The private veterinarians are retained by the owners and trainers of horses stabled at Los Alamitos. In addition, Los Alamitos Racing Association track veterinarians Drs. Sapp, Moser, Reese, or Fitzgerald are on track monitoring training when the track is open. Each auxiliary training location provides similar track veterinarian monitoring of training. In the morning of race days, two track veterinarians each examine half of the horses entered on each race day. Drs. Rebecca (Becky) Fitzgerald, Nolton Pattio, and Dr. Laura Austgen are the Association Veterinarians for morning examinations. Drs. Rebecca Fitzgerald and Laura Austgen are the Association Veterinarians on-track during racing. The track veterinarians observe horses when the horses are in the paddock, view them during the post parade, accompanies them in the starting gate and follows them during the race. During the afternoon racing, Dr. Pattio serves as the CHRB official veterinarian in the test barn.

RE: 2025 Los Angeles County Fair at Los Alamitos Thoroughbred Race Meet Interstate Simulcast Approvals

Dear Cathy,

This letter shall serve as TOC's authorization for Los Alamitos Race Course (LARC) to transmit the audiovisual signal of LARC Thoroughbred races to, and accept wagers on those races placed through, the out-of-state betting systems ("Guests") in accordance with the conditions of, and at Host Fee rates no lower than those specified in the rate sheet provided to TOC by Monarch Content Management ("Monarch") on behalf of LARC, during the Los Alamitos racing season commencing June 18, 2025 and continuing through July 8, 2025.

As a condition of TOC's authorization of the acceptance of wagers on LARC races by Guests which engage in phone and/or Internet wagering, herein called "ADW," LARC shall take all reasonable steps to distinguish between ADW and other wagering handled through such Guests, including requiring tote vendors of both LARC and Guest to facilitate the separation of ADW and non-ADW data in reports used by LARC and/or CHRIMS to account for and settle balances between LARC and Guest.

TOC's authorization shall not serve, nor should it be construed as, a precedent to future requests for permission to simulcast to the Guests specified herein or to any other Guest. TOC reserves the right to cancel or withdraw its authorization for any Guest, at any time, upon 48 hours written notice.

2025 RACE MEET AGREEMENT

Los Angeles County Fair Association at Los Alamitos
June 18, 2025 through July 8, 2025

THIS AGREEMENT is entered into by and between Los Angeles County Fair Association at Los Alamitos (hereinafter referred to as "TRACK") and the Thoroughbred Owners of California, Inc. (hereinafter referred to as "TOC") and becomes effective on the first day of TRACK's 2025 Meeting, except as otherwise provided herein.

RECITALS

WHEREAS, TRACK is a duly licensed Fair or Association, licensed under and pursuant to the Horse Racing Law, Article 4, Chapter 4, Division 8 of the *Business and Professions Code* of the State of California; and

WHEREAS, TOC is the duly organized owners' association recognized by TRACK and the California Horse Racing Board as having authority to negotiate and covenant with TRACK pursuant to Article 22, Chapter 4, Title 4, of the Administrative Code of the State of California; and

WHEREAS, TRACK and TOC, in an effort to stabilize certain phases of the business of Thoroughbred racing for the purpose of avoiding controversies between them which might interfere with the orderly commencement and conduct of race meetings to the detriment of TRACK, TOC, its members, and racing patrons, and for the purpose of providing for an orderly and uniform method of stakes and overnight purse distribution by TRACK, have reached an understanding with reference to the foregoing and other matters and things hereafter specified, and desire to incorporate their understanding in writing.

AGREEMENT

NOW, THEREFORE, the parties hereto, by reason of the premises and in consideration of the mutual promises contained herein agree as follows:

I.

RACE MEET

Except as otherwise provided herein, the provisions of this Agreement shall be applicable only to the Thoroughbred race meeting and/or the Thoroughbred portion of race meeting conducted by TRACK under license from the California Horse Racing Board for the period commencing June 18, 2025 through July 8, 2025, herein referred to as the "2025 Meet".

II

PURSE DISTRIBUTION

TRACK and TOC acknowledge and agree that disbursements made by TRACK to TOC, and to individual horse owners in the form of purses, will be governed by the provisions of this Agreement and

the Horse Racing Law, Article 9.5, Article 9.2 and any other provisions regarding purses in any other Articles in Chapter 4, Division 8 of the *Business and Professions Code*. All monies available for purses generated from the pari-mutuel handle and other sources, including but not limited to, underpayments from prior race meets, voluntary deposits by horsemen, deposits by TOC, and accumulated interest on the Paymaster Account shall be held in a separate trust account pursuant to section 19597.5 of the Business and Professions Code for the sole benefit of horsemen and shall not be commingled with monies belonging to TRACK or statutory distributees. In this regard, the TRACK and TOC shall make those funds available for purses and bonuses. Nothing contained herein is intended to change, modify or amend the settlement agreement dated January 5, 1991, with respect to interest on the Paymaster Account.

TRACK further agrees that its Horsemen's Bookkeeper will make owners' purse monies available upon request forty-eight (48) hours after the race is declared official for pari-mutuel purposes, regardless of whether TRACK has received the results from the testing laboratory providing that such distribution is consistent with applicable rules, regulations, and laws of the California Horse Racing Board.

III.

GROSS DISTRIBUTION

Whenever the term "GROSS DISTRIBUTION" is used herein, it shall mean and refer to those portions of the funds handled in TRACK's parimutuel pools which TRACK is required to distribute as purses pursuant to the provisions of this Agreement and the current provisions of the California *Business and Professions Code*, increased by the amount of the underpayment of purses during TRACK's 2025 Meet, if any

The Gross Racing Distribution shall include unclaimed refunds ("outs"), if any, from TRACK's 2025 Meet if applicable as provided in Section 19601(d) of the California *Business and Professions Code*.

Gross Racing Distribution does not include amounts paid as owners' premiums, breeders' awards, stallion awards, or California-bred incentive awards pursuant to the provisions of the *Business and Professions Code* Sections 19616 and 19617 actually received by TRACK but does include decreases as provided in Section 19613.5 to compensate TRACK for actual losses sustained in pari-mutuel minus pools.

IV.

TOC AND CTT DISTRIBUTIONS

In addition to the purse money specified in Paragraph V below, and pursuant to the Horse Racing Law, TRACK will pay to TOC and CTT by four separate checks, three percent (3%) of the Gross Distribution to be used as follows: two-thirds of one percent (2/3%) to TOC and one-third of one percent (1/3%) to CTT for administrative expenses and services rendered to horsemen (checks payable to TOC and CTT, Inc., respectively), one percent (1%) for welfare funds (check payable to California Thoroughbred Horsemen's Foundation, Inc.) and one percent (1%) for a pension program for backstretch personnel to be administered by CTT (check payable to CTT Backstretch Pension Fund).

Payment shall be made when TRACK determines total purse money generated during the 2025 Meet but in no event longer than 30 days from the close of the 2025 Meet.

V.

NET DISTRIBUTION

Whenever the term "Net Racing Distribution" is used herein, it shall mean the balance of funds constituting Gross Racing Distribution less:

1. TOC and CTT Distributions paid pursuant to Section 19613(b) of the California *Business and Professions Code*;
2. *and*,
3. Funds authorized for the Cal-bred Maiden Bonus program by Section 19614.4(d) of the California Business and Professions Code (subject to an equal match by the California Thoroughbred Breeders Association).

TRACK will pay and distribute in stakes and overnight purses a sum not less 97% of the Gross Distribution and will pay the remaining 3% as set forth in Articles III and IV. The amounts payable in stakes and overnight purses will hereafter be referred to as "Net Distribution," regardless of any actual underpayment or overpayment of such amounts payable. By way of example only, and solely by way of clarification: If, at said 2025 Meet, TRACK's Gross Distribution was \$1,000,000.00, TOC would receive two-thirds of one percent (2/3%); CTT would receive one-third of one percent (1/3%); California Thoroughbred Horsemen's Foundation, Inc. would receive one percent (1%); and CTT Backstretch Pension Fund would receive one percent (1%). The Net Distribution would be \$970,000.00.

TRACK shall, during the 2025 Meet, include in purse money available any underpayment from the 2024 Meet, if any, any unpaid surplus due to horsemen from the SCOTWInc 6% fund generated during the 2024 Meet reduced by 3% and paid to TOC and CTT in the same percentages as provided in Articles IV and V.

VI.

STAKES SCHEDULE

From the total purse distribution available for the 2025 Meet, the amount of horsemen's money paid as stakes shall be in accordance with the schedule attached hereto and made a part hereof as Exhibit "A," unless otherwise agreed upon by TRACK and TOC.

When a division of stakes event is necessary, it is agreed that TRACK will not increase the purse by more than fifty percent (50%) of the purse originally scheduled, provided further, however, that, when a stakes originally scheduled for \$75,000 or more is split, each division shall be run for a purse of \$60,000. Additional purse money paid as the result of splitting a stakes shall be considered stakes money and shall not be considered overnight monies.

TRACK shall not split a stakes race without first obtaining the written approval of TOC.

Unless expressly agreed otherwise by TOC, TRACK shall ensure that all stakes races offered, whether offered as scheduled or overnight stakes events, meet the minimum requirements set by the International Cataloging Standards Committee (“ICSC”) for participating horses to earn “black type,” based on their finish position, qualifying performance, or other criteria set by the ICSC.

For all other stakes races offering a purse of \$100,000.00 or more, horses competing in such races shall be placed under surveillance for a period of not less than 6 (six) hours in advance of the scheduled start of the race.

For the purposes of this provision, surveillance shall consist of, but is not limited to, continuous observation of the horse by licensed security personnel equipped with a video camera, a communications device, and notepad, and who must request to see and who shall note the time, license number, and type of license for every person who enters the stall with the competing horse or otherwise comes in contact with or close proximity to said horse, as permitted by the CHRB, TRACK, trainer, or owner.

In the event that any overnight stakes race receives entries from fewer than six (6) separate wagering interests with less than four (4) different trainers, and TRACK desires to cancel such overnight stakes race, TRACK shall inform TOC of its desire reasonably in advance and provide TOC with the names of all horses that did enter. In the event that such a race receives five (5) entries TRACK shall make a reasonable effort to either provide an allowance race at the same conditions or bring the stakes back on a subsequent day.

TRACK shall not cancel any non-overnight stakes race without first obtaining the approval of TOC, which will not be unreasonably withheld.

TRACK agrees to use its best effort to submit a tentative Stakes Schedule for the 2025 Meet to TOC five months, but in no event less than three months, prior to the first day of the 2025 Meet.

VII.

DAILY MUTUEL HANDLE

Track and TOC agree that based on information available as of March 15, 2025 the current overpayment in the combined purse accounts for the 2024 Thoroughbred and Fair meets, is estimated to be approximately (\$462,386). Depending on the results of these three Meets, adjustments may need to be made in the purse levels of those Meets. The purse levels for the LACF at Los Alamitos Meet have been approved by TOC and the purse levels for the other two Meets will be considered in the negotiation of the Race Meet Agreements of the other two Meets.

Notwithstanding anything to the contrary provided herein, if at any time during the 2025 Meet TRACK estimates that, for any reason beyond the control of the TRACK or TOC, the projected final average daily purse generation will be meaningfully less than the budgeted 2025 average daily purse generation, or in the event the purse projections for the 2025 Meet are higher than the purse money generated for overnight purses, then the purse schedule may be reduced. In such event, TRACK shall have the right, but not the obligation, to reduce purses, provided that any such reduction be applied uniformly to

the announced stakes program and overnight purse structure; e.g., if overall purses are reduced by ten (10) percent, then the total stakes program shall be reduced by ten (10) percent, and the total overnight purse schedule, shall be reduced by ten (10) percent. TRACK shall not decrease purses without prior written consent from TOC.

Notwithstanding anything to the contrary provided herein, if it appears to TRACK and TOC at any time during the 2025 Meet that the average daily purse generation will be substantially increased above that which was initially anticipated, the excess shall be utilized to increase overnight purses, unless an increase in stakes is approved by TOC. Any such increases in overnight purses shall occur both retroactively and prospectively.

The Overnight Purse schedule is attached hereto and made a part hereof as Exhibit B. TRACK agrees to obtain prior written approval from TOC with respect to any changes in types of races and purses offered for such races that differ from types of races and purses approved by TOC in Exhibit B.

VIII.

UNIFORMITY AND CONSISTENCY

TRACK and TOC agree to establish consistency and uniformity for overnight purse schedules. The Condition Book for the 2025 Meet shall be submitted to TOC for its approval, prior to its publication. Without the prior written consent of TOC, which will not be unreasonably withheld, TRACK shall not increase nor decrease overnight purses for races which are written for the same quality of horses and substantially the same conditions as those provided in the Condition Book provided, however, that TRACK may make alterations in purse schedules as provided herein in the event of calamitous or substantial unforeseen economic circumstances or acts of God, which cause a substantial or radical effect on the amount of parimutuel handle for the 2025 Meet. Any such changes, however, can be made only after first obtaining the written approval of TOC, which will not be unreasonably withheld.

IX.

RACING PROGRAMS

TRACK may from time to time present overnight-type stakes races to replace what would otherwise have been featured high-purse allowance races. Each such race offered shall be subject to obtaining the prior written consent of TOC, and purse monies paid thereunder shall not be deemed a part of the total stakes purses for the 2025 Race Meet. The owner of each horse entered in such races shall be required to pay a reasonable nomination fee. The same scratch policy shall apply as in normal overnight races.

Without prior consultation and written approval of TOC, TRACK shall not schedule nor use any purse monies for the purpose of conducting an "exhibition" or "match" type race during TRACK's 2025 Meet, other than as provided for herein.

Purses paid for overnight races during the 2025 Meet shall be in accordance with the schedule attached hereto as Exhibit B. TRACK agrees not to change the purses provided in the schedule without first obtaining the prior written consent of TOC. Said changes, if any, shall be applied proportionately across all types and conditions of overnight races.

TRACK further agrees that:

1. The minimum claiming price for maiden Thoroughbreds shall be \$20,000.00 provided further that the minimum claiming price offered in Cal-Bred maiden races will be \$32,000.00.
2. Races shall be written in such a manner as to not penalize a horse for its maiden win;
3. Purses for Cal-Bred races shall be equivalent to purses paid in “open” races for substantially the same class and conditions.
4. Purses paid for two-and three-year-old horses shall be equal to purses paid for races for older horses for the same type of race;
5. Purses for all overnight races run during the 2025 Meet shall be divided and paid to the owner(s) of the horses finishing first through fifth as follows:
 - Sixty percent (60%) of the purse to the winning owner.
 - Twenty (20%) for second;
 - Twelve (12%) for third;
 - Six (6%) for fourth; and,
 - Two (2%) for fifth.

Purses for all stakes races run during the 2025 Meet shall be divided and paid to the owner(s) of the horses finishing first through tenth as follows:

- Fifty-five percent (55%) of the purse to the winning owner.
- Eighteen (18%) for second;
- Twelve (12%) for third;
- Six (6%) for fourth;
- Four (4%) for fifth;
- Two (2%) for sixth;
- One (1%) for seventh and eighth; and,
- Half (0.5%) for ninth and tenth.

In the event there are not enough starters in a stakes race, and correspondingly finishing purse distributions, to maintain “black type” status pursuant to ICSC guidelines of such a scheduled stakes race, TRACK will notify TOC for permission to redistribute unused finishing purse distributions proportionately to actual starters.

6. A “Participation Purse” in the amount of \$500.00 as determined by TOC and funded from the purse account shall be paid to all starters effectively finishing 6th or worse in any race, and to fifth place finishers if their share of the purse is less than the Participation Purse, wherein said fifth place finisher will receive an aggregated maximum of the Participation Purse. For purposes of the payment of such participation purses, a “starter” means any horse

that which leaves the gate at the official start of a race and is considered a legal starter by the Stewards.

7. The “date” system as mutually agreed to by TRACK and TOC shall be utilized for purposes of determining which horses have priority when entering races;
8. Reasonable efforts shall be used so as to run an average of not more than one starter allowance race per day;
9. Purses for "Cal-Bred" races shall be equivalent to purses paid in "open" races for substantially the same class and conditions, excluding any CTBA purse supplements;
10. Minimum qualifying claiming levels for purposes of the Cal-bred Race Fund Incentives shall be \$40,000.00;
11. Four-furlong races will only be offered and run with purses in accordance with the schedule attached Exhibit B during the 2025 Meet. Purses for 4-furlong races will be evaluated on an annual basis.
12. An amount equal to thirty percent (30%) of the purse paid for finishing first through fifth, inclusive, in any open race, excluding purses for stakes races, starter allowance races and claiming races, but including overnight stakes races, allowance races and non-claiming maiden races shall be paid by TRACK from purse account as an owner premium to the owner of a registered California-bred Thoroughbred horse participating in such a race. An optional claiming race shall be considered to be an allowance race with respect to horses not entered for a claiming price. However, a Cal-Bred horse entered for a claiming price in an allowance race is entitled to the bonus provided for herein for finishing first through fifth. A Cal-Bred who has won its first condition in a race restricted to Cal-Breds is still eligible for its first condition in an open race and is entitled to the owner premium mentioned above. Once a horse has won the first two condition allowance races (Cal-Bred and open), then the Cal-Bred win will be disregarded in future races for eligibility purposes only. The owner premium provided for herein shall be reduced by the amount of the owner premium paid to owners of California-bred Thoroughbred horses finishing first as provided in Section 19614.4(a) and (b) of the California Horse Racing Law;
13. In the event overnight purses are increased during the course of the 2025 Meet, retroactive increases in the Cal-Bred Incentive and Allowance race programs described in this Article will be made, unless otherwise specifically agreed by TRACK and TOC;
14. Appropriate “Finish Line” signage, equal in size and character to any Los Alamitos sign, shall be maintained, at no cost to TOC, in the first position past the finish line during the TRACK’s 2025 Meet;
15. Within thirty (30) days following the 2025 Meet, a complete written account of all Paymaster earnings during the 2025 Meet shall be provided to TOC, at no cost.

For purposes of this agreement and/or any other aspect of the race meet to which such terms may apply, "short" shall mean race distances less than one mile and "long" shall mean race distances equal to or greater than one mile.

In addition, during the term of the Agreement, TRACK and TOC agree that the following terms and conditions shall apply:

1. TRACK agrees to wash or otherwise clean the racing colors or "silks" of owners with horses competing in the 2025 Meet. Such cleaning shall occur on the day on which the silks are utilized or on the day immediately following their utilization. Such cleaning services will be provided at TRACK's expense without right of reimbursement from TOC, the individual owners, and/or their trainers;
 2. The following are the workout criteria that will be in effect for the 2025 Meet. The minimum official, recorded workout distances and number of works for horses to run at the 2025 Meet are as follows:
 - (a) For 3-year-olds and up, all first-time starters: three works; one at least 5/8 mile; the other two at least 3/8 mile, and gate approval.
 - (b) For 2-year-olds, all first-time starters; two works; one at least 1/2 mile; the other one at least 3/8 mile and gate approval.
 - (c) Horses, which have not raced in 90 days: three works with at least two works during the last 60 days and one work during the last 30 days.
 - (d) Horses, which have not raced in 60 days: two works, with one during the last 30 days.
 - (e) Horses, which have not raced in 30 days: one work at least 3/8 mile within those 30 days.
 - (f) Horsemen seeking to enter a horse not meeting the workout criteria must obtain the permission of the Stewards.
 - (g) Imported Horses: The workout requirement will be waived for horses entering in a stakes race within seven days of clearing USDA quarantine, provided that the country of origin's racing jurisdiction has no provision for timed workouts;
 3. No owner, trainer, or veterinarian may have possession of any shockwave therapy or equivalent device while within TRACK's enclosure during the 2025 Meet, except as expressly authorized by TRACK. Any owner, trainer, or veterinarian found to be in possession of such device(s) during the 2025 Meet may be excluded from the enclosure for a period of not less than 10 days, at the sole discretion of TRACK. The identity of any owner, trainer, or veterinarian authorized or found to be in possession of such device(s) shall be disclosed to an appropriate representative of the CHRB, TOC, and CTT within 48 hours of the device's authorization or discovery.
-

4. TRACK agrees to permit the scratch of a bona fide entry when at least six (6) horses are entered in a race, provided the scratch of a bona fide entry is permitted only for the purpose of entry into a subsequent race at the TRACK on either of the next two following days of entries. It is understood by the Parties that all such scratches require the concurrence of the Stewards.
5. TRACK agrees to use an also eligible list containing up to four (4) horses however, in no event will the number of horses drawn for a race including also eligibles exceed fourteen (14).
6. Unless otherwise agreed upon by TRACK and TOC, entries will be taken not less than three (3) calendar days prior to the day on which such entered horses are scheduled to run.
7. The Parties agree that, with regard to the taking of entries, entries submitted by a Jockey's Agent who has been delegated such responsibility by a licensed trainer pursuant to CHRB Rule 1582 are permitted up to 9:30 a.m. on the day of entry, and thereafter shall only be made by the horse's owner, his/her authorized agent, or the trainer.
8. In the event a race offered in the Condition Book, including but not limited to a Substitute or other alternative race, and an Extra race published elsewhere receive the same number of entries, the race published in the Condition Book shall be considered the preferred race, and will be utilized before any Extra Race to make the card go. Should a drawn race or races be cancelled due to an act of God or otherwise, TRACK shall make every effort to offer said races to horsemen as Extra Race(s) as soon as possible. Further, said race(s) will have preference over Substitute or other alternative race(s), and Extra races published elsewhere receiving the same number of entries, TRACK shall make every effort to inform horsemen of such preference when races are published.

Further, should TRACK elect to use an Extra over a filled Substitute race, it shall immediately notify TOC and explain the rationale for the decision, in writing.

Should TRACK desire to conduct more races on any given race day than the proposed number included in TRACKS's approved CHRB license application; TRACK shall first obtain written approval from TOC.

9. Subject to Guidelines of the Orange County Health Department, TRACK shall provide free clubhouse admission to owners with a current valid CHRB license validated by the Racing Department of any Racing Association in California.
10. Subject to Guidelines of the Orange County Health Department, TRACK agrees to provide free clubhouse seating to the owner or owners of a horse competing in a race, on the day of the race.
11. During all periods covered by this Agreement, within 48 hours of receipt of a written request from TOC, TRACK agrees to provide to TOC, in written and/or electronic form, such

Incompass services data as is reasonably available and necessary to respond to TOC's request.

12. TRACK agrees that should it decide to cancel a race or day of racing after entries have been drawn for that race or race day, it will reimburse the owners of all such horses affected the actual cost of any veterinary fees and/or any transportation costs incurred as a result of being entered to run in any race cancelled by TRACK. Said reimbursement is intended to apply to situations in which the TRACK has unilaterally decided to cancel a race or race day due to its own negligence or that of its agent[s], or voluntarily for reasons of its own choosing, but shall not apply to cancellations caused by acts of God or as otherwise specified hereinbelow in section XVI, or as a result of the intervening unforeseen acts of independent third-parties. Track and TOC agree to meet for the purpose of fairly determining the reason or reasons for the cancellation of a race or races that have been drawn.

X.

NUMBER OF HORSES IN A RACE

When six (6) horses are entered in an allowance or overnight stakes race under six (6) separate wagering interests, during TRACK's 2025 Meet, and provided such horses are stabled on the grounds or another approved auxiliary offsite stabling facility in Southern California, such race shall be considered filled and shall run. It is further agreed by the parties that the Racing Secretary has the discretion to use overnight stakes, allowance, and/or high-priced claiming races with five (5) separate wagering interests in order to maintain a balanced racing program, but is to notify TOC as soon as practical when doing so. For all other overnight races when seven (7) horses are entered under at least seven (7) separate wagering interests, and provided such horses are stabled on the grounds or another approved auxiliary offsite stabling facility in Southern California, such race shall be considered filled and shall run.

XI.

DISTRIBUTION ESTIMATED

Because the total amount available for distribution as stakes and overnight purses is dependent upon the amount of TRACK's parimutuel pools and the breakage, and since the total amount of such pools and breakage will not be known until the conclusion of the 2025 Meet, it is understood by the parties that it will not be possible to determine in advance that the funds to be distributed in stakes and overnight purses will be equal to the exact amounts provided by this agreement and law. However, if at the close of the 2025 Meet, TRACK shall not have paid and distributed in stakes and overnight purses the exact amounts provided for by this agreement and law, then TRACK may deduct from purses an agreed amount of the excess/overpayment from purses during the analogous Race Meeting conducted by TRACK in the succeeding year. Any underpayment shall either be retroactively paid for the Meet or carried over by TRACK to be used as purses during the next Race Meeting conducted by TRACK, as determined by TOC.

The amount carried over for purses, if any, shall accrue interest commencing from the close of the 2025 Meet to the commencement of the next Meet.

XII.

FIRST POST TIME

The first post of TRACK's daily racing program shall begin at 12:30 p.m. on weekends and 1:00 p.m. on weekdays. Should TRACK request a change in post times from their approved license application, TRACK will request written approval from TOC and such approval will not be unreasonably withheld. For all subsequent meets; TRACK shall furnish TOC with a copy of their license application concurrently when they apply to CHRB in order for TOC to have ample time to review and support.

XIII.

TOC COVENANTS

During the term of this Agreement and as long as TRACK is not in breach of the terms of this Agreement, TOC will not instigate, promote, encourage, or engage in any boycott of any race or race meeting (except and in the event the track is unsafe for racing) conducted by TRACK while this Agreement is in force and effect, nor will it encourage any of its members to do so; but shall, so long as TRACK is not in breach of the provisions hereof, exercise and apply such persuasive means as it may lawfully use to encourage its members to conform to, comply with, and respect the obligations of TOC hereunder.

XIV.

TRACK COVENANTS

During the term of this Agreement and as long as TOC is not in violation of the terms of this Agreement or of applicable law, TRACK shall recognize TOC as the official organization representing owners at TRACK's 2025 Meet and shall not file or participate in any action, claim or proceeding seeking the decertification of the TOC as the official and exclusive representative of California Thoroughbred owners, nor will TRACK engage in a lockout of TOC members.

XV.

INTERRUPTED RACING SCHEDULES: FORCE MAJEURE

If TRACK for any reason beyond its control such as, but not limited to: an act of God; war; labor difficulties; strikes; order of any governmental authority directing cessation of racing; failure of TRACK to obtain the necessary racing license from the California Horse Racing Board; failure of TOC to comply with TOC's obligations hereunder; and/or destruction of the racing plant of TRACK by fire or other casualty shall be prevented from conducting one (1) or more days of scheduled thoroughbred racing, then sums otherwise payable by TRACK hereunder shall be proportionately reduced for each day that TRACK is prevented from operating.

XVI.

MAIDEN AND CAL-BRED RACES

Provided that sufficient horses within the following classifications are available upon the grounds or on other grounds which furnish horses for racing at the 2025 Meet, and are ready to participate in such scheduled races, TRACK will run an average of not less than 2.5 maiden races per day during the 2025 Meet, and will, in addition, use reasonable efforts to increase the average to 2.6 maiden races per day.

It is also understood and agreed that TRACK will use its best efforts to provide one (1) race on each racing day for Cal-Breds, as provided for and in accordance with Rule 1813 of the California Horse Racing Board Rules and Regulations. In the event a Cal-Bred race does not fill, the race will be opened up for horses other than Cal-Bred horses, then and in that event, the Cal-Bred horses shall be preferred.

A Cal-Bred race shall not be opened up in the event that a sufficient number of Cal-Bred horses are entered to meet the requirements of this Agreement with respect to the minimum number of starters required to fill a race.

XVII.

MUTUALITY

TRACK and TOC represent to each other that they are mutually interested in the continuance, maintenance and improvement of thoroughbred racing in the State of California and, to that end, believe it most advisable and to their mutual best interests that any future differences of opinion between them with respect to the provisions hereof, the matters covered hereby or any other matter or thing pertaining to thoroughbred racing wherein both parties are interested, should be settled by them, without undue publicity, by negotiation and consultation. Each party will cooperate with the other to promote, foster and retain public good will toward thoroughbred racing by conducting racing on the highest possible plain through maintenance of high standards of fairness and honesty.

A Horsemen Management Committee may be created, composed of such members of the TOC and CTT as they may designate and the President and/or General Manager, the Racing Secretary, and other administrative officials to be designated by TRACK. All matters concerning problems of the horsemen with the TRACK will be referred to this committee in an effort amicably and equitably to adjust and resolve any problems which may arise.

XVIII.

STALL ASSIGNMENTS

In the allocation and assignment of stall space for thoroughbreds, so long as owner and trainer are duly licensed, TRACK will not discriminate in any way against any owner by reason of membership of any owner in TOC or for any reason not associated with the criteria listed below in this paragraph. If any owner asserts that the Stall Committee of TRACK shall have so discriminated on such ground or grounds, then the owner claiming to be so aggrieved shall submit his claim to TOC, for examination, and if TOC shall

then believe the claim to have merit, it shall be entitled to present the merits of the grievance on behalf of such owner to TRACK.

Stalls will be allocated and made available, without charge, to those Thoroughbred horses for which stalls have been approved by TRACK's Racing Secretary. Stalls shall be assigned only to Thoroughbred trainers engaged in the care and training of Thoroughbreds which TRACK has approved and to which TRACK has allocated stalls to prepare for racing. TRACK's obligations to furnish and allocate stalls shall be subject to TRACK's right to withdraw stalls allocated to horses not currently approved for racing or preparation for racing, or not actually training for racing, and to TRACK's needs for access to such stalls for repairs, maintenance and construction.

It is the intention of TRACK that stall allocations shall be made primarily on the basis of the quality and condition of the horses for which stall space is requested, upon the availability of stall space and taking into consideration the character of the Meet contemplated to be held by TRACK, and the horses suitable for the holding of such race meet.

TRACK agrees that its stalls will be ready, available, and allocated, and the track will, with respect to the 2025 Meet, be open, available, and in condition for training at no charge to horsemen at least 10 days prior to the opening day of the 2025 Meet, nor will TRACK be reimbursed for costs of stabling from the SCOTWINC Vanning and Stabling Fund during said period of time

TRACK agrees that the track will be open, available and in condition for training at no charge to horsemen at least two (2) days following the close of the 2025 Meet, nor will TRACK be reimbursed for costs of stabling from the SCOTWINC Vanning and Stabling Fund during said period of time.

In the event training activities are interrupted by a special event, TRACK agrees to notify TOC prior to execution of any special event agreement (e.g., vendor agreement) to determine a reasonable remedy for the interruption of training.

TRACK agrees that it will keep the track in a safe condition during the 2025 Meet and while the track is open for training preceding and following the 2025 Meet.

XIX.

STABLING AT AND VANNING FROM AUXILIARY STABLING FACILITIES

TRACK shall, at least 60 days prior to the opening of its 2025 Meet, notify the California Horse Racing Board and TOC that approved auxiliary offsite stabling facilities in Southern California will be acceptable to TRACK as auxiliary stabling facilities, so long as such can be accomplished without compensation of any nature whatsoever, direct or indirect, by TRACK to such facilities other than such compensation as provided in the California Horse Racing Law.

TRACK agrees it will provide auxiliary stall applications for horses to be stabled at authorized auxiliary facilities well in advance of the opening of TRACK's 2025 Meet.

TRACK and TOC agree to use their best efforts to cause horsemen to be reimbursed promptly for vanning as provided in the California Horse Racing Law.

TRACK agrees to provide to TOC a written report on the occupancy and/or availability of stalls at TRACK during the ten-day period preceding the opening of the 2024 Meet, during the 2025 Meet and for five days following the 2025 Meet.

XX.

ANTI-MONOPOLY PROVISION

TRACK acknowledges TOC's interest in assuring that horsemen will, during the 2025 Meet, have the opportunity to procure and receive supplies, services, utilities, transportation and other facilities required by the horsemen at a competitive cost or price usually available in a free enterprise marketplace. Accordingly, TRACK agrees not to limit this free enterprise system of competitive service and supply to the horsemen by means of TRACK entering into any agreement or otherwise seek to establish or impose upon the horsemen a monopoly of restrictive servicemen or suppliers who would have exclusive access to the horsemen's needs or requirements.

TOC acknowledges that TRACK must provide, maintain and control reasonable access to and from TRACK property; security for persons and property; traffic regulation; and numerous other activities related to the racing industry. Accordingly, TOC agrees that TRACK may, for a reasonable and proper cause, restrict or prohibit any serviceman, supplier or vendor from having access to the grounds and the horsemen, provided that TOC will be given a minimum 24-hour prior written notice by TRACK that a particular serviceman, supplier or vendor will be denied further access or privileges to TRACK grounds or property. Notwithstanding anything to the contrary herein, horsemen shall have the right to use their own hot-walking machines or acquire hot-walking machines from any source they may determine.

XXI.

FIRE AND DISASTER INSURANCE

The fire and disaster insurance policy is attached as Exhibit C. TRACK shall upon receipt of an invoice pay its proportionate share of the yearly premium (which proportionate share shall be calculated on a reasonable basis). The amount recovered by an owner under the insurance policy set forth in Exhibit C shall be credited as an offset to the liability of TRACK, if any. TRACK shall have no obligation to purchase any insurance policy covering horses and/or property owned by the members of the TOC should the policy set forth on Exhibit C terminate during the Term. Additionally, if no policy is attached as Exhibit C upon execution of this Agreement, TRACK shall have no obligation to purchase any insurance policy covering horses and/or property owned by the members of the TOC.

The obtaining of a fire and disaster policy by TRACK does not in any way preclude the individual owner or trainer from taking individual legal action against the TRACK that the owner or trainer deems appropriate, or to prevent the owner or trainer from seeking legal action against the TRACK directly as a consequence of any acts, conduct, negligence, or other occurrence attributable to TRACK.

The amount recovered by an owner under this insurance policy shall be credited as an offset to any liability of TRACK toward the recovery of such owner from TRACK.

XXII.

ACCESSIBILITY TO TRACK

Stable access stickers will be issued to all TOC Board members and authorized personnel of TOC and will be valid all hours commencing at 10:00 a.m.

XXIII.

DEFAULT

The respective covenants herein contained are concurrent, and no covenant shall be enforced by either party hereto which at the time is in default hereunder. If any dispute shall arise hereunder, the prevailing party shall be entitled to its costs of suit, including a reasonable attorney's fee.

XXIV.

BINDING

This Agreement shall be binding on and inure to the benefit of the parties hereto and their successors and assigns. This Agreement is intended to fully comply with Sections 2041 and 2042, Article 22 of Title 4, Chapter 4 of the Administrative Code (Rules and Regulations of the California Horse Racing Board).

XXV.

INCONSISTENT LANGUAGE

When the language in the Condition Book, Stall Application, Stakes Nomination Forms, proposed Stakes Book for an upcoming meet, or any other document pertaining to the eligibility of horses and conditions for racing is inconsistent with the language in the Purse Agreement, the language in the Purse Agreement shall control.

XXVI.

OWNERS' PROPRIETARY RIGHTS

TRACK agrees that should it desire to utilize the name, image, or likeness of a particular horse for a promotional or commercial purpose, other than the promotion of live racing or simulcasting, and wagering on the outcome thereof, e.g. the sale of merchandise bearing the name or likeness of a horse, TRACK shall contact the individual owner or owners of said horse and obtain their consent, and if necessary and appropriate, reasonably compensate said owner or owners for the use of such name, image, or likeness.

TRACK acknowledges that, in the context of simulcasting, televising, and the rebroadcasting of races, the proprietary rights created by the collective image of the race belong to all owners participating in a given race meeting subject to applicable law. By virtue of the California Horse Racing Board's recognition

of TOC as the official owners organizations, its Rules and Regulations of Racing, and applicable provisions of California and Federal law, TRACK agrees to negotiate exclusively with TOC as to the consensual use of the collective image of the race for purposes of simulcasting, televising, and the rebroadcasting of races. TRACK shall not enter into or seek to enforce any exclusive agreement or contract to simulcast, televise, broadcast or re-broadcast thoroughbred races conducted at TRACK.

TOC, on behalf of all owners participating in TRACK's 2025 Meet, consent to TRACK's use of the collective image for the purpose of promoting, simulcasting, televising, and/or the rebroadcasting of races occurring at the 2025 Meet. TOC consents to TRACK's use of said image without compensation other than that provided by the appropriate provisions of the California Horse Racing Law, the Rules and Regulations of Racing, and/or Federal Interstate Racing Act, excepting races sold by TRACK to network television, cable television, satellite television, closed circuit, computer or interactive wagering, or other commercial enterprises or uses currently developed or to be developed for which TRACK receives compensation, other than that provided by State and/or Federal legislation, including but not limited to, promotional, licensing, or usage fees paid by sponsors. TRACK agrees to obtain TOC's prior consent to such sales or usages and to negotiate a reasonable contribution to overnight purses from the revenues derived by said sale or use. In the event the parties are unable to amicably resolve either the issue of consent or to conclude negotiations with respect to a reasonable contribution, either or both of those issues shall be submitted to binding arbitration before the CHRB Security and Licensing Committee within two weeks after determination that the issue cannot be amicably resolved.

TOC, on behalf of all owners participating in TRACK's 2025 Meet, further agrees that the nomination of or entry of a horse into a race shall be deemed to be authorization for TRACK to use the name, image, or likeness of individual horses for promotion of, attendance at and wagering on such races, whether live or at simulcast locations.

XXVII.

RACE SPONSORSHIPS

TRACK and TOC recognize and agree that race sponsorships are, and continue to be, an important potential source of ancillary revenue and barter. The parties further agree that each wishes to do all it can to attract and satisfy sponsors as a means to ensure that actual and potential sponsors assess such investment as valuable and consistent with their business objectives.

Additionally, TRACK and TOC believe that a fair and equitable division of race sponsorship revenue and barter serves their best interests, and the industry as a whole. Accordingly, for race sponsorships TRACK shall pay to purses or TOC an amount equal to at least one-half of the compensation exchanged, paid to, or earned by TRACK from any sponsor or other entity in consideration for which the sponsor or designated third-party receives the right, whether exclusively or in conjunction with another, to have its name, logo or other identification associated with one or more races conducted at TRACK, whether as an entitled or "presented by" sponsorship.

XXIII.

DAILY FANTASY SPORTS

TOC contends that Daily Fantasy Sports is a form of wagering and should be treated in substantially the same manner as the distribution of revenues from pari-mutuel wagering conducted at TRACKS. TRACKS and TOC agree that 50% of any revenue generated from Daily Fantasy Sports Contests will be distributed to the purse account.

XXIX.

INTRASTATE SIMULCASTING

Purse money and commissions generated from Intrastate Simulcasting shall be divided in accordance with the applicable provisions of the California *Business and Professions Code*.

XXX.

INTERSTATE SIMULCASTING (EXPORT)

TOC's consent to interstate simulcasting is required in accordance with the Federal Interstate Racing Act of 1978. TRACK has requested the consent of TOC to simulcast the races specified on Exhibit D. TOC's consent to the simulcast of the specified races shall be provided in accordance with the terms and conditions of TOC's consent letters.

TRACK and TOC understand that TRACK may request TOC's consent to simulcast additional races to other interstate satellite locations.

TRACK and TOC agree that Exhibit D to this Agreement may be amended from time to time pursuant to letter agreement executed by TRACK and TOC. Said letter agreement shall include TRACK's request to simulcast to additional satellite locations and TOC's consent thereto. Each request by TRACK shall state the satellite location and the address thereof, the race(s) which TRACK desires to simulcast (in detail, for example, special races, full cards, etc.), the type of races conducted at the simulcast location, for example, quarter horse racing, standardbred racing, dog racing, thoroughbred racing or mixed meets, (TRACK shall indicate if there is no live racing at the simulcast location) and the consideration that TRACK will receive for simulcasting such race(s). Unless otherwise agreed upon, such consideration shall, after payment of California license fees and breeders' awards, be shared equally for purses and commissions. TOC agrees to use reasonable efforts to respond to each request by TRACK within seventy-two (72) hours after receipt of such request by TOC, excluding Saturdays and Sundays.

As a condition of TOC's consent for TRACK to provide the audio-visual signal of its races to locations which engage in phone and/or internet wagering, herein called "ADW" wagering, TRACK shall take all reasonable steps to identify by percentage the handle source. As a further condition of TOC's consent, TRACK must require its tote vendor with respect to each location that engages in ADW wagering, to agree to and provide to TRACK and TOC within 10 days following the close of TRACK's meet, the breakdown for each location's daily handle as between ADW wager and other than ADW wagers.

TRACK and TOC acknowledge that TRACK enters into End User Agreements with interstate simulcast locations. Such End User Agreements provide, in part, that decoder fees shall be paid to TRACK by the interstate simulcast locations. TOC believes that owners are entitled to share fifty percent (50%) of all net decoder revenue received by the TRACK to be used for purses and retroactive payment of purses. TRACK agrees that TOC's consent to simulcast TRACK's races to interstate simulcast locations provided for herein shall not constitute a waiver of TOC's and owners' rights to pursue whatever legal remedies available which TOC and owners may have to obtain fifty percent (50%) of all net decoder revenue (to be used for purses and retroactive payment of purses) received by TRACK during the 2025 Meet and prior meets conducted by TRACK.

By virtue of the support and cooperation of all California racing associations in 2004 in seeking and obtaining passage of legislation known as A.B. 701, the TOC Board of Directors has resolved to forego any claims to such revenues, past and future, until such time as the statute(s) authorized by passage of said legislation sunsets or is repealed.

XXXI.

INTERSTATE SIMULCASTING (IMPORT)

TRACK and TOC desire to import simulcast races from out-of-state locations. The parties expressly agree that any and all interstate/out-of-state simulcasts imports shall be conducted in a manner consistent with that set forth in California law including, but not limited to, Business & Professions Code Sections 19596.2 and 19601(j). TRACK agrees to provide TOC the contents of any proposed oral agreements and copies of proposed written agreements with out-of-state locations from whom TRACK intends to import races for wagering purposes.

Purse money and commissions generated from wagering on imported races from out-of-state locations shall be divided in accordance with the applicable provisions of the California *Business and Professions Code*.

XXXII.

INTERNATIONAL SIMULCASTING (EXPORT)

TRACK has requested the consent of TOC to the international simulcast of its races as listed on Exhibit E. TOC's consent to the simulcast of the specified races shall be provided in accordance with the terms and conditions of TOC's consent letters.

With respect to international simulcast races, the compensation paid to TRACK shall be divided equally between commissions for and purses at TRACK.

TRACK and TOC understand that TRACK may request TOC's consent to simulcast additional races to other foreign satellite locations. TRACK and TOC agree that Exhibit E to this Agreement may be amended from time to time pursuant to letter Agreement executed by TRACK and TOC. Any amendments to Exhibit E must comply with the provisions outlined in Article XXVIII.

XXXIII.

INTERNATIONAL SIMULCASTING (IMPORT)

TRACK and TOC desire to import simulcast races from out-of-country locations. The parties expressly agree that any and all international/out-of-country simulcasts imports shall be conducted in a manner consistent with that set forth in California law including, but not limited to, Business & Professions Code Sections 19596.3 and 19601(j). TRACK agrees to provide TOC the contents of any proposed oral agreements and copies of proposed written agreements with out-of-country locations from whom TRACK intends to import races for wagering purposes.

Purse money and commissions generated from wagering on races imported from out-of-country locations shall be divided in accordance with the applicable provisions of the California *Business and Professions Code*.

XXXIV.

INTRASTATE ADVANCE DEPOSIT WAGERING (“ADW”)

Track has requested the consent of TOC to the simulcast of races conducted at Track during each individual race meet which takes place during the Term for the purposes of intrastate advance deposit wagering by and/or wagering instructions to California licensed advance deposit wagering providers pursuant to California Business & Professions Code, section 19604(b)(1)(C) and the Interstate Horseracing Act, 15 USC 3001, et. Seq. TOC shall provide its consent on a case-by-case basis for each ADW provider by a separate consent letter.

XXXV.

RECEIVING BARN

TRACK agrees that it will at all times during the term hereof maintain the receiving barn in a clean and orderly condition.

XXXVI.

CHANGES TO RACE AND ELIGIBILITY REQUIREMENTS

Except as expressly authorized herein, absent prior written consent of TOC, TRACK shall not, during the pending race meeting, implement or put in place any change to the overnight purse structures, minimum purses awards, minimum claiming levels, or eligibility requirements, that were utilized during TRACK’s 2025 Meet, nor shall TRACK change or modify the conditions of the meeting set forth on TRACK’s stall application form or contained within the Condition Books that were utilized during TRACK’s 2025 Meet.

XXXVII.

CREDENTIALS

TRACK agrees to provide owner/trainer stickers or other appropriate credentials to all licensed personnel either employed on or with horses stabled on the grounds, at an authorized auxiliary stabling facility, or whose horse has competed or is scheduled to compete at the 2025 Meet.

TRACK shall provide free Clubhouse admission to owners with a current valid CHRB license validated by the Racing Department of any Racing Association in California.

TRACK further agrees to issue to all TOC Board members and its President and Executive Director, VIP or "officials" credentials for the 2025 Meet, including but not limited to, an "official's" pin and Vessels Club, or equivalent, guest pass. All other TOC-authorized personnel, up to a maximum of five (5) shall receive an "official's" credential.

TRACK agrees to provide to the owner or owners of a horse competing in a race, on the day of the race, at a minimum, free clubhouse seating for a maximum of eight (8) persons per horse competing.

XXXVIII.

FUTURE RACE MEET AGREEMENTS

TOC will submit a Race Meet Agreement for the Next Year Meet to TRACK at least three (3) months prior to the first (1st) day of the Next Year Meet. TRACK shall notify TOC within 21 days of receipt of the Race Meet Agreement for the Next Year Meet of any specific objections of TRACK to such Race Meet Agreement. If TRACK notifies TOC of objections to the Race Meet Agreement for the Next Year Meet, then TOC and TRACK shall meet within 14 days thereafter in a good faith effort to reach agreement on the Race Meet Agreement for the Next Year Meet and, if no such agreement can be reached within 30 days after receipt of the original objections TOC and TRACK shall submit such objections for hearing before the CHRB pursuant to Article XVI herein.

RACE MEET AGREEMENT

LOS ANGELES COUNTY FAIR ASSOCIATION AT LOS ALAMITOS

June 18, 2025 – July 8, 2025

THIS AGREEMENT is entered into by and between Los Angeles County Fair Association (hereinafter referred to as "TRACK") and the California Thoroughbred Trainers, Inc., a California Corporation, (hereinafter referred to as "CTT") and becomes effective on June 18, 2025, the first day of TRACK's 2025 Summer Meet, except as otherwise provided herein, (hereinafter referred to as "2025 Summer Meet"). The 2025 Summer Meet will be conducted by TRACK at Los Alamitos Racetrack in Los Alamitos, CA.

RECITALS

WHEREAS, TRACK is a duly licensed Racing Association, licensed under and pursuant to the Horse Racing Law, Article 4, Chapter 4, Division 8 of the *Business and Professions Code* of the State of California; and

WHEREAS, CTT is the duly organized trainers' association recognized by TRACK and the California Horse Racing Board as having authority to negotiate and covenant with TRACK pursuant to California Business and Professions Code Section 19613.1 (a) and (b) and Article 22, Chapter 4, Title 4, of the *Administrative Code* of the State of California, Rules 2014, through 2043; and

WHEREAS, TRACK and CTT, in an effort to stabilize certain phases of the business of thoroughbred racing for the purpose of avoiding controversies between them which might interfere with the orderly commencement and conduct of race meetings to the detriment of TRACK, CTT, its members, and for the purpose of providing for an orderly and uniform method of dealing with issues involving the racetrack, track safety, the backstretch and the welfare of trainers and other backstretch personnel, have reached an understanding with reference to the foregoing and other matters and things hereafter specified, and desire to incorporate their understanding in writing.

AGREEMENT

NOW, THEREFORE, the parties hereto, by reason of the premises and in consideration of the mutual promises contained herein agree as follows:

I.

RACE MEET

Except as otherwise provided herein, the provisions of this Agreement shall be applicable only to the thoroughbred race meeting conducted by TRACK under license from the California Horse Racing Board for the period commencing June 18, 2025, through July 8, 2025, which meet is hereinafter referred to as the "2025 Summer Meet."

II.

PURSE PROJECTIONS

TRACK shall provide to CTT prior to the 2025 Summer Meet and not less than a bi-weekly basis during the Meet, for CTT's information, TRACK's projections (and supporting documents) of estimated purses for the 2025 Summer Meet.

III.

CTT DISTRIBUTIONS

TRACK shall pay to CALIFORNIA THOROUGHBRED TRAINERS, INC. ("CTT") for the 2025 Summer Meet the portion deducted for all purses pursuant to Section 19613 of the California *Business & Professions Code*. Specifically, TRACK shall pay one percent (1%) to CTT for the CTT Backstretch Employees' Retirement Savings Pension Plan and one-third of one percent (1/3 of 1%) to CTT, as required by law. The amounts payable to CTT pursuant to this provision may be referred to sometimes collectively as "CTT Distribution." TRACK shall also pay to CTT, in a timely fashion as may be established by normal industry practice or by general agreement of the parties, all other statutory distributions due CTT including, without limitation, amounts payable pursuant to California *Business & Professions Code* section 19604. Purse money and commissions generated from any Simulcasting shall be divided in accordance with the applicable provisions of the California *Business and Professions Code*.

The sums payable under this paragraph shall be paid on by TRACK within sixty (60) days after the close of the race meet or as soon thereafter as feasible, along with a statement indicating the method of calculating such payments. All such payments shall be based upon actual receipts by TRACK of amounts payable as purses, regardless of its source or origination. In the event any payment is not made within 10 days from its due date, interest shall accrue from the initial due date at the rate of ten percent (10%) per annum until such payment is made.

TRACK shall at any time refrain from asserting, in any judicial or non-judicial proceeding at law or in equity or in a bankruptcy petition, any ownership interest in the disbursements set forth in this section. TRACK acknowledges it acts as merely a conduit for the transfer of the monies and disbursements herein described for the benefit of CTT Distribution, and, as such, can claim no ownership interest of any sort in these monies.

IV.

CONDITION BOOK

TRACK agrees to use its best efforts to make its Condition Book for the 2025 Summer Meet available to horsemen at least 10 days prior to opening day and agrees that said book will include an index of races.

V.

STALL APPLICATIONS

It is hereby agreed that the following language is incorporated into "Stall Application," as that term is commonly used in the horse racing industry:

"In order to assure the protection of the public, to maintain and encourage confidence in the integrity of horse racing, and to safeguard the health and safety of human and equine participants, Applicant acknowledges that Applicant and Applicant's agents, employees, and affiliates have no expectation of privacy (which includes but is not limited to video surveillance) with respect to stalls and appurtenant facilities provided by TRACK other than living quarters.

"TRACK specially reserves the right to conduct searches of stall areas, offices, and tack rooms except for living quarters assigned to Applicant at any time.

"TRACK may, in its discretion, establish rules, regulations, and security procedures that may limit or eliminate Applicant's ability to participate in racing or training activities at TRACK or any auxiliary training facility, subject to the agreement of the CTT, which agreement shall not unreasonably be withheld.

"The agreement of CTT, which shall not unreasonably be withheld, shall be a condition precedent to any execution of a decision by TRACK to limit or eliminate Applicant's ability to participate in racing or training activities at TRACK or any auxiliary training facility.

"TRACK will not conduct any independent or supplemental testing of horses at any time. All testing is under the sole authority of the CHRB. Any rules, regulations, or procedures enacted pursuant hereto shall be in addition to and shall not supplant the rules and regulations of the California Horse Racing Board.

"Notwithstanding anything to the contrary herein, TRACK may enter and search living quarters so long as it has reasonable cause to believe that there is an activity taking place that is criminal, or a threat to the health or safety of other occupants of living quarters or a threat to the health or safety of the horses. TRACK agrees to notify CTT within 24 hours of any such entries."

VI.

STALL ASSIGNMENTS

(a) In the allocation and assignment of stall space for thoroughbreds, so long as the trainer is duly licensed, TRACK will not discriminate in any way against any trainer by reason of membership of any trainer in the CTT, or by way of any arbitrary or capricious conduct by TRACK. If any trainer asserts that TRACK shall have so discriminated on such ground or grounds, then the trainer claiming to be so aggrieved may submit his claim to TRACK or to CTT for examination, and if CTT shall then believe the claim to have merit, CTT shall be entitled to present the merits of the grievance on behalf of such trainer to TRACK. If the dispute is not settled, TRACK and CTT agree that the matter is to proceed immediately to arbitration before a hearing officer chosen by mutual consent by TRACK and CTT. If TRACK and CTT cannot agree on a hearing officer chosen by mutual consent, a hearing officer shall be appointed immediately by the CHRB.

(b) Each stall application shall refer to the particular horses for which stalls are requested and no substitution of horses shall be permitted without TRACK's prior consent.

(c) TRACK agrees to use its best efforts to provide stalls to horses that are in a condition to train and run. Stalls will be allocated and made available, without charge, to those thoroughbred horses for which TRACK's Racing Secretary has approved stalls. Stalls shall be assigned only to trainers engaged in the care and training of thoroughbreds, which TRACK has approved and to which TRACK has allocated stalls to prepare for racing. TRACK's obligations to furnish and allocate stalls shall be subject to TRACK's right to withdraw stalls allocated to horses not currently approved for racing or preparation for racing, or not actually training for racing, and to TRACK's needs for access to such stalls for repairs, maintenance, and construction. TRACK will assure that stalls being repaired will be substituted for by other stalls at TRACK's cost, if applicable.

(d) It is the intention of TRACK that stall allocations shall be made primarily on the basis of the quality and condition of the horses for which stall space is requested upon the availability of stall space and taking into consideration the character of the Meet contemplated to be held by TRACK and the horses suitable for the holding of such race meet.

(e) TRACK shall not allocate more than forty (40) stalls to any one trainer. Following allocation of stalls which shall not exceed forty (40) to any one trainer, should TRACK determine that the number of available stalls exceeds the number of qualified and eligible horses which have been allocated stalls, then and in that event, TRACK may allocate, on an equitable basis, up to fifty (50) stalls to any one trainer. The intent of this provision is to insure fair and reasonable consideration of all applications by TRACK, so that no one trainer may be awarded in excess of forty (40) stalls until such time as all applications for stalls for eligible and qualified horses have been reviewed, considered, and stalls have been reasonably provided to those horses which have been determined to meet TRACK's eligibility and qualification requirements.

VII.

DISPUTE RESOLUTION

This section refers to disputes arising from Section V, Stall Applications, and Section VI, Stall Assignments.

Following the execution of this Agreement, TRACK and CTT shall meet to establish a list of three qualified neutrals who may be called upon to become involved in resolving disputes which may arise under Section VI and Section VI of the Agreement. The decision(s) of any neutral so chosen shall be binding during the pendency of this dispute resolution process and any arbitration procedures following. If TRACK and CTT cannot agree on a neutral to resolve the dispute, a neutral shall be appointed by the California Horse Racing Board.

Any decision by TRACK to deny stalls to or to exclude any licensed trainer, during or immediately following the Stall Application process (other than on grounds of the quality and condition of the horses for which stall space is requested, and taking into consideration the character of the Meet contemplated to be held by TRACK and the horses suitable for the holding of such Meet, and availability of stall space) may not be arbitrary and/or capricious, and shall be based upon one or more of the following:

- (a) Violation of a California Horse Racing Board medication rule involving a Class 1 through 3 drug substance where the decision is not based solely on CHRB rule 1887.
- (b) Violation of a California Horse Racing Board rule resulting in an actual served suspension of 60 days or more.
- (c) Repeated or egregious violations of Association rules where such rules have been agreed to by CTT.
- (d) Criminal complaints alleging violations involving animal health and safety.
- (e) Conduct which falls far below the prevailing standard of custom and care of thoroughbred race horse husbandry.
- (f) Conduct which is detrimental to the integrity of horse racing or would interfere with the orderly conduct of horse racing.
- (g) Conduct referenced in CHRB Rule 1980 and 1989 (a).

Prior to TRACK's enforcement of any decision to exclude any licensed trainer, or to withdraw or significantly modify stall allocations once made, TRACK shall inform the trainer and CTT of its decision and the basis for that decision. The agreement of CTT, which shall not unreasonably be withheld, shall be a condition precedent to any execution of a decision by TRACK to limit or eliminate Applicant's ability to participate in racing or training activities at TRACK or any auxiliary training facility.

If the subject trainer objects to an exclusion, withdrawal, or modification of stall assignments, that objection shall be lodged with both TRACK and CTT within 48 hours of TRACK's decision. TRACK, CTT, and the subject trainer shall then meet immediately, whether separately or together, to further evaluate the merit of TRACK's decision.

Should any dispute remain as to an exclusion, modification, or withdrawal of stall allocations once made, following the meeting(s) referenced above, a qualified neutral shall be drawn by lot of the list referenced above, to meet with the subject trainer, TRACK, and CTT, with all deliberate speed. At such pre-arbitration meeting, the neutral shall first attempt to facilitate a resolution of the dispute. If the dispute cannot be resolved, the neutral shall indicate at the conclusion of the meeting, based on the representations made, whether the TRACK or trainer is the prevailing party in the pre-arbitration proceeding.

Commencing with the date of TRACK's decision so to exclude any trainer, modify, or withdraw stall allocations once made, the affected trainer may continue to occupy allocated stalls and appurtenant facilities in accordance with applicable rules and procedures, until such time as the dispute has been resolved or the pre-arbitration meeting has determined TRACK to be the prevailing party. During such period between the date of TRACK's decision to exclude a trainer and the pre-arbitration meeting, the affected trainer will not be permitted to "work horses" in his care as that term is commonly understood in Thoroughbred racing, or to enter horses in any races at TRACK.

If TRACK is the prevailing party, the trainer shall be entitled to proceed immediately to arbitration, and shall be suspended and/or excluded from participation in racing or training at TRACK or authorized auxiliary training facilities during the pendency of arbitration.

Should the trainer be the prevailing party, the TRACK shall be entitled to proceed immediately to arbitration, and the trainer shall not be suspended and/or excluded from participation in racing or training at TRACK or authorized auxiliary training facilities during the pendency of such arbitration that TRACK may pursue.

VIII.

HOLDING (TRANSIT) BARN

TRACK agrees that it will regularly clean and maintain the Holding (Transit) barn used for horses shipping in to run at the 2025 Summer Meet.

IX.

FIRST POST TIME

All Post times for the 2025 Summer Meet must be submitted for approval of the CHRB in TRACK's initial application for license. Any changes to post time following the opening of the meeting must be submitted concurrently to CHRB and CTT for their approval.

X.

INTERRUPTED RACING SCHEDULES: FORCE MAJEURE

If TRACK for any reason beyond its control such as, but not limited to: an act of God; war; labor difficulties; strikes; order of any governmental authority directing cessation of racing; failure of TRACK to obtain the necessary racing license from the California Horse Racing Board; and/or destruction of the racing plant of TRACK by fire or other casualty shall be prevented from conducting one (1) or more days of scheduled thoroughbred racing, then sums otherwise payable by TRACK hereunder shall be proportionately reduced for each day that TRACK is prevented from operating.

XI.

STABLING AT AND VANNING FROM AUXILIARY STABLING FACILITIES

TRACK shall, at least sixty (60) days prior to the opening of the 2025 Summer Meet, notify the California Horse Racing Board and CTT of the offsite facility(ies) which is/are acceptable to TRACK as the auxiliary stabling facility(ies) so long as such can be accomplished without compensation of any nature whatsoever, direct or indirect, by TRACK to such facility(ies) other than such compensation as provided in the California Horse Racing Law and so long as the facility(ies) is recognized as an approved year-long training facility by the CHRB.

TRACK agrees it will provide auxiliary stall applications for horses to be stabled at auxiliary stabling facilities well in advance of the opening of TRACK's Race Meeting. Said auxiliary stalls shall be made available without cost to horsemen, pursuant to Section 19535 of the California Horse Racing Law.

CTT and TRACK agree to use their best efforts to cause eligible horsemen to be reimbursed promptly for vanning as provided in Sections 19535(b) and 19605.7(d) of the Business and Professions Code.

TRACK agrees to provide an official vet at the offsite stabling facility(ies) at reasonable intervals to allow trainers to work horses for removal from the Vet's List.

XII.

ACCESSIBILITY TO TRACK

TRACK agrees that at least one (1) gate will remain open twenty-four (24) hours daily permitting access to the backstretch for all licensed personnel. TRACK further agrees to permit all licensed personnel to use the designated parking area adjacent to said gate for purposes of parking personal vehicles, free of charge.

XIII.

ANTI-MONOPOLY PROVISION

TRACK acknowledges CTT's interest in assuring that horsemen will, during the 2025 Summer Meet, have the opportunity to procure and receive supplies, services, utilities, transportation, and other facilities required by the horsemen at a competitive cost or price usually available in a free enterprise marketplace. Accordingly, TRACK agrees not to limit this free enterprise system of competitive service and supply to the horsemen by means of TRACK entering into any agreement or otherwise seeking to establish or impose upon the horsemen a monopoly of restrictive servicemen or suppliers who would have exclusive access to the horsemen's needs or requirements.

CTT acknowledges that TRACK must provide, maintain and control reasonable access to and from TRACK property; security for persons and property; traffic regulation; and numerous other activities related to the racing industry. Accordingly, CTT agrees that TRACK may, for a reasonable and proper cause, restrict or prohibit any serviceman, supplier or vendor from having access to the grounds and the horsemen, provided that CTT will be given a minimum 24-hour prior written notice by TRACK that a particular serviceman, supplier or vendor will be denied further access or privileges to TRACK grounds or property. Notwithstanding anything to the contrary herein, horsemen shall have the right to use their own hot-walking machines or acquire hot-walking machines from any source they may determine.

XIV.

CREDENTIALS

TRACK agrees to provide owner/trainer stickers or other appropriate credentials to all licensed personnel either employed on or with horses stabled on the grounds, at an authorized auxiliary stabling facility, or whose horse has competed or is scheduled to compete at the 2025 Summer Meet.

TRACK further agrees to issue to all CTT Board members, its President, Executive Director, General Counsel, Northern California Manager, Deputy Director, and members of the CTT Backstretch Employees' Pension Administrative Committee VIP or "official" credentials for the 2025 Summer Meet, including but not limited to, an "official" pin and Turf Club, or equivalent, guest pass. All other CTT authorized personnel, California Horsemen's Safety Alliance, Post Time Self Insurance Group, and Edwin J. Gregson Foundation Board Directors, who are not trainers or otherwise covered herein, shall receive an "official" pin.

XV.

TRAINING/STABLING/EMPLOYEE HOUSING FACILITIES

At all times during the 2025 Summer Meet, TRACK will cause the main track to be open at 5:30 a.m. and to remain open until 10:00 a.m. every day of the week.

It is the intent of TRACK and CTT that the main track will be maintained by TRACK in good and safe condition (except in the event of a water shortage or other unforeseen conditions of which TRACK has notified the CTT) and be available for training seven (7) days a week on each day horses are stabled at TRACK.

TRACK agrees, while horses are stabled at TRACK during its Meet, to have a manned, operating starting gate for training on the main track.

TRACK and CTT agree that they shall work cooperatively in attempts to assess and remedy any conditions that may adversely affect the main track, and inner track, during the 2025 Summer Meet and while the main track, and inner track, are open for training preceding and following the 2025 Summer Meet. TRACK further agrees to use reasonable efforts to maintain the main track, and inner track, surrounding roads and the barn area in good and safe condition.

While acknowledging that it is impossible to keep surfaces free of all rocks, it is the intent of the parties that TRACK will use reasonable efforts to obtain and use materials on said surfaces that are free of rocks. In the absence of gross negligence, the TRACK shall not be liable for the presence of rocks.

It is agreed that maintenance and construction work will be restricted during training hours so as not to endanger horses and/or backstretch personnel. It is further agreed that the track and backstretch areas will be kept free of rocks and other injurious debris so long as practicable.

Without approval of the other party, neither party shall make any rules or enforce any conditions that differ from those established by the CHRB.

TRACK shall maintain stabling and keep all stalls in good repair. Stalls shall be maintained in such condition that they are safe, useable and promote the safety and health of the horses, and that of people who work with and have other contact with horses.

TRACK shall provide, free of charge or rent, tackrooms suitable as living quarters in the barn area during the duration of each meet. If TRACK is unable to provide such living quarter tackrooms, then TRACK must provide, free of charge or rent, trailers and trailer space on the fairground premises for the backstretch workers in lieu of the living quarter tackrooms.

CTT will use its best efforts to inform trainers to comply with all federal, state, and local laws, rules, codes, and ordinances. Without limiting the generality of the foregoing, all feed must be properly stored at all times. TRACK shall make available to CTT the guidelines for proper feed storage and other governmental requirements related to the backstretch. CTT shall be responsible for disseminating the guidelines to its members. TRACK shall also provide to CTT, immediately upon receipt thereof, any governmental notice relating to any issue on the backstretch so that CTT may work with TRACK and/or trainer in addressing the issue. TRACK reserves all rights against an offending trainer in connection with any fine levied against TRACK by a governmental entity for the improper storage of feed.

XVI.

BACKSTRETCH CAFETERIA

During the 2025 Summer Meets, TRACK will cause to be kept open on every racing day a cafeteria located on the backstretch for the patronage and convenience of owners, trainers, and backstretch personnel. The cafeteria shall remain open from 6:00 A.M. until the conclusion of the last live race of the day and from 6:00 A.M. and 2:00 P.M. on non-racing days. Periodic closing for cleaning will apply on all days. TRACK will use all reasonable efforts to maintain the lowest possible pricing for trainers and their employees.

XVII.

TRACK SAFETY

Within a reasonable time following its receipt, not to exceed 72 hours, TRACK agrees to provide or otherwise make reasonably available to CTT for review, and to meet with CTT representatives at mutually agreeable times during TRACK's 2025 Summer Meet, or otherwise, to discuss, information concerning the soil or material composition, construction, engineering and remediation of TRACK's main track, and inner track, including, without limitation, to the extent they exist, material laboratory analyses, consultant analyses, daily maintenance protocols and reports, and remediation recommendations. TRACK agrees to provide to CTT on an ongoing basis throughout the calendar year and as set forth above, including any time during which the TRACK may be closed for racing and/or stabling, including such weeks/months when racing is not conducted, any and all testing reports, data or recommendations done by, requested by and/or provided to TRACK, the California Horse Racing Board, Breeders' Cup or other entity. TRACK and CTT mutually agree to grant authorization to each other to obtain and to release to each other any information regarding track testing reports, data or recommendation in the custody, possession or control of the California Horse Racing Board, Breeders' Cup or other entity, upon its receipt by TRACK. CTT agrees to exercise its discretion regarding whether or not to disseminate any such reports received pursuant to this Agreement.

TRACK will make available all horse ambulance reports to CTT, as generated, and no later than on a weekly basis during each of TRACK's 2025 Summer Meet, as well as the training period before and after the 2025 Summer Meet as provided for in this Agreement.

Within a reasonable time following its receipt, not to exceed 72 hours, CTT agrees to provide or otherwise make reasonably available to TRACK for review, to the extent they exist and are in the possession, control, or custody of CTT, any material laboratory analyses, consultant analyses, daily maintenance protocols and reports, and remediation recommendations. Any CTT employee, agent, or person CTT causes to be on the main track, or inner track must be licensed by the CHRB before said individual enters the main track, or inner track. Additionally, said individual shall follow and comply with all applicable laws, rules and regulations. Moreover, CTT agrees to indemnify and hold harmless TRACK, and its respective affiliates, members, partners, shareholders, officers, directors, employee, attorneys, and agents from and against any and all claims, demands, suits, losses, damages, injuries, liabilities, costs and expenses, including reasonable attorneys fee, that arises as a result of said individual being on the main track, grass

course, or training track. The preceding sentence does not pertain to trainers, exercise riders, jockeys or grooms performing their regular duties relating to training.

XVIII.

SIGNAGE & TRAINERS' PROPRIETARY RIGHTS

TRACK agrees that should it desire to utilize the name, image, or likeness of a particular trainer for a promotional or commercial purpose, other than the promotion of live racing or simulcasting, and wagering on the outcome thereof, *e.g.*, the sale of merchandise bearing the name or likeness of a trainer, TRACK shall contact the individual trainer and obtain their consent, and if necessary and appropriate, reasonably compensate said trainer or trainers for the use of such name, image, or likeness.

TRACK and CTT agree that CTT shall have the right to place signs and/or logos of comparable size and design of Thoroughbred Owners of California (TOC) signs at or near the location provided to TOC for placement of signs and/or logos.

XIX.

FIRE, DISASTER AND GENERAL LIABILITY INSURANCE

TRACK agrees to acquire and pay the premium for a Fire and Disaster Insurance Policy, providing the same coverage or better than that previously obtained through the National Horsemen's Benevolent and Protective Fund. TRACK will, either independently or in conjunction with other racing associations, finance this program without right of reimbursement from any horsemen's organization, or individual owner or trainer. Said insurance is to be provided by a reputable insurance company selected by TRACK which, with certain limitations, protects the owners of horses against the loss of their race horses, tack, etc., due to fire or disaster. CTT and their respective members shall be named as a loss payee under such policy. CTT shall receive a certificate of insurance, including endorsements, amendments, or any other provision or document evidencing or affecting coverage or liability limits. TRACK shall also obtain, under the same terms and conditions set forth herein, a General Liability Insurance Policy which is to name as an additional insured, and be for the benefit of the, CTT, and its member trainers and equine participants who race and/or participate in TRACK's meet at any time during the term of this Agreement.

The obtaining of a fire, disaster and general liability insurance policy by TRACK does not in any way preclude the individual owner or trainer from taking individual legal action against the TRACK that the owner or trainer deems appropriate, or to prevent the owner or trainer from seeking legal action against the TRACK directly as a consequence of any acts, conduct, negligence, or other occurrence attributable to TRACK.

The amount recovered by an owner under this insurance policy shall be credited as an offset to any liability of TRACK toward the recovery of such owner from TRACK.

XX.

CTT COVENANTS

During the term of this Agreement and as long as TRACK is not in violation of the terms of this Agreement or of applicable law, CTT will not instigate, promote, encourage or engage in any boycott of any race or Race Meeting (except and in the event the track is unsafe for racing) conducted by TRACK while this Agreement is in force and effect.

XXI.

TRACK COVENANTS

During the term of this Agreement and as long as CTT is not in violation of the terms of this Agreement or of applicable law, TRACK shall recognize CTT as the official organization representing the trainers at TRACK's 2025 Summer Meet and shall not file or participate in any action, claim or proceeding seeking the decertification of the CTT as the official and exclusive representative of California thoroughbred trainers, nor will TRACK engage in a lockout of CTT members.

XXII.

MUTUALITY

TRACK and CTT represent to each other that they are mutually interested in the continuance, maintenance and improvement of thoroughbred racing in the State of California and, to that end, believe it most advisable and to their mutual best interests that any future differences of opinion between them with respect to the provisions hereof, the matters covered hereby or any other matter or thing pertaining to thoroughbred racing wherein both parties are interested, should be settled by them, without undue publicity, by negotiation and consultation. Each party will cooperate with the other to promote, foster and retain public good will toward thoroughbred racing by conducting racing on the highest possible plane through maintenance of the high standards of fairness, inclusion, communication, and honesty.

TRACK will notify and consult the CTT, and, whenever reasonable and possible, obtain the consent and approval of the CTT, whenever substantial changes are contemplated by TRACK and proposed with respect to TRACK racing facilities, racing surfaces, racing schedule, stall applications and applicants, or conditions affecting the backstretch. In the interest of promoting public good toward thoroughbred racing, TRACK will provide to CTT TRACK's application for racing license at least ten (10) calendar days prior to its submission to the California Horse Racing Board.

A Horsemen-Management Committee shall be created, composed of such members of the CTT as they may designate and administrative officials to be designated by TRACK. All matters concerning problems of the parties in regards to conditions of the racetrack, the backside, and the health, welfare and safety of the horses, the trainers or their employees, stall applications and applicants, and stabling and vanning, will be referred to this committee in an effort to amicably

and equitably adjust and resolve any problems which may arise. The parties herein shall prepare and agree to a monthly meeting schedule during which grievances and any other issues may be discussed and resolved. If each party notifies the other that no issues will be agendized for the upcoming monthly meeting, the parties may mutually cancel that monthly meeting. This Committee shall have no involvement in the issues arising under Sections V. and VI. above.

XXIII.

DEFAULT

The respective covenants herein contained are concurrent, and no party who is in default of this agreement shall have the right to enforce any covenant hereunder until said default has been cured. If any dispute shall arise hereunder which requires litigation or arbitration, the prevailing party shall be entitled to its costs of suit, including a reasonable attorney's fee.

XXIV.

EXCHANGE WAGERING

TRACK agrees to consult with CTT prior to implementing or offering exchange wagering at TRACK during the term of this Agreement.

XXV.

3rd PARTY LASIX ADMINISTRATION AGREEMENT

This 3rd Party Lasix Administration Agreement (this "Agreement") is entered into as of March 15, 2025 (the "Effective Date") by and between LA County Fair at Los Alamitos Racing Association ("TRACK"), the Thoroughbred Owners of California, Inc. ("TOC"), and the California Thoroughbred Trainers, Inc. ("CTT") and each individually a "Party" and collectively the "Parties".

RECITALS

- A. CHRB Rule 1845 requires that the Parties enter into an agreement to provide for race-day furosemide administration.
- B. CHRB Rule 1845 further requires that the agreement described TRACK's program for the administration of race day furosemide, the minimum level of staffing necessary to carry out the program, and the projected costs to horsemen for such administration.
- C. The Parties intend for this Agreement to comply with and satisfy the requirements of CHRB Rule 1845.

AGREEMENT

With reference to the foregoing Recitals, which are hereby incorporated by reference, and in exchange for good and valuable consideration, the sufficiency and receipt of which are hereby acknowledged, TRACK, TOC and CTT do hereby agree as follows:

- 1. **TERM** This Agreement shall take effect on March 15, 2025 and shall continue through December 31, 2025 (the "Term"). If the Parties have not entered into a new agreement which satisfies the requirements of CHRB Rule 1845 prior to the conclusion of the Term, the terms and conditions set forth in this Agreement shall continue to remain in effect and binding on the Parties after the Term until such time that the Parties enter into such a new agreement or until any Party terminates this Agreement upon twenty-four (24) hours' notice.
- 2. **COST TO HORSEMEN** The owner shall pay to TRACK (on a per administration basis) an amount equal to thirty-five dollars (\$35) for the administration of race day furosemide to such owner's horse ("Lasix Administration Fee"). The Paymaster of Purses will deduct the Lasix Administration Fee from such owner's purse account and remit it to TRACK. By way of this Agreement, all owners hereby consent for the Paymaster of Purses to deduct the Lasix Administration Fee from such owner's purse account and remit it to TRACK. TRACK may increase the Lasix Administration Fee if there is a material increase in cost to administer the race day furosemide program; provided, however, that such increase must first be approved, with such approval not being unreasonably withheld, by the TOC.

3. NUMBER OF VETERINARIANS AND TECHNICIANS TRACK shall initially hire two (2) furosemide veterinarians and two (2) furosemide veterinary technicians to administer the race day furosemide. The furosemide veterinary technicians shall report to the furosemide veterinarian. If TRACK decides, after consultation with the TOC and CTT that additional furosemide veterinarians or furosemide veterinary technicians are necessary for the proper and orderly administration of race day furosemide, TRACK shall hire such additional number of furosemide veterinarians or furosemide veterinary technicians as it deems necessary.

4. RACE DAY LASIX ADMINISTRATION PROGRAM

a. By way of this Agreement, each individual Thoroughbred Owner does hereby consent to the procedures set forth in this Agreement and agrees that the pre-race examination conducted under the direction of the official veterinarian or racing veterinarian shall constitute a veterinary-client-patient relationship within the meaning of 16 CCR 2032.1.

b. The syringe used to administer the furosemide shall be placed in an evidence/biohazard tamper-proof bag which will be sealed in front of the witnesses. The witnesses shall sign the sealed evidence/biohazard tamper-proof bag. The sealed and signed evidence/biohazard tamper-proof bag containing the syringe will be delivered to the CHRB. The TOC and CTT, each jointly and severally, agree to indemnify TRACK and its affiliates, members, partners, shareholders, officers, directors, employees, attorneys and agents, from and against any and all claims, demands, suits, losses, damages, liabilities, costs and expenses, including reasonable attorneys' fees, arising from or related to any and all acts taken or not taken by the CHRB, tampering, contamination, loss, destruction, theft and any and all other actions or inactions related to the evidence bag and/or syringe after TRACK has delivered the evidence bag and syringe to the CHRB.

c. Additional terms and conditions of the Race Day Lasix Administration Program are attached as Exhibit A and Exhibit B which are hereby incorporated into this Agreement.

5. TOC and CTT COVENANTS

a. The TOC covenants that it will take all steps necessary to ensure that all Thoroughbred owners take all steps necessary to comply with: i) the terms of this Agreement and ii) all statutes, laws and regulations which are necessary for the Thoroughbred owner to comply with in order to effectuate the purpose of this Agreement.

b. The CTT covenants that it will take all steps necessary to ensure that all Thoroughbred Trainers take all steps necessary to comply with: i) the terms of this Agreement and ii) all statutes, laws and regulations which are necessary for the Thoroughbred Trainer to comply with in order to effectuate the purpose of this Agreement.

6. MISCELLANEOUS

a. Entire Agreement; Amendment. This Agreement, including the Exhibits, contains the entire understanding of the Parties relating to the subject matter hereof, supersedes any and all prior or contemporaneous agreements or understandings, either oral or written, and may not be changed or terminated orally. Except as specifically provided herein, this Agreement may be amended only by a writing signed by the Parties.

b. Applicable Law. This Agreement, including all matters of construction, validity and performance, shall be governed, construed and enforced in accordance with the laws of the State of California, as applied to contracts executed and to be fully performed in California by citizens of California and without reference to principles of conflicts of law. Venue of any action arising out of this Agreement shall be heard first in an applicable state court of California and absent jurisdiction in such state court, then in the applicable federal court of California.

c. Waiver; Remedies. The failure by one Party to require performance of any provision of this Agreement shall not affect that Party's right to require performance at any time thereafter, nor shall a waiver by one Party of a breach by another Party be considered a waiver of any or all subsequent breaches by the breaching Party. All rights and remedies provided in this Agreement are cumulative and not exclusive of any other rights or remedies that may be available to the Parties, whether provided by law, equity, statute, or in any other agreement between the Parties, or otherwise.

d. Counterparts. This Agreement and all amendments hereto may be executed in several counterparts and each counterpart shall constitute a duplicate original of the same instrument, TRACK, TOC and CTT agree that copies of this Agreement sent by email (in PDF or similar format) or fax, and the signatures thereon, shall be deemed valid executed originals of this Agreement.

e. Severability. Any provision hereof prohibited by, or unlawful, or unenforceable under any applicable law, rule or regulation shall be ineffective without affecting any other provision or enforcement of this Agreement.

f. No Third Party Beneficiaries. Except with respect to the indemnification obligations set forth in this Agreement, the provisions of this Agreement are not intended to be for the benefit of, or enforceable by, any party other than TRACK, TOC and CTT. Except for TRACK, TOC and CTT, no person shall have any right to rely upon or enforce any of the terms and provisions of this Agreement other than the indemnification obligations set forth in this Agreement.

The Parties have entered into this Agreement as of the date first written above.
