OFFICIAL COMPLAINT

The California Horse Racing Board (CHRB) hereby files an official complaint against Laura Gilson for violation of CHRB Rule(s) 1530; 1629.

The person named in this complaint is licensed by the CHRB as a Assistant to Veterinarian, under license number 212527 exp. 10/2024. The alleged offense occurred on or about 9/2/2023 and is described as follows:

While working as an assistant to Lasix Veterinarian Dr. Ashton Cloninger, Laura Gilson was in charge of coordinating which horses they were to treat with Lasix before racing. At approximately 0936 hours, Assistant Gilson directed Dr. Cloninger to treat the horse Maverick Rose which was stabled in Barn #63 for Trainer Marcia Stortz and set to run in the first race. It wasn't until after Dr. Cloninger treated Maverick Rose with Lasix that the two realized that the horse had already been given Lasix by Veterinarain Technician Laura McEvoy. The horse was subsequently scratched from the race due to being treated twice.

Pursuant to California Business and Professions Code Sections 19420 and 19440, as well as the authority outlined in the CHRB Rules, the Board of Stewards are empowered to impose penalties for violations of any provision of a CHRB Rule, or HISA Rule, where authorized. Such penalties may include suspension of any CHRB-issued license, monetary fine, assessment of penalty points, and/or exclusion from any/all racing enclosures under the jurisdiction of the Board, or any combination of the penalties listed above.
