Hon. Oscar Gonzales
Chair, Racing Dates Committee
California Horse Racing Board
1010 Hurley Way, Suite 300
Sacramento, CA 95825

Dear Chairman Gonzales,

Prior to 2018, Sonoma County Fair was allocated three weeks of racing during the summer fair circuit. For 2023, we propose the return of our third week of racing. Our meet would begin on July 26th and end on August 15th (see attached calendar). The first week's racing would run concurrent with livestock shows and festival entertainment, and the final two weeks of racing would run with the full fair.

We have argued for an additional week of racing for a number of years, without success. We believe that our arguments are sound, and that they worth making again.

- Our on-track attendance and handle have consistently been higher than those in Sacramento. This year we had an on-track attendance increase of 17.6% over our last fair meet in 2019. Sonoma County residents continue to support live racing. Strong attendance is important in creating new race fans, which has always been a goal of the racing fairs.
- On average, Sonoma County Fair generates higher purses than any other fair. We feel that a three week meet will further strengthen purse generation and allow us to continue to pay some of the highest purses in the fair circuit.
- The Sonoma County Fair made a significant investment in Fair racing by installing a turf course; the only one in the Northern California fair racing circuit. To ensure the utmost safety of our horses and jockeys, we have added a new state-of-the-art Duralock turf rail. A three week meet will help Santa Rosa continue to fund facility improvements and maintain its level of excellence.
- The horsemen have expressed to management that they would like to run for three weeks again in Santa Rosa. More specifically, they have commented on the excellent condition and safety of both our dirt and turf surfaces, the quality of facility accommodations, and the temperate climate that is more like that of Golden Gate Fields.

Chair, Racing Dates Committee
California Horse Racing Board

And finally, it is our understanding that Golden Gate Fields will again close for a portion of the summer in 2023. Sonoma County Fair would be interested in looking at the feasibility of opening as a second stabling and training facility.

Sincerely,

Rebecca Bartling

**Re: Humboldt County Fair Plea to End Overlap Race Dates in 2023,
for our 127th year of Hosting Live Racing**

Dear Members of the Racing Dates Committee:

On behalf of the people of Humboldt County, the live racing fans of Northern California and for the betterment of the sport, we respectfully request that 2023 be the year that the CHRB recognizes two inescapable realities:

1. Declining horse populations cannot support two venues running at the same time in the same region, and;
2. Given rising costs and need to offer competitive purse structures, no live race meet in California can self-sustain without host status commissions and the corresponding contributions toward purses.

Overlap Targets HCF by Luring Horses Competing on Fair Circuit.

During the overlapped weekend, GGF ran 158 horses that had previously made a start. Of those, 137 had run their last race on the Fair Circuit. Those horses comprised 87% of the GGF entries during the overlapped week and raced at other fairs but bypassed HCF due to the overlap.

As a result, HCF had 14 races with 4 horses, twice as many as 2021. Four horse fields eliminate handle for exotic and show wagers. Racing without overlap would increase the number of horses migrating to HCF and reduce small field sizes.

Humboldt remains an important gateway for new owners, trainers, and horses from Oregon and those new to the sport. Eclipse award winning owners (Allen Aldrich) and breeders (Steve Coburn) started out at the HCF and remain staunch supporters. Nationally prominent track announcers Frank Mirahmadi and Chris Griffin honed their craft from the Ferndale announcer's booth.

Live Racing Fosters New Fans, Owners, and Interest in the Sport.

Our HCF published attendance numbers for overlapped Saturday, August 28, 2022, were 5,016 (see attached chart). There were over 7,000 paid admissions and an additional 2,500 in VIP Pass Admissions. The fans overflowed and the energy was palpable.

That same GGF day, August 28, 2022, their published attendance was 807 (see attached chart).

On the overlapped Sunday, August 29, 2022, our HCF attendance was listed as "unavailable". However, the stands were again overflowing, the 9-race card was exciting to all in attendance. Handle was up nearly 70% from the day before (see attached chart).

For the three days of overlap GGF had published attendance of 351 (8/26/22), 807 (8/27/22) and 510 (8/28/22) for a total of 1,668 for three days. HCF eclipsed that cumulative attendance number each and every day, separately, during the overlap period.

It is compelling to look at the attached pictures from the live racing at the HCF during the overlap period in contrast to live pictures of the lack of crowd at GGF during the overlap (see attached photos).

Financial Necessity Mandates All Meets Race Without Overlap.

All other meets in the State race without any overlap in their region. Costs of conducting live racing, labor, insurance, maintenance, and insurance continue to rise.

CARF expenses to HCF are the same as they are to Alameda, Fresno and Sacramento Fairs. There is no relief from those expenses during our week with overlap.

AB 763 monies are insufficient to put a dent in those costs.

Every other California race meet relies on host status to cover those expenses.

This 127-year-old tradition needs to be perpetuated and deserves your consideration for having both weeks without overlap. The community is sustained by the fair related revenue and racing fans, new and old alike, and the region should not be left without a live racing venue.

In Mitigation, GGF Now has the Most Lucrative Betting Weekend of the Summer.

Beginning in 2022, Del Mar moved its Pacific Classic weekend to Labor Day, a weekend when GGF races without overlap. Previously the Pacific Classic was during the HCF meet. This should make up for any revenue lost by GGF for no longer sharing a week with HCF.

The Community Has Been Tenacious about Sustaining Live Racing and their Facility.

Live racing is vital to the Humboldt County economy. Sponsors, racing fans and individuals raised well over \$80,000 through the Ferndale Jockey Club and other fund-raising efforts to make up for their losses in conducting a live meet with overlap. Those monies were invested in assisting trainers with horse transportation, licensing, insurance, and racing incentives to supplement the fair horses electing to run at GGF during the overlap.

This locally sponsored fund contributed \$7,000 for a quarter horse stakes race, \$2,000 for each maiden race and \$2,000 for a non-winner in 2022 race. Attending horsemen, and their staff were treated to a fish fry, BBQ and received VIP status allowing them to feast on a lavish spread provided each race day in a designated VIP area.

The track, once again, was in impeccable condition, with no break down or incidents. Investments have been made to improve the stables, paddock, Winner's Circle, safety railings, and other improvements to ensure the quality of the facility going forward.

This should be the year that the CHRB takes the appropriate step of allowing HCF two weeks without overlap and with host status. The HCF cannot sustain with rising prices and an overlapped week where their expenses greatly exceed their revenue. The five remaining live racing fairs are important to the future of racing in the Northern California region. When HCF races without overlap, it contributes over \$200,000 per week to the CARF consolidated purse fund. Those funds are crucial to sustaining each of the remaining CARF fairs.

No live racing community has done more, per capita, than the supporters of the HCF, and yet, no live racing venue is more at risk solely due to the antiquated policy of allowing GGF to run a week in overlap with the HCF. Perpetuation of a racing schedule that allows any regional

overlap makes no economic sense and unnecessarily hastens the closure of the 127 year live racing tradition in Ferndale.

Your careful consideration of our request is critically important to the future of live racing in Humboldt County and in the four other remaining racing fairs as well. It would be our fervent desire that sometime, someday, each of you could experience the incomparable magic of a live race day at Ferndale. It remains the last boutique venue in California for live racing as it was always meant to be.

DUMB LUCK hustled along early, got outsprinted down the backstretch, pressed to the second turn, was outkicked to the stretch and finished evenly. STARBOARD LIST was sent for speed, got fanned out to the four path to the backstretch, edged away to the second turn then saved ground but tired in the final furlong. STANFORD BAY tracked the pace for three furlongs, shifted off the rail on the second turn but lacked a closing response. RHODIUM RUNNER was four wide to the backstretch, trailed to the stretch and did not rally.

MOUNT PELLIAR was unhurried to the stretch the second turn but was caught in some traffic and had to check, again settled to the final turn then rallied four wide to the stretch, continued to respond and edged clear late. HONOS MAN had no speed, saved ground on the final bend, pushed to the front into the stretch then could not stall the winner. AGENT ZERO tracked the pace for a mile, bid two wide to the stretch but was outkicked to mid stretch then stayed on determinedly. WINE AND WHISKY was allowed to settle for a mile, bid two wide on the final turn but could not make an impact in the drive. COLONELSDARKTEMPER set the pace for a mile and a quarter, resisted to the stretch then tired. CANYON CREST had no speed, saved ground on all the turns but lacked a closing response. LONO pressed the pace for a mile then gave way, stopped, was eased but walked off.

B. f, (Apr), by Cat Burglar - Prospecting Peg, by Fusaichi Pegasus. Trainer France Reid. Bred by Richard Barton Enterprises (Cal).

KERRYGOLD LADY broke well and settled in a comfortable position outside of pacesetter MISTICAL SURPRISE, moved up to challenge passing the quarter pole, encountered a determined foe, battled the length of the stretch and prevailed in the final strides. MISTICAL SURPRISE was away quickest of all, set a reasonable pace, was challenged by KERRYGOLD LADY at the top of the stretch, appeared to hold that one at bay but came up just short in a game effort. CAL ROUGH was off slow, then bumped a few strides out of the gate by DADDY'SFAVORITSON, found a good spot in the two path to the turn while making steady progress towards the leaders down the backstretch, awaited room around the turn, finally found a hole turning for home and keep on with some interest to gain third. BIG FAME lost her path at the start and was off slowly, chased from the rear to the turn, improved position three wide nearing the quarter marker, rallied in upper stretch and continued that bid into the final stages to challenge for third. PETE'S INFERNO ducked in at the start and bothered APRIL AFFAIR leaving the break, raced close to the pace to the turn, steadied off of heels inside of the three furlong marker, was outkicked in upper stretch and weakened in the final stages. DADDY'SFAVORITSON was crowded at the start and lacked early speed, improved position four wide on the turn, continued that advance while seven wide in upper stretch but could not sustain that run and flattened out late. QUITCHERSNIVELIN broke out at the start, chased outside of rivals on the turn, lost position while six wide in upper stretch and gave way late. APRIL AFFAIR was off a bit slow, steadied shortly thereafter when bothered by PETE'S INFERNO, kept to the inside path but had nothing to offer when asked. BELLA VINO chased the early leaders and was in good position around the turn but stopped after a half.

PLAYING HARDBALL stumbled at the start and was off a step slowly, settled off of the quick early pace, came two wide along the turn, slipped inside in upper stretch, gained ground nearing the furlong marker, closed fast along the rail in the final sixteenth and was up in time to prevail. HANDSOME GARY chased the quick early pace outside of rivals, swung five wide into upper stretch, was outfinished by the winner in the final stages but finished well in the end to get up for second. GREAT STORY broke alertly and was sent to the early lead, was engaged by QUANTUM QUEST nearing the turn and dueled with that rival through quick fractions to the quarter marker, shook free in mid-stretch but could not hold off the oncoming top two late and was just edged for second in the end while holding on for third. RUNKERRY raced close to the early pace, tracked the quick pace through the turn, lost ground in upper stretch, was outkicked in the final furlong and was just edged out for the minor awards. MURPHYS TIGER was off slowly, chased the pace to the turn, lost ground three wide nearing the quarter marker and did not offer a late rally. BOBBY'S ALIBI broke out at the start, checked in tight quarters soon after the break and dropped back to trail early on, chased three wide through the turn, swung five wide into upper stretch and showed good late interest while unable to threaten at the end. QUANTUM QUEST was sent after the early lead and dueled with GREAT STORY through the turn while setting fast fractions, lost ground to that rival in mid-stretch and weakened in the final stages. ROYAL JESTER hopped at the start and was off a step slowly, raced between rivals while tracking the quick early pace, lost position on the turn, dropped back in upper stretch and tired in the final furlong.
