments made by Track may be deducted from purses during race meetings conducted at Santa Anita Park in each of the two succeeding years (the "Next Meet") and (B) after the amount as provided for in subsection (A) above has been deducted from purses from the Next Meet, Track shall also be able to deduct from the Next Meet's purses an amount equal to the amount of interest that would accrue at the annual rate of five percent (5%) of the overpayment, commencing at the conclusion of the Term, until the commencement of the Next Meet; and (ii) if the Track has made insufficient payments, then all such deficiency shall be carried over by Track to be used as purses as mutually agreed upon by TOC and Track. Any deficiency required to be distributed shall be distributed together

Back to Top

with interest at the rate of five percent (5%) calculated from the conclusion of the Term, not more than the thirtieth (30th) day after the Term.

b. The amount carried over for purses, if any, to the Next Meet to be run by Track shall accrue interest at the rate of five percent (5%) annually, commencing at the conclusion of the meet that generated the underpayment, to the Next Meet. Investments made under either this subsection or pursuant to 3(a)(i)(B) will be in accordance with Track's investment policy, a copy of which will be provided to TOC, at its request.

c. Representatives of Track and TOC shall consult with each other during each individual race meet of the Term for the purpose of making estimates and acting thereon so that purse monies distributed will closely approximate the amount available under Section 2 of this Agreement. Track shall provide to TOC prior to each individual race meet which takes place during the Term and on a weekly basis during such individual race meet, for TOC's information, Track's projections (and supporting documents) of estimated purses for such individual race meet. In addition, Track shall provide to TOC on a weekly basis with a calculation of the total purses generated in the previous week of live racing and the aggregate overpayment or underpayment of the purse account factoring in the previous week's results.

4. Daily Mutuel Handle.

a. Track and TOC agree to continue, in good faith, the purse reconciliation process and once complete, the overpayment or underpayment, as the case may be, will inserted as Exhibit D, and that Exhibit D sets forth a reasonable projected purse generation for the upcoming meet. Notwithstanding anything to the contrary provided in Sections 8 and 9, if at any time during the Term, Track estimates that, for any reason beyond the control of the Track or TOC, the final average daily purse generated will be meaningfully less or greater than projected on Exhibit D or in the event the projections for total purses to be paid during the Term are meaningfully less or greater than projected in the Summary of estimated Purses on Exhibit D, then the overnight purse schedule set forth on Exhibit B, may be increased or reduced in proportion to the projected overages or underages; provided, however, (i) that such increase or decrease may only occur with the prior written consent from TOC, which consent shall not be unreasonably withheld, and (ii) in no event shall Track be obligated to supplement purse funds.

b. Notwithstanding anything to the contrary provided in Section 8, if it appears to Track and TOC at any time during an individual race meet which takes place during the Term that the average daily purse generated will be substantially increased above that which was initially anticipated, the excess shall be utilized to increase overnight purses, unless an increase in stakes is approved by TOC. TOC's approval for a request to increase purses for stakes shall not be unreasonably withheld.

c. Unless otherwise agreed by TOC, any increase or decrease in overnight purses during an individual race meet which takes place during the Term shall be applied across all types and conditions of overnight races in the same relative proportions; e.g., if overnight purses are decreased or increased by ten (10) percent, then the purse for each type and condition

Back to Top

of overnight race shall be decreased or increased by ten (10) percent, as the case may be, subject to such "rounding" as may be agreed upon by Track and TOC.

d. Given the unique circumstances facing the Southern California racing industry at present with total horses in training below 2700, in order to attempt to prevent either the accrual during the Meet of a multi-million overpayment or a mid-Meet purse reduction, Track will consult with the TOC on a weekly basis regarding the amount of purse money paid out and the amount of purse money generated during the meet to-date to in the context of establishing future weeks' racing calendars and purse structure.

e. Track shall instruct CHRIMS to give TOC's designated representative, Joe Hasson, continuous access to Track's information that it has historically received. Additionally, Track shall provide TOC with a weekly purse report including calculation of purse revenues generated in such week and purses paid by race day and individual race. Track and TOC shall review the amount of purses generated and the amount of purses paid at the end of each individual meet which occurs during the Term with the understanding that any errors discovered that result in either an overpayment or underpayment will be addressed by the parties in the establishment of purse levels for the next meet at Santa Anita Park as mutually agreed upon by TOC and Track.

5. Gross Racing Distributions.

a. Whenever the term "Gross Racing Distribution" is used herein, it shall mean and refer to those portions of the funds handled in Track's pari-mutuel pools which Track is required to distribute as purses pursuant to the provisions of this Agreement and the current provisions of the California Business and Professions Code, including but not limited to, §§19491(b), 19491.5, 19491.6, 19596, 19596.5, 19596.6, 19598, 19601, 19602, 19611(d), 19611.5, 19613 and 19616 reduced by the amount of overpayment of purses, if any.

b. The Gross Racing Distribution shall include unclaimed refunds ("outs"), if any, from Track's previous year's meet as provided in Section 19601(d) of the California Business and Professions Code and shall also include repayments to the purse account from the previous year of all amounts due under 19604(f) of the California Business and Professions Code.

c. Gross Racing Distribution does not include amounts paid as owners' premiums, breeders' awards, stallion awards, or California-bred incentive awards pursuant to the provisions of the Business and Professions Code §§19616 and 19617 actually received by Track, but does include decreases as provided in §19613.5 to compensate Track for actual losses sustained in pari-mutuel minus pools.

6. TOC and CTT Distributions.

a. Track shall pay to TOC and California Thoroughbred Trainers, Inc. ("CTT") during the Term the sums required by Section 19613(b) of the California Business & Professions Code. Specifically, Track shall pay one percent (1%) of the amount available to

Back to Top

thoroughbred horses for purses to TOC and a total of one and one-half percent (1-1/2%) to CTT and the Horsemen's Pension Fund as required by law. The amounts payable to TOC and CTT pursuant to this provision shall be referred to collectively, as "TOC and CTT Distributions."

b. The sums payable under this Section shall be paid on Wednesday of each week during the Term; the final payments shall be made on or before 10 calendar days following the close of each of the individual race meets which takes place during the Term. All such payments shall be based upon actual receipts by Track of amounts payable as purses. In the event any payment is not made within 10 days from its due date, interest shall accrue from the initial due date at the rate of five percent (5%) per annum until such payment is made.

7. Net Racing Distributions.

a. Whenever the term "Net Racing Distribution" is used herein, it shall mean and refer to the balance of funds constituting Gross Racing Distribution less: TOC and CTT Distributions paid pursuant to Section 19613(b) of the California Business and Professions Code.

For purposes of clarity, the projected calculation purse earnings for the Meet ("Summary of Estimated Purses") are attached at Exhibit D.

b. Intentionally Omitted.

8. Racing Programs.

a. Stakes Programs.

i. General.

A. From the total purse distribution available for each individual race meet which occurs during the Term, not more than the amount indicated on Exhibit A (Stakes Schedule) shall be paid as stakes, unless otherwise agreed upon by Track and TOC, which consent shall not be unreasonably withheld.

B. When a division of a stakes event is deemed appropriate by Track, it is agreed that Track will not increase the purse by more than fifty percent (50%) of the purse originally scheduled. Additional purse money paid as the result of splitting a stakes race shall be considered stakes money and shall not be considered overnight moneys. Should Track desire to increase the purse by more than fifty percent (50%) of the purse originally scheduled, Track shall obtain the prior approval of TOC for such a purse increase, which such approval shall not be unreasonably withheld. Track shall not split a stakes race without first obtaining the approval of TOC, which approval shall not be unreasonably withheld.

C. Unless expressly agreed otherwise by TOC, Track shall ensure that all stakes races offered, whether offered as a scheduled or overnight stakes event, meet the minimum requirements set by the International Cataloging Standards Committee

Back to Top

("ICSC") for participating horses to earn "black type," based on their finish position, qualifying performance, or other criteria set by the ICSC.

D. Track shall not cancel any stakes race, unless otherwise provided for in the Agreement, without first obtaining the prior written approval of TOC, which approval shall not be unreasonably withheld; provided, however, that Track shall have the right, without TOC's approval, to cancel any stakes race which received less than five (5) entries.

ii. Guaranteed Stakes.

A. All races with purses of $100,000 or more, excluding invitationals, shall be guaranteed. All overnight stakes with purses of less than $100,000 shall be run as added money events.

B. If the amount of horsemen's money available for purses for guaranteed races, together with all fees contributed by owners, including, but not limited to, nomination, sustaining, starting, entry, and supplemental fees bring the total amount over the amount of purses scheduled for guaranteed races, then and in that event the excess shall be used for overnight purses.

C. If all fees contributed by owners for all guaranteed stakes races including but not limited to nomination fees, entry fees, starting fees, and supplemental fees, result in the total purse monies being less than the guaranteed amount for all guaranteed stakes races, the deficit will be made up from overnight purse money.

D. The Schedule of Fees, including but not limited to nomination fees, sustaining fees, entry fees, starting fees, and supplemental fees previously announced for the above-referenced stakes races, shall not be reduced during the course of an individual race meet which takes place during the Term. Each guaranteed stakes race to be run during the Term shall require total fees of at least one percent (1%) for each starter ("Stakes Fees"). Starters entered in Breeders Cup supplemented stakes races that are not eligible for the Breeders Cup purse supplement shall pay fees in a percentage equal to that paid by Breeders Cup eligible starters only on that portion of the purse for which they are actually competing.

E. For all stakes races offering a purse of $100,000.00 or more, horses competing in such races shall be placed under surveillance for a period of not less than 6 (six) hours in advance of the scheduled start of the race. For the purposes of this provision, surveillance shall consist of, but is not limited to: I) licensed security personnel, with such number of personnel to be determined on a race-by-race basis, that observe the horses and who are equipped with a video camera, communications device, and a notepad, and who must request to see and who shall note the time, license number, and type of license for every person who enters the stall with the competing horse or otherwise comes in contact with or close proximity to said horse, as permitted by the CHRB, Track, trainer, or owner and II) at least one personnel in the video surveillance room who will monitor each horse (each horse shall have its own video feed and a dedicated portion of the screen that covers only that horse). Track and

Back to Top

TOC agree that this policy may be revisited and modified at any time during the Term, provided Track and TOC mutually agree.

b. Overnight Program.

i. Track is encouraged to, and may from time to time, present overnight-type stakes races to replace what would otherwise have been featured high-purse allowance races. Each such race offered shall be subject to obtaining the prior consent of TOC, which consent shall not be unreasonably withheld, and, unless otherwise expressly approved by TOC, purse moneys offered and paid shall not deviate from that authorized pursuant to the approved purse schedule, but will not be deemed a part of the total stakes purses. The owner of each horse entered in such races shall be required to pay a reasonable nomination, entry, and/or starting fee.

ii. Without prior consultation and written approval of TOC, Track shall not schedule nor use any purse moneys for the purpose of conducting an "exhibition" or "match" type races, or any type of racing other than thoroughbred racing as provided for herein during any individual race meet which occurs during the Term. Notwithstanding the foregoing, Track may conduct six (6) Arabian races during the Term so long as: A) no Thoroughbred purse money is used in such races, B) such races will not replace a Thoroughbred race otherwise scheduled to be run, and C) all purse generation during the Term from the Arabian races will accrue to the TOC.

iii. Purses paid for overnight races during each individual race meet which occurs during the Term shall be in accordance with the schedule attached hereto as Exhibit B. Track agrees not to change the purses provided in Exhibit B without first obtaining the written consent of TOC, which consent shall not be unreasonably withheld.

iv. During the Term, Track and TOC agree that the terms and conditions attached to overnight races and purses shall be as follows:

A. The minimum claiming price, other than maidens, will be $6,250;

B. The minimum purse, for all races other than maiden races shall be the rate as set forth on Exhibit B;

C. The minimum claiming price for maidens will be $12,500;

D. The minimum purse for maiden races shall be the rate as set forth on Exhibit B;

E. Purses for straight maiden races shall be the rate as set forth on Exhibit B;

Back to Top

F. Purses paid for three-year-old horses shall be equal to purses paid for races for older horses for the same type of race;

G. Purses for "Cal-Bred" races shall be equivalent to purses paid in "open" races for substantially the same class and conditions, excluding any CTBA purse supplements;

H. Minimum qualifying level for purposes of the Cal-bred Race Fund Incentives shall be $40,000 Claiming;

I. Excluding those offered on any "Supercharged Race Days," overnight purses per race shall not exceed the amount as set forth on Exhibit B (Track must receive the approval of the TOC it increase purses on Supercharged Races Days, which consent shall not be unreasonably withheld); Overnight stakes purses shall have the minimum as set forth on Exhibit B and meet the requirements for international cataloging standards for North American Black Type Designation;

J. Winning Purse Distributions.

I. Purses for all races with a purse greater than $30,000 run during each individual race meet which takes place during the Term shall be divided and paid to the owner(s) of the horses finishing first through fifth as follows:

(1) Sixty percent (60%) for first;

(2) Twenty (20%) for second;

(3) Twelve (12%) for third;

(4) Six (6%) for fourth; and,

(5) Two (2%) for fifth.

II. Purses for all races with a purse less than or equal to $30,000 run during each individual race meet which takes place during the Term shall be divided and paid to the owner(s) of the horses finishing first through fifth as follows:

(1) Fifty-Five percent (55%) for first;

(2) Twenty (20%) for second;

(3) Twelve (12%) for third;

(4) Eight (8%) for fourth; and

(5) Five (5%) for fifth.

Back to Top

K. A "Participation Purse" in the amount of $500, or such other amount which is mutually agreed upon by Track and TOC, funded from the purse account, shall be paid to all starters effectively finishing 6th or worse in any race, and to fifth place finishers if their share of the purse is less than the Participation Purse, wherein said fifth place finisher will receive an aggregated maximum of the Participation Purse. For purposes of the payment of such participation purses, a "starter" means any horse that which leaves the gate at the official start of a race, and is considered a legal starter by the Stewards. Horses racing in a Breeders' Cup race are excluded from the Participation Purse.

L. Track shall be permitted to schedule the types and conditions of races (e.g. 5f on the turf for 3 and up, N1X) in its sole discretion; however, the purses for the condition (e.g. N1X) of such race shall not differ from the overnight purse schedule attached as Exhibit B without first obtaining the written approval of TOC, which will not be unreasonably withheld.

M. Track agrees that entries will be taken not less than three (3) calendar days prior to the day on which such entered horses are scheduled to run unless the TOC consents otherwise, which consent shall not be unreasonably withheld.

N. Trainers will be permitted to enter up to three (3) horses in any maiden special race, however, not to the exclusion of another unassociated horse, and, further, provided there are at least eight (8) separate wagering interests in the race;

O. Track agrees to use the "date" system for purposes of determining which horses have priority when entering races, unless the Racing Secretary and TOC mutually agree otherwise.

c. Purses Generated from Interest on Paymaster of Purses Account.

i. TOC and Track agree to meet at least 30 days prior to the commencement of each individual race meet which occurs during the Term to discuss the amount of projected interest earned on the Paymaster of Purses Account and to discuss further how the TOC's share of such interest should be utilized, i.e., the amount of purses and for what kind of race.

ii. Track will provide to TOC at no cost to TOC, within thirty (30) days following each individual race meet which occurs during the Term, a complete written account of all Paymaster earnings during each individual race meet that takes place during the Term and the amount of Special Purses actually paid.

iii. The interest earned on the Paymaster of Purses Account which was not used for Special Purses during any individual race meet during the Term shall be held by TOC in an interest-bearing account until Track's Next Meet and then used for purses during the Track's Next Meet.

Back to Top

d. California-Bred Incentive Program and Allowance Purse Increase.

i. Unless subsequently and otherwise agreed to in writing by the Parties, an amount equal to thirty percent (30%) of the purse paid for finishing first through fifth, inclusive, in any open race, excluding purses for stakes races, starter allowance races, and claiming races, but including overnight stakes races, allowance races, and non-claiming maiden races shall be paid by Track from purse funds as an owner premium to the owner of a registered California-bred Thoroughbred horse which finishes first through fifth. An optional claiming race shall be considered to be an allowance race with respect to horses not entered for a claiming price. However, a Cal-Bred horse entered for a claiming price in an allowance race is entitled to the bonus provided for herein for finishing first through fifth. A Cal-Bred who has won its first condition in a race restricted to Cal-Breds is still eligible for its first condition in an open race, and is entitled to the owner premium mentioned above. Once a horse has won the first two condition allowance races (Cal-Bred and open), then the Cal-Bred win will be disregarded in future races for eligibility purposes only. The owner premium provided for herein shall be reduced by the amount of the owner premium paid to owners of California-bred Thoroughbred horses finishing first as provided in Section 19614.4(a) and (b) of the California Horse Racing Law.

ii. In the event overnight purses are increased in accordance with Section 4 of this Agreement, retroactive increases in the Cal-Bred incentive and allowance purse increase programs described in this Section will be made unless otherwise specifically agreed to by Track and TOC.

e. Other Conditions. During the Term, Track and TOC agree that the following terms and conditions shall apply:

i. Track may schedule six (6) Arabian races during the Term so long as Track complies with the conditions for such Arabian races as set forth in subsection (b)(ii) above. Otherwise, Track will not schedule equine racing other than only thoroughbred racing during the Term;

ii. Track agrees to wash or otherwise clean the racing colors or "silks" of owners with horses competing during the Term. Such cleaning shall occur on the day on which the silks are utilized or on the day immediately following their utilization. Such cleaning services will be provided at Track's expense without right of reimbursement from TOC, the individual owners, and/or their trainers;

iii. The workout criteria that will be in effect during the Term are those criteria as listed in the first Condition Book, a copy of which is attached as Exhibit C.

iv. No owner, trainer, or veterinarian may have possession of any shockwave therapy or equivalent device while within Track's enclosure during the Term, except as expressly authorized by Track. Any owner, trainer, or veterinarian found to be in possession of such device(s) during the Term may be excluded from the enclosure for a period of not less than 10 days, at the sole discretion of Track. The identity of any owner, trainer, or veterinarian

Back to Top

authorized or found to be in possession of such device(s) shall be disclosed to an appropriate representative of the CHRB, TOC, and CTT within 48 hours of the device's authorization or discovery.

v. Intentionally Omitted.

vi. Track agrees to use an also eligible list containing up to four (4) horses, however, in no event will the number of horses drawn for a race including also eligibles exceed eighteen (18). Horses may remain on "Also Eligible List" after scratch time, but will be removed by Stewards at a time agreed upon by both Track and Stewards.

vii. A horse that won its first condition in a race conducted at Golden Gate Fields (and has subsequently not won any other condition) is still eligible for its first condition in an allowance race at Track. Once a horse has won the first two condition allowance races (race at Golden Gate Fields and race at Track), then the Golden Gate Fields win will be disregarded in future races for eligibility purposes only. An optional claiming race shall be considered to be an allowance race with respect to horses not entered for a claiming price.

viii. The Parties agree that, with regard to the taking of entries, entries submitted by a Jockey's Agent who has been delegated such responsibility by a licensed trainer pursuant to CHRB Rule 1582 are permitted up to 9:00 a.m. on the day of entry, and thereafter shall only be made by the horse's owner, his/her authorized agent, or the trainer.

ix. In the event a race offered in the "Condition Book," including but not limited to a "Substitute" or other alternative race, and an "Extra" race published elsewhere receive the same number of entries, the race published in the Condition Book shall be considered the preferred race, and will be utilized before any Extra Race to make the card go. Should a drawn race or races be cancelled due to an act of God or otherwise, Track shall make every effort to offer said races to horsemen as Extra Race(s) as soon as possible. Further, said race(s) will have preference over Substitute or other alternative race(s), and Extra races published elsewhere receiving the same number of entries, Track shall make every effort to inform horsemen of such preference when races are published. Further, should Track elect to use an Extra over a filled Substitute race, it shall immediately notify TOC and explain the rationale for the decision.

x. If and when allowed by government regulations, Track shall provide two free clubhouse admissions to owners with a current valid CHRB license validated by the Racing Department of any Racing Association in California.

xi. If and when allowed by government regulations: Track agrees to provide to the owner or owners of a horse competing in a race, on the day of the race, at a minimum, free clubhouse seating for a maximum of eight (8) persons per horse competing. The owner or owners of a horse competing in a stakes race, other than a Graded Stakes, shall be the guest of the racetrack in the clubhouse, and will be provided complimentary meals, excluding bar service. On that date, the complimentary dining will be provided for a maximum of four (4) individuals per horse competing. Unless otherwise approved in advance by TOC, with regard to the running of a Graded Stakes, the owner or owners of a horse competing in that race shall be

Back to Top

the guest of the racetrack in the clubhouse, and will be provided complimentary meals and beverages, up to a maximum of four (4) individuals per horse competing;

xii. Further, Track agrees to provide to the owner of a horse that starts in a Grade I, Grade II, or Grade III Stakes Race during the Term a custom "Saddle Towel." The saddle towel will be same saddle towel used in the Grade I, Grade II, or Grade III Stakes Race and will be embroidered with the horse's name and any other applicable logos etc., specific to the individual race. Said saddle towels will be provided at Track's expense without right of reimbursement from TOC, the individual owners, and/or their trainers. A "starter" means any horse that leaves the gate at the official start of a race, and is considered a legal starter by the Stewards.

xiii. During the Term, within 48 hours of receipt of a written request from TOC, Track agrees to provide to TOC, in written and/or electronic form, such Incompass services data as is reasonably necessary to respond to TOC's request.

xiv. Track agrees that should it decide to cancel a race or day of racing after entries have been drawn for that race or race day, it will reimburse the owners of all such horses affected the actual cost of any reasonable veterinary fees and/or any reasonable transportation costs incurred as a result of being entered to run in any race cancelled by Track. Said reimbursement is intended to apply to situations in which the Track has unilaterally decided to cancel a race or race day due to its own negligence or that of its agent[s], or voluntarily for reasons of its own choosing, but shall not apply to cancellations caused by acts of God or as otherwise specified herein below in Section 16, or as a result of the intervening unforeseen acts of independent third-parties, or with the written consent of TOC. Track and TOC agree to meet for the purpose of fairly determining the reason or reasons for the cancellation of a race or races that have been drawn.

xv. TOC understands and agrees that the Track has adopted a No-Slaughter Policy ("Policy"), which shall be in effect during the Term. TOC shall make a reasonable effort to inform its members of the policy and to encourage each to honor that Policy. Specifically, TOC will notify it's members that the Policy imposes on any owner and trainer stabled at a Track owned facility or competing in a race run at a Track owned facility, who directly or indirectly participates in the transport of a horse from a Track owned facility to either a slaughterhouse or an auction house engaged in selling horses for slaughter, shall be prohibited from any allotment or use of a stall or stalls at Track, or other off-track stabling facility over which Track exercises any control or indirectly funds. The Policy is also intended to apply to any actions related to the transport of a horse from a Track owned facility where the ultimate intended result is the horse's slaughter.

xvi. 1. Post Time Self Insurance Group ("Post Time") provides workers' compensation insurance for certain California jockeys as required by California Horse Racing Law. Post Time has advised the TOC that it is necessary to make a Per-Start Fee Deduction in the amount of $158 during 2024 (the "Per Start Fee Deduction") from the account of each owner of a horse that is trained by a trainer who utilizes Post Time to provide the appropriate workers' compensation insurance coverage for their jockeys. Accordingly, TOC

Back to Top

hereby authorizes and directs Track's Paymaster of Purses to make the Per-Start Fee Deduction in the amount of $158 from the paymaster account of each owner whose horse is trained by a Post Time member, unless that Owner has elected the opt-out right to not have the Per-Start Fee Deduction taken from such Owner's purse account (which opt-out election shall be made in accordance the policies and procedures from time to time adopted by Post Time). With respect to the Per-Start Fee Deduction amounts to be made in accordance with this paragraph, the Track's Paymaster of Purses may only pay such Per-Start Fee Deduction upon receipt from Post Time of a detailed invoice listing each deduction by race track, race date, race number, horse name, trainer name and owner name, together with a written certification from Post Time that the trainer, acting as the owner's agent, has provided consent or authorization to Post Time for the Per-Start Fee Deduction.

9. Uniformity and Consistency.

a. Track and TOC agree to endeavor to establish consistency and uniformity for overnight purse schedules. The first Condition Book for each individual race meet which takes place during the Term shall represent the standard or "norm" for such individual race meet. Track shall not increase or decrease overnight purses which are written for the same quality of horses and substantially the same conditions as those provided for in the standard or "norm" Condition Book; provided, however, that Track may make alterations in purse schedules as provided herein in the event of calamitous or substantial unforeseen economic circumstances or acts of God, which cause a substantial or radical effect on the amount of purses generated during any individual race meet which occurs during the Term. Any such changes, however, can be made only after first obtaining the prior written consent of TOC, which shall not be unreasonably withheld.

b. Track agrees that, in preparing its Condition Book, only one distance shall be prescribed for each race. If, however, the race is subsequently taken at an alternate distance, then, and in that event, the distance prescribed in the Condition Book shall have preference if the race fills at the prescribed distance even if more entries are taken for the alternate distance than for the distance prescribed in the Condition Book.

c. Track agrees that its Racing Secretary will inform the TOC, with at least forty-eight (48) hours' notice, of when it will hold its final proof meeting to discuss the Condition Book prior to the Condition Book being sent to the printer so that the TOC can discuss in good faith any comments, questions, or proposed changes the TOC may have regarding the proposed Condition Book and so that any such agreed upon changes can be made before the Condition Book is finalized and sent to the printer.

d. Track further agrees to meet with TOC within five (5) calendar days after the issuance of each Condition Book to discuss and review suggestions for the next Condition Book.

e. Track agrees to use its commercially reasonable efforts to make its first Condition Book for each individual race meet during the Term available to horsemen at least 10 days prior to opening day.

Back to Top

f. Track will make the Condition Books available to horsemen at least five (5) calendar days prior to the first race provided for in the Condition Book.

g. Track agrees that each Condition Book will provide for at least two weeks of racing, except for the last Condition Book. Track agrees that each Condition Book will include an index of races contained in said Condition Book.

h. Track agrees that, in the event Track enters into an agreement to conduct a promotion that affects takeout or a rebate/bonus to the public, Track will first consult with TOC and provide the details regarding said promotion. In the event that any such promotion that affects takeout or a rebate/bonus to the public has an effect on the amount of purses TOC receives, Track shall, solely to the extent of the impact on purses, obtain the TOC's prior written consent to offer such promotion that affects takeout or a rebate/bonus to the public.

10. Changes to Race and Eligibility Requirements. Except as expressly authorized herein, absent prior agreement with TOC, Track shall not, during any individual race meet which takes place during the Term, implement or put in place any change to the overnight purse structures, minimum purse awards, minimum claiming levels, or eligibility requirement, as set forth in the first Condition Book for each individual race meet which occurs during the Term, nor shall Track change or modify the conditions of the meeting set forth in Track's stall application form or contained within the first Condition Book.

11. Number of Horses in a Race.

a. When six (6) horses are entered in an allowance or overnight stakes race with six (6) separate wagering interests, and provided such horses are stabled on the grounds of either Santa Anita, or another CHRB approved auxiliary stabling facilities located in Southern California, such race shall be considered filled and shall run. It is further agreed by the Parties that the Racing Secretary has discretion to use overnight stakes, allowance, and/or high priced claiming races with five (5) separate wagering interests in order to maintain a balanced racing program, but is to notify TOC as soon as practical when doing so. For all other overnight races when seven (7) horses are entered with at least seven (7) separate wagering interests, and provided such horses are stabled on the grounds of either Santa Anita, or another CHRB-approved auxiliary stabling facilities located in Southern California, such race shall be considered filled and shall run.

b. If not run as originally scheduled, Track will use its commercially reasonable efforts to reschedule the race in question or a similar race as an "extra" race within the next three racing days. Track will notify TOC of cancellation of such races, listing the names of the horses that did enter.

12. Maiden and Cal-bred Races.

Back to Top

a. Provided that sufficient horses within the following classifications are available upon the grounds or on other grounds which furnish horses for racing at each individual race meet which takes place during the Term, and are ready to participate in such scheduled races, Track will run an average of not less than 2.5 maiden races per day during such race meet, and will, in addition, use reasonable efforts to increase the average to 2.6 maiden races per day.

b. It is also understood and agreed that Track will use its commercially reasonable efforts to provide an average of one (1) race each racing day for Cal-Breds, as provided for and in accordance with Rule 1813 of the CHRB Rules and Regulations. In the event a Cal-Bred race does not fill and is opened up for horses other than Cal-Bred horses, then and in that event, the Cal-Bred horses shall be preferred.

c. A Cal-Bred race shall not be opened up in the event there is a minimum of six (6) betting interests entered by 9:00 a.m. as Cal-Bred horses provided that such horses are stabled on the grounds of Santa Anita, or another CHRB-approved auxiliary facilities located in Southern California.

d. The provisions of Section 11 relating to listing the names of the horses that did enter shall also apply.

13. Stall Assignments.

a. Track shall, during each individual race meet which occurs during the Term, provide a minimum of 1,900 stalls in good condition for stabling. In the allocation and assignment of stall space for thoroughbreds, so long as owner is duly licensed, Track will not discriminate in any way against any owner by reason of membership of any owner in TOC, or by way of any arbitrary or capricious conduct by Track. If any owner asserts that the Stall Committee of Track shall have so discriminated on such ground or grounds, then the owner claiming to be so aggrieved shall submit his claim to TOC, for examination, and if TOC shall then believe the claim to have merit, TOC shall be entitled to present the merits of the grievance on behalf of such owner to Track.

b. Track agrees to use its commercially reasonable efforts to provide stalls to horses that are in condition to train and run at each individual race meet which occurs during the Term. Stalls will be allocated and made available, without charge, to those thoroughbred horses for which stalls have been approved by Track's Racing Secretary. Stalls shall be assigned only to thoroughbred trainers engaged in the care and training of thoroughbreds which Track has approved and to which Track has allocated stalls to prepare for racing. Track's obligations to furnish and allocate stalls shall be subject to Track's right to withdraw stalls allocated to horses not currently approved for racing or preparation for racing, or not actually training for racing, and to Track's needs for access to such stalls for repairs, maintenance, and construction.

c. It is the intention of Track that stall allocations shall be made primarily on the basis of the quality and condition of the horses for which stall space is requested, upon the availability of stall space, taking into consideration the character of each individual race meet

Back to Top

which takes place during the Term and the horses and trainers suitable for the holding of such race meet. Notwithstanding the foregoing, recognizing the significant and ongoing expense increases of the current stabling and vanning system in California and the unsustainable deficits such system has created, the Parties agree to develop a sustainable economic model that prevents the use of auxiliary stabling for horses who do not participate regularly at California tracks in such manner as a reasonable person would expect for a horse receiving full stabling and vanning cost subsidies. In furtherance of the foregoing, Track agrees to meet monthly with TOC to share and review workout and start data on all horses stabled at Track and at approved auxiliary stabling sites when Track is conducting its live racing meets and to discuss the appropriate policies to implement for trainers of horses who do not start their horses on average a reasonable number of times per year in California factoring the cost to Track and TOC of providing such stabling. Track and TOC have agreed to reduce the number of days of training available at approved auxiliary facilities from seven (7) days to six (6) days.

d. At the start of its live race meet, Track shall not allocate more than forty (40) stalls to any one trainer in the aggregate at Track and at approved auxiliary stabling sites when Track is conducting its live racing meets. Following allocation of stalls which shall not exceed forty (40) to any one trainer, should Track determine that the number of available stalls exceeds the number of qualified and eligible horses which have been allocated stalls, then and in that event, Track may allocate, on an equitable basis, up to fifty (50) stalls to any one trainer, upon written notice to TOC. The intent of this provision is to insure fair and reasonable consideration of all applications by Track, so that no one trainer may be awarded in excess of forty (40) stalls until such time as all applications for stalls for eligible and qualified horses have been reviewed, considered, and stalls have been reasonably provided to those horses which have been determined to meet Track's eligibility and qualification requirements.

e. Track agrees that its stalls will be ready, available, and allocated, and the main track and training track will, with respect to each individual race meet during the Term, be open, available, and in condition for training prior to each individual race meet during the Term at no charge to horsemen in accordance with the 2024 Southern California Stabling and Vanning Agreement which was entered into by and between TOC and Track, among other parties ("Stabling Agreement").

f. Track agrees that the main track and training track will be open, available and in condition for training at no charge to horsemen following the conclusion of each individual race meet during the Term in accordance with the Stabling Agreement.

g. Track agrees that it will keep the main track and training track in a safe condition during each individual race meet during the Term and while the main track and training track are open for training preceding and following such race meet.

14. Holding (Transit) Barn. Track agrees that it will regularly clean and maintain the Holding (Transit) barn used for horses shipping in to run during the Term.

15. First Post Time. All Post times for each individual meet which occurs during the Term must be submitted for approval of the CHRB in Track's initial application for license. Any

Back to Top

changes requested in Post time following the opening of any individual meet which occurs during the Term must be submitted concurrently to CHRB and TOC.

16. Interrupted Racing Schedules: Force Majeure. If Track for any reason beyond its control, such as, but not limited to: an act of God; war; labor difficulties; strikes; order of any governmental authority directing cessation of racing; failure of Track to obtain the necessary racing license from the CHRB, failure of TOC to comply with TOC's obligations hereunder; and/or destruction of the racing plant of Track by fire or other casualty shall be prevented from conducting one (1) or more days of scheduled thoroughbred racing, then sums otherwise payable by Track hereunder shall be proportionately reduced for each day that Track is prevented from operating.

17. Stabling at and Vanning from Auxiliary Stabling Facilities.

a. Track shall, at least sixty (60) days prior to the opening of each individual race meet during the Term, notify the CHRB and TOC of the CHRB-approved auxiliary stabling facilities that will be acceptable to Track as auxiliary stabling facilities so long as such can be accomplished without compensation of any nature whatsoever, direct or indirect, by Track to such facilities other than such compensation as provided in the California Horse Racing Law so long as each facility is recognized as an approved year-round training facility by the CHRB.

b. Track agrees it will provide auxiliary stall applications for horses to be stabled at auxiliary stabling facilities well in advance of the opening of each individual race meet which takes place during the Term.

c. TOC and Track agree to use their commercially reasonable efforts to cause eligible horsemen to be reimbursed promptly for vanning as provided in §§19535(b) and 19605.7(d) of the Business and Professions Code. TOC and Track further agree to support the use of the structured vanning system as outlined in the current agreement between Southern California Stabling & Vanning Committee and K.C. Horse Transport, Inc.

d. Track agrees to provide to TOC a monthly written report on the occupancy and/or availability of stalls both at Track and at auxiliary facilities for which Track is required to pay compensation pursuant to the California Horse Racing Law.

18. Accessibility to Track. Track agrees that at least one (1) gate will remain open twenty-four (24) hours daily permitting access to the backstretch for all licensed personnel. Track further agrees to permit all licensed personnel to use the designated parking area adjacent to said gate for purposes of parking personal vehicles, free of charge.

19. Anti-Monopoly Provision.

a. Track acknowledges TOC's interest in assuring that horsemen will, during the Term, have the opportunity to procure and receive supplies, services, utilities, transportation, and other facilities required by the horsemen at a competitive cost or price usually available in a free enterprise marketplace. Accordingly, unless Track and TOC agree to produce a co-op to

Back to Top

reduce the cost of horsemen supplies, Track agrees not to limit this free enterprise system of competitive service and supply to the horsemen by means of Track entering into any agreement or otherwise seeking to establish or impose upon the horsemen a monopoly of restrictive servicemen or suppliers who would have exclusive access to the horsemen's needs or requirements. Horsemen independently arranging for such supplies, services, utilities, transportation, hot walkers, and other facilities must strictly comply with liability protections, insurance, and safety standards required by Track of all third-party vendors.

b. TOC acknowledges that Track must provide, maintain, and control reasonable access to and from Track property; security for persons and property; traffic regulation; and numerous other activities related to the racing industry. According, TOC agrees that Track may, for a reasonable and proper cause, restrict or prohibit any serviceman, supplier, or vendor from having access to the grounds and the horsemen. Track agrees to provide TOC written notice at least 24 hours before a particular serviceman, supplier, or vendor will be denied further access or privileges to Track grounds or property unless circumstances arise which make it not feasible for Track to provide such notice to TOC.

20. Credentials and Horsemen's Services.

a. Track agrees to provide owner stickers or other appropriate credentials to all licensed personnel either employed on or with horses stabled on the grounds, at an authorized auxiliary stabling facility, or whose horse has competed or is scheduled to compete at any individual race meet during the Term.

b. Track further agrees to issue to all TOC Board members and its President, and authorized TOC personnel, North and South, VIP or "officials" credentials for each individual race meet during the Term, including but not limited to, an "official's" pin and clubhouse, or equivalent guest pass.

21. Training Facilities.

a. At all times during the Term when Track is scheduled to be open for training, Track will cause the main track to be open at 4:45 A.M. and to remain open until 10:00 A.M. every day of the week, unless otherwise agreed upon following consultation between Track and TOC.

b. It is the intent of Track and TOC that the main track and training track will be maintained by Track in a good and safe condition (except in the event of a water shortage or other unforeseen conditions of which Track has notified TOC) and be available for training seven (7) days a week on each day horses are stabled at Track, unless otherwise agreed to by the parties.

c. Track agrees, on each day horses are stabled at Track to have available during all training hours a fully manned, licensed, and operable ambulance for injured horses. Track agrees to maintain and keep clean the ambulance throughout the duration of the Term. On all days horses are stabled at Track, Track shall maintain a fully manned, licensed, and operable

Back to Top

ambulance on the premises during training and racing hours for persons injured on the main track, grass course, or training track, or the entrance area to or from the main track, grass course, or training track, in each case including a driver and at all times in compliance with any rule, regulation, or directive of the CHRB with regards to ambulance service, staffing, and/or emergency medical protocol. Track agrees that in the case said ambulance is unavailable for any period of time during training hours, Track, TOC, and CTT shall confer and decide on an appropriate length of time, if any, to extend training hours.

d. Track agrees, while horses are stabled at Track during the Term, to have a manned, operating starting gate for training on the main track at least six days a week.

22. Owners' Proprietary Rights.

a. Track agrees that it will not utilize the name, image, or likeness of a particular horse for a promotional or commercial purpose, other than the promotion of live racing, simulcasting, and wagering on the outcome thereof, e.g., the sale of merchandise bearing the name or likeness of a horse, absent the consent of the individual owner or owners of said horse. Track agrees it will reasonably compensate said owner or owners for the use of such name, image, or likeness.

b. Track acknowledges that, in the context of simulcasting, televising, and the rebroadcasting of races, the proprietary rights created by the collective image of the race belong to all owners participating in a given race meeting subject to applicable law. By virtue of the CHRB's recognition of TOC as the official owners organization, its Rules and Regulations of Racing, and applicable provisions of California and Federal law, Track agrees to negotiate exclusively with TOC as to the consensual use of the collective image of the race for purposes of simulcasting, televising, and the rebroadcasting of races to the extent required by applicable law. Track shall not enter into or seek to enforce any exclusive agreement or contract to simulcast, televise, broadcast, or re-broadcast thoroughbred races conducted at Track without TOC's advanced written consent, including without limitation any extension, amendment, or other modification to the existing agreement that has been entered into by Track or its affiliated or parent companies that is set to expire in 2021.

c. TOC, on behalf of all owners participating during the Term, consents to Track's use of the collective image for purposes of promoting, simulcasting, televising, and/or the rebroadcasting of races occurring during the Term. TOC consents to Track's use of said image without compensation other than that provided by the appropriate provisions of the California Horse Racing Law, the Rules and Regulations of Racing, and/or the Federal Interstate Horseracing Act, excepting races sold by Track to network television, cable television, satellite television, closed circuit, computer or interactive wagering, or other commercial enterprises or uses currently developed or to be developed for which Track receives compensation, other than that provided by State and/or Federal legislation, including but not limited to, promotional, licensing, or usage fees paid by sponsors. Track agrees to obtain TOC's prior consent to such sales or usages and to negotiate a reasonable contribution to overnight purses from the revenues derived by said sale or use. In the event the Parties are unable to amicably resolve either the issue

of consent or to conclude negotiations with respect to a reasonable contribution, either or both of those issues shall be submitted to binding arbitration.

d. TOC, on behalf of all owners participating during the Term, further agrees that the nomination of or entry of a horse into a race shall be deemed to be authorization for Track to use the name, image, or likeness of individual horses for promotion of attendance at and wagering on such races, whether live or at simulcasting locations.

23. Race Sponsorships.

a. In the event that Track enters into a sponsorship agreement where the only term of the sponsorship agreement is that in consideration for cash the sponsor shall be the named or presenting sponsor of a race, Track and TOC shall use good faith efforts to come to a mutually agreeable allocation of the proceeds. Without limiting the foregoing, and by way of clarification, the foregoing shall not apply to any sponsorship or other business deal entered into by Track whereby other elements are included in the sponsorship agreement (or other business deal) in addition to the race naming rights, e.g., marketing, hospitality, banners, advertisements, joint promotions, giveaways, activations, etc.

b. If the TOC would like to sell a race sponsorship and has a prospective race sponsor, the TOC shall meet with Track to outline the terms of the prospective sponsorship, and TOC and Track shall use good faith efforts to come to a mutually agreeable arrangement for the sale of the sponsorship and the allocation of the proceeds.

24. Intrastate Simulcasting. Purse money and commissions generated from Intrastate Simulcasting shall be divided in accordance with the applicable provisions of the California Business and Professions Code.

25. Interstate Simulcasting (Export).

a. TOC's consent to interstate simulcasting is required in accordance with the Federal Interstate Racing Act of 1978. Prior to each individual race meet during the Term, Track will request the consent of TOC to simulcast its races to interstate brick and mortar locations and interstate advanced deposit wagering providers (collectively "Simulcast Locations"). Additionally, after the start of an individual race meet, Track may request TOC's consent for additional Simulcast Locations to accept the simulcast of its races. TOC consents to the simulcast of the races in accordance with the terms and conditions of TOC's consent letters, which letter TOC shall, using reasonable efforts, issue within seventy-two (72) hours (excluding Saturdays and Sundays) after receipt of such request. Said consent letters may provide for cancellation of consent by TOC at any time with at least three days prior written notice to Track for specified reasons. If Track objects to such cancellation the matter may be submitted by Track to the CHRB for hearing as provided in Section 33(d).

b. Track and TOC acknowledge that Track enters into End User Agreements with interstate simulcast locations. Such End User Agreements provide, in part, that decoder fees shall be paid to Track by the interstate simulcast locations. TOC believes that owners are entitled

Back to Top

to share fifty percent (50%) of all net decoder revenue received by the Track to be used for purses and retroactive payment of purses. Track believes that owners are not entitled to share net decoder revenues received by Track. By virtue of the support and cooperation of all California racing associations in 2004 in seeking and obtaining passage of legislation known as A.B. 701, the TOC Board of Directors resolved to forego any claims to such revenues, past and future, until such time as the statute(s) authorized by passage of said legislation sunsets or is repealed.

26. Interstate Simulcasting (Import). Track and TOC desire to import simulcast races from out-of-state locations. The Parties agree that any and all such imported interstate simulcasts shall be undertaken pursuant to existing California law including, but not limited to, Business & Professions Code Section 19601(j). In addition, Track agrees to provide TOC prior notification of the terms of any oral or written agreements and copies of written agreements with out-of-state locations from whom Track intends to import races for wagering purposes. Purse money and commissions generated from wagering on imported races from out-of-state locations shall be divided in accordance with the applicable provision of the California Business and Professions Code.

27. International Simulcasting (Export).

a. Prior to each individual race meet which occurs during the Term, Track will request the consent of TOC to simulcast its races to international locations. Additionally, after the start of an individual race meet, Track may request TOC's consent for additional locations to accept the simulcast of its races. TOC consents to the simulcast of the races in accordance with the terms and conditions of TOC's consent letters, which letter TOC shall, using reasonable efforts, issue within seventy-two (72) hours (excluding Saturdays and Sundays) after receipt of such request. Said consent letters may provide for cancellation of consent by TOC at any time with at least three days prior written notice to Track for specified reasons. If Track objects to such cancellation the matter may be submitted by Track to the CHRB for hearing as provided in Section 33(d) herein.

b. With respect to the export of simulcast races internationally which are not commingled into Track's pools, the compensation paid shall be equally divided between commissions for and purses at Track.

28. International Simulcasting (Import). Track and TOC desire to import simulcast races from out-of-country locations. The Parties agree that any and all such imported international simulcasts shall be undertaken pursuant to existing California law including, but not limited to, Business & Professions Code Section 19601(j). In addition, Track agrees to provide TOC prior to consummation thereof contents of oral agreements and copies of written agreements with out-of-country locations from whom Track intends to import races for wagering purposes. Purse money and commissions generated from wagering on races imported from out-of-country locations shall be divided in accordance with the applicable provisions of the California Business and Professions Code.

29. Intrastate Advance Deposit Wagering ("ADW"). Track has requested the consent of TOC to the simulcast of races conducted at Track during each individual race meet which

takes place during the Term for the purposes of intrastate advance deposit wagering by and/or wagering instructions to California licensed advance deposit wagering providers pursuant to California Business & Professions Code, section 19604(b)(1)(C) and the Interstate Horseracing Act, 15 USC 3001, et. Seq. TOC shall provide its consent on a case-by-case basis for each ADW provider by a separate consent letter.

30. Fire and Disaster Insurance.

a. The fire and disaster insurance policy is attached as Exhibit F. Track shall upon receipt of an invoice pay its proportionate share of the yearly premium (which proportionate share shall be calculated on a reasonable basis). The amount recovered by an owner under the insurance policy set forth in Exhibit F shall be credited as an offset to the liability of Track, if any. Track shall have no obligation to purchase any insurance policy covering horses and/or property owned by the members of the TOC should the policy set forth on Exhibit F terminate during the Term. Additionally, if no policy is attached as Exhibit F upon execution of this Agreement, Track shall have no obligation to purchase any insurance policy covering horses and/or property owned by the members of the TOC.

b. Other than Track's obligation set forth in subsection (a) above, if any, Track is not responsible for the purchase of any insurance policy covering horses and/or property owned by the members of the TOC. However, in the event that all of the members of the California Thoroughbred racing industry decide to cooperate in the purchase of a fire and disaster insurance policy which covers horses and/or property owned by the members of the TOC which are stabled or located at Track, Golden Gate Fields, Del Mar, Los Alamitos (Thoroughbred), or San Luis Rey Downs, and such policy has a yearly premium of $100,000 or less, Track shall upon receipt of an invoice pay its proportionate share of the yearly premium (which proportionate share shall be calculated on a reasonable basis). If an insurance policy is acquired pursuant to this subsection, the amount recovered by an owner under this insurance policy shall be credited as an offset to the liability of Track, if any.

31. TOC Covenants. During the Term and as long as Track is not in violation of the terms of this Agreement or of applicable law, TOC will not instigate, promote, encourage, or engage in any boycott of any race or race meeting (except and in the event the track is unsafe for racing) conducted by Track, nor will it encourage any of its members to do so; but shall, so long as Track is not in breach of the provisions hereof, exercise and apply such persuasive means as it may lawfully use to encourage its members to conform to, comply with, and respect the obligations of TOC hereunder.

32. Track Covenants. During the Term and as long as TOC is not in violation of the terms of this Agreement or of applicable law, Track shall recognize TOC as the official organization representing owners and shall not file or participate in any action, claim, or proceeding seeking the decertification of the TOC as the official and exclusive representative of California thoroughbred owners, nor will Track engage in a lockout of TOC members.

33. Mutuality.

Back to Top

a. Track and TOC represent to each other that they are mutually interested in the continuance, maintenance, and improvement of thoroughbred racing in the State of California and, to that end, believe it most advisable and to their mutual best interests that any future differences of opinion between them with respect to the provisions hereof, the matters covered hereby, or any other matter or thing pertaining to thoroughbred racing wherein both Parties are interested, should be settled by them, without undue publicity, by negotiation and consultation. Each Party will cooperate with the other to promote, foster, and retain public good will toward thoroughbred racing by conducting racing on the highest possible plane through maintenance of high standard of fairness and honesty.

b. Track will notify and consult the TOC, and, whenever reasonable and possible, obtain the consent and approval of the TOC, whenever substantial changes are contemplated by Track and proposed with respect to Track racing surfaces, racing schedule, or conditions affecting the backstretch.

c. A Horsemen-Management Committee may be created, composed of such members of the TOC as TOC may designate and the President and/or General Manager, the Racing Secretary, Track Superintendent and other administrative officials to be designated by Track. All matters concerning problems of the horsemen with the Track will be referred to this committee in an effort amicably and equitably to adjust and resolve any problems which may arise.

d. If, after the execution of this Agreement, and after reasonable and good faith efforts to negotiate settlements of differences in opinion between TOC and Track, such settlements are not achieved, either TOC or Track may cause both Parties to present the matter for hearing before the CHRB as provided in Section 19613.1(c) of the California Horse Racing Law. The matter may be settled by a hearing before the CHRB or Hearing Officer appointed by the CHRB and whom shall be mutually agreed upon by TOC and Track. The decision of the CHRB or Hearing Officer, as the case may be, shall be binding on Track and TOC unless it is in contravention of applicable Federal and State law, in which case the decision may be appealed pursuant to applicable Federal and State law.

34. Default. The respective covenants herein contained are concurrent, and no covenant shall be enforced by either Party hereto which at the time is in default hereunder. If any dispute shall arise hereunder, the matter may be submitted by either Track or TOC for a hearing before the CHRB as provided in Section 33(d).

35. Inconsistent Language. When the language in the Condition Book, Stall Application, Stakes Nomination Forms, or proposed Stakes Book for an upcoming meet, or any other document pertaining to the eligibility of horses and conditions for racing is inconsistent with the language in this Agreement, the language in this Agreement shall control.

36. Notices. Notices required to be given under this Agreement shall be sent by certified mail, return receipt requested, postage prepaid as follows, or by email.

37. Reservation of Rights. The terms of this Agreement shall be without prejudice to the abilities of the Parties to challenge, by legal proceedings or otherwise, any rights, obligations, or privileges which are the subject hereof upon termination of this Agreement, and the Parties shall not be deemed to waive or abridge any rights, claims, or privileges following such termination.

40. Daily Fantasy Sports. Track and TOC acknowledge a dispute between themselves regarding the necessity of Track sharing revenues with horsemen from daily fantasy sports contests ("DFS") conducted by Track at Santa Anita Park. TOC contends that DFS is a form of wagering and as such should be treated in substantially the same manner as the distribution of revenues from pari-mutuel wagering conducted at Track. Track contends that there is no current requirement for Track to share revenues from DFS activities with TOC. In an effort to resolve this dispute, and without in any way waiving any of the above stated positions , Track and TOC agree to engage in good faith negotiations regarding Track sharing with TOC a portion of profits derived by Track from DFS activities conducted by Track at Santa Anita Park during the Term.

All rights and remedies provided in this Agreement are cumulative and not exclusive of any other rights or remedies that may be available to the Parties, whether provided by law, equity, statute, in any other agreement between the Parties, or otherwise.

2024 Fall Race Meet Agreement
Santa Anita Park & California Thoroughbred Trainers

This Agreement is entered into by and between Los Angeles Turf Club, Incorporated ("Track") and the California Thoroughbred Trainers, Inc. ("CTT") and becomes effective on September 25, 2024.

RECITALS

A. Track is a duly licensed Racing Association, licensed under and pursuant to the Horse Racing Law, Article 4, Chapter 4, Division 8 of the *Business and Professions Code* of the State of California.

B. California *Business and Professions Code* §19613.1 (b) states the trainers' organization shall generally be responsible for negotiating issues relating to the backstretch, track safety, and the welfare of backstretch employees.

C. CTT is the duly organized trainers' association recognized by Track and the California Horse Racing Board ("CHRB") as having authority to negotiate and covenant with Track pursuant to Article 22, Chapter 4, Title 4, of the Administrative Code of the State of California.

D. Track and CTT, in an effort to stabilize certain phases of the business of thoroughbred racing for the purpose of avoiding controversies between them which might interfere with the orderly commencement and conduct of race meetings to the detriment of Track, CTT, and its members, and for the purpose of providing for an orderly and uniform method of dealing with issues involving the racetrack, track safety, the backstretch, and the welfare of trainers and other backstretch personnel, have reached an understanding with reference to the foregoing and other matters and things hereafter specified, and desire to incorporate their understanding in writing.

AGREEMENT

With reference to the foregoing Recitals, which are incorporated herein by reference, and in exchange for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Track and CTT (each a "Party", and collectively, the "Parties") hereby agree as follows:

1. Term. Except as otherwise provided herein, the provisions of this Agreement shall be applicable only to the thoroughbred race meet conducted by Track under license from the CHRB for the period commencing September 25, 2024, through October 29, 2024 (the "Term").

2. Intentionally Omitted.

3. CTT Distributions.

Back to Top

a. Track shall pay to CTT during the Term the sums required by Section 19613(b) of the California Business & Professions Code. Specifically, Track shall pay one percent (1%) to CTT for the CTT Backstretch Employees' Retirement Savings Pension Plan and one-half percent (1/2%) to CTT, as required by law. The amounts payable to CTT pursuant to this provision may be referred to sometimes collectively as "CTT Distribution". Track shall also pay to CTT, in a timely fashion as may be established by normal industry practice or by general agreement of the Parties, all other statutory distributions due CTT including, without limitation, amounts payable pursuant to California *Business & Professions Code* section 19604. Purse money and commissions generated from Simulcasting shall be divided in accordance with the applicable provisions of the California *Business and Professions Code*.

b. The sums payable pursuant to this Section 3 shall be paid on Wednesday of each week during the Term; the final payment shall be made on or before 10 calendar days following the close of each individual race meet which takes place during the Term. All such payments shall be based upon actual receipts by Track of amounts payable as purses. In the event any payment is not made within 10 days from its due date, interest shall accrue from the initial due date at the rate of ten percent (10%) per annum until such payment is made.

c. Track shall at any time refrain from asserting, in any judicial or non-judicial proceeding at law or in equity or in a bankruptcy petition, any ownership interest in the disbursements set forth in this Section 3. Track acknowledges it acts as merely a conduit for the transfer of the monies and disbursements herein described for the benefit of CTT Distribution, and, as such, can claim no ownership interest of any sort in these monies.

4. Intentionally Omitted.

5. Stall Applications. Each stall application shall refer to the particular horses for which stalls are requested and no substitution of horses shall be permitted without Track's prior consent. The Stall Application Agreement used by Track is attached hereto as Exhibit A which is hereby incorporated into and made part of this Agreement. The Stall Application Agreement will be incorporated into and made part of the Stall Application. The acknowledgments and agreement included on the Stall Application which the trainer will initial or sign, as applicable, is attached hereto as Exhibit B which is hereby incorporated into and made part of this Agreement.

6. Stall Assignments.

a. Track shall make available at Track and approved auxiliary training facilities during each individual race meet which occurs during the Term, a minimum of 3,200 stalls in good condition for stabling.

b. Track agrees to use its commercially reasonable efforts to provide stalls to horses that are in a condition to train and run at each individual race meet which occurs during the Term. Stalls will be allocated and made available, without charge, to those thoroughbred horses for which Track's Racing Secretary has approved stalls. Stalls shall be assigned only to trainers engaged in the care and training of thoroughbreds which Track has approved and to which Track has allocated stalls to prepare for racing. Track's obligations to furnish and allocate

Back to Top

stalls shall be subject to Track's right to withdraw stalls allocated to horses not currently approved for racing or preparation for racing, or not actually training for racing, or for Track's needs for access to such stalls for repairs, maintenance, and construction. CTT members shall cooperate with Track to provide reasonable access to occupied stalls for necessary repairs, maintenance, and construction. The name of any trainer not cooperating with reasonable access shall be provided to CTT within 24 hours of such non-cooperation. Track will assure that stalls being repaired will be substituted for by other stalls at Track's cost, if applicable. Prior to the stable area opening for occupancy, as set forth in subsection (f) below, and at any other time upon CTT's request, Track shall provide to CTT a detailed report (by barn and stall number) of all significant repairs and improvements accomplished within the prior 60 days. Track and CTT agree that structural and infrastructure repairs and maintenance to enhance equine and human safety shall have priority over other improvement projects.

c. It is the intention of Track that stall allocations shall be made primarily on the basis of the quality and condition of the horses for which stall space is requested, upon the availability of stall space, and taking into consideration the character of each individual race meet conducted during the Term, and the horses suitable for the holding of such race meet. In the allocation and assignment of stall space for thoroughbreds, so long as the trainer is duly licensed, Track will not discriminate in any way against any trainer by reason of membership in the CTT.

d. Track shall not allocate more than forty (40) stalls to any one trainer. Following allocation of stalls which shall not exceed forty (40) to any one trainer, should Track determine that the number of available stalls exceeds the number of qualified and eligible horses which have been allocated stalls, then and in that event, Track may allocate, on an equitable basis, up to fifty (50) stalls to any one trainer. The intent of this provision is to ensure fair and reasonable consideration of all applications by Track, so that no one trainer may be awarded in excess of forty (40) stalls until such time as all applications for stalls for eligible and qualified horses have been reviewed, considered, and stalls have been reasonably provided to those horses which have been determined to meet Track's eligibility and qualification requirements. To the extent that Track allocates more than 40 stalls to any one trainer based on the foregoing, Track agrees to immediately notify CTT of the actual number of stalls that have been allocated to such trainer.

e. Track agrees that its stalls will be ready, available, and allocated, and the main track and training track will, with respect to each individual race meet during the Term, be open, available, and in condition for training prior to each individual race meet during the Term at no charge to horsemen in accordance with the 2023 Southern California Stabling and Vanning Agreement which was entered into by and between TOC and Track, among other parties ("Stabling Agreement").

f. Track agrees that the main track and training track will be open, available and in condition for training at no charge to horsemen following the conclusion of each individual race meet during the Term in accordance with the Stabling Agreement.

7. House Rules. Track has established, and may in the future establish, rules, regulations, and security procedures. Track shall consult with the CTT prior to Track adopting

Back to Top

new rules, regulations, and security procedures, and shall reasonably consider any objections expressed by the CTT. Notwithstanding the consultation and consideration of any objections provided for in the previous sentence, Track shall be permitted, in its discretion, to adopt any such new rules, regulations, and security procedures. Any rules, regulations, or procedures so enacted shall be in addition to, and shall not supplant or conflict with, the rules and regulations of the CHRB or applicable California law, or the Horseracing Integrity and Safety Act of 2020.

8. Exclusion/Suspension of a Trainer.

a. Bases, Legal Standard.

i. Bases for Exclusion. Track's authority to make decisions in the ordinary course of business to limit or deny stalls based upon eligibility or quality of horses included in a stall application, as set forth in Section 6(c), shall not be limited or effected by the provisions of this Agreement. Without limiting the foregoing, Track may reject a stall application in whole or in part, revoke a Trainer's stall assignments, refuse to accept any entry in any race from a Trainer, suspend or exclude a Trainer ("each an Adverse Action") so long as Track reasonably believes that:

A. A horse under Trainer's care tested positive for a CHRB defined Class 1 through Class 3 drug substance;

B. Trainer has engaged in conduct (or failed to take action) which compromises the health and/or safety of animal or human;

C. Trainer does not have the fitness or competence to train thoroughbred racehorses;

D. Trainer's conduct falls below the prevailing industry standard of care for training thoroughbred racehorses in California;

E. Trainer has committed serious, or repeated material (meaning, not purely technical), violation(s) of regulatory protocols, rules, or regulations, or serious, or repeated material (meaning, not purely technical), violation(s) of Track protocols, rules, or regulations, provided such Track protocol, rule, or regulation does not conflict with any CHRB Rule or the Horseracing Integrity and Safety Act of 2020;

F. Trainer's conduct (or failure to take action) including serious misconduct unrelated to racing (for example, sexual or other harassment, domestic or other violence, theft, substance abuse, etc.) or Trainer's participation (continued or otherwise) in the meet, compromises the integrity of horse racing or is likely to cast horse racing or Track in a negative light; or

G. Trainer has engaged in conduct (or failed to take action) which, or Trainer's continued participation, compromises the successful conduct or promotion of horse racing.

Back to Top

ii. Legal Standard. Track's decision must (A) be made in good faith; (B) supported by a fair or substantial reason; and (C) not be discriminatory. Additionally, the Adverse Action taken against Trainer may not be manifestly disproportionate to the grounds relied upon for the Adverse Action taken.

b. Process. If Track is considering taking Adverse Action against a trainer, Track shall follow the process set forth on Exhibit C which is attached to this Agreement and is hereby incorporated into and made part of this Agreement.

c. Arbitration. At the commencement of the Term, Track and CTT shall create a pre-approved list of four (4) Arbitrators to be used in Short-Term Exclusion Arbitration as set forth in Section 25(d)(iv)(B) of Exhibit A. The list of Arbitrators will be determined based on a striking and ranking process as follows:

i. Track and CTT will simultaneously exchange a list of five (5) proposed Arbitrator, for a total of ten (10).

ii. Track and CTT will rank one another's proposed Arbitrator with one (1) being the highest ranking and five (5) being the lowest. Track and CTT may strike one Arbitrator from one another's lists. Track and CTT will then simultaneously exchange their rankings.

iii. A group of four (4) Arbitrator will then be assembled based on each side's top two rankings of the remaining Arbitrators on one another's proposed lists.

9. Holding (Transit) Barn. Track agrees that it will regularly clean and maintain the Holding (Transit) barn used for horses shipping in to run during the Term.

10. First Post Time. All Post times for each race meet which takes place during the Term must be submitted for approval of the CHRB in Track's initial application for license. Any changes in Post time following the opening of such race meet must be submitted to CHRB for their approval.

11. Interrupted Racing Schedules: Force Majeure. If Track for any reason beyond its control such as, but not limited to: an act of God; war; labor difficulties; strikes; order of any governmental authority directing cessation of racing; failure of Track to obtain the necessary racing license from the CHRB; and/or destruction of the racing plant of Track by fire or other casualty, and Track is thereby prevented from conducting one (1) or more days of scheduled thoroughbred racing, then sums otherwise payable by Track for the missed racing day shall not be due and payable.

12. Stabling at and Vanning from Auxiliary Stabling Facilities.

Back to Top

a. Track shall, at least sixty (60) days prior to each individual race meet which takes place during the Term, notify the CHRB and CTT of the offsite facility(ies) which is/are acceptable to Track as the auxiliary stabling facility(ies) so long as such can be accomplished without compensation of any nature whatsoever, direct or indirect, by Track to such facility(ies) other than such compensation as provided in the California Horse Racing Law, and so long as the facility(ies) is recognized as an approved year-long training facility by the CHRB.

b. Track agrees it will provide auxiliary stall applications for horses to be stabled at auxiliary stabling facilities well in advance of the opening of Track's race meets which occurs during the Term. Said auxiliary stalls shall be made available without cost to horsemen, pursuant to Section 19535 of the California Horse Racing Law.

c. CTT and Track agree to use their commercially reasonable efforts to cause eligible horsemen to be reimbursed promptly for vanning as provided for under applicable law.

d. Track agrees to provide an official vet at the offsite stabling facility(ies) at reasonable intervals to allow trainers to work horses for removal from the Vet's List.

e. Track agrees to provide to CTT a monthly report on the occupancy and/or availability of stalls both at Track and San Luis Rey Downs during each individual race meet which occurs during the Term

13. Accessibility to Track. Track agrees that at least one (1) gate will remain open twenty-four (24) hours daily permitting access to the backstretch for all licensed personnel. Track further agrees to permit all licensed personnel to use the designated parking area adjacent to said gate for purposes of parking personal vehicles, free of charge.

14. Anti-Monopoly Provision.

a. Track acknowledges CTT's interest in assuring that horsemen will during the Term have the opportunity to procure and receive supplies, services, utilities, transportation, and other facilities required by the horsemen at a competitive cost or price usually available in a free enterprise marketplace. Accordingly, Track agrees not to limit this free enterprise system of competitive service and supply to the horsemen by means of Track entering into any agreement or otherwise seeking to establish or impose upon the horsemen a monopoly of restrictive servicemen or suppliers who would have exclusive access to the horsemen's needs or requirements, without first obtaining the consent of the CTT, which consent shall not be unreasonably withheld.

b. CTT acknowledges that Track must provide, maintain, and control reasonable access to and from Track property; security for persons and property; traffic regulation; and numerous other activities related to the racing industry. Accordingly, CTT agrees that Track may, for a reasonable and proper cause, restrict or prohibit any serviceman, supplier, or vendor from having access to the grounds and the horsemen, provided that CTT will be given a minimum 24-hour prior written notice by Track that a particular serviceman, supplier, or

Back to Top

vendor will be denied further access or privileges to Track grounds or property. Notwithstanding anything to the contrary herein, horsemen shall have the right to use their own hot-walking machines or acquire hot-walking machines from any source they may determine.

15. Credentials.

a. Track agrees to provide owner/trainer stickers or other appropriate credentials to all licensed personnel either employed on or with horses stabled on the grounds, at an authorized auxiliary stabling facility or whose horse has competed or is scheduled to compete during the Term.

b. Track further agrees to issue to all CTT Board members, its President, Executive Director, and Deputy Directors, North and South, and General Counsel, VIP or "official" credentials for the Term, including but not limited to, an "official" pin and Club House, or equivalent, guest pass. All other CTT authorized personnel, CTT Pension Administrative Committee Members, and California Horsemen's Safety Alliance representatives, who are not trainers or otherwise covered herein, up to a maximum of five (5), shall receive an "official" pin.

16. Training/Stabling/Employee Housing Facilities.

a. At all times during the Term which Track is scheduled to be open for training, Track will cause the main track to be open for training at 4:45 a.m. and to remain open for training until 10:00 a.m. every day of the week.

b. It is the intent of Track and CTT that the main track will be maintained by Track in a good and safe condition (except in the event of a water shortage or other unforeseen conditions of which Track has notified the CTT) and be available for training seven (7) days a week on each day horses are stabled at Track.

c. Notwithstanding subsections (a) and (b) above, upon seven (7) days' notice to CTT, Track may, in order to accommodate construction or other projects or activities: (i) cancel training for the day or (ii) limit the hours of training on such day.

d. Track agrees, on each day horses are stabled at Track, to have available during all training hours a fully manned, licensed, and operable ambulance for injured horses. Track agrees to maintain and keep clean the ambulance throughout the duration of the Term. On all days in which horses are stabled at Track, Track shall maintain a fully manned, licensed, and operable ambulance on the premises during training and racing hours for persons injured on the main track, grass course, or training track, or the entrance area to or from the main track, grass course, or training track, in each case including a driver and at all times in compliance with any rule, regulation, or directive of the CHRB with regards to ambulance service, staffing, and/or emergency medical protocol.

e. Track agrees, while horses are stabled at Track to have a manned, operating starting gate for training on the main track.

Back to Top

f. Track and CTT agree that they shall work cooperatively to assess and remedy any conditions that may adversely affect the main track, training track, and grass course during the Term and while the main track, training track, and grass course are open for training during the Term. Track further agrees to use commercially reasonable efforts to maintain the main track, training track, grass course, surrounding roads, and the barn area in good and safe condition.

g. While acknowledging that it is impossible to keep surfaces free of all rocks, it is the intent of the parties that Track will use commercially reasonable efforts to obtain and use materials on said surfaces that are free of rocks. In the absence of gross negligence, the Track shall not be liable for the presence of rocks.

h. It is agreed that maintenance and construction work will be restricted during training hours so as not to endanger horses and/or backstretch personnel. It is further agreed that the track and backstretch areas will be kept free of rocks and other injurious debris so long as practicable; and in the absence of gross negligence, the Track shall not be liable for the presence of rocks and other injurious debris.

i. Track shall maintain stabling and keep all stalls in good repair. Stalls shall be maintained in such condition that they are safe, useable, and promote the safety and health of the horses, and that of people who work with and have other contact with horses.

j. CTT will use its best efforts to inform trainers to comply with all federal, state, and local laws, rules, codes, and ordinances. Without limiting the generality of the foregoing, all feed must be properly stored at all times. Track shall make available to CTT the guidelines for proper feed storage and other governmental requirements related to the backstretch. CTT shall be responsible for disseminating the guidelines to its members. Track shall also provide to CTT, immediately upon receipt thereof, any governmental notice relating to any issue on the backstretch so that CTT may work with Track and/or trainer in addressing the issue. Track reserves all rights against an offending trainer in connection with any fine levied against Track by a governmental entity for the improper storage of feed.

17. Track Safety.

a. Within a reasonable time following its receipt, not to exceed 72 hours, Track agrees to provide or otherwise make reasonably available to CTT for review, and to meet with CTT representatives at mutually agreeable times during the Term, or otherwise, to discuss, information concerning the soil or material composition, construction, engineering, and remediation of Track's main track, training track, and turf course surfaces, including, without limitation, to the extent they exist, material laboratory analyses, consultant analyses, daily maintenance protocols and reports, and remediation recommendations. Track agrees to provide to CTT on an ongoing basis throughout the calendar year and as set forth above, including any time during which the Track may be closed for racing and/or stabling, including such weeks/months when racing is not conducted, any and all testing reports, data or recommendations done by, requested by and/or provided to Track, the CHRB, Breeders' Cup, or

Back to Top

other entity. Track and CTT mutually agree to grant authorization to each other to obtain and to release to each other any information regarding track testing reports, data, or recommendation in the custody, possession, or control of the CHRB, Breeders' Cup, or other entity, upon its receipt by Track. CTT agrees to exercise its discretion regarding whether or not to disseminate any such reports received pursuant to this Agreement.

b. Track will make available all horse ambulance reports to CTT, as generated, and no later than on a weekly basis during each individual race meet which occurs during the Term.

c. Within a reasonable time following its receipt, not to exceed 72 hours, CTT agrees to provide or otherwise make reasonably available to Track for review, to the extent they exist and are in the possession, control, or custody of CTT, any material laboratory analyses, consultant analyses, daily maintenance protocols and reports, and remediation recommendations. Any CTT employee, agent, or person CTT causes to be on the main track, grass course, or training track must be licensed by the CHRB before said individual enters the main track, grass course, or training track. Additionally, said individual shall follow and comply with all applicable laws, rules, and regulations. Moreover, CTT agrees to indemnify and hold harmless Los Angeles Turf Club, Incorporated, Los Angeles Turf Club II, Inc., Santa Anita Land Holdings LLC, The Stronach Group, TSG Developments Investments Inc., TSG Developments Land Holdings Inc., and their respective affiliates, members, partners, shareholders, officers, directors, employee, attorneys, and agents from and against any and all claims, demands, suits, losses, damages, injuries, liabilities, costs, and expenses, including reasonable attorneys fee, that arises as a result of said individual being on the main track, grass course, or training track. The preceding sentence does not pertain to trainers, exercise riders, jockeys, or grooms performing their regular duties relating to training.

18. Signage & Trainer's Proprietary Rights.

a. Track agrees that should it desire to utilize the name, image, or likeness of a particular trainer for a promotional or commercial purpose, other than the promotion of live racing or simulcasting, and wagering on the outcome thereof, e.g., the sale of merchandise bearing the name or likeness of a trainer, Track shall contact the individual trainer and obtain their consent, and if necessary and appropriate, reasonably compensate said trainer or trainers for the use of such name, image, or likeness.

b. Track agrees to place a CTT sign in a reasonably prominent location, of Track's choosing after consultation with CTT, at Track.

19. Fire and Disaster Insurance.

a. Track is not responsible for the purchase of any insurance policy covering horses and/or property owned by the members of the CTT. However, in the event that all of the members of the California Thoroughbred racing industry decide to cooperate in the purchase of a fire and disaster insurance policy which covers horses and/or property owned by the members of the CTT which are stabled or located at Santa Anita Park, Golden Gate Fields, Del Mar, Los

Alamitos (Thoroughbred), or San Luis Rey Training Center, and such policy has a yearly premium of $100,000 or less, Track shall upon receipt of an invoice pay its proportionate share of the yearly premium (which proportionate share shall be calculated on a reasonable basis).

b. If an insurance policy is acquired pursuant to subsection (a) above, the amount recovered by an owner under this insurance policy shall be credited as an offset to the liability of Track, if any.

20. CTT Covenants. During the Term, and as long as Track is not in violation of the terms of this Agreement or of applicable law, CTT will not instigate, promote, encourage, or engage in any boycott of any race or race meet which occurs during the Term (except and in the event the track is unsafe for racing) conducted by Track while this Agreement is in force and effect.

21. Track Covenants. During the Term, and as long as CTT is not in violation of the terms of this Agreement or of applicable law, Track shall recognize CTT as the official organization representing the trainers during the Term and shall not participate in any action, claim, or proceeding seeking the de-certification of the CTT as the official and exclusive representative of California thoroughbred trainers, nor will Track engage in a lockout of CTT members.

22. Mutuality.

a. Track and CTT represent to each other that they are mutually interested in the continuance, maintenance, and improvement of thoroughbred racing in the State of California and, to that end, believe it most advisable and to their mutual best interests that any future differences of opinion between them with respect to the provisions hereof, the matters covered hereby, or any other matter or thing pertaining to thoroughbred racing wherein both Parties are interested, should be settled by them, without undue publicity, by negotiation and consultation. Each Party will cooperate with the other to promote, foster, and retain public good will toward thoroughbred racing by conducting racing on the highest possible plane through maintenance of the high standards of fairness, inclusion, communication, and honesty.

b. Track will notify and consult the CTT, and, whenever reasonable and possible, obtain the consent and approval of the CTT, whenever substantial changes are contemplated by Track and proposed with respect to Track racing facilities, racing surfaces, racing schedule, stall applications and applicants, or conditions affecting the backstretch.

c. A Horsemen-Management Committee shall be created, composed of such members of the CTT as they may designate and administrative officials to be designated by Track. All matters concerning problems of the Parties in regard to conditions of the racetrack, the backside, and the health, welfare, and safety of the horses, the trainers, or their employees, and stabling and vanning, will be referred to this committee in an effort to amicably and equitably adjust and resolve any problems which may arise. The Parties herein shall prepare and agree to a monthly meeting schedule during which grievances and any other issues may be discussed and resolved. If each Party notifies the other that no issues will be agendized for the upcoming

monthly meeting, the Parties may mutually cancel that monthly meeting. The Horsemen-Management Committee shall have no role in any issue that deals with the exclusion of a trainer.

d. The Parties will endeavor in good faith to discuss (whether at the monthly meetings described in subsection (c) above or otherwise) any significant changes, modifications, or improvements to the racing facilities, racing schedule, or backstretch conditions.

23. Default. The respective covenants herein contained are concurrent, and no Party who is in default of this Agreement shall have the right to enforce any covenant hereunder until said default has been cured.

24. Inconsistent Language. When the language in the Condition Book, Stall Application, Stakes Nomination Forms, proposed Stakes Book for an upcoming individual meet which occurs during the Term, or any other document pertaining to the eligibility of horses and conditions for racing is inconsistent with the language in this Agreement, the language in this Agreement shall control.

25. Notice. Notices required to be given under this Assignment shall be sent by certified mail, return receipt requested, postage prepaid at the address set forth below, or by email.

26. Additional Terms.

a. Modifications. This Agreement constitutes the entire agreement between the Parties hereto and supersedes any and all other agreements, understandings, negotiations, or discussions, either oral or in writing, express, or implied, between the Parties hereto. The Parties acknowledge that no representations, inducements, promises, agreements, or warranties, either

oral or otherwise, have been made to them, or anyone acting on their behalf, which are not embodied in this Agreement, and that they have not executed this Agreement in reliance on any such representation, inducement, promise, agreement, or warranty. It is expressly understood and agreed that this Agreement may not be altered, amended, modified, or otherwise changed in any respect or particular whatsoever except by a writing duly executed by an authorized representative of each Party.

b. Successors and Assigns. This Agreement shall be binding on and inure to benefit of the Parties hereto and their successors and assigns.

c. Applicable Law. This Agreement, including all matters of construction, validity, and performance, shall be governed, construed, and enforced in accordance with the laws of the State of California, as applied to contracts executed and to be fully performed in California by citizens of California and without reference to principles of conflicts of law. Venue of any action arising out of this Agreement shall be heard first in an applicable state court of California and absent jurisdiction in such state court, then in the applicable Federal court of California.

d. Waiver; Remedies. The failure by one Party to require performance of any provision of this Agreement shall not affect that Party's right to require performance at any time thereafter, nor shall a waiver by one Party of a breach by the other Party be considered a waiver of any or all subsequent breaches by the breaching Party. All rights and remedies provided in this Agreement are cumulative and not exclusive of any other rights or remedies that may be available to the Parties, whether provided by law, equity, statute, in any other agreement between the Parties, or otherwise.

e. Counterparts. This Agreement and all amendments hereto may be executed in several counterparts and each counterpart shall constitute a duplicate original of the same instrument. Track and CTT agree that copies of this Agreement sent by email (in PDF or similar format) or DocuSign (or other similar service), and the signatures thereon, shall be deemed valid executed originals of this Agreement.

f. Severability. Any provision hereof prohibited by, or unlawful, or unenforceable under any applicable law, rule, or regulation shall be ineffective without affecting any other provision or enforcement of this Agreement.

g. Reservation of Rights. The terms of this Agreement shall be without prejudice to the abilities of the parties to challenge, by legal proceedings or otherwise, any rights, obligations, or privileges which are the subject hereof at any time during the pendency or upon termination of this Agreement, and the Parties shall not be deemed to waive or abridge any rights, claims, or privileges at any time during or after the term of this Agreement.

h. No Third-Party Beneficiaries, Reliance, or Enforcement. Except with respect to the indemnification obligations set forth in this Agreement, the provisions of this Agreement are not intended to be for the benefit of, or enforceable by, any party other than Track or CTT. Except for Track and CTT, no party shall have any right to rely upon or enforce any of

Back to Top

the terms and provisions of this Agreement other than the indemnification obligations set forth in this Agreement. Subject to and without in any way limiting the foregoing, a trainer duly licensed by the California Horse Racing Board who is subject to an Adverse Action (as defined in Section 8 hereof) shall be entitled to pursue the process set forth in Exhibit C of this Agreement provided that such trainer has fully executed and delivered to Track the Track's Stall Application in the form as shown in Exhibit B hereto prior to any such Adverse Action having been taken. In order to avoid any doubt, allowing a third party to bring its own breach of contract action against a contracting party, or to rely upon any of the provisions of this Agreement, other than to enforce an indemnification provision set forth in this Agreement or as set forth in the preceding sentence, would be inconsistent with the objectives of the contract and the reasonable expectations of the contracting parties.

Santa Anita Park
Terms and Conditions of Stabling and Racing
("Agreement")

PLEASE NOTE: This Agreement, as set forth below, contains among other provisions: (1) an express assumption of risk provision with respect to risk of bodily and property injury and a release of liability provision (Section 15) and (2) an individual (with waiver of class action) arbitration agreement provision (Section 25). **PLEASE READ THE ENTIRETY OF SECTIONS 15 AND 25 CAREFULLY AS THESE SECTIONS SIGNIFICANTLY AFFECT YOUR LEGAL RIGHTS.**

PLEASE NOTE: IF AWARDED STALLS, SUCH AWARD IS A REVOCABLE LICENSE THAT LIMITS THE HOLDERS' LEGAL RIGHTS.

You, trainer applicant ("Trainer"), hereby agree to each of the following terms and conditions in consideration for permission from Los Angeles Turf Club II, Inc. ("LATC") to race and stable horses at Santa Anita Park during the 2024 Autumn Race Meet (the "Race Meet"), and to participate in the Race Meet. The terms and conditions set forth in this Agreement are hereby incorporated into and made part of the stall application for the Race Meet (the "Stall Application") as if fully set forth in the Stall Application:

1. LATC reserves the right, immediately, to: (a) refuse this Stall Application for stable space in whole or in part; (b) refuse to accept any entry in any race; (c) exclude/suspend Trainer from participating in racing and/or training at the Race Meet; or (d) refuse the transfer of an entry (collectively, an "Adverse Action"); provided, however, LATC shall make the Adverse Decision in accordance with Exclusion Standard as set forth in Section 24 below.

2. If any horse is denied stable space or the privilege of registration for racing for any reason, all nomination fees and payments for eligibility to stake races that have been paid with respect to the horse shall be refunded and such sum will be deducted from the total amount subscribed for the particular race or races.

3. After Trainer's submission of the Stall Application, Trainer shall notify LATC immediately of any change in stall requirements and, if stalls have been allocated, of any change in shipping plans.

4. Trainer acknowledges that Trainer has inspected the stalls at Santa Anita Park and is familiar with such stalls and agrees to accept any stalls assigned to Trainer pursuant to the Stall Application. Such stalls shall be made available to Trainer in an appropriate condition for stabling.

5. Trainer agrees to vacate any stalls assigned at Santa Anita Park, or any approved auxiliary training facility, and to remove all horses, equipment, and personnel from the premises of Santa Anita Park, or any approved auxiliary training facility, within three (3) days after being requested by LATC to do so; provided, however, that LATC's decision to exercise its rights under this Section shall be made in accordance with Exclusion Standard.

6. Trainer represents that Trainer has read and is familiar with the Rules of Racing and Regulations of the California Horse Racing Board ("CHRB"), all conditions applicable to the Race Meet, and the rules of LATC which shall be published from time to time in the condition book(s), and Trainer agrees to be bound by and comply with the same. All stable reservations and entries in stakes and all other races shall be subject to all conditions, rules, and regulations of the CHRB and LATC.

7. Trainer represents that Trainer is duly authorized to represent the owners of the horses listed on the Stall Application, for all matters where Trainer is acting as an agent for such horse owners. All references herein to Trainer or to Trainer's horses, equipment, agents, or employees shall include said owners and their horses, equipment, agents, and employees when applicable.

8. Trainer shall maintain an accurate Stable Employee Registration List and shall submit a copy thereof to LATC within five (5) days of any change to the list. Trainer shall also submit a copy to the CHRB if required by CHRB rule.

9. All disputes, claims, and objections arising out of racing, or with respect to interpretation of any CHRB rules, shall be decided by the Board of Stewards of the Race Meet or the CHRB. Subject to all legal rights including appeal, Applicant agrees to accept and abide by all decisions of such officials.

10. In all stakes, acceptances may be made only through the entry box at the usual time of closing of entries, or at other times when the conditions for the race specifically so state.

11. LATC reserves the right to cancel any stake or other race which has not filled prior to the actual running thereof without liability to any person, except for the return of nomination and entrance fees paid. LATC reserves the right to divide the added money for any stake which is run in more than one division.

12. Horses claimed by, transferred to, or sold to, any person or stable which is not registered, and approved, for racing at Santa Anita Park must be removed from the grounds within twenty-four (24) hours after they are claimed, transferred, or sold unless their continued presence is approved in writing by LATC, in its sole and absolute discretion.

13. **In no event, circumstance, or situation will LATC be considered to have responsibility for the care, custody, control, or well-being of any horse kept at Santa Anita Park while in assigned stalls, on any racing surface, or elsewhere on the premises**. Trainer assumes full responsibility for the safety, care, and well-being of all horses stabled by them at Santa Anita Park, and agrees to take all reasonable measures for the protection of such horses,

Back to Top

including providing adequate supervision for such animals while on the premises, hiring competent personnel to take care of such animals at all times, cleaning and maintaining stalls assigned pursuant to the Stall Application, and removing any hazardous condition from such stalls which is known to Trainer or their employees, or if Trainer believes that such condition should be remedied by LATC, promptly calling to the attention of LATC in writing, any such hazardous condition.

14. Trainer agrees to properly supervise all of their employees, agents, invitees, and other persons known to them to be in the area assigned to them pursuant to the Stall Application, and hereby acknowledges that Trainer is responsible for the conduct of their employees, agents, and invitees. LATC has no obligation to remedy any condition on the premises which may be caused by the negligence of, or willful conduct of, any such employees, agents, or invitees, unless it has prior written notice of the existence of such condition and has had a reasonable opportunity to repair such condition. Trainer agrees to be responsible and pay LATC for any damage to tack rooms assigned to Trainer caused by Trainer, Trainer's employees, agents, or invitees. LATC shall inspect the smoke detectors in the living quarters and shall make all necessary repairs. Notwithstanding the foregoing, Trainer or Trainer's employee or agent shall notify LATC if the smoke detector's battery is low and needs to be replaced. LATC shall be responsible for making all necessary repairs or replacements to said smoke detectors. LATC shall inspect the sprinklers located in the stalls and shall make all necessary repairs.

15. **Assumption of Risk and Release of Liability**.

PLEASE READ SECTION 15 CAREFULLY AS IT AFFECTS YOUR LEGAL RIGHTS.

Trainer acknowledges that participating in Thoroughbred horseracing and training and caring for and working with horses are inherently dangerous activities and knowingly, voluntarily, and expressly assumes all risks and dangers, known and unknown, associated with the foregoing. Trainer releases, waives, and covenants not to sue LATC with respect to any and all claims, liabilities, losses, damages, or demands, known or unknown, that may arise in connection with, or relate in any way to, any such equine activity (collectively "Loss") to: (i) any horse owned, trained, or under the care of Trainer, Trainer's employees, or agents, while such horse is on the premises of Santa Anita Park; (ii) Trainer or Trainer's employees, agents, or invitees while such person is on the premises of Santa Anita Park; or (iii) which arose, directly or indirectly from training and racing activities while on the premises of Santa Anita Park, whether caused by the negligence (in any form other than gross negligence) of LATC or otherwise. The foregoing release of liability and covenant not to sue shall not apply if the Loss is caused by LATC's gross negligence or willful misconduct.

16. **Transportation to Slaughterhouse. Trainer shall not directly or indirectly participate in the transport of any horse from Santa Anita Park to either a slaughterhouse or an auction house engaged in selling horses for slaughter**.

17. Trainer acknowledges that stalls occupied by horses shall not be padlocked at any time and agrees to act in conformity with this requirement. Additionally, Trainer acknowledges

Back to Top

that tack rooms shall not be locked when occupied and agrees to act in conformity with this requirement.

18. Trainer, or one of Trainer's employees, shall have a presence in the barn at all times that there are one or more horses in the barn. LATC may enter and search living quarters so long as it has reasonable cause to believe that there is an activity taking place that is criminal, or a threat to the health or safety of other occupants of living quarters, or a threat to the health or safety of the horses. LATC agrees to notify Trainer within 24 hours of any such entries.

19. In submitting this Stall Application for stalls or to otherwise participate in the Race Meet, it is understood that a background report may be made whereby information is obtained through personal interviews with third parties.

20. **Trainer acknowledges that Trainer's stable personnel are employees of Trainer, and that no employment relationship exists between such stable personnel and LATC**. Trainer agrees that Trainer's stable personnel shall be covered under the prevailing and applicable statutory employee benefit programs such as Workers' Compensation, Disability, Unemployment, Social Security, and the like, and at Trainer's sole cost and expense—since the employees are employees of Trainer and not LATC. Additionally, Trainer shall be responsible for complying with all OSHA regulations as they may pertain to Trainer's employees. Without limiting the generality of the preceding set forth in this Section, Trainer shall be responsible, at its sole cost and expense, for complying with all laws applicable to Trainer as the employer of Trainer's employees.

21. A public or private auction of a horse shall not be noticed, advertised, nor conducted on the premises of Santa Anita Park unless written consent is first obtained from LATC, which consent will not be unreasonably withheld, provided that in the sole and absolute judgment of LATC, the seller has taken reasonable steps to ensure the safety of the public, patrons, and backside workers, the sale will not lead to the horse subsequently being sent to a slaughter house or an auction house engaged in selling horses for slaughter, and the auction does not interfere with the orderly course of racing, training, or the business of LATC.

22. LATC shall provide to Trainer a copy of its Emergency Action Plan.

23. If horses accepted for racing at the Race Meet are assigned to another facility (other than Santa Anita Park), then the provisions of this Agreement shall also apply to such other facility. However, Trainer shall be responsible for receiving the emergency action plan (or similar document)—if such other facility has an emergency action plan—applicable to that other facility from such other facility. Additionally, Trainer shall be required to comply with any other rules and conditions that such facility may have.

24. Exclusion Standard.

a. Bases for Exclusion. LATC's authority to make decisions in the ordinary course of business to limit or deny stalls based upon eligibility or quality of horses included in a stall application, shall not be limited or effected by the provisions of this Agreement. Without

limiting the foregoing, LATC may make an Adverse Action so long as LATC reasonably believes that:

i. A horse under Trainer's care tested positive for a CHRB defined Class 1 through Class 3 drug substance;

ii. Trainer has engaged in conduct (or failed to take action) which compromises the health and/or safety of animal or human;

iii. Trainer does not have the fitness or competence to train thoroughbred racehorses;

iv. Trainer's conduct falls below the prevailing industry standard of care for training thoroughbred racehorses in California;

v. Trainer has committed serious, or repeated material (meaning, not purely technical), violation(s) of regulatory protocols, rules, or regulations, or serious, or repeated material (meaning, not purely technical), violation(s) of LATC protocols, rules, or regulations, provided such LATC protocol, rule, or regulation does not conflict with any CHRB Rule or the Horseracing Integrity and Safety Act of 2020;

vi. Trainer's conduct (or failure to take action) including serious misconduct unrelated to racing (for example, sexual or other harassment, domestic or other violence, theft, substance abuse, etc.) or Trainer's participation (continued or otherwise) in the meet, compromises the integrity of horse racing or is likely to cast horse racing or LATC in a negative light; or

vii. Trainer has engaged in conduct (or failed to take action) which, or Trainer's continued participation, compromises the successful conduct or promotion of horse racing.

b. Legal Standard. LATC's decision must: (i) be made in good faith; (ii) be supported by a fair or substantial reason; and (iii) not be discriminatory. Additionally, the Adverse Action taken against Trainer may not be manifestly disproportionate to the grounds relied upon for the Adverse Action taken.

25. **Arbitration Agreement & Class Action Waiver**.

PLEASE READ SECTION 25 CAREFULLY AS IT AFFECTS YOUR LEGAL RIGHTS.

AGREEING TO ARBITRATION IS AN IMPORTANT DECISION. Arbitration will resolve disputes that would otherwise be resolved in a court of law. By agreeing to arbitrate, Trainer and LATC are giving up their right to sue in court and are giving up their right to have a jury trial.

Back to Top

Trainer and LATC agree that any disputes which are not able to be resolved informally shall be resolved in accordance with the following mandatory arbitration and class action waiver provisions ("Arbitration Agreement").

a. Arbitration. Unless otherwise prohibited by law, **TRAINER AND LATC AGREE TO ARBITRATE ALL CLAIMS AND DISPUTES** relating in any way to: (i) the Trainer's submission of the Stall Application, (ii) any and all decisions made by LATC regarding the Stall Application (e.g., rejecting the Stall Application in whole or in part), (iii) revocation of stalls previously assigned to Trainer, (iv) Trainer's participation in or attendance at the Race Meet, including without limitation, Trainer's exclusion from participating in the Race Meet and/or training at the Race Meet, (v) this Agreement, (vi) any and all dealings, actions, or inactions between LATC and Trainer, (vii) any claim by either LATC or Trainer based on contract, tort, equity, regulation, rule or statute, and (viii) the determination of the validity, interpretation, or scope of the parties' agreement to arbitrate (individually and collectively the "Arbitration Claims"), **through binding individual arbitration** (the "Arbitration"), **which precludes Trainer or LATC, from bringing any class, collective, or representative action against LATC or multiple trainers, as applicable**.

b. General Arbitration Provisions. The following provisions (the "General Arbitration Rules") shall apply to all Arbitrations except those Arbitration Claims set forth in Section 24(d)(iv):

i. Venue; Arbitrator Section Process. The Arbitration shall be heard in Los Angeles County by a single retired Federal or State Judge in the State of California. The same Arbitrator shall preside over the entire Arbitration. The Arbitration shall be conducted by JAMS and JAMS shall select a retired Federal or State Judge in the State of California, who has a background in complex business matters, to serve as the Arbitrator using its otherwise standard method for appointing an Arbitrator (See Rule 15 of the JAMS Rules).

ii. Arbitration Rules; Cost. All substantive and procedural matters of the Arbitration shall be in accordance with California law. The Arbitration shall be administered pursuant to JAMS' Comprehensive Arbitration Rules and Procedures and in accordance with the Expedited Procedures (the "JAMS Rules") in those rules, except as modified by this Agreement. The costs of the Arbitration shall be paid fifty percent (50%) by LATC, and fifty percent (50%) by Trainer, provided that each party shall bear its own attorneys' fees and expenses. If the Trainer can successfully demonstrate to the Arbitrator that Trainer is financially unable to pay the Arbitrator's fees, then LATC shall pay such fees in their entirety, and any amount of Arbitration fees that LATC paid on behalf of Trainer shall be repaid from any Arbitration Award awarded Trainer, if any.

iii. Arbitration Award. The Arbitrator shall have the power to award any relief that would have been available in a court of law, provided that each party shall bear their own attorney's fees and costs, and as such, the Arbitrator shall not be entitled to award attorney's fees and costs to the prevailing party unless attorney's fees and costs could be awarded by statute if the case were brought in Court as opposed to through Arbitration.

Back to Top

iv. Arbitrator's Decision; Appeal Procedure. The Parties will request that the Arbitrator issue a brief written statement of decision within ten (10) business days after the conclusion of the hearing; however, the Arbitrator on its own motion may take up to the 30 days to issue a decision per Rule 24 of the JAMS Rules. The Arbitrator's decision shall be final and binding and effective upon rendition; provided, however, that the Parties adopt and agree to implement the JAMS Optional Arbitration Appeal Procedure (as it exists on the effective date of this Agreement) with respect to any final award in an arbitration arising out of or related to this Agreement (the "Appeal"), provided that the Appeal Panel's standard of review on appeal is whether the Arbitrator's decision was arbitrary or capricious. The Arbitrator's decision, and if applicable the decision following the Appeal, shall be final and binding and effective upon rendition subject only to appeal (other than the JAMS Optional Arbitration Appeal Procedure) as permitted by California law of Arbitration Awards. If a Party wishes to Appeal, the Party must file the notice of appeal within fourteen (14) calendar days after the Arbitrator's decision.

v. Enforcement of Judgment. Any judgment upon any award rendered by the Arbitrator may be entered by any state or federal court having jurisdiction thereof.

vi. Confidentiality of Arbitration. Except as otherwise required by, or prohibited by, law, the parties agree that the Arbitration will be confidential, and all conduct, statements, promises, offers, views, and opinions, oral or written, made during the Arbitration by any party or a party's agent, employee, or attorney will remain confidential and, where appropriate, will be considered work product and privileged, and the existence and the results of the Arbitration will be maintained by the parties and their respective agents, employees, and attorneys as confidential at all times.

vii. Emergency Relief. Either Trainer or LATC shall be able to seek emergency relief under the Emergency Relief Procedures provided for in the JAMS rules as of the effective date of this Agreement; provided, however, that the granting of emergency relief shall be governed consistent with the standards for granting a Temporary Restraining Order or Preliminary Injunction under *California Code of Civil Procedure* §525, et seq.

viii. Order of Precedence. This Arbitration Agreement shall take precedence over the JAMS Rules in the event of any conflict.

c. Non-Exclusion Claims. All Arbitration Claims other than those relating to: (i) Trainer's submission of the Stall Application, (ii) any and all decisions made by LATC regarding the Stall Application, (iii) revocation of stalls previously assigned to Trainer, and (iv) Trainer's participation in or attendance at the Race Meet, including without limitation, Trainer's exclusion from participating in the Race Meet and/or training at the Race Meet (collectively, "the Exclusion Claims") shall be conducted in accordance with the General Arbitration Rules. Any Arbitration which contains both Exclusion Claims and non-Exclusion Claims shall be governed in accordance with subsection (d) below.

d. Suspension/Exclusion Claims.

Back to Top

i. Exclusion Claims shall fall into one of two categories, a 'Short-Term Exclusion" or a "Non-Short-Term Exclusion." A "Short-Term Exclusion" is an exclusion or limitations on training or racing at Santa Anita Park for a number of days that is less than the full duration (or full remaining dates) of the Race Meet. A "Non-Short-Term Exclusion" is an exclusion from participating in racing in training at Santa Anita Park which does not qualify as a "Short-Term Exclusion."

ii. For all Arbitration Claims which are Exclusion Claims (or a mix of both Exclusion Claims and non-Exclusion Claims), the Arbitration shall be conducted in accordance with the following:

A. Burden of Proof. LATC shall have the initial burden to establish that (I) it had a reasonable belief that one or more specified grounds existed, (II) it acted in good faith, (III) it acted on the basis of a fair and substantial reason, (IV) it did not discriminate, and (E) the Adverse Action was not manifestly disproportionate to the grounds relied upon. Trainer may then present evidence to rebut those grounds or to support any affirmative claims.

B. CTT Participation and Attendance. If the Trainer requests, and the California Thoroughbred Trainers ("CTT") agrees, the CTT may represent Trainer in the Arbitration. If the CTT does not represent Trainer in the Arbitration Hearing, the CTT may attend the Arbitration Hearing provided that the CTT representatives that attend the hearing agree to be bound by the confidentiality provisions set forth in Section 24(b)(vi) above.

C. Attendance of Meeting and Reconsideration Meeting. Trainer shall not be entitled to file an Arbitration Claim or otherwise seek Arbitration unless the Trainer has participated in both the Meeting and Reconsideration Meeting, as those terms are defined in LATC's Trainer Exclusion/Suspension Process, a copy of which is available in the LATC's racing office.

iii. Non-Short-Term Exclusions. For all Non-Short-Term Exclusions, the Arbitration shall be conducted in accordance with the General Arbitration Rules except as modified by the following: The Arbitrator will commence a hearing within 180 days of Trainer's filing and receipt by JAMS of the Notice of Arbitration. The hearing will occur on consecutive days without interruption until completion, Saturdays, Sundays and Holidays excepted, and will not encompass more than five (5) full business days, unless otherwise extended by the Arbitrator based on good cause.

iv. Short-Term Exclusions. The Arbitration for Short-Term Exclusions shall be conducted as follows:

A. No Emergency Relief. If the Adverse Action results in a Short-Term Exclusion, Trainer shall not be entitled to seek any emergency relief or provisional remedies (e.g., a Temporary Restraining Order or Preliminary Injunction) either through the Arbitrator or through filing an action in superior court.

Back to Top

B. Selection of Arbitrator. Trainer shall notify LATC in writing that it wishes to formally challenge LATC's Adverse Action. Within two (2) business days of LATC's receipt of Trainer's notification, LATC and Trainer will meet and confer to try to agree upon the appointment of an Arbitrator. If the Parties cannot agree on the Arbitrator, the Arbitrator will be appointed on the third business day by random lot, drawing from a pre-approved list of four (4) Arbitrators which had been previously selected by LATC and the CTT.

C. Exchange of Documents; Discovery. LATC and Trainer will exchange all relevant documents within seven (7) calendar days of the appointment of the Arbitrator. Other than this exchange of documents, no other forms of discovery will be permitted, including depositions.

D. Hearing Date. The Arbitrator will convene a hearing within ten (10) calendar days of the Arbitrator's appointment, provided, that the Arbitrator may for good cause extend the date of the hearing past ten (10) calendar days of the Arbitrator's appointment.

E. Purpose of the Hearing. The sole purpose of the hearing will be to determine whether Adverse Action was made in accordance with the Exclusion Standard set forth in Section 24 above. The hearing will be informal, with each side providing a concise summary of their positions. The Arbitrator may allow brief testimony from witnesses. The hearing will occur during the course of a single business day. The Arbitrator may choose whether to issue an oral statement of decision at the end of the hearing, or instead, issue a brief written statement of decision within two (2) business days after the conclusion of the hearing. Additionally, the Arbitrator shall resolve any claim seeking a determination of the validity, interpretation, applicability, enforceability, or scope of this agreement to arbitrate

F. Arbitrator's Decision. The Arbitrator's decision shall be final and binding and effective upon rendition subject only to appeal as permitted by California law of Arbitration Awards.

G. Arbitration Award. If the Arbitrator finds that LATC's Adverse Decision was not made in accordance with California law, the Arbitrator may order LATC to reinstate Trainer. The Arbitrator shall not be entitled to grant any additional relief. Each party shall bear their own attorney's fees and costs, and as such, the Arbitrator shall not be entitled to award attorney's fees and costs to the prevailing party unless attorney's fees and costs could be awarded by statute if the case were brought in Court as opposed to through Arbitration.

H. Cost. The costs of the Arbitration shall be paid fifty percent (50%) by LATC, and fifty percent (50%) by Trainer, provided that each party shall bear its own attorneys' fees and expenses. If the Trainer can successfully demonstrate to the Arbitrator that Trainer is financially unable to pay the Arbitrator's fees, then LATC shall pay such fees in their entirety, and any amount of Arbitration fees that LATC paid on behalf of Trainer shall be repaid from any Arbitration Award awarded Trainer, if any.

Back to Top

I. Enforcement of Judgment. Any judgment upon any award rendered by the Arbitrator may be entered by any state or federal court having jurisdiction thereof.

J. Confidentiality of Arbitration. Except as otherwise required by law, the parties agree that the Arbitration will be confidential, and all conduct, statements, promises, offers, views, and opinions, oral or written, made during the Arbitration by any party or a party's agent, employee, or attorney will remain confidential and, where appropriate, will be considered work product and privileged, and the existence and the results of the Arbitration will be maintained by the parties and their respective agents, employees, and attorneys as confidential at all times.

e. Class Action Waiver ("Class Action Waiver"). The Parties agree that in any Arbitration Claim to be resolved by Arbitration, neither Trainer nor LATC will be able to participate in a class action or class arbitration. Each Party understands and agrees that by requiring each other to resolve all disputes through individual arbitration, **each Party is waiving the right to a court or jury trial**. **ALL DISPUTES SHALL BE ARBITRATED ON AN INDIVIDUAL BASIS, AND NOT AS A CLASS ACTION, representative action, class arbitration or any similar proceeding**. The arbitrator(s) may not consolidate the claims of multiple parties unless such parties share common ownership.

f. If any term, condition, or provision of this Arbitration Agreement is held to be illegal, invalid, or unenforceable, such term, condition, or provision shall be severed from this Arbitration Agreement and the remainder of this Arbitration Agreement will not be affected by such illegality, invalidity, or unenforceability, but will continue to be valid and enforceable to the fullest extent permitted by law.

26. **Water Usage Warning**. LATC is working with the City of Arcadia to reduce water usage. All Trainers and their employees are required to minimize water usage. Routine inspections may be made to determine if there is excessive use, such as unattended flowing hoses and similar practices.

27. Additional Terms.

a. Governing Law. This Agreement, including all matters of construction, validity, and performance, shall be governed, construed, and enforced in accordance with the laws of the State of California and any applicable federal law as applied to contracts executed and to be fully performed in California by citizens of California and without reference to principles of conflicts of law. Without limiting the effect of the Arbitration Agreement, each party hereby expressly waives any and all rights that it may have to make any objections based on jurisdiction, venue, or sufficiency of process to any Arbitration brought to enforce the terms of this Agreement, and each party hereto agrees to venue in Los Angeles County, California.

b. Severability. If any term, condition, or provision of this Agreement is held to be illegal, invalid, or unenforceable, such term, condition, or provision shall be severed from this Agreement and the remainder of this Agreement will not be affected by such illegality,

invalidity, or unenforceability, but will continue to be valid and enforceable to the fullest extent permitted by law.

c. Waiver; Remedies. The failure by one party to require performance of any provision of this Agreement shall not affect that party's right to require performance at any time thereafter, nor shall a waiver by one party of a breach by the other party be considered a waiver of any or all subsequent breaches by the breaching party. All rights and remedies provided in this Agreement are cumulative and not exclusive of any other rights or remedies that may be available to the parties, whether provided by law, equity, statute, in any other agreement between the parties, or otherwise.

d. No Third-Party Beneficiary, Reliance, or Enforcement. The provisions of this Agreement are not intended to be for the benefit of, or enforceable by, any party other than LATC or Trainer. Except for LATC and Trainer, no party shall have any right to rely upon or enforce any of the terms and provisions of this Agreement.

e. Survival. In addition to any other survival clause set forth elsewhere in this Agreement, Sections 15 and 25 of this Agreement shall survive the termination of this Agreement.

Exhibit C

Trainer Exclusion/Suspension Process

The following process will be utilized by Track if Track is considering taking action, up to and including excluding Trainer from racing or training activities at Santa Anita Park or any approved auxiliary stabling facility, against a Trainer.

1. Notice.

a. Track will send the Trainer a letter (the "Letter") notifying the Trainer that Track is contemplating taking action against the Trainer. The Letter will state why Track is considering taking action against the Trainer and invite the Trainer (with a proposed time and date) to meet with Track to respond to the stated reasons for the potential action to be taken against Trainer (the "Meeting").

b. The Letter will also inform the Trainer that until a determination on whether to exclude the trainer has been made, the Trainer will not be permitted to enter any horses to race and shall not be permitted to "work" his or her horses at the Track's racetrack or any auxiliary stabling facility which has common ownership with the Track or any auxiliary facility under its control; the Trainer's horses may only gallop at such locations (*see* Section 7(b)). "Work" shall mean a horse engaging in exercise session near full speed, close to full speed, or at full speed, whether timed or untimed.

c. Track shall schedule the Meeting within five (5) days after the date of the Letter. However, at any time prior to the commencement of Meeting, the Trainer may request additional time, up to an additional twenty-eight (28) days, to prepare for the Meeting. If the Trainer requests any additional time as provided for in the previous sentence, that additional time will be granted, and the exclusion will not go into effect during that period; provided, however, that the Trainer may not race or "work" horses at the Track's racetrack or any auxiliary stabling facility which has common ownership with the Track or any auxiliary facility under its control (the horses may only gallop at such locations), as set forth in Section 1(b)

2. The Meeting.

a. The CTT will be invited to the Meeting.

b. At the Meeting, the Trainer will be given the opportunity to respond to the Letter by presenting evidence and may bring witnesses to testify in the Trainer's defense. Track will place no limit on the amount of evidence or number of witnesses the Trainer can present at the Meeting (provided that the presentation is addressing the reasons stated in the Letter).

c. The Trainer can be represented by counsel at the Meeting if the Trainer so chooses. If Trainer would like, and the CTT agrees, the CTT can represent the Trainer at the Meeting.

3. Decision After the Meeting.

a. After hearing the Trainer's defense(s) at the Meeting, Track will make its decision as to whether it will take action against the Trainer. Since the decision to take action against a Trainer is not one that Track takes lightly, Track will make its decision promptly.

b. Track will notify the Trainer of its decision in writing. The decision letter will include the length of the exclusion/suspension, which may be up to and including a lifetime exclusion.

4. Reconsideration Meeting.

a. If Track decides to take action against the Trainer, the Trainer may ask for Track to hold an additional meeting to reconsider the decision (the "Reconsideration Meeting"). If the Trainer wishes to request reconsideration, the Trainer must make the request to Track, in writing, within five (5) days of being notified by Track of its decision to take action against the Trainer. The exclusion/suspension will remain in effect until, at least, the rendering of a decision to the contrary, if at all. In other words, asking for the Reconsideration Meeting will not "stay" the exclusion.

b. The Reconsideration Meeting will be held within five (5) days of receipt of the request so that the Trainer can present any basis for the reconsideration. However, at any time prior to the commencement of Reconsideration Meeting, the Trainer may request additional time, up to an additional twenty-eight (28) days, to prepare for the Reconsideration Meeting. If the Trainer requests any additional time as provided for in the previous sentence, that additional time will be granted.

c. The Trainer can be represented by counsel at the Reconsideration Meeting if the Trainer so chooses. If Trainer would like, and the CTT agrees, the CTT can represent the Trainer at the Reconsideration Meeting.

d. The Trainer may present evidence at the Reconsideration Meeting that was not presented at the Meeting, provided that the Trainer can demonstrate that this new evidence could not, with reasonable diligence, have been presented at the Meeting.

5. Decision After Reconsideration Meeting.

a. After hearing the Trainer's defense at the Reconsideration Meeting, Track will make its decision promptly.

b. The individual making the reconsideration determination on behalf of Track will be different than the individual who made Track's initial decision to take action against the Trainer (the "Reviewing Decision Maker").

c. During Track's review of the original decision, the standard of review to overturn the original decision shall be the "clearly erroneous" standard, as defined in the next

Back to Top

sentence. “Clearly erroneous” shall mean: “Reversal is only permitted when upon review of all of the evidence, a reasonable observer would find that it a clear and definite mistake has been committed, such that the original decision was without a rational basis. Reversal is not permitted simply because the reviewing decision maker would have decided the case differently.”

6. Arbitration.

a. If Track does not rescind its decision to take action against the Trainer after the Reconsideration Meeting, and Trainer wishes to formally challenge Track’s actions, the Trainer may file an arbitration claim against the Track. Binding arbitration is the sole method of bring any action/ causes of action against the Track.

b. Trainer must ask for the Reconsideration Meeting and must await Track’s decision after the Reconsideration Meeting before the Trainer can file an arbitration proceeding.

c. Track’s Terms and Conditions of Stabling and Racing contains information regarding filing an arbitration claim and how the arbitration will proceed.

7. Continued Occupancy of Stalls; Use of the Racing and Training Surfaces.

a. From the date of the Letter, the Trainer may continue to occupy any previously allocated stalls and appurtenant facilities until the Trainer is required to vacate pursuant to the following:

The Trainer will be required to vacate his or her stalls at the sooner of: (i) three (3) days after the scheduled date of the Meeting if the Trainer does not attend the Meeting provided that the Trainer had notice of the Meeting or Track used good faith efforts to provide the Trainer with the Letter but Track was not able to locate the Trainer (or the Trainer refused to accept the Letter); (ii) five (5) days after the Trainer received notice from Track that Track has considered the Trainer’s defense and has decided to take action against the Trainer and the Trainer has not requested a Reconsideration Meeting; (iii) three (3) days after receiving notice from Track that Track has considered the defenses in the Reconsideration Meeting and has not overturned the initial decision; and (iv) the date when all horses are required to have vacated their stalls (e.g., the end of the meet), or (v) twenty-one (21) days from the date of the Letter.

b. During such time that the Trainer occupies his or her allocated stalls and appurtenant facilities pursuant to Section 7(a), in order to protect the welfare and safety of these other participants since an injury to a horse can affect not only the horse but also the rider as well as other horses and riders on the track, from the date of the Letter until such time that a decision on has been made to not exclude the Trainer, the Trainer is prohibited from entering to race and from “working” horses at Track’s racetrack or any auxiliary stabling facility which has common ownership with Track or any auxiliary facility under its control. The Trainer may walk their horses in the shed row and may gallop on the training track if there is one, otherwise on the main track. Track’s veterinarian may place other restrictions on the Trainer galloping their horses and the Trainer must comply with any restriction.

RE: Exemption from Board Rule 1927 Compliance

Dear Mr. Chaney,

Each year Los Alamitos Race Course (LARC) receives a Fire and Life Safety Clearance Letter that establishes LARC has a reasonable degree of Fire and Life Safety. This clearance letter is submitted to the CHRB as part of our Racing License Application each year. Please find a current Orange County Fire Authority Fire and Life Safety Clearance Letter attached dated February 26,2024.

Los Alamitos Quarter Horse Racing Association is requesting an exemption from the 45-day provision in Board Rule 1927, Fire Prevention.

The Orange County Fire Authority (OCFA) conducts their Fire Inspections on an annual basis. The OCFA considers the fire and life safety clearance letter dated February 26,2024 to be valid for a period of not less than one calendar year from the time issued. Due to OCFA scheduling limitations they will not schedule an additional inspection within the same calendar year. The OCFA considers LARC in full compliance with Fire and Life Safety codes and regulations.

For that reason, a fire inspection and new fire clearance letter cannot be obtained within the required 45-day window prior to the start of our proposed race meet. Understanding that it is beyond the control of LARC to comply with this section of Board Rule 1927, Los Alamitos Race Course is requestion an exemption from the 45-day provision in Board Rule 1927

Respectfully,

Frank Sherren

2024 RACE MEET AGREEMENT

Los Alamitos Racing Association
September 11, 2024 through September 24, 2024

THIS AGREEMENT is entered into by and between Los Alamitos Racing Association (hereinafter referred to as "TRACK") and the Thoroughbred Owners of California, Inc. (hereinafter referred to as "TOC") and becomes effective on the first day of TRACK's 2024 Meeting, except as otherwise provided herein.

RECITALS

WHEREAS, TRACK is a duly licensed Fair or Association, licensed under and pursuant to the Horse Racing Law, Article 4, Chapter 4, Division 8 of the *Business and Professions Code* of the State of California; and

WHEREAS, TOC is the duly organized owners' association recognized by TRACK and the California Horse Racing Board as having authority to negotiate and covenant with TRACK pursuant to Article 22, Chapter 4, Title 4, of the Administrative Code of the State of California; and

WHEREAS, TRACK and TOC, in an effort to stabilize certain phases of the business of Thoroughbred racing for the purpose of avoiding controversies between them which might interfere with the orderly commencement and conduct of race meetings to the detriment of TRACK, TOC, its members, and racing patrons, and for the purpose of providing for an orderly and uniform method of stakes and overnight purse distribution by TRACK, have reached an understanding with reference to the foregoing and other matters and things hereafter specified, and desire to incorporate their understanding in writing.

AGREEMENT

NOW, THEREFORE, the parties hereto, by reason of the premises and in consideration of the mutual promises contained herein agree as follows:

I.

RACE MEET

Except as otherwise provided herein, the provisions of this Agreement shall be applicable only to the Thoroughbred race meeting and/or the Thoroughbred portion of race meeting conducted by TRACK under license from the California Horse Racing Board for the period commencing September 11, 2024 through September 24, 2024, herein referred to as the "2024 Summer Meet".

II

PURSE DISTRIBUTION

TRACK and TOC acknowledge and agree that disbursements made by TRACK to TOC, and to individual horse owners in the form of purses, will be governed by the provisions of this Agreement and the Horse Racing Law, Article 9.5, Article 9.2 and any other provisions regarding purses in any other Articles in Chapter 4, Division 8 of the *Business and Professions Code.* All monies available for purses generated from the pari-mutuel handle and other sources, including but not limited to, underpayments from prior race meets, voluntary deposits by horsemen, deposits by TOC, and accumulated interest on the Paymaster Account shall be held in a separate trust account pursuant to section 19597.5 of the Business and Professions Code for the sole benefit of horsemen and shall not be commingled with monies belonging to TRACK or statutory distributees. In this regard, the TRACK and TOC shall make those funds available for purses and bonuses. Nothing contained herein is intended to change, modify or amend the settlement agreement dated January 5, 1991, with respect to interest on the Paymaster Account.

TRACK further agrees that its Horsemen's Bookkeeper will make owners' purse monies available upon request forty-eight (48) hours after the race is declared official for pari-mutuel purposes, regardless of whether TRACK has received the results from the testing laboratory providing that such distribution is consistent with applicable rules, regulations, and laws of the California Horse Racing Board.

III.

GROSS DISTRIBUTION

Whenever the term "GROSS DISTRIBUTION" is used herein, it shall mean and refer to those portions of the funds handled in TRACK's parimutuel pools which TRACK is required to distribute as purses pursuant to the provisions of this Agreement and the current provisions of the California *Business and Professions Code*, decreased by the amount of the overpayment of purses during TRACK's 2023 Meet, if any.

The Gross Racing Distribution shall include unclaimed refunds ("outs"), if any, from TRACK's 2023 Meet if applicable as provided in Section 19601(d) of the California *Business and Professions Code*.

Gross Racing Distribution does not include amounts paid as owners' premiums, breeders' awards, stallion awards, or California-bred incentive awards pursuant to the provisions of the *Business and Professions Code* Sections 19616 and 19617 actually received by TRACK but does include decreases as provided in Section 19613.5 to compensate TRACK for actual losses sustained in pari-mutuel minus pools.

IV.

TOC AND CTT DISTRIBUTIONS

In addition to the purse money specified in Paragraph V below, and pursuant to the Horse Racing Law, TRACK will pay to TOC and CTT by three separate checks, two and a half percent (2.5%) of the Gross Distribution to be used as follows: one percent (1%) to TOC and half of one percent (1/2%) to CTT for administrative expenses and services rendered to horsemen (checks payable to TOC and CTT, Inc., respectively), and one percent (1%) for a pension program for backstretch personnel to be administered by CTT (check payable to CTT Backstretch Pension Fund).

Payment shall be made when TRACK determines total purse money generated during the 2024 Meet but in no event longer than 30 days from the close of the 2024 Meet.

V.

NET DISTRIBUTION

Whenever the term "Net Racing Distribution" is used herein, it shall mean the balance of funds constituting Gross Racing Distribution less:

1. TOC and CTT Distributions paid pursuant to Section 19613(b) of the California *Business and Professions Code;*
2. *and,*
3. Funds authorized for the Cal-bred Maiden Bonus program by Section 19614.4(d) of the California Business and Professions Code (subject to an equal match by the California Thoroughbred Breeders Association).

TRACK will pay and distribute in stakes and overnight purses a sum not less 97 1/2% of the Gross Distribution and will pay the remaining 2 1/2% as set forth in Articles III and IV. The amounts payable in stakes and overnight purses will hereafter be referred to as “Net Distribution,” regardless of any actual underpayment or overpayment of such amounts payable. By way of example only, and solely by way of clarification: If, at said 2024 Meet, TRACK’s Gross Distribution was $1,000,000.00, TOC would receive one percent (1%); CTT would receive one-half of one percent (1/2%); CTT Backstretch Pension Fund would receive one percent (1%). The Net Distribution would be $975,000.00.

TRACK shall, during the 2024 Meet, include in purse money available from any underpayment from the 2023 Meet, if any, any unpaid surplus due to horsemen from the SCOTWInc 2 1/2% fund generated during the 2024 Meet reduced by 2 1/2% and paid to TOC and CTT in the same percentages as provided in Articles IV and V.

VI.

STAKES SCHEDULE

From the total purse distribution available for the 2024 Meet, the amount of horsemen's money paid as stakes shall be in accordance with the schedule attached hereto and made a part hereof as Exhibit "A," unless otherwise agreed upon by TRACK and TOC.

When a division of stakes event is necessary, it is agreed that TRACK will not increase the purse by more than fifty percent (50%) of the purse originally scheduled, provided further, however, that, when a stakes originally scheduled for $75,000 or more is split, each division shall be run for a purse of $60,000. Additional purse money paid as the result of splitting a stakes shall be considered stakes money and shall not be considered overnight monies.

TRACK shall not split a stakes race without first obtaining the written approval of TOC.

Unless expressly agreed otherwise by TOC, TRACK shall ensure that all stakes races offered, whether offered as scheduled or overnight stakes events, meet the minimum requirements set by the International Cataloging Standards Committee ("ICSC") for participating horses to earn "black type," based on their finish position, qualifying performance, or other criteria set by the ICSC.

For all other stakes races offering a purse of $100,000.00 or more, horses competing in such races shall be placed under surveillance for a period of not less than 6 (six) hours in advance of the scheduled start of the race.

For the purposes of this provision, surveillance shall consist of, but is not limited to, continuous observation of the horse by licensed security personnel equipped with a video camera, a communications device, and notepad, and who must request to see and who shall note the time, license number, and type of license for every person who enters the stall with the competing horse or otherwise comes in contact with or close proximity to said horse, as permitted by the CHRB, TRACK, trainer, or owner.

In the event that any overnight stakes race receives entries from fewer than six (6) separate wagering interests with less than four (4) different trainers, and TRACK desires to cancel such overnight stakes race, TRACK shall inform TOC of its desire reasonably in advance and provide TOC with the names of all horses that did enter. In the event that such a race receives five (5) entries TRACK shall make a reasonable effort to either provide an allowance race at the same conditions or bring the stakes back on a subsequent day.

TRACK shall not cancel any non-overnight stakes race without first obtaining the approval of TOC, which will not be unreasonably withheld.

TRACK agrees to use its best effort to submit a tentative Stakes Schedule for the 2024 Meet to TOC five months, but in no event less than three months, prior to the first day of the 2024 /Meet.

VII.

DAILY MUTUEL HANDLE

Track and TOC agree that based on information available as of April 7, 2024 the current overpayment in the combined purse accounts for the 2023 Thoroughbred and Fair meets, is estimated to be approximately $262,816 (includes allocation by TOC of purse enrichment). Depending on the results of these three Meets, adjustments may need to be made in the purse levels of those Meets. The purse levels for the LACF at Los Alamitos Meet have been approved by TOC and the purse levels for the other two Meets will be considered in the negotiation of the Race Meet Agreements of the other two Meets.

Notwithstanding anything to the contrary provided herein, if at any time during the 2024 Meet TRACK estimates that, for any reason beyond the control of the TRACK or TOC, the projected final average daily purse generation will be meaningfully less than the budgeted 2024 average daily purse generation, or in the event the purse projections for the 2024 Meet are higher than the purse money generated for overnight purses, then the purse schedule may be reduced. In such event, TRACK shall have the right, but not the obligation, to reduce purses, provided that any such reduction be applied uniformly to the announced stakes program and overnight purse structure; e.g., if overall purses are reduced by ten (10) percent, then the total stakes program shall be reduced by ten (10) percent, and the total overnight purse schedule, shall be reduced by ten (10) percent. TRACK shall not decrease purses without prior written consent from TOC.

Notwithstanding anything to the contrary provided herein, if it appears to TRACK and TOC at any time during the 2024 Meet that the average daily purse generation will be substantially increased above that which was initially anticipated, the excess shall be utilized to increase overnight purses, unless an increase in stakes is approved by TOC. Any such increases in overnight purses shall occur both retroactively and prospectively.

The Overnight Purse schedule is attached hereto and made a part hereof as Exhibit B. TRACK agrees to obtain prior written approval from TOC with respect to any changes in types of races and purses offered for such races that differ from types of races and purses approved by TOC in Exhibit B.

VIII.

UNIFORMITY AND CONSISTENCY

TRACK and TOC agree to establish consistency and uniformity for overnight purse schedules. The Condition Book for the 2024 Meet shall be submitted to TOC for its approval, prior to its publication. Without the prior written consent of TOC, which will not be unreasonably withheld, TRACK shall not increase nor decrease overnight purses for races which are written for the same quality of horses and substantially the same conditions as those provided in the Condition Book provided, however, that TRACK may make alterations in purse schedules as provided herein in the event of calamitous or substantial unforeseen economic circumstances or acts of God, which

cause a substantial or radical effect on the amount of parimutuel handle for the 2024 Meet. Any such changes, however, can be made only after first obtaining the written approval of TOC, which will not be unreasonably withheld.

IX.

RACING PROGRAMS

TRACK may from time to time present overnight-type stakes races to replace what would otherwise have been featured high-purse allowance races. Each such race offered shall be subject to obtaining the prior written consent of TOC, and purse monies paid thereunder shall not be deemed a part of the total stakes purses for the 2024 Race Meet. The owner of each horse entered in such races shall be required to pay a reasonable nomination fee. The same scratch policy shall apply as in normal overnight races.

Without prior consultation and written approval of TOC, TRACK shall not schedule nor use any purse monies for the purpose of conducting an "exhibition" or "match" type race during TRACK's 2024 Meet, other than as provided for herein.

Purses paid for overnight races during the 2024 Meet shall be in accordance with the schedule attached hereto as Exhibit B. TRACK agrees not to change the purses provided in the schedule without first obtaining the prior written consent of TOC. Said changes, if any, shall be applied proportionately across all types and conditions of overnight races.

TRACK further agrees that:

1. The minimum claiming price for maiden Thoroughbreds shall be $20,000.00 provided further that the minimum claiming price offered in Cal-Bred maiden races will be $32,000.00.

2. Races shall be written in such a manner as to not penalize a horse for its maiden win;

3. Purses for Cal-Bred races shall be equivalent to purses paid in “open” races for substantially the same class and conditions.

4. Purses paid for two-and three-year-old horses shall be equal to purses paid for races for older horses for the same type of race;

5. Purses for all overnight races run during the 2024 Meet shall be divided and paid to the owner(s) of the horses finishing first through fifth as follows:
    - Sixty percent (60%) of the purse to the winning owner.
    - Twenty (20%) for second;
    - Twelve (12%) for third;
    - Six (6%) for fourth; and,
    - Two (2%) for fifth.

Back to Top

Purses for all stakes races run during the 2024 Meet shall be divided and paid to the owner(s) of the horses finishing first through tenth as follows:

- Fifty-five percent (55%) of the purse to the winning owner.
- Eighteen (18%) for second;
- Twelve (12%) for third;
- Six (6%) for fourth;
- Four (4%) for fifth;
- Two (2%) for sixth;
- One (1%) for seventh and eighth; and,
- Half (0.5%) for ninth and tenth.

In the event there are not enough starters in a stakes race, and correspondingly finishing purse distributions, to maintain "black type" status pursuant to ICSC guidelines of such a scheduled stakes race, TRACK will notify TOC for permission to redistribute unused finishing purse distributions proportionately to actual starters.

6. A "Participation Purse" in the amount of $500.00 as determined by TOC and funded from the purse account shall be paid to all starters effectively finishing 6th or worse in any race, and to fifth place finishers if their share of the purse is less than the Participation Purse, wherein said fifth place finisher will receive an aggregated maximum of the Participation Purse. For purposes of the payment of such participation purses, a "starter" means any horse that which leaves the gate at the official start of a race and is considered a legal starter by the Stewards.

7. The "date" system as mutually agreed to by TRACK and TOC shall be utilized for purposes of determining which horses have priority when entering races;

8. Reasonable efforts shall be used so as to run an average of not more than one starter allowance race per day;

9. Purses for "Cal-Bred" races shall be equivalent to purses paid in "open" races for substantially the same class and conditions, excluding any CTBA purse supplements;

10. Minimum qualifying claiming levels for purposes of the Cal-bred Race Fund Incentives shall be $40,000.00;

11. Four-furlong races will only be offered and run with purses in accordance with the schedule attached Exhibit B during the 2024 race meet. Purses for 4 furlong races will be evaluated on an annual basis.

12. An amount equal to thirty percent (30%) of the purse paid for finishing first through fifth, inclusive, in any open race, excluding purses for stakes races, starter

allowance races and claiming races, but including overnight stakes races, allowance races and non-claiming maiden races shall be paid by TRACK from purse account as an owner premium to the owner of a registered California-bred Thoroughbred horse participating in such a race. An optional claiming race shall be considered to be an allowance race with respect to horses not entered for a claiming price. However, a Cal-Bred horse entered for a claiming price in an allowance race is entitled to the bonus provided for herein for finishing first through fifth. A Cal-Bred who has won its first condition in a race restricted to Cal-Breds is still eligible for its first condition in an open race and is entitled to the owner premium mentioned above. Once a horse has won the first two condition allowance races (Cal-Bred and open), then the Cal-Bred win will be disregarded in future races for eligibility purposes only. The owner premium provided for herein shall be reduced by the amount of the owner premium paid to owners of California-bred Thoroughbred horses finishing first as provided in Section 19614.4(a) and (b) of the California Horse Racing Law;

13. In the event overnight purses are increased during the course of the 2024 Meet, retroactive increases in the Cal-Bred Incentive and Allowance race programs described in this Article will be made, unless otherwise specifically agreed by TRACK and TOC;

14. Appropriate “Finish Line” signage, equal in size and character to any Los Alamitos sign, shall be maintained, at no cost to TOC, in the first position past the finish line during the TRACK’s 2024 Meet;

15. Within thirty (30) days following the 2024 Meet, a complete written account of all Paymaster earnings during the 2024 Meet shall be provided to TOC, at no cost.

For purposes of this agreement and/or any other aspect of the race meet to which such terms may apply, "short" shall mean race distances less than one mile and "long" shall mean race distances equal to or greater than one mile.

In addition, during the term of the Agreement, TRACK and TOC agree that the following terms and conditions shall apply:

1. TRACK agrees to wash or otherwise clean the racing colors or "silks" of owners with horses competing in the 2024 Meet. Such cleaning shall occur on the day on which the silks are utilized or on the day immediately following their utilization. Such cleaning services will be provided at TRACK's expense without right of reimbursement from TOC, the individual owners, and/or their trainers;

2. The following are the workout criteria that will be in effect for the 2024 Meet. The minimum official, recorded workout distances and number of works for horses to run at the 2024 Meet are as follows:

(a) For 3 year-olds and up, all first-time starters: three works; one at least 5/8 mile; the other two at least 3/8 mile, and gate approval.

(c) Horses, which have not raced in 90 days: three works with at least two works during the last 60 days and one work during the last 30 days.

(d) Horses, which have not raced in 60 days: two works, with one during the last 30 days.

(e) Horses, which have not raced in 30 days: one work at least 3/8 mile within those 30 days.

(f) Horsemen seeking to enter a horse not meeting the workout criteria must obtain the permission of the Stewards.

(g) Imported Horses: The workout requirement will be waived for horses entering in a stakes race within seven days of clearing USDA quarantine, provided that the country of origin's racing jurisdiction has no provision for timed workouts;

3. No owner, trainer, or veterinarian may have possession of any shockwave therapy or equivalent device while within TRACK's enclosure during the 2024 Meet, except as expressly authorized by TRACK. Any owner, trainer, or veterinarian found to be in possession of such device(s) during the 2024 Meet may be excluded from the enclosure for a period of not less than 10 days, at the sole discretion of TRACK. The identity of any owner, trainer, or veterinarian authorized or found to be in possession of such device(s) shall be disclosed to an appropriate representative of the CHRB, TOC, and CTT within 48 hours of the device's authorization or discovery.

4. TRACK agrees to permit the scratch of a bona fide entry when at least six (6) horses are entered in a race, provided the scratch of a bona fide entry is permitted only for the purpose of entry into a subsequent race at the TRACK on either of the next two following days of entries. It is understood by the Parties that all such scratches require the concurrence of the Stewards.

5. TRACK agrees to use an also eligible list containing up to four (4) horses however, in no event will the number of horses drawn for a race including also eligibles exceed fourteen (14).

6. Unless otherwise agreed upon by TRACK and TOC, entries will be taken not less than three (3) calendar days prior to the day on which such entered horses are scheduled to run.

Docusign Envelope ID: 33EBF735-E3D3-4540-BD36-52609C4B67D6

7. The Parties agree that, with regard to the taking of entries, entries submitted by a Jockey's Agent who has been delegated such responsibility by a licensed trainer pursuant to CHRB Rule 1582 are permitted up to 9:30 a.m. on the day of entry, and thereafter shall only be made by the horse's owner, his/her authorized agent, or the trainer.

8. In the event a race offered in the Condition Book, including but not limited to a Substitute or other alternative race, and an Extra race published elsewhere receive the same number of entries, the race published in the Condition Book shall be considered the preferred race, and will be utilized before any Extra Race to make the card go. Should a drawn race or races be cancelled due to an act of God or otherwise, TRACK shall make every effort to offer said races to horsemen as Extra Race(s) as soon as possible. Further, said race(s) will have preference over Substitute or other alternative race(s), and Extra races published elsewhere receiving the same number of entries, TRACK shall make every effort to inform horsemen of such preference when races are published.

   Further, should TRACK elect to use an Extra over a filled Substitute race, it shall immediately notify TOC and explain the rationale for the decision, in writing.

   Should TRACK desire to conduct more races on any given race day than the proposed number included in TRACKS's approved CHRB license application; TRACK shall first obtain written approval from TOC.

9. Subject to Guidelines of the Orange County Health Department, TRACK shall provide free clubhouse admission to owners with a current valid CHRB license validated by the Racing Department of any Racing Association in California.

10. Subject to Guidelines of the Orange County Health Department, TRACK agrees to provide free clubhouse seating to the owner or owners of a horse competing in a race, on the day of the race.

11. During all periods covered by this Agreement, within 48 hours of receipt of a written request from TOC, TRACK agrees to provide to TOC, in written and/or electronic form, such Incompass services data as is reasonably available and necessary to respond to TOC's request.

12. TRACK agrees that should it decide to cancel a race or day of racing after entries have been drawn for that race or race day, it will reimburse the owners of all such horses affected the actual cost of any veterinary fees and/or any transportation costs incurred as a result of being entered to run in any race cancelled by TRACK. Said reimbursement is intended to apply to situations in which the TRACK has unilaterally decided to cancel a race or race day due to its own negligence or that of its agent[s], or voluntarily for reasons of its own choosing, but shall not apply to cancellations caused by acts of God or as otherwise specified hereinbelow in

section XVI, or as a result of the intervening unforeseen acts of independent third-parties. Track and TOC agree to meet for the purpose of fairly determining the reason or reasons for the cancellation of a race or races that have been drawn.

X.

NUMBER OF HORSES IN A RACE

When six (6) horses are entered in an allowance or overnight stakes race under six (6) separate wagering interests, during TRACK's 2024 Meet, and provided such horses are stabled on the grounds or another approved auxiliary offsite stabling facility in Southern California, such race shall be considered filled and shall run. It is further agreed by the parties that the Racing Secretary has the discretion to use overnight stakes, allowance, and/or high priced claiming races with five (5) separate wagering interests in order to maintain a balanced racing program, but is to notify TOC as soon as practical when doing so. For all other overnight races when seven (7) horses are entered under at least seven (7) separate wagering interests, and provided such horses are stabled on the grounds or another approved auxiliary offsite stabling facility in Southern California, such race shall be considered filled and shall run.

XI.

DISTRIBUTION ESTIMATED

Because the total amount available for distribution as stakes and overnight purses is dependent upon the amount of TRACK’s parimutuel pools and the breakage, and since the total amount of such pools and breakage will not be known until the conclusion of the 2024 Meet, it is understood by the parties that it will not be possible to determine in advance that the funds to be distributed in stakes and overnight purses will be equal to the exact amounts provided by this agreement and law. However, if at the close of the 2024 Meet, TRACK shall not have paid and distributed in stakes and overnight purses the exact amounts provided for by this agreement and law, then TRACK may deduct from purses an agreed amount of the excess/overpayment from purses during the analogous Race Meeting conducted by TRACK in the succeeding year. Any underpayment shall either be retroactively paid for the Meet or carried over by TRACK to be used as purses during the next Race Meeting conducted by TRACK, as determined by TOC.

The amount carried over for purses, if any, shall accrue interest commencing from the close of the 2024 Meet to the commencement of the next Meet.

XII.

FIRST POST TIME

The first post of TRACK’s daily racing program shall begin at 12:30 p.m. on weekends and 1:00 p.m. on weekdays. Should TRACK request a change in post times from their approved license application, TRACK will request written approval from TOC and such approval will not be unreasonably withheld. For all subsequent meets; TRACK shall furnish TOC with a copy of

their license application concurrently when they apply to CHRB in order for TOC to have ample time to review and support.

XIII.

TOC COVENANTS

During the term of this Agreement and as long as TRACK is not in breach of the terms of this Agreement, TOC will not instigate, promote, encourage, or engage in any boycott of any race or race meeting (except and in the event the track is unsafe for racing) conducted by TRACK while this Agreement is in force and effect, nor will it encourage any of its members to do so; but shall, so long as TRACK is not in breach of the provisions hereof, exercise and apply such persuasive means as it may lawfully use to encourage its members to conform to, comply with, and respect the obligations of TOC hereunder.

XIV.

TRACK COVENANTS

During the term of this Agreement and as long as TOC is not in violation of the terms of this Agreement or of applicable law, TRACK shall recognize TOC as the official organization representing owners at TRACK's 2024 Meet and shall not file or participate in any action, claim or proceeding seeking the decertification of the TOC as the official and exclusive representative of California Thoroughbred owners, nor will TRACK engage in a lockout of TOC members.

XV.

INTERRUPTED RACING SCHEDULES: FORCE MAJEURE

If TRACK for any reason beyond its control such as, but not limited to: an act of God; war; labor difficulties; strikes; order of any governmental authority directing cessation of racing; failure of TRACK to obtain the necessary racing license from the California Horse Racing Board; failure of TOC to comply with TOC's obligations hereunder; and/or destruction of the racing plant of TRACK by fire or other casualty shall be prevented from conducting one (1) or more days of scheduled thoroughbred racing, then sums otherwise payable by TRACK hereunder shall be proportionately reduced for each day that TRACK is prevented from operating.

XVI.

MAIDEN AND CAL-BRED RACES

Provided that sufficient horses within the following classifications are available upon the grounds or on other grounds which furnish horses for racing at the 2024 Meet, and are ready to participate in such scheduled races, TRACK will run an average of not less than 2.5 maiden races per day during the 2024 Meet, and will, in addition, use reasonable efforts to increase the average to 2.6 maiden races per day.

Docusign Envelope ID: 33EBF735-E3D3-4540-BD36-52609C4B67D6

Back to Top

It is also understood and agreed that TRACK will use its best efforts to provide one (1) race on each racing day for Cal-Breds, as provided for and in accordance with Rule 1813 of the California Horse Racing Board Rules and Regulations. In the event a Cal-Bred race does not fill, the race will be opened up for horses other than Cal-Bred horses, then and in that event, the Cal-Bred horses shall be preferred.

A Cal-Bred race shall not be opened up in the event that a sufficient number of Cal-Bred horses are entered to meet the requirements of this Agreement with respect to the minimum number of starters required to fill a race.

XVII.

MUTUALITY

TRACK and TOC represent to each other that they are mutually interested in the continuance, maintenance and improvement of thoroughbred racing in the State of California and, to that end, believe it most advisable and to their mutual best interests that any future differences of opinion between them with respect to the provisions hereof, the matters covered hereby or any other matter or thing pertaining to thoroughbred racing wherein both parties are interested, should be settled by them, without undue publicity, by negotiation and consultation. Each party will cooperate with the other to promote, foster and retain public good will toward thoroughbred racing by conducting racing on the highest possible plain through maintenance of high standards of fairness and honesty.

A Horsemen Management Committee may be created, composed of such members of the TOC and CTT as they may designate and the President and/or General Manager, the Racing Secretary, and other administrative officials to be designated by TRACK. All matters concerning problems of the horsemen with the TRACK will be referred to this committee in an effort amicably and equitably to adjust and resolve any problems which may arise.

XVIII.

STALL ASSIGNMENTS

In the allocation and assignment of stall space for thoroughbreds, so long as owner and trainer are duly licensed, TRACK will not discriminate in any way against any owner by reason of membership of any owner in TOC or for any reason not associated with the criteria listed below in this paragraph. If any owner asserts that the Stall Committee of TRACK shall have so discriminated on such ground or grounds, then the owner claiming to be so aggrieved shall submit his claim to TOC, for examination, and if TOC shall then believe the claim to have merit, it shall be entitled to present the merits of the grievance on behalf of such owner to TRACK.

Stalls will be allocated and made available, without charge, to those Thoroughbred horses for which stalls have been approved by TRACK's Racing Secretary. Stalls shall be assigned only to Thoroughbred trainers engaged in the care and training of Thoroughbreds which TRACK has

Docusign Envelope ID: 33EBF735-E3D3-4540-BD36-52609C4B67D6

approved and to which TRACK has allocated stalls to prepare for racing. TRACK's obligations to furnish and allocate stalls shall be subject to TRACK's right to withdraw stalls allocated to horses not currently approved for racing or preparation for racing, or not actually training for racing, and to TRACK's needs for access to such stalls for repairs, maintenance and construction.

It is the intention of TRACK that stall allocations shall be made primarily on the basis of the quality and condition of the horses for which stall space is requested, upon the availability of stall space and taking into consideration the character of the Meet contemplated to be held by TRACK, and the horses suitable for the holding of such race meet.

TRACK agrees that its stalls will be ready, available, and allocated, and the track will, with respect to the 2024 Meet, be open, available, and in condition for training at no charge to horsemen at least 10 days prior to the opening day of the 2024 Meet, nor will TRACK be reimbursed for costs of stabling from the SCOTWINC Vanning and Stabling Fund during said period of time.

TRACK agrees that the track will be open, available and in condition for training at no charge to horsemen at least two (2) days following the close of the 2024 Meet, nor will TRACK be reimbursed for costs of stabling from the SCOTWINC Vanning and Stabling Fund during said period of time.

In the event training activities are interrupted by a special event, TRACK agrees to notify TOC prior to execution of any special event agreement (e.g., vendor agreement) to determine a reasonable remedy for the interruption of training.

TRACK agrees that it will keep the track in a safe condition during the 2024 Meet and while the track is open for training preceding and following the 2024 Meet.

XIX.

STABLING AT AND VANNING FROM AUXILIARY STABLING FACILITIES

TRACK shall, at least 60 days prior to the opening of its 2024 Meet, notify the California Horse Racing Board and TOC that approved auxiliary offsite stabling facilities in Southern California will be acceptable to TRACK as auxiliary stabling facilities, so long as such can be accomplished without compensation of any nature whatsoever, direct or indirect, by TRACK to such facilities other than such compensation as provided in the California Horse Racing Law.

TRACK agrees it will provide auxiliary stall applications for horses to be stabled at authorized auxiliary facilities well in advance of the opening of TRACK's 2024 Meet.

TRACK and TOC agree to use their best efforts to cause horsemen to be reimbursed promptly for vanning as provided in the California Horse Racing Law.

TRACK agrees to provide to TOC a written report on the occupancy and/or availability of stalls at TRACK during the ten day period preceding the opening of the 2024 Meet, during the 2024 Meet and for five days following the 2024 Meet.

XX.

ANTI-MONOPOLY PROVISION

TRACK acknowledges TOC's interest in assuring that horsemen will, during the 2024 Meet, have the opportunity to procure and receive supplies, services, utilities, transportation and other facilities required by the horsemen at a competitive cost or price usually available in a free enterprise marketplace. Accordingly, TRACK agrees not to limit this free enterprise system of competitive service and supply to the horsemen by means of TRACK entering into any agreement or otherwise seek to establish or impose upon the horsemen a monopoly of restrictive servicemen or suppliers who would have exclusive access to the horsemen's needs or requirements.

TOC acknowledges that TRACK must provide, maintain and control reasonable access to and from TRACK property; security for persons and property; traffic regulation; and numerous other activities related to the racing industry. Accordingly, TOC agrees that TRACK may, for a reasonable and proper cause, restrict or prohibit any serviceman, supplier or vendor from having access to the grounds and the horsemen, provided that TOC will be given a minimum 24-hour prior written notice by TRACK that a particular serviceman, supplier or vendor will be denied further access or privileges to TRACK grounds or property. Notwithstanding anything to the contrary herein, horsemen shall have the right to use their own hot-walking machines or acquire hot-walking machines from any source they may determine.

XXI.

FIRE AND DISASTER INSURANCE

The fire and disaster insurance policy is attached as Exhibit C. TRACK shall upon receipt of an invoice pay its proportionate share of the yearly premium (which proportionate share shall be calculated on a reasonable basis). The amount recovered by an owner under the insurance policy set forth in Exhibit C shall be credited as an offset to the liability of TRACK, if any. TRACK shall have no obligation to purchase any insurance policy covering horses and/or property owned by the members of the TOC should the policy set forth on Exhibit C terminate during the Term. Additionally, if no policy is attached as Exhibit C upon execution of this Agreement, TRACK shall have no obligation to purchase any insurance policy covering horses and/or property owned by the members of the TOC.

The obtaining of a fire and disaster policy by TRACK does not in any way preclude the individual owner or trainer from taking individual legal action against the TRACK that the owner or trainer deems appropriate, or to prevent the owner or trainer from seeking legal action against the TRACK directly as a consequence of any acts, conduct, negligence, or other occurrence attributable to TRACK.

The amount recovered by an owner under this insurance policy shall be credited as an offset to any liability of TRACK toward the recovery of such owner from TRACK.

XXII.

ACCESSIBILITY TO TRACK

Stable access stickers will be issued to all TOC Board members and authorized personnel of TOC and will be valid all hours commencing at 10:00 a.m.

XXIII.

DEFAULT

The respective covenants herein contained are concurrent, and no covenant shall be enforced by either party hereto which at the time is in default hereunder. If any dispute shall arise hereunder, the prevailing party shall be entitled to its costs of suit, including a reasonable attorney's fee.

XXIV.

BINDING

This Agreement shall be binding on and inure to the benefit of the parties hereto and their successors and assigns. This Agreement is intended to fully comply with Sections 2041 and 2042, Article 22 of Title 4, Chapter 4 of the Administrative Code (Rules and Regulations of the California Horse Racing Board).

XXV.

INCONSISTENT LANGUAGE

When the language in the Condition Book, Stall Application, Stakes Nomination Forms, proposed Stakes Book for an upcoming meet, or any other document pertaining to the eligibility of horses and conditions for racing is inconsistent with the language in the Purse Agreement, the language in the Purse Agreement shall control.

XXVI.

OWNERS' PROPRIETARY RIGHTS

TRACK agrees that should it desire to utilize the name, image, or likeness of a particular horse for a promotional or commercial purpose, other than the promotion of live racing or simulcasting, and wagering on the outcome thereof, e.g. the sale of merchandise bearing the name or likeness of a horse, TRACK shall contact the individual owner or owners of said horse and obtain their consent, and if necessary and appropriate, reasonably compensate said owner or owners for the use of such name, image, or likeness.

TRACK acknowledges that, in the context of simulcasting, televising, and the rebroadcasting of races, the proprietary rights created by the collective image of the race belong

Docusign Envelope ID: 33EBF735-E3D3-4540-BD36-52609C4B67D6

to all owners participating in a given race meeting subject to applicable law. By virtue of the California Horse Racing Board's recognition of TOC as the official owners organizations, its Rules and Regulations of Racing, and applicable provisions of California and Federal law, TRACK agrees to negotiate exclusively with TOC as to the consensual use of the collective image of the race for purposes of simulcasting, televising, and the rebroadcasting of races. TRACK shall not enter into or seek to enforce any exclusive agreement or contract to simulcast, televise, broadcast or re-broadcast thoroughbred races conducted at TRACK.

TOC, on behalf of all owners participating in TRACK's 2024 Meet, consent to TRACK's use of the collective image for the purpose of promoting, simulcasting, televising, and/or the rebroadcasting of races occurring at the 2024 Meet. TOC consents to TRACK's use of said image without compensation other than that provided by the appropriate provisions of the California Horse Racing Law, the Rules and Regulations of Racing, and/or Federal Interstate Racing Act, excepting races sold by TRACK to network television, cable television, satellite television, closed circuit, computer or interactive wagering, or other commercial enterprises or uses currently developed or to be developed for which TRACK receives compensation, other than that provided by State and/or Federal legislation, including but not limited to, promotional, licensing, or usage fees paid by sponsors. TRACK agrees to obtain TOC's prior consent to such sales or usages and to negotiate a reasonable contribution to overnight purses from the revenues derived by said sale or use. In the event the parties are unable to amicably resolve either the issue of consent or to conclude negotiations with respect to a reasonable contribution, either or both of those issues shall be submitted to binding arbitration before the CHRB Security and Licensing Committee within two weeks after determination that the issue cannot be amicably resolved.

TOC, on behalf of all owners participating in TRACK's 2024 Meet, further agrees that the nomination of or entry of a horse into a race shall be deemed to be authorization for TRACK to use the name, image, or likeness of individual horses for promotion of, attendance at and wagering on such races, whether live or at simulcast locations.

XXVII.

RACE SPONSORSHIPS

TRACK and TOC recognize and agree that race sponsorships are, and continue to be, an important potential source of ancillary revenue and barter. The parties further agree that each wishes to do all it can to attract and satisfy sponsors as a means to ensure that actual and potential sponsors assess such investment as valuable and consistent with their business objectives.

Additionally, TRACK and TOC believe that a fair and equitable division of race sponsorship revenue and barter serves their best interests, and the industry as a whole. Accordingly, for race sponsorships TRACK shall pay to purses or TOC an amount equal to at least one-half of the compensation exchanged, paid to, or earned by TRACK from any sponsor or other entity in consideration for which the sponsor or designated third-party receives the right, whether exclusively or in conjunction with another, to have its name, logo or other identification associated with one or more races conducted at TRACK, whether as an entitled or “presented by” sponsorship.

XXIII.

DAILY FANTASY SPORTS

TOC contends that Daily Fantasy Sports is a form of wagering and should be treated in substantially the same manner as the distribution of revenues from pari-mutuel wagering conducted at TRACKS. TRACKS and TOC agree that 50% of any revenue generated from Daily Fantasy Sports Contests will be distributed to the purse account.

XXIX.

INTRASTATE SIMULCASTING

Purse money and commissions generated from Intrastate Simulcasting shall be divided in accordance with the applicable provisions of the California *Business and Professions Code.*

XXX.

INTERSTATE SIMULCASTING (EXPORT)

TOC's consent to interstate simulcasting is required in accordance with the Federal Interstate Racing Act of 1978. TRACK has requested the consent of TOC to simulcast the races specified on Exhibit D. TOC's consent to the simulcast of the specified races shall be provided in accordance with the terms and conditions of TOC's consent letters.

TRACK and TOC understand that TRACK may request TOC's consent to simulcast additional races to other interstate satellite locations.

TRACK and TOC agree that Exhibit D to this Agreement may be amended from time to time pursuant to letter agreement executed by TRACK and TOC. Said letter agreement shall include TRACK's request to simulcast to additional satellite locations and TOC's consent thereto. Each request by TRACK shall state the satellite location and the address thereof, the race(s) which TRACK desires to simulcast (in detail, for example, special races, full cards, etc.), the type of races conducted at the simulcast location, for example, quarter horse racing, standardbred racing, dog racing, thoroughbred racing or mixed meets, (TRACK shall indicate if there is no live racing at the simulcast location) and the consideration that TRACK will receive for simulcasting such race(s). Unless otherwise agreed upon, such consideration shall, after payment of California license fees and breeders' awards, be shared equally for purses and commissions. TOC agrees to use reasonable efforts to respond to each request by TRACK within seventy-two (72) hours after receipt of such request by TOC, excluding Saturdays and Sundays.

As a condition of TOC's consent for TRACK to provide the audio-visual signal of its races to locations which engage in phone and/or internet wagering, herein called "ADW" wagering, TRACK shall take all reasonable steps to identify by percentage the handle source. As a further condition of TOC's consent, TRACK must require its tote vendor with respect to each location

Docusign Envelope ID: 33EBF735-E3D3-4540-BD36-52609C4B67D6

that engages in ADW wagering, to agree to and provide to TRACK and TOC within 10 days following the close of TRACK's meet, the breakdown for each location's daily handle as between ADW wager and other than ADW wagers.

TRACK and TOC acknowledge that TRACK enters into End User Agreements with interstate simulcast locations. Such End User Agreements provide, in part, that decoder fees shall be paid to TRACK by the interstate simulcast locations. TOC believes that owners are entitled to share fifty percent (50%) of all net decoder revenue received by the TRACK to be used for purses and retroactive payment of purses. TRACK agrees that TOC's consent to simulcast TRACK's races to interstate simulcast locations provided for herein shall not constitute a waiver of TOC's and owners' rights to pursue whatever legal remedies available which TOC and owners may have to obtain fifty percent (50%) of all net decoder revenue (to be used for purses and retroactive payment of purses) received by TRACK during the 2024 Meet and prior meets conducted by TRACK.

By virtue of the support and cooperation of all California racing associations in 2004 in seeking and obtaining passage of legislation known as A.B. 701, the TOC Board of Directors has resolved to forego any claims to such revenues, past and future, until such time as the statute(s) authorized by passage of said legislation sunsets or is repealed.

XXXI.

INTERSTATE SIMULCASTING (IMPORT)

TRACK and TOC desire to import simulcast races from out-of-state locations. The parties expressly agree that any and all interstate/out-of-state simulcasts imports shall be conducted in a manner consistent with that set forth in California law including, but not limited to, Business & Professions Code Sections 19596.2 and 19601(j). TRACK agrees to provide TOC the contents of any proposed oral agreements and copies of proposed written agreements with out-of-state locations from whom TRACK intends to import races for wagering purposes.

Purse money and commissions generated from wagering on imported races from out-of-state locations shall be divided in accordance with the applicable provisions of the California *Business and Professions Code*.

XXXII.

INTERNATIONAL SIMULCASTING (EXPORT)

TRACK has requested the consent of TOC to the international simulcast of its races as listed on Exhibit E. TOC's consent to the simulcast of the specified races shall be provided in accordance with the terms and conditions of TOC's consent letters.

With respect to international simulcast races, the compensation paid to TRACK shall be divided equally between commissions for and purses at TRACK.

Docusign Envelope ID: 33EBF735-E3D3-4540-BD36-52609C4B67D6

TRACK and TOC understand that TRACK may request TOC's consent to simulcast additional races to other foreign satellite locations. TRACK and TOC agree that Exhibit E to this Agreement may be amended from time to time pursuant to letter Agreement executed by TRACK and TOC. Any amendments to Exhibit E must comply with the provisions outlined in Article XXVIII.

XXXIII.

INTERNATIONAL SIMULCASTING (IMPORT)

TRACK and TOC desire to import simulcast races from out-of-country locations. The parties expressly agree that any and all international/out-of-country simulcasts imports shall be conducted in a manner consistent with that set forth in California law including, but not limited to, Business & Professions Code Sections 19596.3 and 19601(j). TRACK agrees to provide TOC the contents of any proposed oral agreements and copies of proposed written agreements with out-of-country locations from whom TRACK intends to import races for wagering purposes.

Purse money and commissions generated from wagering on races imported from out-of-country locations shall be divided in accordance with the applicable provisions of the California *Business and Professions Code.*

XXXIV.

INTRASTATE ADVANCE DEPOSIT WAGERING ("ADW")

Track has requested the consent of TOC to the simulcast of races conducted at Track during each individual race meet which takes place during the Term for the purposes of intrastate advance deposit wagering by and/or wagering instructions to California licensed advance deposit wagering providers pursuant to California Business & Professions Code, section 19604(b)(1)(C) and the Interstate Horseracing Act, 15 USC 3001, et. Seq. TOC shall provide its consent on a case-by-case basis for each ADW provider by a separate consent letter.

XXXV.

RECEIVING BARN

TRACK agrees that it will at all times during the term hereof maintain the receiving barn in a clean and orderly condition.

XXXVI.

CHANGES TO RACE AND ELIGIBILITY REQUIREMENTS

Except as expressly authorized herein, absent prior written consent of TOC, TRACK shall not, during the pending race meeting, implement or put in place any change to the overnight purse structures, minimum purses awards, minimum claiming levels, or eligibility requirements, that

Docusign Envelope ID: 33EBF735-E3D3-4540-BD36-52609C4B67D6

were utilized during TRACK's 2024 Meet, nor shall TRACK change or modify the conditions of the meeting set forth on TRACK's stall application form or contained within the Condition Books that were utilized during TRACK's 2024 Meet.

XXXVII.

CREDENTIALS

TRACK agrees to provide owner/trainer stickers or other appropriate credentials to all licensed personnel either employed on or with horses stabled on the grounds, at an authorized auxiliary stabling facility, or whose horse has competed or is scheduled to compete at the 2024 Meet.

TRACK shall provide free Clubhouse admission to owners with a current valid CHRB license validated by the Racing Department of any Racing Association in California.

TRACK further agrees to issue to all TOC Board members and its President and Executive Director, VIP or "officials" credentials for the 2024 Meet, including but not limited to, an "official's" pin and Vessels Club, or equivalent, guest pass. All other TOC-authorized personnel, up to a maximum of five (5) shall receive an "official's" credential.

TRACK agrees to provide to the owner or owners of a horse competing in a race, on the day of the race, at a minimum, free clubhouse seating for a maximum of eight (8) persons per horse competing.

XXXVIII.

FUTURE RACE MEET AGREEMENTS

TOC will submit a Race Meet Agreement for the Next Year Meet to TRACK at least three (3) months prior to the first (1st) day of the Next Year Meet. TRACK shall notify TOC within 21 days of receipt of the Race Meet Agreement for the Next Year Meet of any specific objections of TRACK to such Race Meet Agreement. If TRACK notifies TOC of objections to the Race Meet Agreement for the Next Year Meet, then TOC and TRACK shall meet within 14 days thereafter in a good faith effort to reach agreement on the Race Meet Agreement for the Next Year Meet and, if no such agreement can be reached within 30 days after receipt of the original objections TOC and TRACK shall submit such objections for hearing before the CHRB pursuant to Article XVI herein.

RACE MEET AGREEMENT

LOS ALAMITOS RACING ASSOCIATION

September 11, 2024 – September 24, 2024

THIS AGREEMENT is entered into by and between Los Alamitos Racing Association (hereinafter referred to as "TRACK") and the California Thoroughbred Trainers, Inc., a California Corporation, (hereinafter referred to as "CTT") and becomes effective on September 11, 2024, the first day of TRACK's 2024 Meet, except as otherwise provided herein, (hereinafter referred to as "2024 Meet").

RECITALS

WHEREAS, TRACK is a duly licensed Racing Association, licensed under and pursuant to the Horse Racing Law, Article 4, Chapter 4, Division 8 of the *Business and Professions Code* of the State of California; and

WHEREAS, CTT is the duly organized trainers' association recognized by TRACK and the California Horse Racing Board as having authority to negotiate and covenant with TRACK pursuant to California Business and Professions Code Section 19613.1 (a) and (b) and Article 22, Chapter 4, Title 4, of the *Administrative Code* of the State of California, Rules 2014, through 2043; and

WHEREAS, TRACK and CTT, in an effort to stabilize certain phases of the business of thoroughbred racing for the purpose of avoiding controversies between them which might interfere with the orderly commencement and conduct of race meetings to the detriment of TRACK, CTT, its members, and for the purpose of providing for an orderly and uniform method of dealing with issues involving the racetrack, track safety, the backstretch and the welfare of trainers and other backstretch personnel, have reached an understanding with reference to the foregoing and other matters and things hereafter specified, and desire to incorporate their understanding in writing.

AGREEMENT

NOW, THEREFORE, the parties hereto, by reason of the premises and in consideration of the mutual promises contained herein agree as follows:

Back to Top

I.

RACE MEET

Except as otherwise provided herein, the provisions of this Agreement shall be applicable only to the thoroughbred race meeting conducted by TRACK under license from the California Horse Racing Board for the period commencing September 11, 2024, through September 24, 2024, which meet is hereinafter referred to as the "2024 Meet."

II.

PURSE PROJECTIONS

TRACK shall provide to CTT prior to the 2024 Meet for CTT's information, TRACK's projections (and supporting documents) of estimated purses for the 2024 Meet.

III.

CTT DISTRIBUTIONS

TRACK shall pay to CALIFORNIA THOROUGHBRED TRAINERS, INC. ("CTT") for the 2024 Meet the portion deducted for all purses pursuant to Section 19613 of the California *Business & Professions Code.* Specifically, TRACK shall pay one percent (1%) to CTT for the Backstretch Employees' Retirement Savings Pension Plan and one-half percent (1/2%) to CTT from any and all monies deducted for purses from the gross handle. The amounts payable to CTT pursuant to this provision may be referred to sometimes collectively as "CTT Distribution." TRACK shall also pay to CTT, in a timely fashion as may be established by normal industry practice or by general agreement of the parties, all other statutory distributions due CTT including, without limitation, amounts payable pursuant to California *Business & Professions Code* section 19604. Purse money and commissions generated from any Simulcasting shall be divided in accordance with the applicable provisions of the California *Business and Professions Code.*

The sums payable under this paragraph shall be paid on by TRACK within sixty (60) days after the close of the race meet or as soon thereafter as feasible, along with a statement indicating the method of calculating such payments. All such payments shall be based upon actual receipts by TRACK of amounts payable as purses. In the event any payment is not made within 10 days from its due date, interest shall accrue from the initial due date at the rate of ten percent (10%) per annum until such payment is made.

TRACK shall at any time refrain from asserting, in any judicial or non-judicial proceeding at law or in equity or in a bankruptcy petition, any ownership interest in the disbursements set forth in this section. TRACK acknowledges it acts as merely a conduit for the transfer of the monies and disbursements herein described for the benefit of CTT Distribution, and, as such, can claim no ownership interest of any sort in these monies.

IV.

CONDITION BOOK

TRACK agrees to use its best efforts to make its first Condition Book for the 2024 Meet available to horsemen at least 10 days prior to opening day and agrees that said book will include an index of races.

V.

STALL APPLICATIONS

It is hereby agreed that the following language is incorporated into "Stall Application," as that term is commonly used in the horse racing industry:

"In order to assure the protection of the public, to maintain and encourage confidence in the integrity of horse racing, and to safeguard the health and safety of human and equine participants, Applicant acknowledges that Applicant and Applicant's agents, employees, and affiliates have no expectation of privacy (which includes but is not limited to video surveillance) with respect to stalls and appurtenant facilities provided by TRACK other than living quarters.

TRACK specially reserves the right to conduct searches of stall areas, offices, and tack rooms except for living quarters assigned to Applicant at any time.

TRACK may, in its discretion, establish rules, regulations, testing, and security procedures that may limit or eliminate Applicant's ability to participate in racing or training activities at TRACK or any auxiliary training facility, subject to the agreement of the CTT, which agreement shall not unreasonably be withheld.

The agreement of CTT, which shall not unreasonably be withheld, shall be a condition precedent to any execution of a decision by TRACK to limit or eliminate Applicant's ability to participate in racing or training activities at TRACK or any auxiliary training facility.

TRACK will not conduct any independent or supplemental testing of horses at any time. All testing is under the sole authority of the CHRB. Any rules, regulations, or procedures enacted pursuant hereto shall be in addition to and shall not supplant the rules and regulations of the California Horse Racing Board.

Notwithstanding anything to the contrary herein, TRACK may enter and search living quarters so long as it has reasonable cause to believe that there is an activity taking place that is criminal, or a threat to the health or safety of other occupants of living quarters or a threat to the health or safety of the horses. TRACK agrees to notify CTT within 24 hours of any such entries.

VI.

STALL ASSIGNMENTS

(a) In the allocation and assignment of stall space for thoroughbreds, so long as the trainer is duly licensed, TRACK will not discriminate in any way against any trainer by reason of membership of any trainer in the CTT, or by way of any arbitrary or capricious conduct by TRACK. If any trainer asserts that TRACK shall have so discriminated on such ground or grounds, then the trainer claiming to be so aggrieved may submit his claim to TRACK or to CTT for examination, and if CTT shall then believe the claim to have merit, CTT shall be entitled to present the merits of the grievance on behalf of such trainer to TRACK. If the dispute is not settled, TRACK and CTT agree that the matter is to proceed immediately to arbitration before a hearing officer chosen by mutual consent by TRACK and CTT. If TRACK and CTT cannot agree on a hearing officer chosen by mutual consent, a hearing officer shall be appointed immediately by the CHRB.

(b) Each stall application shall refer to the particular horses for which stalls are requested and no substitution of horses shall be permitted without TRACK's prior consent.

(c) TRACK agrees to use its best efforts to provide stalls to horses that are in a condition to train and run. Stalls will be allocated and made available, without charge, to those thoroughbred horses for which TRACK's Racing Secretary has approved stalls. Stalls shall be assigned only to trainers engaged in the care and training of thoroughbreds, which TRACK has approved and to which TRACK has allocated stalls to prepare for racing. TRACK's obligations to furnish and allocate stalls shall be subject to TRACK's right to withdraw stalls allocated to horses not currently approved for racing or preparation for racing, or not actually training for racing, and to TRACK's needs for access to such stalls for repairs, maintenance, and construction. TRACK will assure that stalls being repaired will be substituted for by other stalls at TRACK's cost, if applicable.

(d) It is the intention of TRACK that stall allocations shall be made primarily on the basis of the quality and condition of the horses for which stall space is requested upon the availability of stall space and taking into consideration the character of the Meet contemplated to be held by TRACK and the horses suitable for the holding of such race meet.

(e) TRACK shall not allocate more than forty (40) stalls to any one trainer. Following allocation of stalls which shall not exceed forty (40) to any one trainer, should TRACK determine that the number of available stalls exceeds the number of qualified and eligible horses which have been allocated stalls, then and in that event, TRACK may allocate, on an equitable basis, up to fifty (50) stalls to any one trainer. The intent of this provision is to insure fair and reasonable consideration of all applications by TRACK, so that no one trainer may be awarded in excess of forty (40) stalls until such time as all applications for stalls for eligible and qualified horses have been reviewed, considered, and stalls have been reasonably provided to those horses which have been determined to meet TRACK's eligibility and qualification requirements. It is acknowledged that approximately 800 stalls at the Track are leased to the Southern California Stabling and Vanning Committee and that Track does not control the allocation of any of those 800 stalls.

VII.

DISPUTE RESOLUTION

This section refers to disputes arising from Section V, Stall Applications, and Section VI, Stall Assignments.

Following the execution of this Agreement, TRACK and CTT shall meet to establish a list of three qualified neutrals who may be called upon to become involved in resolving disputes which may arise under Section V and Section VI of the Agreement. The decision(s) of any neutral so chosen shall be binding during the pendency of this dispute resolution process and any arbitration procedures following. If TRACK and CTT cannot agree on a neutral to resolve the dispute, a neutral shall be appointed by the California Horse Racing Board.

Any decision by TRACK to deny stalls to or to exclude any licensed trainer, during or immediately following the Stall Application process (other than on grounds of the quality and condition of the horses for which stall space is requested, and taking into consideration the character of the Meet contemplated to be held by TRACK and the horses suitable for the holding of such Meet, and availability of stall space) may not be arbitrary and/or capricious, and shall be based upon one or more of the following:

(a) Violation of a California Horse Racing Board medication rule involving a Class 1 through 3 drug substance where the decision is not based solely on CHRB rule 1887.

(b) Violation of a California Horse Racing Board rule resulting in an actual served suspension of 60 days or more.

(c) Repeated or egregious violations of Association rules where such rules have been agreed to by CTT.

(d) Criminal complaints alleging violations involving animal health and safety.

(e) Conduct which falls far below the prevailing standard of custom and care of thoroughbred race horse husbandry.

(f) Conduct which is detrimental to the integrity of horse racing or would interfere with the orderly conduct of horse racing.

(g) Conduct referenced in CHRB Rule 1980 and 1989 (a).

Prior to TRACK's enforcement of any decision to exclude any licensed trainer, or to withdraw or significantly modify stall allocations once made, TRACK shall inform the trainer and CTT of its decision and the basis for that decision. The agreement of CTT, which shall not unreasonably be withheld, shall be a condition precedent to any execution of a decision by TRACK to limit or eliminate Applicant's ability to participate in racing or training activities at TRACK or any auxiliary training facility.

Back to Top

If the subject trainer objects to an exclusion, withdrawal, or modification of stall assignments, that objection shall be lodged with both TRACK and CTT within 48 hours of TRACK's decision. TRACK, CTT, and the subject trainer shall then meet immediately, whether separately or together, to further evaluate the merit of TRACK's decision.

Should any dispute remain as to an exclusion, modification, or withdrawal of stall allocations once made, following the meeting(s) referenced above, a qualified neutral shall be drawn by lot of the list referenced above, to meet with the subject trainer, TRACK, and CTT, with all deliberate speed. At such pre-arbitration meeting, the neutral shall first attempt to facilitate a resolution of the dispute. If the dispute cannot be resolved, the neutral shall indicate at the conclusion of the meeting, based on the representations made, whether the TRACK or trainer is the prevailing party in the pre-arbitration proceeding.

Commencing with the date of TRACK's decision so to exclude any trainer, modify, or withdraw stall allocations once made, the affected trainer may continue to occupy allocated stalls and appurtenant facilities in accordance with applicable rules and procedures, until such time as the dispute has been resolved or the pre-arbitration meeting has determined TRACK to be the prevailing party. During such period between the date of TRACK's decision to exclude a trainer and the pre-arbitration meeting, the affected trainer will not be permitted to "work horses" in his care as that term is commonly understood in Thoroughbred racing, or to enter horses in any races at TRACK.

If TRACK is the prevailing party, the trainer shall be entitled to proceed immediately to arbitration, and shall be suspended and/or excluded from participation in racing or training at TRACK or authorized auxiliary training facilities during the pendency of arbitration.

Should the trainer be the prevailing party, the TRACK shall be entitled to proceed immediately to arbitration, and the trainer shall not be suspended and/or excluded from participation in racing or training at TRACK or authorized auxiliary training facilities during the pendency of such arbitration that TRACK may pursue.

VIII.

HOLDING (TRANSIT) BARN

TRACK agrees that it will regularly clean and maintain the Holding (Transit) barn used for horses shipping in to run at the 2024 Meet.

IX.

FIRST POST TIME

All Post times for the 2024 Meet must be submitted for approval of the CHRB in TRACK's initial application for license. Any changes in Post time following the opening of the 2024 Meet

must be submitted concurrently to CHRB and CTT for their approval. The first post of TRACK's daily racing program shall begin at 1:00 pm on Thursdays through Sundays.

X.

INTERRUPTED RACING SCHEDULES: FORCE MAJEURE

If TRACK for any reason beyond its control such as, but not limited to: an act of God; war; labor difficulties; strikes; order of any governmental authority directing cessation of racing; failure of TRACK to obtain the necessary racing license from the California Horse Racing Board; and/or destruction of the racing plant of TRACK by fire or other casualty shall be prevented from conducting one (1) or more days of scheduled thoroughbred racing, then sums otherwise payable by TRACK hereunder shall be proportionately reduced for each day that TRACK is prevented from operating.

XI.

STABLING AT AND VANNING FROM AUXILIARY STABLING FACILITIES

TRACK shall, at least sixty (60) days prior to the opening of the 2024 Meet, notify the California Horse Racing Board and CTT of the offsite facility(ies) which is/are acceptable to TRACK as the auxiliary stabling facility(ies) so long as such can be accomplished without compensation of any nature whatsoever, direct or indirect, by TRACK to such facility(ies) other than such compensation as provided in the California Horse Racing Law and so long as the facility(ies) is recognized as an approved year-long training facility by the CHRB.

TRACK agrees it will provide auxiliary stall applications for horses to be stabled at auxiliary stabling facilities well in advance of the opening of TRACK's Race Meeting. Said auxiliary stalls shall be made available without cost to horsemen, pursuant to Section 19535 of the California Horse Racing Law.

CTT and TRACK agree to use their best efforts to cause eligible horsemen to be reimbursed promptly for vanning as provided in Sections 19535(b) and 19605.7(d) of the Business and Professions Code.

TRACK agrees to provide an official vet at the offsite stabling facility(ies) at reasonable intervals to allow trainers to work horses for removal from the Vet's List.

XII.

ACCESSIBILITY TO TRACK

TRACK agrees that at least one (1) gate will remain open twenty-four (24) hours daily permitting access to the backstretch for all licensed personnel. TRACK further agrees to permit all licensed personnel to use the designated parking area adjacent to said gate for purposes of parking personal vehicles, free of charge.

XIII.

ANTI-MONOPOLY PROVISION

TRACK acknowledges CTT's interest in assuring that horsemen will, during the 2024 Meet, have the opportunity to procure and receive supplies, services, utilities, transportation, and other facilities required by the horsemen at a competitive cost or price usually available in a free enterprise marketplace. Accordingly, TRACK agrees not to limit this free enterprise system of competitive service and supply to the horsemen by means of TRACK entering into any agreement or otherwise seeking to establish or impose upon the horsemen a monopoly of restrictive servicemen or suppliers who would have exclusive access to the horsemen's needs or requirements.

CTT acknowledges that TRACK must provide, maintain and control reasonable access to and from TRACK property; security for persons and property; traffic regulation; and numerous other activities related to the racing industry. Accordingly, CTT agrees that TRACK may, for a reasonable and proper cause, restrict or prohibit any serviceman, supplier or vendor from having access to the grounds and the horsemen, provided that CTT will be given a minimum 24-hour prior written notice by TRACK that a particular serviceman, supplier or vendor will be denied further access or privileges to TRACK grounds or property. Notwithstanding anything to the contrary herein, horsemen shall have the right to use their own hot-walking machines or acquire hot-walking machines from any source they may determine.

XIV.

CREDENTIALS

TRACK agrees to provide owner/trainer stickers or other appropriate credentials to all licensed personnel either employed on or with horses stabled on the grounds, at an authorized auxiliary stabling facility, or whose horse has competed or is scheduled to compete at the 2024 Meet.

TRACK further agrees to issue to all CTT Board members, its President, Executive Director, Northern California Manager, Deputy Director, and General Counsel, and members of the CTT Backstretch Employees Pension Administrative Committee VIP or "official" credentials for the 2024 Meet, including but not limited to, an "official" pin and Turf Club, or equivalent, guest pass. All other CTT authorized personnel, California Horsemen's Safety Alliance, Finish Line Self Insurance Group, Post Time Self Insurance Group, and Edwin J. Gregson Foundation Board Directors, who are not trainers or otherwise covered herein, shall receive an "official" pin.

XV.

TRAINING/STABLING/EMPLOYEE HOUSING FACILITIES

At all times during the 2024 Meet, TRACK will cause the main track to be open at 5:30 a.m. and to remain open until 10:00 a.m. every day of the week.

Back to Top

It is the intent of TRACK and CTT that the main track will be maintained by TRACK in good and safe condition (except in the event of a water shortage or other unforeseen conditions of which TRACK has notified the CTT) and be available for training seven (7) days a week on each day horses are stabled at TRACK.

TRACK agrees, while horses are stabled at TRACK during its Meet, to have a manned, operating starting gate for training on the main track.

TRACK and CTT agree that they shall work cooperatively in attempts to assess and remedy any conditions that may adversely affect the main track, and inner track, during the 2024 Meet and while the main track, and inner track, are open for training preceding and following the 2024 Meet. TRACK further agrees to use reasonable efforts to maintain the main track, and inner track, surrounding roads and the barn area in good and safe condition.

While acknowledging that it is impossible to keep surfaces free of all rocks, it is the intent of the parties that TRACK will use reasonable efforts to obtain and use materials on said surfaces that are free of rocks. In the absence of gross negligence, the TRACK shall not be liable for the presence of rocks.

It is agreed that maintenance and construction work will be restricted during training hours so as not to endanger horses and/or backstretch personnel. It is further agreed that the track and backstretch areas will be kept free of rocks and other injurious debris so long as practicable.

Without approval of the other party, neither party shall make any rules or enforce any conditions that differ from those established by the CHRB.

TRACK shall maintain stabling and keep all stalls in good repair. Stalls shall be maintained in such condition that they are safe, useable and promote the safety and health of the horses, and that of people who work with and have other contact with horses.

TRACK shall provide, free of charge or rent, tackrooms suitable as living quarters in the barn area during the duration of each meet. If TRACK is unable to provide such living quarter tackrooms, then TRACK must provide, free of charge or rent, trailers and trailer space on the fairground premises for the backstretch workers in lieu of the living quarter tackrooms.

CTT will use its best efforts to inform trainers to comply with all federal, state, and local laws, rules, codes, and ordinances. Without limiting the generality of the foregoing, all feed must be properly stored at all times. TRACK shall make available to CTT the guidelines for proper feed storage and other governmental requirements related to the backstretch. CTT shall be responsible for disseminating the guidelines to its members. TRACK shall also provide to CTT, immediately upon receipt thereof, any governmental notice relating to any issue on the backstretch so that CTT may work with TRACK and/or trainer in addressing the issue. TRACK reserves all rights against an offending trainer in connection with any fine levied against TRACK by a governmental entity for the improper storage of feed.

Back to Top

XVI.

BACKSTRETCH CAFETERIA

During the 2024 Meet, TRACK will cause to be kept open on every racing day a cafeteria located on the backstretch for the patronage and convenience of owners, trainers, and backstretch personnel. The cafeteria shall remain open from 6:00 A.M. until the conclusion of the last live race of the day and from 6:00 A.M. and 2:00 P.M. on non-racing days. Periodic closing for cleaning will apply on all days. TRACK will use all reasonable efforts to maintain the lowest possible pricing for trainers and their employees.

XVII.

TRACK SAFETY

Within a reasonable time following its receipt, not to exceed 72 hours, TRACK agrees to provide or otherwise make reasonably available to CTT for review, and to meet with CTT representatives at mutually agreeable times during each of TRACK's 2024 Meet, or otherwise, to discuss, information concerning the soil or material composition, construction, engineering and remediation of TRACK's main track, and inner track, including, without limitation, to the extent they exist, material laboratory analyses, consultant analyses, daily maintenance protocols and reports, and remediation recommendations. TRACK agrees to provide to CTT on an ongoing basis throughout the calendar year and as set forth above, including any time during which the TRACK may be closed for racing and/or stabling, including such weeks/months when racing is not conducted, any and all testing reports, data or recommendations done by, requested by and/or provided to TRACK, the California Horse Racing Board, Breeders' Cup or other entity. TRACK and CTT mutually agree to grant authorization to each other to obtain and to release to each other any information regarding track testing reports, data or recommendation in the custody, possession or control of the California Horse Racing Board, Breeders' Cup or other entity, upon its receipt by TRACK. CTT agrees to exercise its discretion regarding whether or not to disseminate any such reports received pursuant to this Agreement.

TRACK will make available all horse ambulance reports to CTT, as generated, and no later than on a weekly basis during TRACK's 2024 Meet, as well as the training period before and after the 2024 Meet as provided for in this Agreement.

Within a reasonable time following its receipt, not to exceed 72 hours, CTT agrees to provide or otherwise make reasonably available to TRACK for review, to the extent they exist and are in the possession, control, or custody of CTT, any material laboratory analyses, consultant analyses, daily maintenance protocols and reports, and remediation recommendations. Any CTT employee, agent, or person CTT causes to be on the main track, or inner track must be licensed by the CHRB before said individual enters the main track, or inner track. Additionally, said individual shall follow and comply with all applicable laws, rules and regulations. Moreover, CTT agrees to indemnify and hold harmless TRACK, and its respective affiliates, members, partners, shareholders, officers, directors, employee, attorneys, and agents from and against any and all claims, demands, suits, losses, damages, injuries, liabilities, costs and expenses, including reasonable attorneys fee, that arises as a result of said individual being on the main track, grass

course, or training track. The preceding sentence does not pertain to trainers, exercise riders, jockeys or grooms performing their regular duties relating to training.

XVIII.

SIGNAGE & TRAINERS' PROPRIETARY RIGHTS

TRACK agrees that should it desire to utilize the name, image, or likeness of a particular trainer for a promotional or commercial purpose, other than the promotion of live racing or simulcasting, and wagering on the outcome thereof, *e.g.*, the sale of merchandise bearing the name or likeness of a trainer, TRACK shall contact the individual trainer and obtain their consent, and if necessary and appropriate, reasonably compensate said trainer or trainers for the use of such name, image, or likeness.

TRACK and CTT agree that CTT shall have the right to place signs and/or logos of comparable size and design of Thoroughbred Owners of California (TOC) signs at or near the location provided to TOC for placement of signs and/or logos.

XIX.

FIRE, DISASTER AND GENERAL LIABILITY INSURANCE

TRACK agrees to acquire and pay the premium for a Fire and Disaster Insurance Policy, providing the same coverage or better than that previously obtained through the National Horsemen's Benevolent and Protective Fund. TRACK will, either independently or in conjunction with other racing associations, finance this program without right of reimbursement from any horsemen's organization, or individual owner or trainer. Said insurance is to be provided by a reputable insurance company selected by TRACK which, with certain limitations, protects the owners of horses against the loss of their race horses, tack, etc., due to fire or disaster. CTT and their respective members shall be named as a loss payee under such policy. CTT shall receive a certificate of insurance, including endorsements, amendments, or any other provision or document evidencing or affecting coverage or liability limits. TRACK shall also obtain, under the same terms and conditions set forth herein, a General Liability Insurance Policy which is to name as an additional insured, and be for the benefit of the, CTT, and its member trainers and equine participants who race and/or participate in TRACK's meet at any time during the term of this Agreement.

The obtaining of a fire, disaster and general liability insurance policy by TRACK does not in any way preclude the individual owner or trainer from taking individual legal action against the TRACK that the owner or trainer deems appropriate, or to prevent the owner or trainer from seeking legal action against the TRACK directly as a consequence of any acts, conduct, negligence, or other occurrence attributable to TRACK.

The amount recovered by an owner under this insurance policy shall be credited as an offset to any liability of TRACK toward the recovery of such owner from TRACK.

XX.

CTT COVENANTS

During the term of this Agreement and as long as TRACK is not in violation of the terms of this Agreement or of applicable law, CTT will not instigate, promote, encourage or engage in any boycott of any race or Race Meeting (except and in the event the track is unsafe for racing) conducted by TRACK while this Agreement is in force and effect.

XXI.

TRACK COVENANTS

During the term of this Agreement and as long as CTT is not in violation of the terms of this Agreement or of applicable law, TRACK shall recognize CTT as the official organization representing the trainers at TRACK's 2024 Meet and shall not file or participate in any action, claim or proceeding seeking the de-certification of the CTT as the official and exclusive representative of California thoroughbred trainers, nor will TRACK engage in a lockout of CTT members.

XXII.

MUTUALITY

TRACK and CTT represent to each other that they are mutually interested in the continuance, maintenance and improvement of thoroughbred racing in the State of California and, to that end, believe it most advisable and to their mutual best interests that any future differences of opinion between them with respect to the provisions hereof, the matters covered hereby or any other matter or thing pertaining to thoroughbred racing wherein both parties are interested, should be settled by them, without undue publicity, by negotiation and consultation. Each party will cooperate with the other to promote, foster and retain public good will toward thoroughbred racing by conducting racing on the highest possible plane through maintenance of the high standards of fairness, inclusion, communication, and honesty.

TRACK will notify and consult the CTT, and, whenever reasonable and possible, obtain the consent and approval of the CTT, whenever substantial changes are contemplated by TRACK and proposed with respect to TRACK racing facilities, racing surfaces, racing schedule, stall applications and applicants, or conditions affecting the backstretch. In the interest of promoting public good toward thoroughbred racing, TRACK will provide to CTT TRACK's application for racing license at least ten (10) calendar days prior to its submission to the California Horse Racing Board.

A Horsemen-Management Committee shall be created, composed of such members of the CTT as they may designate and administrative officials to be designated by TRACK. All matters concerning problems of the parties in regards to conditions of the racetrack, the backside, and the health, welfare and safety of the horses, the trainers or their employees, stall applications and applicants, and stabling and vanning, will be referred to this committee in an effort to amicably

Back to Top

and equitably adjust and resolve any problems which may arise. The parties herein shall prepare and agree to a monthly meeting schedule during which grievances and any other issues may be discussed and resolved. If each party notifies the other that no issues will be agendized for the upcoming monthly meeting, the parties may mutually cancel that monthly meeting. This Committee shall have no involvement in the issues arising under Sections V. and VI. Above.

XXIII.

DEFAULT

The respective covenants herein contained are concurrent, and no party who is in default of this agreement shall have the right to enforce any covenant hereunder until said default has been cured. If any dispute shall arise hereunder which requires litigation or arbitration, the prevailing party shall be entitled to its costs of suit, including a reasonable attorney's fee.

XXIV.

EXCHANGE WAGERING

TRACK agrees to consult with CTT prior to implementing or offering exchange wagering at TRACK during the term of this Agreement.

3rd PARTY LASIX ADMINISTRATION AGREEMENT

This 3rd Party Lasix Administration Agreement (this "Agreement") is entered into as of July 17, 2024 (the "Effective Date") by and between Los Alamitos Racing Association ("TRACK"), the Thoroughbred Owners of California, Inc. ("TOC"), and the California Thoroughbred Trainers, Inc. ("CTT") and each individually a "Party" and collectively the "Parties".

RECITALS

A. CHRB Rule 1845 requires that the Parties enter into an agreement to provide for race-day furosemide administration.

B. CHRB Rule 1845 further requires that the agreement described TRACK's program for the administration of race day furosemide, the minimum level of staffing necessary to carry out the program, and the projected costs to horsemen for such administration.

C. The Parties intend for this Agreement to comply with and satisfy the requirements of CHRB Rule 1845.

AGREEMENT

With reference to the foregoing Recitals, which are hereby incorporated by reference, and in exchange for good and valuable consideration, the sufficiency and receipt of which are hereby acknowledge, TRACK, TOC and CTT do hereby agree as follows:

1. **TERM** This Agreement shall take effect on July 17, 2024 and shall continue through December 31, 2024 (the "Term"). If the Parties have not entered into a new agreement which satisfies the requirements of CHRB Rule 1845 prior to the conclusion of the Term, the terms and conditions set forth in this Agreement shall continue to remain in effect and binding on the Parties after the Term until such time that the Parties enter into such a new agreement or until any Party terminates this Agreement upon twenty-four (24) hours' notice.

2. **COST TO HORSEMEN** The owner shall pay to TRACK (on a per administration basis) an amount equal to thirty-five dollars ($35) for the administration of race day furosemide to such owner's horse ("Lasix Administration Fee"). The Paymaster of Purses will deduct the Lasix Administration Fee from such owner's purse account and remit it to TRACK. By way of this Agreement, all owners hereby consent for the Paymaster of Purses to deduct the Lasix Administration Fee from such owner's purse account and remit it to TRACK. TRACK may increase the Lasix Administration Fee if there is a material increase in cost to administer the race day furosemide program; provided, however, that such increase must first be approved, with such approval not being unreasonably withheld, by the TOC.

3. NUMBER OF VETERINARIANS AND TECHNICIANS TRACK shall initially hire two (2) furosemide veterinarians and two (2) furosemide veterinary technicians to administer the race day furosemide. The furosemide veterinary technicians shall report to the furosemide veterinarian. If TRACK decides, after consultation with the TOC and CTT that additional furosemide veterinarians or furosemide veterinary technicians are necessary for the proper and orderly administration of race day furosemide, TRACK shall hire such additional number of furosemide veterinarians or furosemide veterinary technicians as it deems necessary.

4. RACE DAY LASIX ADMINISTRATION PROGRAM

a. By way of this Agreement, each individual Thoroughbred Owner does hereby consent to the procedures set forth in this Agreement and agrees that the pre-race examination conducted under the direction of the official veterinarian or racing veterinarian shall constitute a veterinary-client-patient relationship within the meaning of 16 CCR 2032.1.

b. The syringe used to administer the furosemide shall be placed in an evidence/biohazard tamper-proof bag which will be sealed in front of the witnesses. The witnesses shall sign the sealed evidence/biohazard tamper-proof bag. The sealed and signed evidence/biohazard tamper-proof bag containing the syringe will be delivered to the CHRB. The TOC and CTT, each jointly and severally, agree to indemnify TRACK and its affiliates, members, partners, shareholders, officers, directors, employees, attorneys and agents, from and against any and all claims, demands, suits, losses, damages, liabilities, costs and expenses, including reasonable attorneys' fees, arising from or related to any and all acts taken or not taken by the CHRB, tampering, contamination, loss, destruction, theft and any and all other actions or inactions related to the evidence bag and/or syringe after TRACK has delivered the evidence bag and syringe to the CHRB.

c. Additional terms and conditions of the Race Day Lasix Administration Program are attached as Exhibit A and Exhibit B which are hereby incorporated into this Agreement.

5. TOC and CTT COVENANTS

a. The TOC covenants that it will take all steps necessary to ensure that all Thoroughbred owners take all steps necessary to comply with: i) the terms of this Agreement and ii) all statutes, laws and regulations which are necessary for the Thoroughbred owner to comply with in order to effectuate the purpose of this Agreement.

July 2024

Dear Distinguished Members of the CHRB Board

Subject: 2024 Race Dates

On behalf of the Board of Directors, staff and management of The Big Fresno Fair, we respectfully request that the CHRB review and approve our proposed racing dates for the year 2024. We humbly request to be allowed to race on the following dates: September 21, 22, 28 and 29; October 4-6, 11-14. Our facility is fully aware that it is a privilege to run race dates and not a "given." We are also incredible thrilled to have racing kick off in September in a historic race meet for our track.

We also understand the potential impact of the current record inflation and as such, we are focused on promotions to get people through the Fair gates at a discount and then, of course, fun events at the track to keep our audience engaged and having the best time at the races. Additionally, we are continuing to focus on and maintain our fast and safe track. To date, we have not lost a thoroughbred in the past nine years. We also continue to find ways to bring in new horse racing and wagering enthusiasts – working to build a new, expanded demographic of horse racing fans.

To do this, The Big Fresno Fair has made a strategic move to create new experiences for Fairgoers at the races such as the highly successful Beer & Wine Fest, first added in 2017, which has grown to a sell-out crowd. Additionally, the Fair has created a variety of party package options to get companies and individuals to host their party at the Fair inside the race track in our "Infield Party Tent," as well as on the coveted Luxury Deck and exterior tiers of the Turf Club. Creating memorable – and exclusive – ways to catch the races at our track! We also have a line-up of "themed" days at the races in September to further engage and draw out crowds.

While innovative marketing efforts are imperative to stay relative and help build the racing audience, a well-maintained, topnotch facility is critical to putting on a stellar horse racing meet, as well as having the horse numbers to provide the fullest fields for wagerers. As you all are well aware, this continues to be a struggle but we are focused on working with CARF to engage with horse owners and trainers to encourage racing in Fresno – a track well-liked for its safety and speed, facilities, amenities and overall energy. People in Fresno and the San Joaquin Valley truly love their live horse racing and it remains a tradition for many generations of Fairgoers.

A picture is worth a thousand words, so enclosed in our racing application packet are a few photos of the aforementioned special events, track facilities and the crowds at the races. We have also included a copy of our 2024 Live Racing Marketing Plan and a list of "What's New" at this year's race meet to provide more context to the photos.

If you should have any questions, please feel free to contact us at any time. Thank you in advance.

Respectfully,

Christina Estrada

CALIFORNIA AUTHORITY OF RACING FAIRS

AGREEMENT

THIS AGREEMENT is entered into between the CALIFORNIA AUTHORITY OF RACING FAIRS, a joint exercise of powers agency ("CARF") representing those of its members identified in Attachment A (and Section 2.1), herein referred to as "TRACK" or "TRACKS" unless otherwise specifically designated, and the THOROUGHBRED OWNERS OF CALIFORNIA, INC., a California Corporation ("TOC").

WHEREAS, TRACK AND TOC, in order to avoid controversies between them and to insure orderly commencement and conduct of race meetings for the further purpose of providing for an orderly, uniform and mutually acceptable method of stakes and overnight purse distribution have agreed as follows:

I.
TERM

1.1 This Agreement shall be applicable to the thoroughbred races conducted by TRACKS under licenses from the California Horse Racing Board ("CHRB") during June 12, 2024 through October 15, 2024.

II.
STATUS OF THE PARTIES

2.1 TRACKS. Each TRACK is a California Exposition and State Fair, county fair or district agricultural association (fair), organized and existing under the laws of the State of California.

For purposes of conducting thoroughbred horse racing at fair race meetings, TRACK is licensed to do so by the CHRB, and is subject to the applicable provisions of the California Horse Racing Law (Chapter 4, Division 8, California Business and Professions Code).

TRACK is a Member or Associate Member of the California Authority of Racing Fairs ("CARF"). CARF is a joint exercise of powers agency pursuant to California Government Code, Articles 1 and 2, Chapter 9, Division 7 of Title 1. CARF has been designated by TRACK to represent, negotiate, and contract on their behalf with TOC for the matters specified in this agreement.

CARF warrants and represents that it has been expressly authorized by TRACKS to enter into this agreement and that this agreement shall be binding upon all such TRACKS, their members, agents, employees, and officials during the term of the agreement. The TRACKS specifically authorizing CARF include the: Alameda County Fair; Humboldt County Fair; California Exposition and State Fair; and the Fresno District Fair.

2.2 TOC. TOC is a California Corporation in good standing. TOC represents and warrants that it is the Organization acknowledged by the CHRB pursuant to its Rule 2040 to represent owners of thoroughbred racehorses and is, pursuant to CHRB Rules 2041, 2042 and 2043, authorized to enter into agreements binding upon its members and TRACK.

III.
DISTRIBUTION OF PARIMUTUEL TAKEOUT; PAYMENT TO CTT AND TOC

3.1 CARF and TRACKS, and TOC acknowledge and agree that disbursements made by TRACKS to TOC and California Thoroughbred Trainers, Inc. ("CTT"), and to the horse owners in the form of purses, will be governed by the applicable provisions of the Horse Racing Law.

3.2 (a) TRACKS agree that they will pay and distribute in stakes and overnight purses, during the term hereof, a sum equal to 97% of the Gross Distribution and to pay to TOC and CTT the remaining 3% as provided in Section 19613(d) of the California Business & Professions Code. Specifically, TRACK shall pay 1% for administrative expenses and services rendered to horsemen, two-thirds (2/3) of which shall be paid to TOC and one-third (1/3) of which shall be paid to CTT; 1% for welfare funds, to be paid to CTT, in trust, for the California Thoroughbred Horsemen's Foundation, Inc.; and 1% for a pension program for backstretch personnel to be administered by CTT.

(b) During weeks that had previously been granted to a racing association in 2023 other than a fair, the TRACK shall compensate the TOC and CTT for the difference between the administrative expenses for services rendered to horsemen between 19613(b) and 19613(d).

3.3 TRACK and TOC acknowledge and agree that disbursements made by TRACK to TOC, and to individual horse owners in the form of purses, will be governed by the provisions of this Agreement and the Horse Racing Law, Article 9.5, Article 9.2, and any other provisions regarding purses in any other Articles in Chapter 4, Division 8 of the *Business and Professions Code.* All monies available for purses are generated from the pari-mutuel handle and other sources,

including, but not limited to, underpayments from prior race meets, voluntary deposits by horsemen, deposits by TOC, and accumulated interest on the Paymaster Account shall be held in a separate trust account pursuant to section 19597.5 of the Business and Professions Code for the sole benefit of horsemen and, further, shall not be commingled with monies belonging to TRACK or statutory distributees. In this regard, the TRACK and TOC shall make those funds available for purses and bonuses. Nothing contained herein is intended to change, modify or amend the settlement agreement dated January 5, 1991 with respect to interest on the Paymaster Account.

TRACK further agrees that its Horsemen's Bookkeeper will make owners' purse monies available upon request forty-eight (48) hours after the race is declared official for pari-mutuel purposes, regardless of whether TRACK has received the results from the testing laboratory providing that such distribution is consistent with applicable rules, regulations, and laws of the California Horse Racing Board.

CARF and TRACKS agree to provide to TOC a final accounting of all purse monies paid, including all other added and other horsemen's monies, as well as all deposits made by horsemen into their individual Horsemen's Bookkeeper accounts, by the seventh day following the close of each TRACK's 2024 Meet. Further, TRACK shall pay and fully fund the balance of all such monies to the TOC Horsemen's Paymaster CARF Account by the sixtieth (60^{th}) day after the close of the 2024 Meet in the event of a purse overpayment situation, or by the one hundred and twentieth (120^{th}) day in the event of a purse underpayment situation, and shall provide with a statement indicating the method of calculating such payment, except for those purse money generated from 50% of the unspent balance of the 6% Simulcast Operating Fund and from ADW reconciliations. TRACKS agrees to pay and fully fund 50% of the estimated unspent 6% Fund and ADW reconciliations to the TOC Horsemen's Paymaster CARF Account by the 60^{th} (sixtieth) day after the close of the Fresno Fair 2024 Meet and shall provide TOC with a statement indicating the method of calculating such payment. By the one hundred and twentieth (120^{th}) day after the close of the Fresno Fair 2024 Meet, TRACKS agrees to calculate a final true-up of the 6% Simulcast Operating Fund and ADW reconciliations and pay the difference owed from the prior estimated payment.

IV.
AGREEMENT NOT TO STRIKE OR LOCKOUT, REMEDIES

4.1 It is agreed that the TOC is the organization recognized by the CHRB as the authorized representative of all thoroughbred owners racing at TRACKS and that TOC shall continue as a such authorized representative during the term of this agreement.

4.2 TOC covenants that, during the term of this agreement and as long as TRACK is not in violation of the terms of this Agreement or of applicable law, it will not instigate, promote, encourage, or engage in any boycott, strike, or stoppage of any race or race meet at

TRACK, or participate in the withholding or refusal of its performance of this agreement, or in any manner restrict or limit the operations of the TRACK, nor will it encourage any of its members to do so, other than as specifically authorized pursuant to state and federal law.

4.3 During the term of this Agreement, and as long thereafter as TOC is not in violation of the terms of this Agreement or of applicable law, TRACKS shall recognize TOC as the official organization representing owners at TRACKS' 2024 Meets and shall not file or participate in any action, claim or proceeding seeking the de-certification of TOC as the official and exclusive representative of California thoroughbred owners, nor will CARF and TRACKS engage in a lockout of TOC members.

4.4 Upon proof of TOC's violation of 4.2 above or of a TRACK's violation of 4.3 above, a TRACK or TOC, as the case may be, may give at least forty-eight (48) hours of written notice to the other party of the termination of this agreement, following which termination TRACK or TOC, as the case may be, shall have the right to effectuate such revised terms and conditions of the race meet as are, in TRACK or TOC' sole judgment, as the case may be, reasonably necessary and proper in order to restore and maintain the conduct of the race meeting.

4.5 Since time is of the essence in settling such disputes, in the event of a claimed violation or threat of violating any of the provisions of this agreement, the party claiming such violation, in its sole discretion, shall have the choice of pursuing independently or concurrently either:

(a) The submission of such claim to the CHRB for resolution; or,

(b) Submission of such claim directly to an appropriate court for such legal and equitable relief as is appropriate, including monetary damages, specific performance, and/or injunctive relief.

V.
RACING PROGRAM

5.1 (a) Except as otherwise agreed, not more than 15% of the total purse distribution shall be paid as stakes in each race meet during the term of this agreement except for Alameda County Fair whereas purses for stakes races shall not exceed 20% of the total purse distribution.

(b) Unless expressly agreed otherwise by TOC, CARF and TRACKS shall ensure that all stakes races offered, whether offered as a scheduled or overnight stake event, meet the minimum requirements set by the International Cataloging Standards Committee ("ICSC") for participating horses to earn "black type," based on their finish position, qualifying performance,

or other criteria set by the ICSC. The 2024 Stakes Schedule is included for reference in Attachment B.

For all other stakes races offering a purse of $100,000.00 or more, horses competing in such races shall be placed under surveillance for a period of not less than 24 (twenty-four) hours in advance of the scheduled start of the race.

For the purposes of this provision, surveillance shall consist of, but is not limited to, continuous observation of the horse by licensed security personnel equipped with a video camera, a communications device, and notepad, and who must request to see and who shall note the time, license number, and type of license for every person who enters the stall with the competing horse or otherwise comes in contact with or close proximity to said horse, as permitted by the CHRB, TRACK, trainer, or owner.

(c) In 2024, TRACKS will on or before 90 days prior to the opening of their scheduled race meets, submit to TOC its proposed stakes schedule and overnight purse schedule for approval and submit also within 45 days prior to the opening of its scheduled race meet a proposed Condition Book for approval. If TOC does not forward its written objections to TRACK within 30 days of receipt of the proposed schedules, the Book shall be deemed approved. Otherwise, the parties shall agree to the purse and stakes schedule as provided for or in Sections 9.1 and 9. 2 of this Agreement. When a stakes schedule and overnight purse schedule are approved by TOC, it is agreed that there will be no change to such schedules without first obtaining written approval of TOC. TRACK further agrees to submit to TOC via electronic mail its camera-ready draft of each proposed Condition Book at least seventy-two hours prior to the date it is sent to the printers, if feasible, and if not as soon thereafter as possible, to enable TOC to review the same.

5.2 Unless otherwise agreed to by the parties in writing, the minimum purse for an overnight race conducted during the term of this agreement shall be not less than the amounts indicated in Attachment C. The maximum purse for an allowance overnight race or any other overnight race at each meet shall not be more than the lowest stakes race at each such race meet.

5.3 The amount of purse for substantially the same quality horses and substantially the same type condition for a race meet shall not vary without first obtaining the written or faxed approval of the TOC. The division of purses for each race shall be paid in accordance with the percentages shown in this Agreement.

5.4 A schedule of types and conditions for all overnight races to be run by Track during the Term and purses paid for such races is attached hereto as Attachment C. Track shall not schedule any different type of race, provide for different conditions, or change purses from that provided in Attachment C and I without first obtaining the written approval of TOC, which will

not be unreasonably withheld.

5.5 "Dates" preference for entries will be as agreed upon by the TOC and CARF Racing Secretary.

5.6 The parties agree that races for the amount of $2,750 (except maidens) or less to the winner will not be considered in eligibility for Thoroughbreds racing at CARF TRACKS.

5.7 (a) Maiden races shall not be written for a claiming price of less than $5,000.00 for all racing fairs. Claiming races shall not be written for a claiming price of less than $2,500, except at Humboldt County Fair where claiming races shall not be written for a claiming price of less than $1,600.

(b) Racing Secretaries will offer an average of two Thoroughbred maiden races per racing day.

(c) When six horses are entered in an allowance race under six separate wagering interests, such race shall be considered filled and shall be run. It is further agreed by the parties that the Racing Secretary shall have the discretion to use allowance, and/or high priced claiming races with five (5) separate wagering interests in order to maintain a balanced racing program, but is to notify TOC as soon as practical when doing so. For all other overnight races except overnight stakes, when seven horses are entered under at least seven separate wagering interests, such race shall be considered filled and shall be run.

(d) In the event that any overnight stakes race has entries with less than five (5) separate wagering interests with at least three different trainers, and TRACK desires to cancel such overnight stakes race, TRACK shall inform TOC of its desire reasonably in advance.

(e) TRACK shall not cancel any non-overnight stakes race without first obtaining the approval of TOC, which will not be unreasonably withheld. In the event a stakes race is canceled following approval by TOC, owners who did enter shall be reimbursed out-of-pocket expenses, including nomination and other fees, veterinary, and transportation expenses to TRACK and return from an off-site stabling location.

(f) In the event a race offered in the Condition Book, including but not limited to a Substitute or other alternative race, and an Extra race published elsewhere receives the same number of entries, the race published in the Condition Book shall be considered the preferred race and will be utilized before any Extra Race to make the card go. Should a drawn race or races be canceled due to an act of God or otherwise, TRACK shall make every effort to offer said races to horsemen as Extra Race(s) as soon as possible. Further, said race(s) will have preference over Substitute or other alternative race(s), and Extra races published elsewhere receiving the same number of entries, TRACK shall make every effort to inform horsemen of

such preference when races are published.

- Two and one-half percent (2.5%) for fifth;

5.9 A "Participation Purse" in the amount of $450.00 as determined by TOC in its sole discretion and funded from the purse account shall be paid to all starters effectively finishing 6th or worse in any race, and to fifth place finishers if their share of the purse is less than the Participation Purse, wherein said fifth-place finisher will receive an aggregated maximum of the Participation Purse. For purposes of the payment of such participation purses, a "starter" means any horse that leaves the gate at the official start of a race and is considered a legal starter by the Stewards.

5.10 When the potential for a significant minus pool is recognized by a Host Track in any California zone or by TOC, it is agreed that each party shall be notified in advance. It is further agreed that the Host Track where the race takes place shall make its best effort to avoid the occurrence of a significant minus pool.

VI.
CALIFORNIA-BRED INCENTIVE PROGRAM

6.1 California-Bred Incentive Program and Allowance Purse Increase.

An amount equal to thirty percent (30%) of the purse paid for finishing first through fifth, inclusive, in any open race, excluding purses for stakes races, starter allowance races, and qualifying claiming races, but including overnight stakes races, allowance races, and non- claiming maiden races shall be paid by TRACKS as an owner premium to the owner of a registered California-bred Thoroughbred horse participating in such a race. An optional claiming race shall be considered to be an allowance race with respect to horses not entered for a claiming price. However, a

California-bred horse entered for a claiming price in an allowance race is entitled to the bonus provided for herein for finishing first through fifth. A California-bred who has won its first condition in a race restricted to California-breds remains eligible for its first condition in an open race and is entitled to the owner premium mentioned above. Additionally, a win by a California-bred horse in a California-bred race for non-winners other than maiden or claiming shall not count against that horse with respect to any open race for non-winners, 2X, 3X, 4X, etc. The owner premium provided for herein shall be reduced by the amount of the owner premium paid to owners of California-bred Thoroughbred horses finishing first as provided in Section 19614.4(a) and (b) of the California Horse Racing Law.

Furthermore, CARF and TRACKS and TOC agree pursuant to Section 19614.4 (d) of the California Horse Racing Law that TRACKS shall pay on a periodic basis during and after the meets, from purse revenues generated, to the official registering agency for the purpose of the California-bred bonus program an amount equal to the amount determined in paragraph (3) of subdivision (b) of Section 19617.2, and that amount shall be used for California-bred incentive awards. CARF and TRACKS shall obtain TOC's prior authorization to pay these amounts and provide periodic and end-of-meet reconciliation reports.

VII.
MUTUAL COOPERATION

7.1 (a) CARF and TRACKS, and TOC represent to and agree with each other that they are mutually interested in the continuance, maintenance and improvement of thoroughbred racing in the State of California and, to that end, believe it advisable and to their mutual best interests that any differences of opinion between them with respect to the matters covered hereby, or any other matter or thing pertaining to thoroughbred racing wherein both parties are interested, should be settled by them, without undue publicity, by negotiation and consultation.

Such matters include but are not limited to parking and seating facilities for owners and trainers, the provision of clockers at auxiliary training facilities, and the like. Each party agrees to cooperate with the other to promote, foster and retain public goodwill toward thoroughbred racing by conducting racing at TRACKS on the highest possible plane and maintaining the highest standards of fairness and honesty.

(b) For purposes of any paragraph in this agreement which requires consultation, joint action, or written action by either party, the party designated herein shall have the authority to do all acts and make all decisions necessary to perform this agreement. Notices required to be given under this section shall be sent by certified mail, return receipt requested, and postage prepaid as set forth in paragraph 18.7.

(c) Nothing in subsection (b) shall prohibit the parties from authorizing other

persons, not to exceed three, to consult with each other' s representatives and adjust and resolve minor or routine matters not requiring the final approval of a parties' authorized representative.

VIII.
STALL APPLICATIONS AND AUXILIARY TRAINING FACILITIES

8.1 TRACKS shall provide stalls for thoroughbred horses at each Track in an amount not less than the amount derived by multiplying the total number of stalls at the Track by the result obtained by dividing the number of scheduled thoroughbred races by the total of all scheduled races.

8.2 TRACK shall provide such auxiliary training facilities as are required to be provided pursuant to the Horse Racing Law and Rules and Regulations of the CHRB, or as the parties may otherwise agree. The location, dates of availability, conditions of availability, and amount of stalls at such auxiliary training facilities are designated on Attachment D hereto.

8.3 (a) TRACK shall distribute Stall Applications not less than 30 days prior to the commencement of each race meeting. Contingent on Horsemen receiving Stall Applications timely horsemen shall submit completed applications not less than 22 days prior to the scheduled commencement of the meeting. Stall applications will be granted to approved horses at least 15 days prior to the commencement of the race meet. If a horseman requests and is approved stall space at TRACK, but is unable to ship in, he shall give at least seven days' notice to TRACK. TRACK may reassign those stall(s) upon horseman's failure to give notice. TRACK agrees that, in the allocation and assignment of stall space and in all other respects, it will not discriminate in any way against any owner or trainer.

(b) If any owner asserts that he or she has been discriminated against by TRACK or the Stall Committee in the awarding of stalls, then the owner so claiming shall submit his or her claim to TOC, and if TOC finds the claim meritorious may represent the owner and present the such grievance to TRACKS and if appropriate to the CHRB.

(c) It is agreed that stall allocations shall be made primarily on the basis of the quality and condition of the horses for which stall space is requested, the availability of stall space, and the character of the meets contemplated to be held by TRACKS. TRACKS shall endeavor to accommodate California-domiciled trainers and California Bred Thoroughbreds in allocating stall spaces. A disproportionate share of stalls shall not be allocated to trainers domiciled out of state.

(d) It is agreed that horsemen occupying stalls at any TRACK shall enter their horses in races for which they are eligible unless the horses are physically unfit to race. Stall rental charges for horses that do not participate in the race meet will be as described in

Attachment D.

8.4 (a) Horses not properly identified or whose identity cannot be reasonably established by the Official Horse Identifier shall be denied stall space.

(b) TRACKS reserve the right to deny stall space to any owner/trainer whose accounts with any member of CARF are delinquent. Each TRACK is responsible to provide a current update to CARF and the specific horsemen for accounts receivable.

8.5 A Horsemen-Management Committee may be created, composed of such members of TOC as it may designate, and the General Manager, Racing Secretary or other administrative officials to be designated by TRACKS. All matters concerning problems of the Horsemen with the TRACKS, other than track surface conditions, will be referred to this Committee in an effort amicably and equitably to adjust and resolve any problems which may arise.

In making its determination as to the availability of stall space for each such horse TRACK shall adhere to the following standards:

(a) Recently fired, blistered, or horses upon which surgery has recently been performed, or horses having a veterinary problem which prevents the horse from competing at the race meet, shall be denied stall space.

(b) The past performance of horses four years old and older may be considered in determining their eligibility for stall space.

(c) Horses not having qualifications consistent with the types of races scheduled in the TRACKS' condition books or which fail to meet the minimum conditions for eligibility published therein shall be denied stall space.

(d) Horses found not fit to race shall vacate TRACKS' stall space within 48 hours.

8.6 (a) Unless required by the Horse Racing Law or the Rules and Regulations of the CHRB, or pursuant to agreement by shareholders of NCOTWInc, TRACKS shall have no responsibility to reimburse horsemen or to otherwise pay for the vanning of horses stabled off track.

(b) TRACKS shall pay for tattooing only for horses entered to race on the overnights. TRACK shall publicize this procedure during the two weeks prior to Pleasanton on the stable loudspeakers at Golden Gate Fields and Pleasanton, and on the bulletin boards and on the overnights at each TRACK.

8.7 TRACKS with available trailer spaces shall make their best effort to give preference to owners and trainers for vacant trailer spaces. Reservations shall be mailed by applicant to TRACK not less than 22 days prior to the opening of the race meet.

8.8 TRACK agrees to make its stalls, barn area and racetrack available without charge to horsemen and have the same in good condition at least 10 days prior to the commencement of its race meet. TRACKS agrees that their main tracks will be open, available and in condition for training at no charge to horsemen for at least (3) days following TRACKS' 2024 Meet.

8.9 TRACKS will maintain their racing surfaces in good condition for thoroughbred racing and training and agree to promptly rectify any condition unsafe to racehorses during their meet. Golf courses controlled by TRACKS shall be limited to play during each day from early morning to two hours before the first post. TRACKS shall not conduct any activity on the racing surfaces hazardous to horsemen or horses.

8.10 TRAINING FACILITIES - At all times when TRACKS are being used as a RACE MEET, TRACKS will cause their main track to be open at 6:00 A.M. and to remain open until 10:00 A.M. every day of the week.

8.11 TRACKS agree to wash or otherwise clean the racing colors or "silks" of owners with horses competing in the 2024 Meet. Such cleaning shall occur on the day that the silks are utilized or on the day immediately following their utilization. Such cleaning services will be provided at TRACK's expense, without right of reimbursement from TOC, the individual owners, and/or their trainers.

8.12 The following are the workout criteria that will be in effect for the 2024 agreement. The minimum official, recorded workout distances and number of works for horses to run at the 2024 Fair meetings are as follows:

iii) Non-starters for:

a) 30 days: one work at least three-eighths mile within those 30 days;

b) 60 days: two works, one of which is at least one-half mile with one of the works being within the past 30 days;

c) Horses eased or placed on the Stewards' List for poor performance will be required to show a five-eighths mile work since that race, except for two-year olds running less than five-eighths of a mile who will be required to work race distance.

d) Horsemen seeking to enter a horse not meeting the workout criteria must obtain the permission of the Stewards prior to entry.

e) Imported Horses: The workout requirement will be waived for horses entering in a stakes race within seven days of clearing USDA quarantine, provided that the country-of-origin's racing jurisdiction has no provision for timed workouts.

8.13. No owner, trainer, or veterinarian may have possession of any shockwave therapy or equivalent device while within TRACK's enclosure during the 2024 Meet, except as expressly authorized by TRACK. Any owner, trainer, or veterinarian found to be in possession of the such device(s) during the 2024 Meet may be excluded from the enclosure for a period of not less than 10 days, at the sole discretion of TRACK. The identity of any owner, trainer, or veterinarian authorized or found to be in possession of such device(s) shall be disclosed to an appropriate representative of the CHRB, TOC, and CTT within 48 hours of the device's authorization or discovery.

8.14. TRACK agrees to use an also-eligible list containing up to four (4) horses; however, in no event will the number of horses drawn for a race including also eligibles exceed sixteen (16).

8.15. The Parties agree that, with regard to the taking of entries, entries submitted by a Jockey's Agent who has been delegated such responsibility by a licensed trainer pursuant to CHRB Rule 1582 are permitted up to 11:00 a.m. on the day of entry, and thereafter shall only be made by the horse's owner, his/her authorized agent, or the trainer.

8.16. Unless agreed otherwise in writing by the parties, TRACKS agrees to maintain, at no cost to TOC, appropriate "Finish Line" signage, equal in size and character to its own, in the first position past the finish line during the TRACKS' 2024 Meet, both on the main track and turf course, where appropriate.

8.17. TRACKS agree that should they decide to cancel a race or day of racing after entries have been drawn for that race or race day, it will reimburse the owners of all such horses affected by the actual cost of any veterinary fees and/or any transportation costs incurred as a result of being entered to run in any race canceled by TRACK. Said reimbursement is intended to apply to situations in which the TRACK has unilaterally decided to cancel a race or race day due to its own negligence or that of its agent(s), or voluntarily for reasons of its own choosing, but shall not apply to cancellations caused by acts of God or as otherwise specified herein below in section XVI, or as a result of the intervening unforeseen acts of independent third parties. CARF and TRACKS, and TOC agree to meet for the purpose of fairly determining the reason or reasons for the cancellation of a race or races that have been drawn.

IX.
PURSE AND STAKES SCHEDULES, OVERPAYMENT AND UNDERPAYMENT OF PURSES

9.1 CARF or TRACKS shall contact the TOC immediately when a TRACK becomes aware or has cause to believe that there may be a shortage of entries in stakes races or that there may be some other reason to cancel a stakes race. TRACKS shall provide to the TOC the names and past performances of each horse nominated in a stakes race that TRACK may desire to cancel.

9.2 Pursuant to the authorization described in Business and Professions Code Section 19542 and Section 19606.4, the CARF Fairs, which conducted live horse racing in 2024, agree to consolidate administration and distribution of purses, including consolidation of purse underpayments and overpayments for all Fair horse racing meetings conducted in Northern California. This agreement shall apply to Thoroughbred purses generated and Thoroughbred purses paid at Fairs and shall also extend to those purses generated and purses paid during a combined Fair meeting conducted pursuant to Food and Agriculture Code Section 4058. The CARF Fairs including Alameda County Fair; Humboldt County Fair; California Exposition and State Fair; and, the Fresno District Fair hereby designate CARF, a Joint Powers Authority, to act on their behalf for the administration and distribution of purses, according to the authorization described in the statute.

9.3 If at the close of its meet CARF shall have paid and distributed in stakes and overnight purses an amount in excess of the amounts received by it under the Horse Racing Law for purses, the total amount of the overpayment shall be deducted from the purse funds received during the next racing meeting conducted by CARF unless otherwise agreed to by the

Back to Top

Parties. In furtherance of that point, the Parties agree that as of April 31, 2024, the CARF purse account will be underpaid by $47,100 as a result of prior years' activities. It is the intent of the Parties that CARF will carry this underpayment forward in order to maintain purses at a competitive level, with the objective of reducing the overpayment in the coming year(s) from increased pari-mutuel racing.

9.4 If at the close of its meeting TRACK shall have paid and distributed in stakes and overnight purses an amount less than the amounts received by it under the Horse Racing Law for purses, the total amount of the underpayment shall, unless otherwise agreed by the parties, be:

(a) if less than $250,000, including an estimated surplus generated from the satellite expense fund, added to the purse fund during the next thoroughbred racing meeting conducted by TRACK. If no such meet occurs, then the remaining balance shall be transferred or held in trust for TOC for use as purse money at a CARF race meet as mutually agreed by CARF and TOC; or

(b) if greater than $250,000, including an estimated surplus generated from the satellite expense fund, distributed as a retroactive payment within 60 days of the end of the meeting to each winning horseman in such ratio as his overnight purse earnings bear to the total of all overnight purses paid during the meeting on thoroughbred races.

9.5 TRACKS shall comply with Business and Professions Code statutes pertaining to the use of Supplemental Purse funds provided for in the California Horse Racing Law.

X.
FORCE MAJEURE

10.1 (a) In the event a change in the Horse Racing Law makes pari-mutuel wagering on horse racing unlawful or otherwise requires the cessation, termination or cancellation of the racing meeting scheduled by TRACKS pursuant to the license granted it by the CHRB, this agreement may be terminated upon written notice by any party hereto to the other.

(b) In the event that the CHRB or the California Legislature repeals or amends sections of the Horse Racing Law relating to the take-out provisions as they apply to allocations of monies for purse distribution, the exempt breakage provisions, the license fee relief for racing fairs currently in effect or otherwise takes such action so as to reduce or terminate that portion of the take-out allocated to purses or reduces or terminates the exempt breakage provisions or increases the license fees for racing fairs with applicability during the racing meeting scheduled by TRACKS pursuant to the license granted by the CHRB, this agreement may be terminated upon one week's written notice by any party hereto to the other.

10.2 TRACKS or TOC may terminate this Agreement due to labor disputes, strikes, or other disruptions or circumstances beyond the control of TRACKS or TOC.

XI.
SUPPLIERS AND SERVICEMEN; BACKSTRETCH FACILITIES

11.1 TRACKS shall not grant an exclusive license or concession to any vendor of racing or equine supplies or services.

11.2 TRACKS shall maintain adequate kitchen facilities for backstretch personnel, at reasonable prices. Kitchen facilities shall be open between 6:00 A.M. and 8:00 P.M. on racing days and 6:00 A.M. and 2:00 P.M. on non-racing days.

XII.
FACILITIES FOR TOC REPRESENTATIVES

12.1 TRACKS will provide, wherever practical and possible, an adequate office near the Racing Secretary's office equipped with a desk, telephone, and internet access for the use of TOC's authorized representatives.

12.2 TOC shall pay to TRACKS such amount of reasonable out-of-pocket expense as TRACKS shall incur in providing to TOC the facilities mentioned in 12.1, including, without limitation, long distance or other telephone charges over and above the basic monthly rate, and any other expenses incurred by TRACKS at the request of TOC.

XIII.
OWNERS' PROPRIETARY RIGHTS AND BENEFITS

13.1 TRACKS agree that should they desire to utilize the name, image, or likeness of a particular horse for a promotional or commercial purpose, other than the promotion of live racing or simulcasting, and wagering on the outcome thereof, e.g. the sale of merchandise bearing the name or likeness of a horse, TRACKS shall contact the individual owner or owners of said horse and obtain their consent, and if necessary and appropriate, reasonably compensate said owner or owners for the use of such name, image, or likeness.

13.2 TRACKS acknowledges that, in the context of simulcasting, televising, and the re-broadcasting of races, the proprietary rights created by the collective image of the race belong to all owners participating in a given race meeting subject to applicable law. By virtue of the California Horse Racing Board's recognition of TOC as the official owners' organization, its Rules and Regulations of Racing, and applicable provisions of California and Federal law, TRACKS agree to negotiate exclusively with TOC as to the consensual use of the collective image of the race for purposes of simulcasting, televising, and the re-broadcasting of races to

the extent required by applicable law.

13.3 TOC, on behalf of all owners participating in TRACKS' 2024 Meets, consent to TRACKS' use of the collective image for the purpose of promoting, simulcasting, televising, and/or the re-broadcasting of races occurring at the 2024 Meet. TOC consents to TRACKS' use of said image without compensation other than that provided by the appropriate provisions of the California Horse Racing Law, the Rules and Regulations of Racing, and/or Federal Interstate Racing Act, excepting races sold by CARF or TRACKS to network television, cable television, satellite television, closed circuit, computer or interactive wagering, or other commercial enterprises or uses currently developed or to be developed for which CARF or TRACKS receive compensation, other than that provided by State and/or Federal legislation, including but not limited to, promotional, licensing, or usage fees paid by sponsors. CARF and TRACKS agree to obtain TOC' s prior consent to such sales or usages and to negotiate a reasonable contribution to overnight purses from the revenues derived by said sale or use.

13.4 TRACKS and TOC recognize and agree that race sponsorships are, and continue to be, an important potential source of ancillary revenue and barter. The parties further agree that each wishes to do all it can to attract and satisfy sponsors as a means to ensure that actual and potential sponsors assess such investment as valuable and consistent with their business objectives.

Additionally, TRACKS and TOC believe that a fair and equitable division of race sponsorship revenue and barter serves their best interests, and the industry as a whole. Accordingly, TRACK shall pay to purses or TOC the following: An amount equal to at least one-half (50%) of the net compensation exchanged, paid to, or earned by TRACK from any sponsor or other entity in consideration for which the sponsor or designated third-party receives the right, whether exclusively or in conjunction with another, to have its name, logo or other identification associated specifically with one or more Thoroughbred races conducted at TRACK, whether as an entitled or “presented by” sponsorship.

TOC understands and agrees that existing general Fair sponsorships and or named races in the daily program do not apply to the terms herein section 13.4. Further; details of any sponsorship associated with one or more Thoroughbred races including the net dollar amount and race(s) specifics will be agreed to in writing by CARF, Fair TRACK where said race(s) are to be conducted and TOC.

13.5 TOC, on behalf of all owners participating in TRACKS' 2024 Meets, further agrees that the nomination of or entry into a race shall be deemed to be authorization for TRACKS to use the name, image, or likeness of individual horses for the promotion of attendance at and wagering on such races, whether live or at simulcast locations.

13.6 TRACKS agree to the following Owner Benefits to all owners who possess

3. Free Tram or shuttle service for owners from designated parking area to the racing grandstand should that area be deemed a "distance" from the racing grandstand

7. Consistent procedures for all TRACKS for receiving passes noted above
8. Consistent procedure at all TRACKS for winning owners to request and receive race replay video.

XIV.
INTERSTATE SIMULCASTING OF RACES

14.1 TRACKS desiring to simulcast at its facility an interstate horse race or races as a part of its daily racing program shall first obtain written consent from TOC to any proposed contract or agreement with any out-of-state host track and shall thereafter augment the purse funds available for distribution to horsemen by an amount equal to one-half of the proceeds of such simulcasting after deduction of any license fees to the State of California and all payments and charges set forth in the previously approved contract with the host track.

14.2 TRACKS desiring to televise from its facility to an interstate simulcast facility all or any portion of its daily racing program, shall first obtain written consent from TOC to any proposed contract or agreement with any out-of-state simulcast facility and shall thereafter augment the purse funds available for distribution to horsemen by an amount equal to one-half the proceeds of such simulcasting after deduction of any license fee to the State of California and all payments and charges set forth in the previously approved contract with the simulcast facility.

14.3 TOC's consent to interstate simulcasting is required in accordance with the Federal Interstate Racing Act of 1978. TRACK has requested the consent of TOC to simulcast the races specified on Attachment F. TOC consents to the simulcast of the specified races in accordance with the terms and conditions of TOC's consent letters.

14.4 TRACK and TOC acknowledge that TRACK enters into End User Agreements with interstate simulcast locations. Such End User Agreements provide, in part, that decoder fees shall be paid to TRACK by the interstate simulcast locations. By virtue of the support

and cooperation of all California racing associations in 2004 in seeking and obtaining passage of legislation known as A.B. 701, the TOC Board of Directors resolved to forego any claims to such revenues, past and Future, until such time as the statute(s) authorized by passage of said legislation sunsets or is repealed.

XV.
INTRASTATE SIMULCASTING OF RACES

15.1 TRACKS may, pursuant to the applicable provisions of the Horse Racing Law, engage in intrastate simulcasting of all or a portion of its racing program to facilities located in the Northern Zone of California and those facilities located in the Central Zone and Southern Zone of California authorized by law to accept the Northern California simulcast signal. 15.2 TRACKS may, pursuant to the applicable provisions of the Horse Racing Law, determine to simulcast races from a host track located in the Southern or Central Zone of California. The distribution of the handle thereon shall be made in accordance with the Horse Racing Law, the applicable Rules and Regulations of the CHRB and compliance with Attachment I (Benchmarks). 15.3 TRACKS may, pursuant to the applicable provisions of the Horse Racing Law, determine to simulcast their races to a track and simulcast facilities located in the Southern or Central Zone of California. The distribution of the handle thereon shall be made in accordance with the Horse Racing Law and the applicable Rules and Regulations of the CHRB. With respect to the export and import of simulcast races internationally, the compensation paid to TRACKS shall be equally divided between commissions for and purses at TRACKS.

TRACKS and TOC understand that TRACKS may, subsequent to the execution of this Agreement, request TOC's consent to simulcast additional races to the same or other foreign satellite locations. TRACKS and TOC agree that this Agreement may be amended from time to time pursuant to letter Agreement executed by CARF or TRACKS and TOC. Any amendment must comply with the provisions outlined in Article XXIV.

XVII.
INTRASTATE ADVANCED DEPOSIT WAGERING ("ADW")

Track has requested the consent of TOC to the simulcast of races conducted at Track during its 2024 Meets for the purposes of intrastate advance deposit wagering by and/or wagering instructions to California licensed advance deposit wagering providers pursuant to California Business & Professions Code, section 19604(b)(1)(C) and the Interstate Horseracing Act, 15 USC 3001, et. Seq. TOC shall provide its consent on a case-by-case basis for each ADW provider by a separate consent letter.

In addition to any other terms set forth therein, Track acknowledges that TOC intends to condition the consents requested above on, at a minimum, the following requirements being satisfied for each ADW:

i. That each ADW agrees to implement geo-tracking and related information reporting for all its customers in California pursuant to draft CHRB Rule 2073.1 and the Geo-Location Agreement signed by ADW and TOC prior to the start of the Term.

ii. Approved ADW providers agree to disclose to CHRIMS, in a timely fashion and a form reasonably acceptable to CHRIMS, its respective ADW wagering handle information;

iii. Approved ADW providers agree that all costs associated with such CHRIMS disclosures, and/or the preparation and submission of such information and the audit thereof as set forth herein, are to be borne individually by each provider; and,

iv. Approved ADW providers agree that the audit and disclosure requirements referred to herein immediately above are as follows:

A. Providers shall be required to undergo an annual parimutuel audit prepared in accordance with GAAP of their California wagering operations including, but not limited to, all wagers placed by California residents on horse races, and by out-of-state residents on California horse races;

B. Providers shall be required to provide an end-of-meet pari-mutuel audit report similar in scope and detail to that required of and submitted to pari-mutuel auditors relating to wagers placed at a licensed California racing association and/or satellite facility;

C. The end of meet audits required shall be "agreed upon procedures audits," which include, but are not limited to:

I. Disclosure of all hub fee rate schedules executed with a California racing association and/or horsemen's organization, and provided to CHRIMS prior to the opening of each California race meet;

II. For wagers placed in California on races conducted out-of-state, disclosure of any and all host fee rates to be deducted from takeout for out-of-state racing interests to CHRIMS, and to all California racing associations and horsemen's organizations affected by the deduction prior to the acceptance of wagers in California on such races. Said disclosure shall set forth such rates in the data format reasonably prescribed by CHRIMS, and shall include a copy of the applicable rate page from any executed agreement between an out-of-state race association and provider;

III. Disclosure of all host fee rates to be paid to California racing associations and horsemen's organizations on wagers placed on California races by non-California residents to CHRIMS, and to all California racing associations and horsemen's organizations authorizing and/or approving such wagers seven days prior to the opening of the affected California race meet. Said disclosure shall set forth such export host fee rates in the data format reasonably prescribed by CHRIMS, and shall include a copy of the rate page from the executed agreement between the host track and provider;

V. A detailed breakdown of the distribution of takeout for any wager placed outside of California on a race conducted in California.

b. Remit to CHRIMS a monthly data fee of $3,000, or such other amount which is mutually agreed upon by CHRIMS and each approved Provider. Said data fee paid by Provider may be increased to cover the reasonable costs to CHRIMS resulting from any recalculation, data handling, or reprogramming necessitated by the failure of Provider to submit data as set forth hereinabove. Additionally, said monthly data fee may be increased upon the mutual consent of Provider and CHRIMS.

XVIII.
INTERSTATE ADVANCED DEPOSIT WAGERING

CARF and TRACKS have requested the consent of TOC to the simulcast of races conducted at TRACKS during their 2024 Meets for the purposes of interstate advanced deposit wagering, which does not include any form of exchange wagering, by and/or wagering instructions to California licensed advanced wagering providers as listed on Attachment "F."

TOC consents to such simulcasts pursuant to and in accordance with the terms and conditions of TOC's consent letters, and pursuant to California Business & Professions Code, section 19604(b)(1)(C) and the Interstate Horseracing Act, 15 USC 3001, et. seq. In addition to any other terms set forth therein, TOC conditions its consent to the acceptance of advanced deposit wagers and/or wagering instructions by approved California licensed ADW providers from out-of-state residents on Thoroughbred races conducted at TRACKS during their 2024 Meets as follows:

18.1 Approved ADW providers "broadcast partners" agree to pay and/or to accept no more than two percent (2%) from other approved California licensed ADW providers as

compensation for the broadcast or televising of races conducted at TRACKS during their 2024 Meets, as negotiated and agreed to by both CARF or TRACKS, and TOC;

18.2 Approved ADW providers agree to disclose to CHRIMS, in a timely fashion and a form reasonably acceptable to CHRIMS, its respective out-of-state ADW wagering handle information;

18.3 Approved ADW providers agree that all costs associated with such CHRIMS disclosures, and/or the preparation and submission of such information and the audit thereof as set forth herein, are to be borne individually by each provider; and,

18.4 Approved ADW providers agree that the audit and disclosure requirements referred to herein immediately above are as follows:

A. Providers shall be required to undergo an annual pari-mutuel audit prepared in accordance with GAAP of their California wagering operations including, but not limited to, out-of-state residents on California horse races;

B. Providers shall be required to provide an end-of-meet pari-mutuel audit report similar in scope and detail to that required of and submitted to pari-mutuel auditors relating to wagers placed at a licensed California racing association and/or satellite facility;

Additionally, if requested to do so, the provider shall also disclose and provide a true, complete, and correct copy of all such files on a weekly basis to affected California racing associations and horsemen's organizations. Such disclosure, files, and/or documentation shall include but is not limited to, the date of all relevant wagers, corresponding TRA code, pool, conventional and exotic takeout, positive breakage, negative breakage, runner pay, postal code, off-time, and breed;

iii. If during the term of this Agreement, the "TRA Account Wagering File" becomes the industry-accepted ADW wagering data file format, then the provider shall disclose and provide true, complete, and correct copies of said file, pertaining to wagers placed by out-of-state residents on races conducted in California, to CHRIMS daily in lieu of providing both the "TRA Data File" and the California Account Wagering File; and,

iv. A detailed breakdown of the distribution of takeout for any wager placed outside of California on a race conducted in California.

v. Provider shall each remit to CHRIMS a monthly data fee of $3,000.00. Additionally, said monthly data fee may be increased upon the mutual consent of Provider and CHRIMS.

AUXILIARY TRAINING FACILITIES

Sacramento will be open as an auxiliary training facility for Pleasanton from June 10th – July 9rd.

During the three weeks from September 11th, 2024 through October 1st, 2024, TRACK will not be entitled to the 2% deduction from for the expenses to operate an auxiliary facility as provided for in section 19607.2 of the California Horse Racing law. Durning this period, TRACK will provide horsemen with a transportation subsidy shipping horses from the auxiliary facility to the live facility for race and return runners.

Stalls at auxiliary training facilities will be allocated and made available, without charge, to those Thoroughbred horses for which stalls have been approved by TRACK's Racing Secretary. Stalls shall be assigned only to Thoroughbred trainers engaged in the care and training of Thoroughbreds which TRACK has approved and to which TRACK has allocated stalls to prepare for racing. TRACK's obligations to furnish and allocate stalls shall be subject to TRACK's right to withdraw stalls allocated to horses not currently approved for racing or preparation for racing, or not actually training for racing, and to TRACK's needs for access to such stalls for repairs, maintenance and construction, but may be adjusted by the Stabling & Vanning Committee.

CARF acknowledges it is its responsibility to have every trainer utilizing one or more stalls at Sacramento during the term of the auxiliary stabling. All trainers will sign a stabling agreement requiring such trainer to fully comply with.

THIS AGREEMENT is entered into by and between the CALIFORNIA AUTHORITY OF RACING FAIRS, a joint exercise of powers agency ("CARF") representing those of its members identified in Attachment A, herein referred to as "TRACK" or unless otherwise specifically designated, and the CALIFORNIA THOROUGHBRED TRAINERS, Inc., a California Corporation, hereinafter referred to as "CTT."

RECITALS

WHEREAS, TRACK is a duly licensed Racing Association, licensed under and pursuant to the Horse Racing Law, Article 4, Chapter 4, Division 8 of the Business and Professions Code of the State of California; and

WHEREAS, CTT is the duly organized trainers' association recognized by TRACK and the California Horse Racing Board as having authority to negotiate and covenant with TRACK pursuant to California Business and Professions Code Section 19613.1 (a) and (b) and Article 22, Chapter 4, Title 4 of the Administrative Code of the State of California, Rules 2040, through 2043; and

WHEREAS, TRACK is a California Exposition and State Fair, county fair or district agricultural association (fair), organized and existing under the laws of the State of California.

WHEREAS, TRACK is a Member or Associate Member of the California Authority of Racing Fairs ("CARF") and CARF is a joint exercise of powers agency pursuant to California Government Code, Articles 1 and 2, Chapter 9, Division 7, of Title 1. CARF has been designated by its member Tracks to represent, negotiate and contract on their behalf with CTT for the matters specified in this agreement. Tracks, and each of them, warrant and represent that it has authorized CARF to enter into this agreement, and this agreement shall be binding upon TRACK, its members, agents, employees, and officials during the term of this agreement.

WHEREAS, TRACK and CTT, in an effort to stabilize certain phases of the business of thoroughbred racing for the purpose of avoiding controversies between them which might interfere with the orderly commencement and conduct of race meetings to the detriment of TRACK, CTT, its members, and for the purpose of providing for an orderly and uniform method of dealing with issues involving the racetracks, the backstretch and the welfare of trainers and other backstretch personnel, have reached an understanding with reference to the foregoing and other matters and things hereafter specified, and desire to incorporate their understanding in writing.

AGREEMENT

NOW, THEREFORE, the parties hereto, by reason of the premises and in consideration of the mutual promises contained herein agree as follows:

I. RACE MEET

Except as otherwise provided herein, the provisions of this Agreement shall be applicable only to the thoroughbred race meets conducted by TRACK under license from the California Horse Racing Board for the period commencing June 14, 2024 through October 14, 2024, which meets are hereinafter referred to as the "2024 Meets" excluding the Santa Rosa meet.

II. PURSE PROJECTIONS

During the 2024 Meets, should TRACK foresee an increase or reduction in purses, TRACK will make its best efforts to inform CTT of any pending change as soon as reasonably possible.

III. CTT DISTRIBUTIONS

TRACK shall pay to CALIFORNIA THOROUGHBRED TRAINERS, INC. ("CTT") for the 2024 Meets the sums required by Section 19613(d) of the California Business & Professions Code. Specifically, TRACK shall pay one percent (1%) to CTT for the CTT Backstretch Employees' Retirement Savings Pension Plan and one-third percent (1/3%) to CTT as required by law. The amounts payable to CTT Backstretch Employees' Retirement Savings Pension Plan and CTT pursuant to this provision may be referred to sometimes collectively as "CTT Distribution." TRACK shall also pay to CTT, in a timely fashion as may be established by normal industry practice or by general agreement of the parties, all other statutory distributions due CTT including, without limitation, amounts payable pursuant to California Business & Professions Code section 19604.

The sums payable under this paragraph shall be paid by TRACK to CTT within 10 days after the close of each race meet, along with a statement indicating the method of calculating payments. All such payments shall be based upon actual receipts by TRACK of amounts payable as purses. In the event any payment is not made within 10 days from its due date, interest shall accrue from the initial due date at the rate of ten percent (10%) per annum until such payment is made.

TRACK shall at any time refrain from asserting, in any judicial or non-judicial proceeding at law or in equity or in a bankruptcy petition, any ownership interest in the disbursements set forth in this section. TRACK acknowledges it acts as merely a conduit for the transfer of the monies and disbursements herein described for the benefit of CTT Distribution, and, as such, can claim no ownership interest of any sort in these monies.

IV. CONDITION BOOK

TRACK agrees to submit the proposed first Condition Book to CTT at its principal office in Arcadia its camera-ready draft of the proposed first Condition Book at least forty-eight hours prior to the date it is sent to the printers, if feasible, and if not as soon thereafter as possible, to enable CTT to review and suggest changes to the same.

TRACK further agrees to meet with CTT within five (5) calendar days after the issuance of each Condition Book to discuss, review, and obtain CTT's suggestions for the next Condition Book.

TRACK agrees to use its best efforts to make its first Condition Book for the 2024 Meets available to horsemen at least 10 days prior to opening day.

TRACK will make available Condition Books to horsemen at least five (5) calendar days prior to the first race provided for in the Condition Book.

V. STALL APPLICATIONS

It is hereby agreed that the following language is incorporated into "Stall Application," as that term is commonly used in the horse racing industry:

"In order to assure the protection of the public, to maintain and encourage confidence in the integrity of horse racing, and to safeguard the health and safety of human and equine participants, Applicant acknowledges that Applicant and Applicant's agents, employees, and affiliates have no expectation of privacy (which includes but is not limited to video surveillance) with respect to stalls and appurtenant facilities provided by TRACK other than living quarters.

"TRACK specially reserves the right to conduct searches of stall areas, offices, and tack rooms except for living quarters assigned to Applicant at any time.

"TRACK may, in its discretion, establish rules, regulations, and security procedures that may limit or eliminate Applicant's ability to participate in racing or training activities at TRACK or any auxiliary training facility, subject to the agreement of the CTT, which agreement shall not unreasonably be withheld.

"The agreement of CTT, which shall not unreasonably be withheld, shall be a condition precedent to any execution of a decision by TRACK to limit or eliminate Applicant's ability to participate in racing or training activities at TRACK or any auxiliary training facility.

"TRACK will not conduct any independent or supplemental testing of horses at any time. All testing is under the sole authority of the CHRB. Any rules, regulations, or procedures enacted pursuant hereto shall be in addition to and shall not supplant the rules and regulations of the California Horse Racing Board.

Back to Top

"Notwithstanding anything to the contrary herein, TRACK may enter and search living quarters so long as it has reasonable cause to believe that there is an activity taking place that is criminal, or a threat to the health or safety of other occupants of living quarters or a threat to the health or safety of the horses. TRACK agrees to notify CTT within 24 hours of any such entries."

VI. STALL ASSIGNMENTS

6.1 TRACK shall provide stalls for thoroughbred horses at each Track in an amount less than the amount derived by multiplying the total number of stalls at the Track by the result obtained by dividing the number of scheduled thoroughbred races by the total of all scheduled races.

6.2 TRACK shall provide such auxiliary training facilities as are required by it to be provided pursuant to the Horse Racing Law and Rules and Regulations of the CHRB, or as the parties may otherwise agree.

6.3 (a) TRACK shall distribute Stall Applications not less than 30 days prior to the commencement of each race meeting. Contingent on horsemen receiving Stall Applications timely, horsemen shall submit completed applications not less than 22 days prior to the scheduled commencement of the meeting. Stall applications will be granted to approved horses at least 15 days prior to the commencement of the race meet. If a horseman requests and is approved stall space at TRACK, but is unable to ship in, he shall give at least seven (7) days' notice to TRACK. TRACK may reassign those stall(s) upon horseman's failure to give notice. TRACK agrees that, in the allocation and assignment of stall space and in all other respects, it will not discriminate against any trainer and will apply the standards as set out below. Stall Applications shall comport with all prevailing law and any relevant covenants or agreements between the associations and trainers' organization.

(b) If any trainer asserts that he or she has been discriminated against by TRACK or the Stall Committee in the awarding of stalls, then the trainer so claiming shall submit his or her claim to CTT, and if CTT find the claim meritorious, may represent the trainer and present such grievance to TRACK and, if appropriate, to the CHRB. If the dispute is not settled, TRACK and CTT agree that the matter is to proceed immediately to the dispute resolution process as stated in Section VII of this agreement.

(c) It is agreed that stall allocations shall be made primarily on the basis of the quality and condition of the horses for which stall space is requested, the availability of stall space, and the character of the meet contemplated to be held by TRACK. TRACK shall endeavor to accommodate California domiciled trainers and the California Bred Thoroughbred in allocating stall space. A disproportionate share of stalls shall not be allocated to trainers domiciled out of state.

(d) It is agreed that horsemen occupying stalls at any TRACK shall enter their horses in races for which they are eligible, unless the horses are physically unfit to race.

Back to Top

6.4 (a) Horses not properly identified or whose identity cannot be reasonably established by the Official Horse Identifier shall be denied stall space.

(b) TRACK reserves the right to deny stall space to any owner/trainer whose accounts with any member of CARF are delinquent. Each Track is responsible to provide a current update for accounts receivable.

6.5 (a) Recently fired, blistered, or horses upon which surgery has recently been performed, or horses having a veterinary problem which prevents the horse from competing at the race meet, shall be denied stall space.

(b) The past performance of horses four years old and older may be considered in determining its eligibility for stall space.

(c) Horses not having qualifications consistent with the types of races scheduled in TRACK's condition book or which fail to meet the minimum conditions for eligibility published therein shall be denied stall space.

(d) Horses found not fit to race shall vacate TRACK's stall space within 48 hours.

6.6 (a) Unless required by the Horse Racing Law or the Rules and Regulations of the CHRB, or pursuant to agreement by shareholders of NOTWINC, Inc., TRACK shall have no responsibility to reimburse horsemen or to otherwise pay for the vanning of horses stabled off track.

(b) TRACK shall pay for tattooing only for horses entered to race on the overnights. CTT, or its authorized representative, shall publicize this procedure during the two weeks prior to Pleasanton on the stable loudspeakers at CARF and Pleasanton, and on the bulletin boards and on the overnights at each TRACK.

6.7 TRACKS with available trailer spaces shall make their best effort to give preference to owners and trainers for vacant trailer spaces. Applications for reservations shall be mailed to TRACK not less than 22 days prior to the opening of the race meet.

6.8 TRACK agrees to make its stalls, barn area, and racetrack available without charge to horsemen and have the same in good condition at least ten (10) days prior to the commencement of its race meet; except that TRACKS who cannot comply due to prior existing contracts for horseracing shall make reasonable efforts to have their facilities ready as soon as practicable. TRACK agrees that the barn area will be open, available, and in condition for stabling at no charge to horsemen for at least three (3) days following TRACK's 2024 meet.

6.9 TRACK will maintain its racing surface in good condition for thoroughbred racing and training and agrees to promptly rectify any condition unsafe to race horses during the

meet. Golf courses controlled by TRACK shall be closed during racing operations. TRACK shall not conduct any activity on the racing surface hazardous to horsemen or horses.

6.10 TRACK agrees to wash or otherwise clean the racing colors or "silks" of owners with horses competing in the 2024 Meets. Such cleaning shall occur on the day that the silks are utilized or on the day immediately following their utilization. Such cleaning services will be provided at TRACK's expense, without right of reimbursement from CTT, the individual owners, and/or their trainers.

TRACK shall not allocate more than forty (40) stalls to any one trainer. Following allocation of stalls which shall not exceed forty (40) to any one trainer, should TRACK determine that the number of available stalls exceeds the number of qualified and eligible horses which have been allocated stalls, then and in that event, TRACK may allocate, on an equitable basis, up to fifty (50) stalls to any one trainer. The intent of this provision is to ensure fair and reasonable consideration of all applications by TRACK, so that no one trainer may be awarded in excess of forty (40) stalls until such time as all applications for stalls for eligible and qualified horses have been reviewed, considered, and stalls have been reasonably provided to those horses which have been determined to meet TRACK's eligibility and qualification requirements.

TRACK agrees that its stalls will be ready, available, and allocated, and the main TRACK will, with respect to the 2024 Meets, be open, available, and in condition for training at no charge to horsemen not less than 10 days prior to the opening day of the 2024 Meets.

VII.

DISPUTE RESOLUTION

This section refers to disputes arising from Section V, Stall Applications, and Section VI, Stall Assignments.

Following the execution of this Agreement, TRACK and CTT shall meet to establish a list of three qualified neutrals who may be called upon to become involved in resolving disputes which may arise under Section VI and Section VI of the Agreement. The decision(s) of any neutral so chosen shall be binding during the pendency of this dispute resolution process and any arbitration procedures following. If TRACK and CTT cannot agree on a neutral to resolve the dispute, a neutral shall be appointed by the California Horse Racing Board.

Any decision by TRACK to deny stalls to or to exclude any licensed trainer, during or immediately following the Stall Application process (other than on grounds of the quality and condition of the horses for which stall space is requested, and taking into consideration the character of the Meet contemplated to be held by TRACK and the horses suitable for the holding of such Meet, and availability of stall space) may not be arbitrary and/or capricious, and shall be based upon one or more of the following:

Back to Top

(a) Violation of a California Horse Racing Board medication rule involving a Class 1 through 3 drug substance where the decision is not based solely on CHRB rule 1887.

(b) Violation of a California Horse Racing Board rule resulting in an actual served suspension of 60 days or more.

(c) Repeated or egregious violations of Association rules where such rules have been agreed to by CTT.

(d) Criminal complaints alleging violations involving animal health and safety.

(e) Conduct which falls far below the prevailing standard of custom and care of thoroughbred race horse husbandry.

(f) Conduct which is detrimental to the integrity of horse racing or would interfere with the orderly conduct of horse racing.

(g) Conduct referenced in CHRB Rule 1980 and 1989 (a).

Prior to TRACK's enforcement of any decision to exclude any licensed trainer, or to withdraw or significantly modify stall allocations once made, TRACK shall inform the trainer and CTT of its decision and the basis for that decision. The agreement of CTT, which shall not unreasonably be withheld, shall be a condition precedent to any execution of a decision by TRACK to limit or eliminate Applicant's ability to participate in racing or training activities at TRACK or any auxiliary training facility.

If the subject trainer objects to an exclusion, withdrawal, or modification of stall assignments, that objection shall be lodged with both TRACK and CTT within 48 hours of TRACK's decision. TRACK, CTT, and the subject trainer shall then meet immediately, whether separately or together, to further evaluate the merit of TRACK's decision.

Should any dispute remain as to an exclusion, modification, or withdrawal of stall allocations once made, following the meeting(s) referenced above, a qualified neutral shall be drawn by lot of the list referenced above, to meet with the subject trainer, TRACK, and CTT, with all deliberate speed. At such pre-arbitration meeting, the neutral shall first attempt to facilitate a resolution of the dispute. If the dispute cannot be resolved, the neutral shall indicate at the conclusion of the meeting, based on the representations made, whether the TRACK or trainer is the prevailing party in the pre-arbitration proceeding.

Commencing with the date of TRACK's decision so to exclude any trainer, modify, or withdraw stall allocations once made, the affected trainer may continue to occupy allocated stalls and appurtenant facilities in accordance with applicable rules and procedures, until such time as the dispute has been resolved or the pre-arbitration meeting has determined TRACK to be the prevailing party. During such period between the date of TRACK's decision to exclude a trainer and the pre-arbitration meeting, the affected trainer will not be permitted to "work horses" in his

Back to Top

care as that term is commonly understood in Thoroughbred racing, or to enter horses in any races at TRACK.

If TRACK is the prevailing party, the trainer shall be entitled to proceed immediately to arbitration, and shall be suspended and/or excluded from participation in racing or training at TRACK or authorized auxiliary training facilities during the pendency of arbitration.

Should the trainer be the prevailing party, the TRACK shall be entitled to proceed immediately to arbitration, and the trainer shall not be suspended and/or excluded from participation in racing or training at TRACK or authorized auxiliary training facilities during the pendency of such arbitration that TRACK may pursue.

VIII. HOLDING (TRANSIT) BARN

TRACK agrees that it will regularly clean and maintain the Holding (Transit) barn used for horses shipping in to run at the 2024 Meets.

IX. FIRST POST TIME

All Post times for the 2024 Meets must be submitted for approval of the CHRB ın TRACK's initial application for license.

X. INTERRUPTED RACING SCHEDULES: FORCE MAJEURE

If TRACK for any reason beyond its control such as, but not limited to: an act of God; war; labor difficulties; strikes; order of any governmental authority directing cessation of racing; failure of TRACK to obtain the necessary racing license from the California Horse Racing Board; and/or destruction of the racing plant of TRACK by fire or other casualty shall be prevented from conducting one (1) or more days of scheduled thoroughbred racing, then sums otherwise payable by TRACK hereunder shall be proportionately reduced for each day that TRACK is prevented from operating.

XI. ACCESSIBILITY TO TRACK

TRACK agrees that at least one (1) gate will remain open twenty-four (24) hours daily permitting access to the backstretch for all licensed personnel. TRACK further agrees to permit all licensed personnel to use the designated parking area adjacent to said gate for purposes of parking personal vehicles, free of charge.

Back to Top

XII. ANTI-MONOPOLY PROVISION

TRACK acknowledges CTT's interest in assuring that horsemen will, during the 2024 Meets, have the opportunity to procure and receive supplies, services, utilities, transportation and other facilities required by the horsemen at a competitive cost or price usually available in a free enterprise marketplace. Accordingly, TRACK agrees not to limit this free enterprise system of competitive service and supply to the horsemen by means of TRACK entering into any agreement or otherwise seeking to establish or impose upon the horsemen a monopoly of restrictive servicemen or suppliers who would have exclusive access to the horsemen's needs or requirements.

CTT acknowledges that TRACK must provide, maintain and control reasonable access to and from TRACK property; security for persons and property; traffic regulation; and numerous other activities related to the racing industry. Accordingly, CTT agrees that TRACK may, for a reasonable and proper cause, restrict or prohibit any serviceman, supplier or vendor from having access to the grounds and the horsemen, provided that CTT will be given a minimum 24-hour prior written notice by TRACK that a particular serviceman, supplier or vendor will be denied further access or privileges to TRACK grounds or property. Notwithstanding anything to the contrary herein, horsemen shall have the right to use their own hot-walking machines or acquire hot-walking machines from any source they may determine.

XIII. CREDENTIALS

TRACK agrees to provide owner/trainer stickers or other appropriate credentials to all licensed personnel either employed on or with horses stabled on the grounds, at an authorized auxiliary stabling facility, or whose horse has competed or is scheduled to compete at the 2024 Meets. TRACK agrees also to provide two passes per trainer per day for trainers in possession of a valid CHRB license and to provide four passes for trainers with “horses in today to race”. Trainers may have access to Horsemen’s shuttle or tram provided by TRACK at any time that shuttle or tram is operating.

TRACK further agrees to issue to all CTT Board members, its President, Executive Director, General Counsel, Northern California Manager, Deputy Director, and members of the CTT Backstretch Employees’ Pension Administrative Committee and Edwin J. Gregson Foundation Board, VIP or "official" credentials for the 2024 Meets, including but not limited to, an "official" pin and Turf Club, or equivalent, guest pass. All other CTT authorized personnel, up to a maximum of five (5), shall receive an "official" pin.

XIV. TRAINING/STABLING/EMPLOYEE HOUSING FACILITIES

At all times during the 2024 Meets, TRACK will cause the main TRACK to be open at 6:00 A.M. and to remain open until 10:00 A.M., six days a week.

Back to Top

It is the intent of TRACK and CTT that the main track will be maintained by TRACK and be available for training six (6) days a week on each day horses are stabled at TRACK (except in the event of a water shortage or other unforeseen conditions of which TRACK has notified the CTT).

The parties hereto agree that they will work cooperatively in attempts to assess and correct conditions that affect the main track during the 2024 Meets and while the main track is open for training preceding and following the 2024 Meets. TRACK will inspect and screen, if necessary, all materials it adds to the racing surfaces and surrounding roads, barn areas, paths and hot walking areas for the presence of rocks and other materials that may injure horses.

It is agreed that maintenance and construction work will be restricted during training hours so as not to endanger horses and/or backstretch personnel. It is further agreed that the track and backstretch areas will be kept free of rocks and other injurious debris so long as practicable.

While acknowledging that it is impossible to keep surfaces free of all rocks, it is the intent of the parties that TRACK will use reasonable efforts to obtain and use materials on said surfaces that are free of rocks. In the absence of gross negligence, the TRACK shall not be liable for the presence of rocks.

TRACK shall maintain stabling and keep all stalls in good repair. Stalls shall be maintained in such condition that they are safe, useable and promote the safety and health of the horses, and that of people who work with and have other contact with horses.

TRACK shall provide, free of charge or rent, tackrooms suitable as living quarters in the barn area during the duration of each meet. If TRACK is unable to provide such living quarter tackrooms, then TRACK must provide, free of charge or rent, trailers and trailer space on the fairground premises for the backstretch workers in lieu of the living quarter tackrooms.

CTT will use its best efforts to inform trainers to comply with all federal, state, and local laws, rules, codes, and ordinances. Without limiting the generality of the foregoing, all feed must be properly stored at all times. TRACK shall make available to CTT the guidelines for proper feed storage and other governmental requirements related to the backstretch. CTT shall be responsible for disseminating the guidelines to its members. TRACK shall also provide to CTT, immediately upon receipt thereof, any governmental notice relating to any issue on the backstretch so that CTT may work with TRACK and/or trainer in addressing the issue. TRACK reserves all rights against an offending trainer in connection with any fine levied against TRACK by a governmental entity for the improper storage of feed.

TRACK agrees, on each day horses are stabled at TRACK to have available during all training hours a fully manned, licensed and operable ambulance for injured horses. TRACK agrees to maintain and keep clean the ambulance throughout the duration of the Meet. On all days horses are stabled at TRACK, TRACK shall maintain a fully manned, licensed, and operable ambulance on the premises during training and racing hours for injured persons, in each

Back to Top

case including a driver and at all times in compliance with any rule, regulation or directive of the CHRB with regards to ambulance service, staffing and/or emergency medical protocol.

TRACK agrees, while horses are stabled at TRACK during its 2024 Meets, to have a manned, operating starting gate for training on the main TRACK.

TRACK agrees to provide an official vet at offsite stabling sites at reasonable intervals to allow trainers to work horses for removal from Vet's List.

Without approval of the other party, neither party shall make any rules or enforce any conditions that differ from those established by the CHRB.

XV. BACKSTRETCH CAFETERIA

During the 2024 Meets, TRACK will cause to be kept open on every racing day a cafeteria located on the backstretch for the patronage and convenience of owners, trainers, and backstretch personnel. The cafeteria shall remain open from 6:00 A.M. until the conclusion of the last live race of the day and from 6:00 A.M. and 2:00 P.M. on non-racing days. Periodic closing for cleaning will apply on all days. TRACK will use all reasonable efforts to maintain the lowest possible pricing for trainers and their employees.

XVI. TRAINERS' PROPRIETARY RIGHTS

TRACK agrees that should it desire to utilize the name, image, or likeness of a particular trainer for a promotional or commercial purpose, other than the promotion of live racing or simulcasting, and wagering on the outcome thereof, e.g., the sale of merchandise bearing the name or likeness of a trainer, TRACK shall contact the individual trainer and obtain their consent, and if necessary and appropriate, reasonably compensate said trainer or trainers for the use of such name, image, or likeness.

TRACK and CTT agree that CTT shall have the right to place signs and/or logos of comparable size and design of Thoroughbred Owners of California (TOC) signs at or near the location provided to TOC for placement of signs and/or logos.

XVII. FIRE, DISASTER, AND GENERAL LIABILITY INSURANCE

TRACK agrees to acquire and pay the premium for a Fire and Disaster Insurance Policy, providing the same coverage or better than that previously obtained through the National Horsemen's Benevolent and Protective Fund. TRACK will, either independently or in conjunction with other racing associations, finance this program without right of reimbursement from any horsemen's organization, or individual owner or trainer. Said insurance is to be provided by a reputable insurance company selected by TRACK which, with certain limitations, protects the owners of horses against the loss of their race horses, tack, etc., due to fire or disaster. CTT and their respective members shall be named as a loss payee under such policy. CTT shall

Back to Top

receive a certificate of insurance, including endorsements, amendments, or any other provision or document evidencing or affecting coverage or liability limits. TRACK shall also obtain, under the same terms and conditions set forth herein, a General Liability Insurance Policy which is to name as an additional insured, and be for the benefit of the, CTT, and its member trainers and equine participants who race and/or participate in TRACK's meet at any time during the term of this Agreement.

The obtaining of a fire, disaster and general liability insurance policy by TRACK does not in any way preclude the individual owner or trainer from taking individual legal action against the TRACK that the owner or trainer deems appropriate, or to prevent the owner or trainer from seeking legal action against the TRACK directly as a consequence of any acts, conduct, negligence, or other occurrence attributable to TRACK.

The amount recovered by an owner under this insurance policy shall be credited as an offset to any liability of TRACK toward the recovery of such owner from TRACK.

XVIII. CTT COVENANTS

During the term of this Agreement and as long as TRACK is not in violation of the terms of this Agreement or of applicable law, CTT will not instigate, promote, encourage or engage in any boycott of any race or Race Meeting (except and in the event the TRACK is unsafe for racing) conducted by TRACK while this Agreement is in force and effect.

XIX. TRACK COVENANTS

During the term of this Agreement and as long as CTT is not in violation of the terms of this Agreement or of applicable law, TRACK shall recognize CTT as the official organization representing the trainers at TRACK's 2024 Meets and shall not participate in any action, claim or proceeding seeking the de-certification of the CTT as the official and exclusive representative of California thoroughbred trainers, nor will TRACK engage in a lockout of CTT members.

XX. MUTUALITY

TRACK and CTT represent to each other that they are mutually interested in the continuance, maintenance and improvement of thoroughbred racing in the State of California and, to that end, believe it most advisable and to their mutual best interests that any future differences of opinion between them with respect to the provisions hereof, the matters covered hereby or any other matter or thing pertaining to thoroughbred racing wherein both parties are interested, should be settled by them, without undue publicity, by negotiation and consultation. Each party will cooperate with the other to promote, foster and retain public good will toward thoroughbred racing by conducting racing on the highest possible plane through maintenance of the high standards of fairness, inclusion, communication, and honesty.

Back to Top

TRACK will notify and consult the CTT, and, whenever reasonable and possible, obtain the consent and approval of the CTT, whenever substantial changes are contemplated by TRACK and proposed with respect to TRACK racing facilities, racing surfaces, racing schedule, stall applications and applicants, or conditions affecting the backstretch. In the interest of promoting public good toward thoroughbred racing, TRACK will provide to CTT TRACK's application for racing license at least ten (10) calendar days prior to its submission to the California Horse Racing Board.

A Horsemen-Management Committee shall be created, composed of such members of the CTT as they may designate and administrative officials to be designated by TRACK. All matters concerning problems of the parties in regards to conditions of the racetrack, the backside, and the health, welfare and safety of the horses, the trainers or their employees, and stabling and vanning, will be referred to this committee in an effort to amicably and equitably adjust and resolve any problems which may arise. The parties herein shall prepare and agree to a monthly meeting schedule during which grievances and any other issues may be discussed and resolved. If each party notifies the other that no issues will be agendized for the upcoming monthly meeting, the parties may mutually cancel that monthly meeting. This Committee shall have no involvement in the issues arising under Sections V. and VI. above.

XXI. DEFAULT

The respective covenants herein contained are concurrent, and, and no party who is in default of this agreement shall have the right to enforce any covenant hereunder until said default has been cured. If any dispute shall arise hereunder, the prevailing party shall be entitled to its costs of suit, including a reasonable attorney's fee.

XXII. EXCHANGE WAGERING

TRACK agrees to consult with CTT prior to implementing or offering exchange wagering at TRACK during the term of this Agreement.

XXIII. TRACK SAFETY

TRACK agrees to provide, within reasonable time following its receipt, not to exceed 72 hours, or to otherwise make available to CTT for review, and to meet, on a mutually agreeable schedule during the 2024 Meets, with CTT representatives to discuss, information concerning the soil or material composition, construction and engineering of TRACK's main track surfaces, including without limitation to the extent they exist, track surface material laboratory analyses, consultant analyses, daily maintenance procedures and remediation recommendations. TRACK agrees to provide to CTT on an ongoing basis and as set forth above, any and all testing reports, data or recommendations done by, requested by and/or provided to TRACK or the California Horse Racing Board, so long as such testing reports, data or recommendations are in TRACK'S

Back to Top

or the California Horse Racing Board's possession, custody, or control. TRACK and CTT mutually agree to grant authorization to each other to obtain and have released any information regarding track testing reports, data or recommendation in the custody, possession or control of the California Horse Racing Board, each other, or other entity or party. CTT agrees to exercise its discretion regarding whether or not to disseminate any such reports received pursuant to this Agreement.

TRACK will make available all horse ambulance reports to CTT, as generated, or no later than on a weekly basis, during the TRACK's 2024 Meets.

23.2 No Assignment: This agreement shall not be assigned by any party without the prior written consent of the other party.

23.3 Agreement Replaces All Prior Agreements: This agreement supersedes and replaces all prior agreements between the parties named herein. This agreement may be modified or amended by a writing signed by all parties.

23.4 Attorney's Fees: If any action at law or equity, including an action for declaratory relief, is brought to enforce or interpret the provisions of this agreement, the prevailing party shall be entitled to a reasonable attorney's fee, which may be set by the court in the same action or in a separate action brought for that purpose, in addition to any other relief to which such party may be entitled.

23.5 Counterparts: This agreement may be executed in counterparts and each such executed counterpart shall be deemed an original. Execution by TRACK and any one or more parties shall be deemed a binding agreement as to those executing parties regardless of whether the remaining members have executed a counterpart.

CARF Member Fairs Furosemide Protocol

Furosemide (Lasix/Salix) may be administered on race day only if the horse is registered on the CHRB authorized bleeder medication list as provided for pursuant to 4 CCR 1845. If a horse is not registered on the CHRB authorized bleeder medication list, as provided pursuant to 4 CCR 1845 the horse may not receive furosemide on race day. The following rules shall govern the use of race day furosemide:

1. Race day furosemide shall only be administered by the furosemide veterinarian or furosemide technician. Any horse which receives race day furosemide from any person other than the furosemide veterinarian or furosemide technician shall be scratched from the race.

2. All horses that wish to be administered race day furosemide must be registered on the CHRB authorized bleeder medication list even if they have raced in other jurisdictions on race day furosemide.

3. The Stewards shall scratch a horse if they are unable to determine that a horse on the authorized bleeder medication list has been administered furosemide prior to a race, or that furosemide was administered to a horse less than four hours prior to the post time of a race that horse is entered to run.

4. Furosemide is the only authorized race day medication at a single IV dose between 150 mg-250 mg (3 cc to 5 cc). A horse registered to be administered furosemide shall receive 250 mg of furosemide intravenously unless an alternative dose of not less than 150 mg and not more than 250 mg has been determined after consultation between the trainer, owner, or owner's veterinarian, and the furosemide veterinarian.

5. A horse registered on the official authorized bleeder medication list must remain on the list unless the trainer or owner's veterinarian requests the horse be removed. The request must be made using the applicable CHRB form, and which must be submitted to the official veterinarian and approved prior to the time of entry. A horse removed from the authorized bleeder medication list may not be placed back on the list for a period of 60 calendar days unless the official veterinarian determines it is medically necessary for the horse. If a horse is removed from the authorized bleeder medication list a second time in a 365-day period, the horse may not be placed back on the list for a period of 90 calendar days.

6. Horses registered on the authorized bleeder medication list which run in jurisdictions that do not allow the use of furosemide on race day do not require re-registering upon returning to California. A horse registered on the CHRB authorized bleeder medication list must receive furosemide. Failure to receive furosemide while registered in the CHRB authorized bleeder medication shall result in the horse being scratched from the race.

Back to Top

Notwithstanding the generality of the foregoing, if CARF personnel announce an earlier time for posting the CHRB detention stall sign for any particular race day, all trainers shall be required to post the applicable CHRB detention stall sign at such earlier time.

9. As it relates to all horses that are entered to race on any given day and that are not stabled at a CARF Member Fair or have not arrived at a CARF Member Fair eight (8) hours prior to the post time of the race for which the horse is entered, the trainer shall post the applicable CHRB detention stall sign on the horse's stall at the off-site stabling facility no later than eight (8) hours prior to the post time of the race for which the horse is entered and at the stall at the appropriate CARF Member Fair that the horse will occupy when the horse is placed in the pre-race security stall. Notwithstanding the generality of the foregoing, if CARF Member Fairs personnel announce an earlier time for posting the CHRB detention stall sign for any particular race day, all trainers shall be required to post the applicable CHRB detention stall sign at such earlier time. All horses that are stabled at an off-site stabling facility must arrive at CARF Member Fairs no later than two (2) hours prior to post time of the first (1st) race of the day.

STAFF ANALYSIS

DISCUSSION AND ACTION BY THE BOARD REGARDING THE PROPOSED AMENDMENT OF CHRB RULE 1433, APPLICATION FOR LICENSE TO CONDUCT A HORSE RACING MEETING; RULE 1440, APPROVAL OF CONCESSIONAIRES; RULE 1440.5, LICENSING OF CONTRACTORS AND SUB-CONTRACTORS; RULE 2057, INITIAL APPLICATION AND APPROVAL OF A SIMULCAST FACILITY; RULE 2059, INITIAL APPLICATION AND APPROVAL OF A SIMULCAST ORGANIZATION; RULE 2066, APPLICATION FOR LICENSE TO OPERATE A MINISATELLITE WAGERING FACILITY; RULE 2071, LICENSE TO CONDUCT ADVANCE DEPOSIT WAGERING BY A CALIFORNIA APPLICANT; AND RULE 2072, APPROVAL TO CONDUCT ADVANCE DEPOSIT WAGERING BY AN OUT-OF-STATE APPLICANT, TO UPDATE APPLICATIONS USED BY VARIOUS ENTITIES FOR APPROVALS AND LICENSES ISSUED BY THE BOARD

Board Meeting
August 15, 2024

ISSUE:

The applications used by the various entities involved in horse racing and pari-mutuel wagering to obtain the necessary approvals and licenses issued by the California Horse Racing Board (Board) require updating and revision, either to incorporate regulatory provisions, better reflect the actual processes pertaining to statutory requirements, or correct technical errors and provide for clarity. Additionally, the rules governing these applications require amendment to account for the actual timelines involved in the processing of these applications, as well to implement the revised versions of these applications, which are incorporated by reference.

BACKGROUND:

Business and Professions Code (BPC) section 19420 provides that jurisdiction and supervision over meetings in California where horse races with wagering on their results are held or conducted, and over all persons or things having to do with the operation of such meetings, is vested in the Board. BPC section 19440 provides, in part, that the Board shall have all powers necessary and proper to enable it to carry out fully and effectually the purposes of Horse Racing Law and that responsibilities of the Board shall include, but not be limited to, adopting rules and regulations that protect and advance the health, safety, welfare, and aftercare of racehorses; adopting rules and regulations for the protection of the public and the control of horse racing and parimutuel wagering; and licensing of each racing association and all persons, other than the public at large, who participate in a horse racing meeting with parimutuel wagering. BPC section 19590 provides, in part, that the Board shall adopt rules governing, permitting, and regulating parimutuel wagering on horse races. BPC section 19605.25 provides, in part, that the Board may approve an additional 15 minisatellite wagering sites in each zone and, in adopting regulations to implement this section, shall minimize the expense to both the operator of the minisatellite facility and the host racetrack.

The various rules and applications pertaining to the entities involved in horse racing and pari-mutuel wagering were implemented across a wide timespan. For example, the rule governing simulcast wagering facilities became operative in 1988, and the application incorporated therein was last revised in 1991. Meanwhile, the rule governing minisatellite wagering facilities went into effect in 2009, with the associated application being last updated in 2022. Not surprisingly, notable inconsistencies exist in certain common provisions, such as the number of days within which the Board must notify an applicant of deficiencies contained in an application. Such provisions reflect the conditions that existed when they were implemented. In the case of the race meet applications, a provision requiring a horse ambulance during racing and training was omitted. Meanwhile, another provision shared among the applications requires the Board to approve or deny an application within 90 days of receipt. This can be problematic, as was recently illustrated when an applicant provided an application and supporting documentation but refused to pay the required application fee. Nevertheless, the Board packages for the application had to be prepared, along with a staff analysis, so that the Board could formally hear the matter and take action on it, only to deny it by default. These examples illustrate the need for revisions to the aforementioned rules and applications.

ANALYSIS:

The proposed regulatory action would amend Board Rule 1433, Application for License to Conduct a Horse Racing Meeting, to implement the proposed revisions to the Application for License to Conduct a Horse Racing Meeting, CHRB-17, and Application to Conduct a Horse Racing Meeting by a California Fair, CHRB-18, which are incorporated by reference. The proposed revisions to forms CHRB-17 and CHRB-18 would incorporate the requirement that an association or fair provide horse ambulance services during racing and training, which is set forth in subsection (b) of Board Rule 1468, Ambulance Service. The proposed amendment would also update the reference to the Personal History Record, CHRB-25A, which is incorporated by reference, to reflect the proposed revised version of the Personal History Record, which will be described below.

The proposed amendment to Board Rule 1440, Approval of Concessionaires, would clarify the renewal process and the term of the approval and eliminate the reference to the Application for License/Contractor or Sub-contractor, Application for Approval/Concessionaire, CHRB-87, which is currently incorporated by reference. Instead, the rule would be amended to incorporate by reference the proposed revisions to CHRB-87, including changing the form title to Application for Approval as a Concessionaire. The proposed revisions to form CHRB-87 would retain all content pertaining to the concessionaire approval. However, the proposed revisions would incorporate formatting to provide for ease of electronic submission and to meet accessibility requirements. The proposed revisions to CHRB-87 will also help avoid confusion, as concessionaires and contractors must meet different requirements and, accordingly, should complete separate applications.

The proposed amendment to Board Rule 1440.5, Licensing of Contractors and Sub-contractors, would clarify the license term and renewal process; expand the review period, during which the Board must determine all application deficiencies and notify the applicant, from 14 to 30 days to account for staff workload and for consistency with other applications; set a one-year time limit for the completion of an application; and require the Board to approve or deny an application within 60 days of it being deemed complete. The proposed amendment would also eliminate the reference to the Application for License/Contractor or Sub-contractor, Application for Approval/Concessionaire, CHRB-87, which is currently incorporated by reference. Instead, the rule would be amended to incorporate by reference the proposed new Application for License as a Contractor or Sub-contractor, CHRB-86. The proposed form CHRB-86 would retain all content from the form CHRB-87 pertaining to the contractor license. However, the CHRB-86 would be formatted to provide for ease of electronic submission and to meet accessibility requirements. The CHRB-86 will help avoid confusion, as contractors and concessionaires must meet different requirements and, accordingly, should complete separate applications.

The proposed amendment to Board Rule 2057, Initial Application and Approval of a Simulcast Facility, would expand the review period, during which the Board must determine all application deficiencies and notify the applicant, from 14 to 30 days to account for staff workload and for consistency with other applications; set a one-year time limit for the completion of an application; require the Board to approve or deny an application within 60 days of it being deemed complete; stipulate that, subsequent to the issuance of a license pursuant to the rule, changes to information in the application will be permitted by order of the Board or Board approval of a written request from the applicant; establish a five-year license term; and institute a nonrefundable $500 application fee to cover the Board's administrative costs for processing, review, investigation, and other tasks related to the application. The proposed amendment would also update the reference to the Personal History Record, CHRB-25A, which is incorporated by reference, to reflect the proposed revised version of the Personal History Record. Additionally, the proposed amendment would update the references to the Application for Authorization to Operate a Simulcast Wagering Facility, CHRB-25, to incorporate the proposed revised version of the application. The proposed revised application would provide notice to the applicant of a five-year license term; include instructions for the full disclosure statement, which is currently required for certain applicants; reformat the application to provide for ease of electronic submission and meet accessibility requirements; and add language requesting a check for the $500 application fee.

The proposed amendment to Board Rule 2059, Initial Application and Approval of a Simulcast Organization, would expand the review period, during which the Board must determine all application deficiencies and notify the applicant, from 14 to 30 days to account for staff workload and for consistency with other applications; set a one-year time limit for the completion of an application; and require the Board to approve or deny an application within 60 days of it being deemed complete. The proposed amendment would also update the reference to the Application for Approval to Operate a Simulcast

Organization, CHRB-34, which is incorporated by reference, to implement the proposed revised version of the application. The proposed revised application is formatted to allow for ease of electronic submission, to meet accessibility requirements, and for consistency with other applications.

The proposed amendment to Board Rule 2066, Application for License to Operate a Minisatellite Wagering Facility, would set a one-year time limit for the completion of an application and require the Board to approve or deny an application within 60 days of it being deemed complete. The proposed amendment would also update the reference to the Personal History Record, CHRB-25A, which is incorporated by reference, to implement the proposed revised version of the Personal History Record.

The proposed amendments to Board Rule 2071, License to Conduct Advance Deposit Wagering by a California Applicant, and Board Rule 2072, Approval to Conduct Advance Deposit Wagering by an Out-of-State Applicant, would set a one-year time limit for the completion of an application and require the Board to approve or deny an application within 60 days of it being deemed complete. The proposed amendments would also update the references to the Application for License to Conduct Advance Deposit Wagering, CHRB-132, and the Application For Approval to Conduct Advance Deposit Wagering, CHRB-133, which are incorporated by reference into Board Rule 2071 and Board Rule 2072, respectively, to implement the proposed revised versions of the applications. The proposed revised applications will eliminate the language asking for the agreement that allows the applicant to accept wagers on races conducted by a particular racing association or fair, along with the appropriate horsemen's approval, and replace it with language requesting the hub agreement with the racing association or fair and/or the appropriate horsemen's organization that allows the applicant to accept wagers from California residents on races conducted outside of California for a particular breed. This is necessary, as the association or fair is responsible for submitting the former agreement with its race meet application, whereas the applicant must submit the latter agreement as part of its advance deposit wagering application.

The proposed revision to the Personal History Record, CHRB-25A, would update the form for consistency with the personal history statements currently used by the Board's enforcement division to obtain the information necessary to conduct its background investigations.

The proposed regulatory action would also make non-substantive technical edits to the aforementioned rules and applications.

UPDATE:

The originally proposed text was noticed to the public on January 19, 2024, and the 45-day comment period ended on March 4, 2024. No public comments were received during the 45-day comment period, and no public hearing was requested. The final rulemaking package was submitted to the Office of Administrative Law (OAL) on March 6, 2024. OAL informed the Board of clarity issues that required revision to the proposed regulatory text,

as well as a technical error that needed correction. The proposed addition of subsection (d) to Board Rule 1440 and proposed addition of subsections (f) and (g) to Board Rule 2057, along with the proposed amendment of subsections (a) and (a)(11) of Board Rule 2057, have been modified to address these issues. Notably, the proposed $500 application fee in Board Rule 2057 was removed for consistency with the other horse racing industry entity licensing applications. Only the Application for License to Operate a Minisatellite Wagering Facility, CHRB-228, which is incorporated by reference in Board Rule 2066, requires a $500 application fee. However, the $500 fee for the CHRB-228 was instituted to deter the filing of frivolous applications, not to recoup administrative costs. Additionally, the Board has made further changes to the forms CHRB-17 and CHRB-18. The forms CHRB-17 and CHRB-18 have been modified to revise the purse distribution information required, and to require purse account information, under the Purse Program section. These changes will provide for better understanding of the purse program data and aid in decision-making.

A copy of the full text of the regulations with the proposed changes indicated is attached. Additions to the originally proposed text appear in double underline, and deletions are shown in ~~double strikethrough~~.

STAFF ANALYSIS
DISCUSSION AND ACTION BY THE BOARD REGARDING THE PROPOSED AMENDMENT OF CHRB RULE 1634, CLAIMING OPTION ENTRY; RULE 1656, ERRORS WHICH INVALIDATE CLAIM; AND RULE 1658, VESTING OF TITLE TO CLAIMED HORSE; TO ALIGN WITH FEDERAL REGULATIONS REGARDING CLAIMING RACES

Board Meeting
August 15, 2024

ISSUE:

The Horseracing Integrity and Safety Authority (HISA) recently amended its Federal regulations pertaining to claiming races. To maintain consistency with the Federal regulations, the California Horse Racing Board (Board) seeks to amend Board Rule 1634, Claiming Option Entry; Board Rule 1656, Errors Which Invalidate Claim; and Board Rule 1658, Vesting of Title to Claimed Horse.

BACKGROUND:

Business and Professions Code (BPC) section 19420 provides that jurisdiction and supervision over meetings in California where horse races with wagering on their results are held or conducted, and over all persons or things having to do with the operation of such meetings, is vested in the Board.

BPC section 19440 provides, in part, that the Board shall have all powers necessary and proper to enable it to carry out fully and effectually the purposes of Horse Racing Law and that the Board's responsibilities shall include, but not be limited to, adopting rules and regulations for the protection of the public and the control of horse racing and parimutuel wagering.

BPC section 19562 provides that the Board may prescribe rules, regulations, and conditions, consistent with the provisions of Horse Racing Law, under which all horse races with wagering on their results shall be conducted in California.

The Horseracing Integrity and Safety Act of the 2021 Consolidated Appropriations Act created HISA as a private, self-regulatory organization. HISA must develop rules related to horseracing, including anti-doping, medication control, and racetrack safety rules. The Federal Trade Commission (FTC) is given broad oversight over HISA. The FTC, after providing an opportunity for public comment, must approve or disapprove any rule proposed by HISA.

ANALYSIS:

Currently, Board Rule 1634 allows the owner, at the time of entry into a claiming race, to declare a horse ineligible to be claimed if it has been laid off and has not started for a minimum of 180 days since its last start, and the horse is entered for a claiming price

not less than the price at which it last started. The proposed regulatory action will amend Board Rule 1634 to align with HISA Rule 2263, Waiver Claiming Option, by reducing the minimum number of days required since the last start from 180 to 120. Additionally, for consistency with HISA Rule 2263, Board Rule 1634 will be amended to allow for ineligibility to apply to a second consecutive start following each such layoff, instead of only the first start, provided that certain conditions are met.

Board Rule 1656 will be amended to update the reference to the claim form, CHRB-11 Agreement to Claim, to reflect the latest version of the form, which is explained below. Also, a non-substantive, technical edit will be made to the title of the rule.

Subsection (c) of Board Rule 1658 currently stipulates that the stewards shall not void a claim if the claimant elects to claim the horse regardless of whether the racing or official veterinarian determines the horse will be placed on the Veterinarian's List as unsound or lame, and subsection (c)(1) requires that the election made under subsection (c) be entered on the CHRB-11 Agreement to Claim. The proposed regulatory action will amend subsection (b)(2)(A) of Board Rule 1658 to include the term "epistaxis," which has the same meaning as "bled" and is used in the HISA rule. The proposed regulatory action also will amend subsection (c) of Board Rule 1658 to align with subsection (f) of HISA Rule 2262, Void Claim, by adding "bled" as one of the reasons for placement on the Veterinarian's List as it relates to subsection (c). Additionally, the reference to the form CHRB-11 Agreement to Claim will be updated to reflect the latest version of the form, which has been revised to include "bled/epistaxis" for consistency with the changes to subsections (b)(2)(A) and (c) of Board Rule 1658. Non-substantive, technical edits will also be made to the Board rule and claim form.

RECOMMENDATION:

This item is presented for Board discussion and action.

STAFF ANALYSIS
DISCUSSION AND ACTION BY THE BOARD ON THE PROPOSED AMENDMENT TO CHRB RULE 1497, CONFIDENTIALITY OF APPLICATIONS, AND CHRB RULE 1548, RULINGS BY THE STEWARDS, TO ALIGN WITH CURRENT PRACTICES REGARDING THE CONFIDENTIALITY OF INFORMATION AND COMPLY WITH THE INFORMATION PRACTICES ACT.

Board Meeting
August 15, 2024

ISSUE:

California Horse Racing Board (Board) Rule 1497, Confidentiality of Applications, and Board Rule 1548, Rulings by the Stewards, do not align with current Board practices regarding the confidentiality of information contained on an application or in rulings or orders issued by stewards. Therefore, the Board seeks to amend Board Rules 1497 and 1548 to align with current practices and comply with the Information Practices Act.

BACKGROUND:

Business and Professions Code (BPC) section 19420 provides that jurisdiction and supervision over meetings in California where horse races with wagering on their results are held or conducted, and over all persons or things having to do with the operation of such meetings, is vested in the Board. BPC section 19435 provides that the Board, its executive director, or the stewards, may issue subpoenas for the attendance of witnesses or the production of any records, books, memoranda, documents, or other papers or things, as is necessary to enable any of them to effectually discharge their duties, and may administer oaths or affirmations as necessary in connection therewith. BPC section 19440 provides that the Board shall have all powers necessary and proper to enable it to carry out fully and effectually the purposes of Horse Racing Law, whereby the responsibilities of the Board shall include, but not be limited to, adopting rules and regulations that protect and advance the health, safety, welfare, and aftercare of racehorses. BPC section 19460 provides that all licenses are subject to all rules, regulations, and conditions prescribed by the Board. BPC section 19466 provides that the Board shall maintain a current listing of its temporary and permanent licensees and shall include therein identifying information as to each licensee and the address of record. The Board may provide a copy of the listing in the form requested by any federal, state, county, or municipal authority or racing jurisdiction. Civil Code section 1978.61, subsection (a), states that nothing prohibits the release of only names and addresses of licensees.

ANALYSIS:

The proposed regulatory action would amend Board Rule 1497 to align with current practices and information regarding confidentiality provided on the CHRB-4, Application for License, form. It would specify the parameters in which information contained on an application would be considered confidential in compliance with the Information Practices

Act. The proposed regulatory action would also amend Board Rule 1548 to align with the current practice of not including social security numbers in rulings or orders issued by the stewards.

RECOMMENDATION:

This item is presented for Board discussion and action.

STAFF ANALYSIS

Discussion and action by the Board regarding the request for approval of the nominated members to the Board of Directors of the California Thoroughbred Horsemen's Foundation, Inc., pursuant to CHRB Rule 2049(a), Designation and Approval of Horsemen's Welfare Fund

Board Meeting
August 15, 2024

ISSUE:

Pursuant to California Horse Racing Board (Board) Rule 2049, Designation and Approval of Horsemen's Welfare Fund, the California Thoroughbred Horsemen's Foundation, Inc. (CTHF) requested Board approval of the nominated members to its Board of Directors.

BACKGROUND:

Business and Professions Code (BPC) section 19440 provides that the Board shall have all powers necessary and proper for it to carry out the purposes of the Horse Racing Law. BPC section 19641 states that any redistributable money in a pari-mutuel pool subject to payment to a claimant pursuant to BPC section 19598, but not successfully claimed within that period, shall be paid as specified and an estimated payment equal to 20 percent of the preceding year's unclaimed redistributable money shall be distributed to the welfare fund as specified.

Board Rule 2049, Designation and Approval of Horsemen's Welfare Fund, sets forth the requirements for the establishment and designation of a charitable corporation to administer the horsemen's welfare fund for the benefit of horsemen. Board Rule 2049 requires that the charitable corporation have a minimum of five and a maximum of eleven directors who are subject to Board approval. The charitable corporation shall select at least one director or trustee without financial interest in horse racing pursuant to BPC section 19641.2(c).

The CTHF is a self-administered charitable program dedicated to assisting financial needy backstretch workers and their primary dependents. The CTHF offers medical and dental care, prescriptions, eye testing and glasses, financial aid, social programs, free clothing, and household items. The CTHF also provides services and support through the California Thoroughbred Trainers (CTT), the Winners Foundation, and the Chaplaincy program. The CTHF is regulated by the Board and is funded principally through the receipt of unclaimed winning pari-mutuel ticket revenues and a share of Advance Deposit Wagering (ADW) receipts. Additionally, donations and support are received from thoroughbred tracks, the Thoroughbred Owners of California (TOC), and individual donors.

ANALYSIS:

The CTHF nominated three individuals for open board member positions. The following individuals, all returning directors, were re-elected for a three-year term expiring on June 30, 2027.

Thomas R. Bell
Damascus Castellanos
Josh Rubinstein

Approval of the nominations keeps the CTHF board at a total of ten members, which is within the range of directors permitted under Board Rule 2049.

In accordance with Board Rule 2049, subsection (a), the nominations are submitted to the Board for approval.

This item is presented for Board discussion and action.

Dear Scott:

CHRB Rule 2049 (a) requires our foundation to gain approval of the CHRB for directors elected to our board, whether serving another term, or new directors to our board.

During the recent June Board of Directors' meeting of the California Thoroughbred Horsemen's Foundation, Inc., nominations were held for open board member positions. The following individuals, all returning directors, were elected for a three-year term, expiring June 30, 2027.

Thomas R. Bell (returning board member) better known as "Ray" has been involved in the Thoroughbred Industry as a trainer, owner and breeder for most of his life. He also currently serves as a board member of the California Thoroughbred Trainers. Ray's father and grandfather were also heavily involved in the industry — his grandfather's participation dating back to when Del Mar originally opened in the late 1930's. Ray has seen the benefits the CTHF offers to his employees, and all backstretch workers, and is pleased to be able to represent his fellow stable workers with a seat on the CTHF board.

Damascus Castellanos (returning board member). As the labor representative on the CTHF board, Damascus has seen the passion his members have for the racing industry, given many of them come from families steeped in California racing's history. His passion has been contagious, and Damascus now brings that passion not only over to the backstretch community, but also as a Commissioner on the California Horse Racing Board.

Back to Top

Josh Rubinstein (returning board member). Josh is President and Chief Operating Officer of the Del Mar Thoroughbred Club. He serves on several Industry committees and boards including the National Thoroughbred Racing Association (NTRA), the Thoroughbred Racing Association (TRA), and Southern California Off-Track Wagering Inc. (SCOTWINC).

These nominations keep our board at a total of ten members, within the scope of the number allowed by CHRB Rule. (maximum of eleven) Pursuant to Rule 2049 (a) of the California Horse Racing Board Rules and Regulations, the nominations are submitted to the CHRB for approval at a public meeting of the CHRB's choice.

Thank you for your consideration.

Best regards,

Jordyn Egan

GGF CLOSURE & WORKER TRANSITION

REPORT

Introduction

On July 16, 2023 The Stronach Group announced that it will close Golden Gate Fields (GGF) at the end of the 2023 race meet. The barn closure date was extended to June 19th, 2024 with the last race day scheduled for June 9th, 2024. GGF, which opened in 1941 on the Berkeley-Albany border, has served as the region's only major track since then. GGF had more than 400 workers, including 255-plus who lived on site, to care for nearly 1,000 horses.

With the announcement of the planned closure of GGF, the California Horse Racing Board (CHRB) released a statement saying it is committed to working with all racing stakeholders and the public to determine the best path forward for racing in Northern California. Assessing and addressing the needs of workers through this transition became a major priority of the CHRB. Vice Chair Oscar Gonzales along with CHRB staff Cynthia Alameda and Scott Chaney led a process that prioritized the needs of back stretch workers. This included coordinating weekly meetings between major industry stakeholders at both GGF and Pleasanton to respond to the needs of workers through the transition.

Holistic Strategies (HS) was contracted by the CHRB to assist in creating a smooth transition for licensees from GGF to Pleasanton and/or other race tracks. We worked with those on the ground including the Race Track Chaplaincy of America Associate Pastor, Rob Cochran, and CA. Thoroughbred Trainers (CTT) Representative, Bill Patterson to communicate with and engage backstretch workers and their families in transition related actions. HS lead consultant Oscar de la Torre joined weekly meetings with industry stakeholders organized by the CHRB to monitor the progress of the closure of GGF and the transition of backstretch workers out of GGF.

The HS team worked on the ground in GGF prior to the closure with several organizations and agencies to coordinate a worker townhall to provide information and key dates related to the closure of GGF, understand worker's concerns regarding the transition from GGF to Pleasanton Racetrack and answer questions regarding enrollment requirements for Pleasanton Unified School District (PUSD). Following the townhall the HS team joined the representative from CTT Bill Patterson and GGF Assoc. Pastor Rob Cochran in conducting a sample survey of 49 backstretch workers to identify their concerns and needs. The survey was done in-person and via telephone.

In this final report we highlight and document the collaboration that took place regarding the closure of Golden Gate Fields and actions taken to ensure a smooth transition for backstretch workers from GGF to the Pleasanton Racetrack.

Worker Townhall

On May 6th worker outreach at Golden Gate Fields (GGF) moved into high gear. Working with Rob Cochran, Bill Patterson and Pedro Muniz the HS team focused on providing pertinent information to workers regarding the transition out of GGF. Our first engagement occurred during the Monday morning food relief program organized by Rob Cochran and his team of volunteers. We provided more than 300 pounds of fresh produce and groceries to 25-30 workers and their families. This allowed us to connect with workers, make introductions and gather information from the surveys we administered.

The HS team met with CTT Representative Bill Patterson to assess the needs of Trainers. It was determined that each trainer were required to turn in Pleasanton Stall Application the first week of May in order to learn how many stalls and tack rooms they would be allotted. Any groom that was interested in possibly acquiring a space in the PLN RV Park at a reduced rental rate needed to turn an application in to the CTT or Chaplaincy by May 15th so that CARF would have an idea of how many spaces they would have to reserve. It was decided by the stakeholders on the ground that the most effective approach to centralize communication and answer any questions workers might have, is to organize a worker townhall in the GGF Recreation Center.

In preparation for the worker townhall the HS team created fliers and visited each barn in the stable area to meet with workers and encourage their participation. We made good use of the PA system to spread the word regarding our upcoming meeting.

Approximately 62 workers and trainers attended the townhall meeting on May 9th

Worker Townhall

Providing resources and information on key dates related to the GGF Closure

The GGF Worker Meeting was organized at the GGF Recreation Center from 11-12:30 on May 9th. Our sign-in sheet documented 49 sign-ins with 62 participants in total. Through our surveying process, we also attained approval from workers to communicate with them via text and phone calls.

The GGF Worker Townhall was a success! Speakers included Bill Patterson from CTT, Rob Cochran from the GGF Chaplains office and Oscar de la Torre, CHRB consultant. Everyone in attendance received information sheets in Spanish/English on the most pressing topics: 1. Securing Housing, 2. Medical Services and 3. Enrolling Students in Pleasanton USD. We explained in detail the GGF move-out and Pleasanton move-in timelines, how to apply for an RV space, how to apply for financial support to purchase an RV, steps to enroll student aged children in Pleasanton USD schools and how to access medical services in Pleasanton. Grooms were told to discuss possible financial aid with their employers, as some trainers had stated they would be willing to explore ways to monetarily help their staff with the costs of the transition.

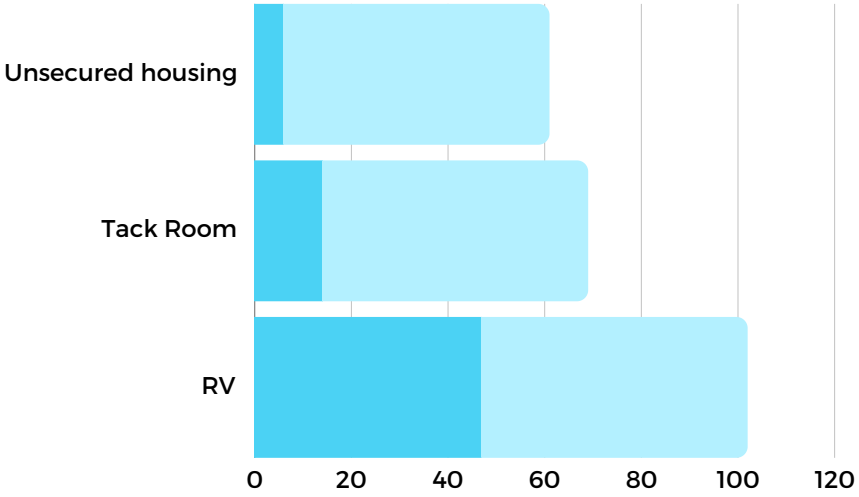
We also reached out to the Pleasanton Unified School District (PUSD) to identify the main contact that can assist backstretch workers and their families in enrolling their children in school. As part of the transition, many of the backstretch workers from GGF had to begin the process of enrolling their children in PUSD which required establishing residency and coordinating documentation transfers from each student's home school. The PUSD contact along with enrollment requirements were provided to workers at the townhall and via text as part of a follow up process we established with workers.

Worker Survey

The sample survey was prioritized for workers with children. The survey was conducted in-person and by telephone. In total 49 surveys were collected. The survey helped in identifying how many backstretch workers have a spouse working in the horseracing industry, how many school-aged children they have, if they secured a job in the horseracing industry and if they secured housing.

Housing

The sample survey identified how many workers secured housing in the transition



7 Backstretch workers opted to secure a tack room

25 Backstretch workers secured RVs in Pleasanton Trailer Park

Education

The data from our sample survey demonstrates that a large percentage of workers have spouses are part of backstretch workforce and are raising families.

- 65% - of the workers surveyed have spouses that are also part of the backstretch workforce
- 53% - of the workers surveyed have school-aged children
- 4% - of the workers surveyed have children with special needs

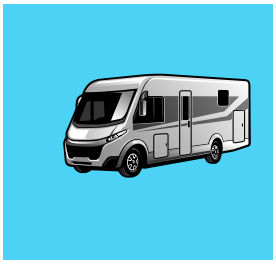
More than half of the workers surveyed have school-aged children that will transfer primarily to Pleasanton USD

Transition Outcomes

The most pressing issues for workers is securing employment and housing. Both of these issues are dependent on trainers deciding on their stable/facility and staffing needs. For those transitioning to Pleasanton, the most affordable option seems to be the purchase of a functional RV, which many seem to favor but are concerned about the cost. The Joe Brook Trust does have some funding to support workers in purchasing an RV but these funds are limited. It would be helpful at this point if funding could be infused into the The Joe Brook Trust to support workers in purchasing an RV.

JOBS

Although the vast majority of the GGF backstretch workers followed their trainers to either Pleasanton or Sacramento (open until July 31 until returning to Pleasanton), some went to Washington, Kentucky or SoCal to work for other outfits. A handful retired as GGF got closer to shutting down, a few returned to Mexico and there were some that left the Horse Racing Industry altogether.



HOUSING

Twenty-seven applicants (a combination of families, couples and single workers) have received partial reimbursement from The Joe Brook Trust for their trailer purchases to the tune of $125,000.

EDUCATION

The vast majority of the school-aged children have enrolled or are in process to enroll in the Pleasanton USD. Staff at Pleasanton USD were connected with families planning to transfer their children to PUSD.

Conclusion

The closure of Golden Gate Fields impacted hundreds of workers and their families. In addition, the CTT and Chaplaincy have assisted backstretch workers in completing their applications for financial assistance. As a result, 25 families/individuals have received close to $125,000 in RV reimbursements from the Joe Brook Trust. This affordable housing was made in conjunction with Alameda County Fairgrounds, which set aside RV lot spaces for the backside community along with CARF, which helped subsidize the cost of the spaces so a lower monthly rent would be made available to assist in the housing costs.

Working and collaborating with industry stakeholders we were able to bring workers together and provide them with key dates regarding the closure of GGF along with vital information related to their new jobs, housing and the continued public education of their children. In addition, through the support of the CTT and the Joe Brook Trust workers received so far close to $125,000 in reimbursements for the purchase of an RV that will provide affordable housing at Pleasanton. Moreover, all of the health related services workers depend on are being provided though the California Thoroughbred Horsemen's Foundation (CTHF), and its contracted partner Axis Community Health in Pleasanton.

This collaborative approach, engaging major stakeholders and service providers consistently, can serve as a best practice within the industry and serves as a model for other industries facing major lay-offs. Meeting with workers directly, translating documents and providing them multiple avenues to have their questions answered assisted in reducing the anxiety brought on by the transition and displacement. After holding over 2 months of weekly Zoom conferences, the CHRB's decision to continue with bi-weekly meetings also provides a continuum of stakeholder coordination, feedback and support that will assist workers in settling in to their new homes and work environment. Finally, by prioritizing the needs of working families during this transition we ensured that children were connected to school services and that workers continued to receive medical or other social services that are essential for the well being of themselves and their families.

Acknowledgements

The stakeholders responsible for a smooth transition include the following organizations, foundations and institutions; CHRB, Alan Balch and Bill Patterson from CA. Thoroughbred Trainers, Jordyn Egan from California Thoroughbred Horsemen's Foundation (CTHF), the Race Track Chaplaincy of America Associate Pastor, Rob Cochran and Dan Waits, Joe Brook Trust, Jerome Hoban and Tiffany Loushin from Pleasanton Race Track, Larry Swartzlander and Tom "Bomber" Doutrich from CA Authority of Racing Fairs, Darin Schareer and Omar Lizarraga from Winners Foundation Pleasanton Unified School District

We thank you for your leadership in securing a smooth transition for backstretch workers.
