Los Alamitos Race Course

The main race track lighting system is comprised of (970) 1000 watt 277 volt metal halogen light fixtures. The emergency lighting system is comprised of (305) 1500 watt quartz light fixtures. If the main system experiences a brief loss or interruption of power the metal halogen lights will fail. Due to the type of fixture they may take up to 20 minutes to reach full illumination. In the event of an interruption of this type the back-up emergency quartz lighting system automatically comes on. This happens instantly and the back-up emergency system can remain on for up to 90 minutes.

Los Alamitos Race Track Maintenance Program

Renovations that are done during the morning training hours will consist of watering the surface if needed. Two tractors will then make a total of two passes each approximately 80ft. in width. The racetrack closes at 10:00am. Once the horses have exited the track the harrowing process will begin. This will consist of harrowing the entire racetrack from rail to rail. At this point all blade work will need to be completed for the day. A concrete curb under the inside rail is used as a grade marker. This is used as a guideline to maintain a uniform and consistent racing surface. The racetrack is now watered if needed and harrowed. In the afternoon water is applied for the evening's races followed by cutting the surface using a California cutting harrow. Additional water will be added if needed and the track will be harrowed once again. The watering and harrowing will continue thru the first few races depending on the first race post time. Under normal conditions once the sunsets there will be no need to continue to water. After the final race the entire surface is harrowed and is now ready for the following morning workouts. The harrows are set daily on level concrete pad, which allows us to maintain an even and consistent racing surface. The racetrack is ripped and rototilled once a week to a depth of six inches then laid back down with roller harrows and watered as needed.

AGREEMENT BETWEEN
LOS ALAMITOS QUARTER HORSE RACING ASSOCIATION
AND
PACIFIC COAST QUARTER HORSE RACING ASSOCIATION
FOR THE CONDUCT OF
THE 2026 QUARTER HORSE RACE MEET

AGREEMENT

This Agreement is entered into by and between LOS ALAMITOS QUARTER HORSE RACING ASSOCIATION, hereinafter sometimes referred to as "TRACK", and PACIFIC COAST QUARTER HORSE RACING ASSOCIATION, hereinafter sometimes referred to as "PCQHRA". TRACK and PCQHRA, hereinafter, may sometimes be referred to collectively as the "Parties."

WHEREAS the Parties contemplate that TRACK will hold a Quarter Horse race meeting at Los Alamitos Race Course pursuant to a license by the California Horse Racing Board, hereinafter sometimes referred to as "CHRB", beginning on December 27, 2025, and running through December 22, 2026 (hereinafter the "race meet");

WHEREAS for the purpose of avoiding controversies between them which might interfere with the orderly commencement and conduct of the race meeting to the detriment of TRACK, PCQHRA, its members, and racing patrons, and for the purpose of providing for an orderly and uniform method of stakes and overnight purse distribution by TRACK, the Parties have reached an understanding with reference to the foregoing and other matters hereinafter dealt with and desire to incorporate their understanding in writing.

NOW, THEREFORE, in consideration of the premises and the mutual promises of the parties hereto, it is agreed as follows:

ARTICLE I STATUS OF THE PARTIES

1.1 TRACK. TRACK is an association as defined in Business and Profession Code, Section 19403. It exists under the laws of the State of California for the purpose of conducting Quarter Horse racing (as defined in Business and Professional Code Sections 19533 and 19533.5), and race meetings. TRACK is licensed to do so by the CHRB and is subject to the applicable provisions of the California Horse Racing Law (Chapter 4, Division 8, Business and Professions Code, Chapter 4).

TRACK warrants and represents that this Agreement shall be approved by its Board of Directors or other governing body and this Agreement shall be binding upon TRACK, its members, agents, employees, and officials during the term of the Agreement.

1.2 PCQHRA is a private, nonprofit corporation existing under the laws of the United States and the State of California and is in good standing under the laws.

PCQHRA warrants that it represents a majority of horsemen, owners or trainers in the State of California with respect to the racing Quarter Horse breed and has been determined by the CHRB to be the organization to represent the horsemen, owners or trainers with respect to the racing Quarter Horse breed. PCQHRA warrants and represents that it has the authority of its members, to the fullest extent allowed by law, to enter into this Agreement and that this Agreement shall be binding upon PCQHRA and any horse owners or trainers who are members of PCQHRA.

**ARTICLE II
TERM**

2.1 The provisions of this Agreement, subject to Section 11.1 hereafter, shall only be applicable to the Quarter Horse races at the race meet conducted by TRACK under the license from the CHRB December 27, 2025, through December 22, 2026, at Los Alamitos Race Course.

For the purposes of interpretation and construction of this Agreement, each race meet or each portion of a split meet, if applicable, shall be considered a separate and distinct race meet or split of a race meet, and shall be individually subject to the terms of this Agreement.

**ARTICLE III
DISTRIBUTION OF PARI-MUTUEL TAKEOUT: PAYMENT TO PCQHRA**

3.1 TRACK shall distribute to the horsemen all purses and monies to which the horsemen are entitled pursuant to Horse Racing law, whether in force at the time the parties enter into this Agreement or are hereafter enacted into Horse Racing Law and applicable to the race meeting. Said monies shall be derived from, but not limited to, Business and Professions Code, Sections 19491(b), 19491.5, 19533, 19596.1, 19602, 19604, 19605.7, 19605.71, 19605.72, 19606, 19606.1, 19612, 19612.1, 19612.2, 19612.6, 19613, 19616 and 19616.1. Any amount distributable per 19612 shall be divided 45% as purses and 55% as commissions. Any amounts distributed pursuant to 19612.1 shall be divided 59.5% as commissions and 40.5% as purses.

Where applicable, amendments or new sections of Horse Racing Law shall be deemed to be incorporated into this agreement upon their effective date(s).

3.2 TRACK and PCQHRA acknowledge that all disputes regarding purse overpayments or underpayments for meets conducted prior to the 2026 meet have been settled and no obligations exist as to over/underpayment by either party.

3.3 The Cal-Bred Awards, specified in, but not limited to, Business and Professions Code, Sections 19567, 19612.1 and 19617 shall be payable pursuant to Business and Professions Code, Sections 19617.5(a) and 19617.7.

TRACK agrees to provide PCQHRA on a timely basis any information necessary for PCQHRA to calculate and administer the Cal-Bred Awards program, including, but not limited to, a weekly listing of all Cal-Bred winners, listing day, race, and amount of purse.

Where applicable, amendments or new sections of Horse Racing Law shall be deemed to be incorporated into this agreement upon their effective date(s).

3.4 (a) TRACK agrees that it will pay PCQHRA, for administrative expenses and for services rendered, a sum in lawful money of the United States of 3% of all funds generated at the race meetings pursuant to this Article, as required by Horse Racing Law, including, but not limited to, Business and Professions Code, Sections 19613 and 19533.

(b) The amounts to be paid PCQHRA pursuant to this Paragraph shall be paid by TRACK in installments as follows:

1. Of the sums payable pursuant to this Paragraph, an amount based upon revenues from the first thirty (30) calendar days of each race meeting, and each successive 30 days thereafter, until the end of the race meeting. Each payment shall be made on or before ten (10) days after each thirty (30) day period. The balance due from each meet shall be paid within 10 days after the close of the race meet.
2. If, by virtue of TRACK application to the CHRB, any race meeting within this Agreement is a "split" meeting, the payments described herein shall be made in accordance with the language in this Paragraph for each portion of the split meeting.

All payments shall include statements indicating the method of calculating such payments, including, but not limited to, all accounting and documentation necessary to assure compliance with Agreements contained in this contract, such as detailed accounting of revenue from out-of-state/out-of-country simulcasting revenue, handle generated from all sources for purses, Cal-Bred awards, added money for stakes and handicap races, and application of interest earned on horsemen's funds. Purse over/underpayment calculations shall be provided on a weekly basis.

3.5 TRACK and PCQHRA acknowledge and agree that disbursements made by TRACK to the PCQHRA, and to the horse owners in the form of purses, will be governed by the provisions of the Horse Racing Law, Article 9.5, Chapter 4, Division 8 of the Business and Professions Code.

3.6 TRACK agrees that all funds generated and retained from on-track pari-mutuel handle which are obligated by law for distribution in the form of purses, breeder's awards or other benefits to horsemen shall not be deemed as income to the association and shall, within three calendar days following receipt, be deposited in a segregated and separate liability account in a depository approved by the Board and shall be at the disposition of the Paymaster of Purses who shall pay or distribute such funds to the persons entitled thereto.

All funds generated from off-track simulcast wagering, interstate wagering, out-of-state wagering and out-of-country wagering which are obligated by law for distribution in the form of purses and breeder's awards shall also be deposited, within three (3) calendar days following receipt, into such liability account.

3.7 Within thirty (30) days after the close of the race meeting TRACK agrees to provide PCQHRA with an accounting of any monies earned by the horsemen, the horse breeders and the PCQHRA during the race meeting. This accounting shall include, but not be limited to, purses earned, purses paid, stakes paid, interest on purse monies and horsemen's accounts, and funds generated for breeder's awards, owner's awards and stallion owner's awards.

Upon receipt of this accounting, PCQHRA shall then have nine (9) months to commence an audit by a Certified Public Accountant of the accounting. If no written objection to the accounting is received by TRACK from PCQHRA within eighteen (18) months of PCQHRA receiving this accounting, all objections by PCQHRA to the accounting shall be deemed waived with the exception of the dispute referred to in Section 3.2. If PCQHRA conducts an audit of the monies described herein, PCQHRA shall provide TRACK with written notice of any objections to TRACK accounting as determined

from the results of the audit. The parties shall, within ninety (90) days thereafter, meet and attempt to reconcile and settle the written objections. If the parties are unable to reach an Agreement within thirty (30) days thereafter, the objections shall be submitted to the CHRB for resolution. In the event a discrepancy is discovered that would affect the distribution by more than 1% of the total money due to horsemen from any source other than the SCOTWINC funds, which are not administered by TRACK, TRACK will be required to pay for the cost of the audit conducted on behalf of the horsemen.

3.8 PCQHRA and TRACK acknowledge that the SCOTWINC promotional fund was reduced, by legislation, from 1% to .5%.

TRACK proposed and PCQHRA agreed to the running of the Los Alamitos Million with the first race run in 1995. TRACK has previously assigned, and hereby confirms the assignment of all monies generated pursuant to B&P Code, Section 19605.71(c) to PCQHRA to be placed in the Horsemen's Earned Purse Account. For 2026, TRACK and PCQHRA agree to allow \$200,000 to be taken from the Horsemen's Earned Purse Account to be used as added money to the Los Alamitos Two Million from the Earned Purse account. LAQHRA will contribute \$150,000 for a total of \$350,000. This shall be a part of the Stakes Schedule for each meet, which shall not exceed 30% of the total earned purse money available for distribution during any meet. All monies generated as a result of Section 19605.71(c) shall continue to be paid to the Quarter Horse Earned Purse Account.

3.9 TRACK agrees to run the PCQHRA-sponsored races, which are listed below, as long as the Los Alamitos Two Million is run. The PCQHRA-sponsored races are to be run on the dates listed on the attached Stakes Schedule ("Exhibit B") unless PCQHRA consents to a change. PCQHRA races also will reflect the following added money, which shall be included in the yearly allocation of "Stakes Races"

3.10 The Los Alamitos barn area will remain open after the conclusion of the 2025 meet for use of the Quarter Horse horsemen. The Los Alamitos racetrack will be available for training during the break between the 2025 and 2026 race meets, excluding Christmas Day, New Year's Day, and the period of track renovation to be determined.

3.11 To the extent permitted by law, PCQHRA consents to the addition of the following funds from the Horsemen's Earned Purse Account to the regular purses for each Quarter Horse race [excluding trials, overnight handicaps or stakes races referred to in Article V, Section 5.1(d)].

Starter Incentive Program (Quarter Horses Only)

Starting with the 1st racing program, the following Starter Incentive Program is effective:

Every Quarter Horse starter is guaranteed to receive at least \$300 in purse money (excluding stakes, overnight handicaps and trials). This starter incentive program is subject to review and/or cancellation any time during the 2026 meet at the sole discretion of PCQHRA after consulting with TRACK.

ARTICLE IV

AGREEMENT NOT TO STRIKE; REMEDIES

4.1 It is agreed that the PCQHRA is the organization recognized by the CHRB as the authorized representative of the majority of Quarter Horse horsemen racing at the race meeting to render services to horsemen and shall continue as such authorized representative during the term of this Agreement and, subject to recognition by the CHRB, for the purpose of negotiating any Agreement superseding this Agreement.

4.2 The PCQHRA, on behalf of its members, employees and agents, to the fullest extent allowed by law, hereby covenants that, during the term of this Agreement and as long as TRACK is abiding by the provisions of this Agreement, it will not instigate, promote, encourage or engage in any boycott, strike or stoppage of any race or race meet at TRACK, or participate in the withholding or refusal of its performance of this Agreement, or in any manner restrict or limit the operations of the TRACK, nor will it encourage any of its members to do so.

In the event of a racing stoppage, by certain action, strike or boycott by members of PCQHRA, and provided that TRACK is not in violation of this Agreement, the PCQHRA shall immediately instruct the involved members in writing, as permitted by law or CHRB regulations, that their conduct is in violation of this Agreement, that their licenses may be suspended or revoked by the CHRB and that TRACK may refuse such persons the privilege of racing at their meets, and instruct all such persons to cease the offending conduct.

4.3 PCQHRA agrees that TRACK, in its stall application, may require PCQHRA members, as permitted by law or CHRB regulations, not to engage in boycott, strike or stoppage by concerted action of any race or race meet at TRACK providing TRACK is abiding by the provisions of this Agreement.

4.4 Upon PCQHRA violation of 4.2 above, TRACK may terminate this Agreement upon written notice to PCQHRA, following which TRACK shall have the right unilaterally to effectuate without prior notification to PCQHRA, and with the approval of the CHRB, such changes in the terms and conditions of the race meet as are, in Track's judgment, necessary and proper in order to restore and maintain conduct of the race meet in the interest of the public and TRACK.

4.5 Since time is of the essence in settling such disputes, in the event of a planned violation or threat of violating any of the provisions of this Agreement, the party claiming such violation, in its sole discretion, shall have the choice of pursuing independently or concurrently either:

- a. Submit such claim to the CHRB for resolution; or
- b. Submit such claim directly to an appropriate State Court for such legal and equitable relief, including damages, specific performance and injunctive relief.

4.6 So long as TRACK is abiding by the provisions of the Agreement, any person, whether a member of PCQHRA or not, engaging in, encouraging or assisting any strike, picketing, stoppage, or other interference in violation of this Agreement, or who refuses to abide by the terms and conditions of the race meeting, the provisions of the stall application, or TRACK rules and regulations applicable to horse owners/trainers and their agents and employees, shall be subject to immediate dismissal from TRACK stall space or designated auxiliary facility and shall, unless otherwise agreed to by TRACK, not be permitted to participate in the race meeting.

ARTICLE V RACING PROGRAM

5.1 TRACK and PCQHRA agree that the Stakes Schedule attached as "Exhibit B" will become a part of this Agreement. All races listed on "Exhibit B", overnight handicaps, shall be written as Quarter Horse races with no other breeds eligible to enter without the consent of PCQHRA.

5.1.1 The Schedule attached reflects all of the stakes races, the dates the trials and/or finals will be run, and the amounts to be added to the purses. TRACK and PCQHRA agree there will be no changes to this schedule without the written consent of PCQHRA.

5.1.2 The Stakes Schedule also represents the total amount of added money to be taken from the horsemen's earned purse account for stakes races.

It is further understood that all money generated from nominations and entry fees for the races with guaranteed purses will be credited to the horsemen's purse account, with the exception of the **Champion of Champions**. The Champion of Champions added money will be \$400,000 from the Horsemen's Purse Account. TRACK agrees to contribute the balance of this amount with the understanding that 1/2 of any increase in the Earned Purse Account generated in 2025 over 2026 and 2024 averages will be taken from the Earned Purse Account added to the race, at a maximum of \$50,000.

The **Mildred N. Vessels** will be \$100,000. TRACK agrees to contribute \$25,000. The amount is to include all supplemental and nomination fees, which are part of the Earned Purse Account. Additional amounts to reflect the actual added money for these races will be contributed by TRACK.

The **Los Alamitos Two Million** will be \$350,000 added which the Earned Purse Account will contribute \$200,000 and TRACK will contribute \$150,000. These amounts are to include all supplemental and nomination fees which are part of the Earned Purse Account.

Any changes or additions will require the written consent of PCQHRA and in no event will the amount of stakes money paid exceed 30% of total earned purse money available for distribution during any meet.

5.1.3 The combined nomination and entry fee on each of the stakes or handicap races will be one (1%) percent of the added-money purse indicated on the attached stakes schedule.

Schedule of fees for nomination and entry to stakes or handicap races shall be as follows:

<u>PURSE</u>	<u>NOMINATION</u>	<u>ENTRY</u>
\$ 15,000	\$50	\$100
\$ 20,000	\$50	\$150
\$ 35,000	\$50	\$300
\$ 50,000	\$50	\$450
\$ 75,000	\$50	\$700
\$100,000	\$50	\$950

5.1.4 Overnight Handicaps shall require at least a \$50 nomination fee. These funds will be placed in the Quarter Horse Earned Purse Account and only be refunded to the nominator if the horse nominated enters back and fails to get into the race.

5.1.5 The Racing Secretary shall have the right to write up to 33 Overnight Handicap races that will carry purses in excess of the top allowance purse in effect at that time. The Racing Secretary shall have the right to write up to eight (8) of these races between January 2026 and March 2026. The Racing Secretary shall have the right to write up to twenty-five of these races (25) between April 2026 and December 2026

These races will be included in the condition books, or on the overnights, published by the racing department with at least 14-day notice to horsemen prior to the race date. If these races overfill, horses with high weights will be preferred.

5.1.6 If any race listed on "Exhibit B" is split, the additional race generated by the split shall be considered the equivalent of these 33 races. Racing Secretary agrees, as a part of these 33 races, to write at least three races restricted to Cal-Breds, and will attempt to write up to and additional three (3) two-year-old races later in the meet.

5.1.7 The overnight handicap races will carry the following purses:

- 3-Year-Old & Up \$18,000
- 2- Year-Olds \$15,000

All such handicaps will have at least seven (7) betting interests absent the consent of PCQHRA.

Any amount paid as purse money in these races over the amount paid in regular allowance races (outlined in "Exhibit C") shall be included in the Stakes Schedule for purpose of calculating the 30% referred to in Article V, Section 5.1.

5.1.8 Nomination fees for the races referred to in this section will be credited to the Quarter Horse Earned Purse Account.

Added monies, nomination fees and entry fees for all handicap stakes races will be pooled and paid out to the first five (5) finishers in the following percentages: 55% to

first, 22.5% to second, 12.5% to third, 7.5% to fourth and 2.5% to fifth. This purse distribution applies to certain races on "Exhibit B"

5.2 The projected purse and claiming schedule attached to this Agreement as "Exhibit C" will be the bottom allowance and claiming purses and the top allowance purses in the categories as indicated for the meet.

5.3 TRACK and PCQHRA shall meet weekly, and in the event the amount generated from handle for purses is significantly lower or higher than the amounts projected for the meet with regard to the levels of purse and added money to stakes, TRACK and PCQHRA will jointly confer and agree on any adjustments to the schedules attached before such changes are implemented.

5.4 Entry of seven (7) betting interests shall constitute a filled race, however, the parties agree that each card shall have at least a sufficient number of entries in at least two races for exotic wagers such as trifectas and superfectas, and in no event will a race written in the condition book be called off if there are seven (7) or more betting interests unless the racing secretary obtains the consent of PCQHRA.

5.5 All races that have at least five (5) separate wagering interests that are called off will be written back on the next racing program.

5.6 In order for a Thoroughbred horse to be eligible for entry in a Quarter Horse race the following is agreed to:

- a. Any race written for participation by Quarter Horses and Thoroughbreds shall be written as Quarter Horses preferred and Thoroughbreds shall constitute less than half the number of horses in these races although an exception may be granted on a race-to-race basis with the consent of the quarter housemen's organization contracting with the association.
- b. The number of races written as Quarter Horse preferred at a distance exceeding 870 yards shall not exceed more than three races per program without the consent of the PCQHRA.
- c. More than one-half of the races on any program shall be written for Quarter Horses at a distance not to exceed 550 yards, unless the consent of the PCQHRA is received.
- d. Notwithstanding (1), (2) and (3) above any AQHA graded 870 race will be written for Quarter Horses only.

5.7 No Quarter Horse race will be written with conditions which would permit the entry of Appaloosas or Paints without the consent of PCQHRA. With the consent of PCQHRA, a Quarter Horse race may allow the entry of Appaloosas or Paints if:

- a. Race will be written as Quarter Horse preferred
- b. Over half of the entries shall be Quarter Horses

- c. A race with 7 or more Quarter Horse entries cannot be replaced by a race that includes Paints or Appaloosas
- d. No Quarter Horse race can be canceled for an Appaloosa or Paint race
- e. A Cal-Bred Paint or Appaloosa is not eligible to earn Cal-Bred premium purse money offered in a Cal-Bred Quarter Horse race.

5.8 TRACK and PCQHRA recognize that for past meets the minimum claiming price for two-year-olds has been \$6,250 from the opening of the meet until July when it was lowered to \$5,000, and then lowered again in September to \$4,000. TRACK and PCQHRA (president, 2 members of Executive Committee and 2 members of the Trainer's Committee) will meet the end of June and August to review the meet and decide if these minimums should again be implemented.

TRACK will host the 2026 AQHA regional races:

- Bank of America California Region Challenge
- QRacing Video California Challenge
- John Deere California Juvenile Challenge

5.9 The dates and amount of money to be added from the Earned Purse Account is scheduled on "Exhibit B". All money earned for purses, through all forms of pari-mutuel wagering, shall be placed in the Horsemen's Earned Purse Account.

5.10 LAQHRA and PCQHRA mutually agree that TRACK will host the California Champions Night program in July 2026. Purses and races for this program will be as agreed in "Exhibit B".

Sources of added monies for this program as agreed between TRACK and PCQHRA will be:

- a. All purse monies generated as a result of wagering on this program; and,
- b. All monies generated as a result of AB 413 (Harmon) [Sections 19605.7(c), 19605.71(c), 19617.75] which redirects .5% of the monies wagered at California satellite locations on out-of-state Quarter Horse races to purses for the California Champions Night program.

5.11 TRACK acknowledges PCQHRA will be the official representative for Paints racing at TRACK and as such is entitled to receive all administrative fees generated from Paint racing at TRACK.

5.12 For the benefit of participating horsemen and the wagering public, TRACK and PCQHRA have adopted biological sample testing processes and procedures in order to ensure that stakes, overnight handicaps, and certain other specified races offered by and run at Track during the 2026 meet are conducted under conditions that further protect and enhance the integrity and fairness of each contest.

The races to which these processes and procedures apply shall include, but are not limited to, the stakes races listed in Exhibit B, overnight handicaps, and to such other races or race types as are agreed to by the Parties, in writing.

TRACK and PCQHRA specifically agree that, In addition to any other race condition(s) that may apply individually to the race, the eligibility of horses nominated to, entering into, and/or competing in the Futurity/Derby is expressly restricted, conditioned, and limited to those horses that have not been administered or which do not test positive for the presence of Clenbuterol, Albuterol, Zilpaterol, Ractopamine, any other beta-2 agonist, any ARCI Class 1 substance, any HISA S0 substance, and/or the metabolites or analogues of any of these substances, as detected in either pre-or post-race or out-of-competition test samples, whether conducted under testing authorized by the CHRB or pursuant to a contract between LARC and Pacific Coast Quarter Horse Racing Association (PCQHRA). LARC and the PCQHRA have adopted biological sample testing processes and procedures in order to ensure that this race and certain other specified races are conducted under conditions that further protect and enhance the integrity and fairness of Quarter Horse racing at LARC. Accordingly, all qualifiers (top ten) will be hair and blood tested, and may at the discretion of LAQHRA and/or LARC be urine tested by supervising track veterinarians within 72 hours after the trials, utilizing the UC Davis Equine Analytical Chemistry Laboratory. Any qualifying horse having a "positive" test in either pre-or post-race or out-of-competition test samples will be deemed ineligible, given a "non-time," and not be permitted to start or run in the Futurity/Derby. Five or more additional horses (i.e. 11th - 15th fastest qualifiers) may also be tested with urine, hair, and/or blood samples. The decision of the LAQHRA Testing Committee and/or stewards in all such matters shall be final, and entries are accepted on the condition that those persons nominating, entering, and/or starting a horse agree to abide by the decisions of either or both

The parties further agree that TRACK is authorized by this Agreement to implement a pre-race analytical testing program for the testing of biological samples taken from Quarter Horses nominated to, entered into, and/or competing in the affected races. For the purpose of all such testing conducted by Track, the following shall apply:

- 5.12.1** The presence of Clenbuterol, Albuterol, Zilpaterol, Ractopamine, any other beta-2 agonist, any ARCI Class 1 substance, any HISA S0 substance, and/or the metabolites or analogues of any of these substances, as detected in either pre-or post-race or out-of-competition test samples, whether conducted under testing authorized by the CHRB or pursuant to a contract between LARC and Pacific Coast Quarter Horse Racing Association (PCQHRA)
- 5.12.2** All such tests will be performed by the Maddy Laboratory, located at the University of California at Davis.
- 5.12.3** Test samples are to be collected and transported in accordance with the Biological Sample Test Protocol set out in Exhibit D, attached hereto.
- 5.12.4** Horses nominated to, entered into, and/or intending to compete in such affected races shall be stabled on the grounds, or brought in for testing, no later than fifteen (15) days before such race is scheduled to be run.
- 5.12.5** All such horses must be made available for such biological testing no later than fourteen (14) days before such race is scheduled to be run.

- 5.12.6** Horsemen shall notify the Racing Office that such horse is or will be on-the-grounds, and available for testing prior to such deadlines.
- 5.12.7** Individual horsemen are required to cooperate in making the horse(s) available to test personnel.
- 5.12.8** Individual horsemen from whose horse a hair sample is removed, have the option to request a second, "split" sample be removed contemporaneously, and maintained by the lab, for split sample testing purposes in the event of a positive test result for any of the prohibited drugs. The request for the "split" sample of hair must be made prior to or at the time of collection of the hair sample. The cost of collection and maintenance of the split sample shall be responsibility of the requesting horseman or woman, and shall then offer to and make immediate arrangements for payment of the cost of such collection and/or testing, which shall collectively not exceed \$400.
- 5.12.9** In the event of a positive finding for any of the prohibited drugs, individual horsemen may, within 24 hours of notification of such positive test, time request the testing of the 'split sample' at the same lab or a secondary, suitable lab, selected from among those labs identified by the CHRB as acceptable facilities for such purposes.
- 5.12.10** Notification of a positive test under this testing process shall be deemed to have been given and satisfied at the time TRACK delivers written notification to the horse's owner or trainer, at the trainer's barn or either's place of residence, by email, or verbally.
- 5.12.11** The owner(s) or trainer of a horse(s) intending to ship to TRACK in order to compete in a affected race may, at their election and cost, request the pre-transport testing of a suitable hair sample collected in a manner consistent with the Testing Protocol. Such samples will be tested solely for informational purposes, as a means to apprise that horse's connections of the then detectable presence of any of the four prohibited drugs. Such samples shall not be deemed or considered qualifying hair samples, nor will they be considered in any fashion should a sample subsequently collected on-track produce a positive finding. Similarly, such samples do not constitute "split samples" under this program.
- 5.12.13** For the purpose of such Biological Sample Tests, TRACK and PCQHRA agree to the formation of a Testing Committee, comprised of two representatives of the PCQHRA, and three representatives of the TRACK. The Equine Medical Director at the UC Davis School of Veterinary Medicine may also attend such meetings, as an advisor to the participants.
- 5.12.14** Upon notification of a positive test finding, within 48-hours of notification the owner(s) and/or trainer of the horse may request a meeting with the Testing Committee.
- 5.12.15** The owner(s) and/or trainer of such horse shall be entitled to review, explain, and/or challenge the findings before the Committee. They shall also be entitled to present any

credible evidence suggesting extenuating or mitigating circumstances which actually lead to the positive findings, and/or request the testing of the 'split sample,' at their expense, provided such request was made prior to or at the Committee meeting.

5.12.16 After hearing any testimony and/or considering other credible evidence submitted at the meeting, the Committee shall, subject to a contrary finding from the split sample test, make a final determination as to that horse's eligibility to compete in such affected race(s).

5.12.17 As this is a contractual process entered into by agreement of the statutorily authorized racing association and horsemen's organization representing such horsemen, any such determination of and by the Committee is final and binding on all owners and trainers whose horse(s) are nominated and intend to compete in the affected races.

5.13 (a) TRACK agrees that stakes races will not be divided (split) nor will TRACK create any additional stakes or overnight handicaps which cause an increase in the amount of stakes allocations without first consulting with and obtaining the consent of the PCQHRA President, Vice-President, or Business Manager.

(b) A proposed stakes schedule for the 2026 meet (Exhibit B attached) is subject to CHRB approval. TRACK agrees to consult PCQHRA prior to public distribution of both overnight and stakes purse schedules.

(c) TRACK and PCQHRA further agree to negotiate and agree upon the amount of added money to be advertised for any Futurities or Derbies administered by either party prior to the publication and circulation of the nomination and entry forms for the race meeting. The 2026 stakes schedule which includes dates and amounts of added money will be made prior to December 2025. This schedule requires the consent of both TRACK and PCQHRA. TRACK and PCQHRA acknowledge that certain nomination forms for races to be run in 2026 have already been published. These nomination forms are approved by both parties.

(d) TRACK and PCQHRA agree that it is mutually beneficial for both parties to promote the Quarter Horse racing program, and specifically the stakes program, at Los Alamitos in its entirety, and, as such, agree to include all stakes races being offered at Los Alamitos in any written materials distributed for promotion or publication of the stakes schedule.

5.14 (a) The parties agree that the minimum amount of funds required by law from monies generated at in-state satellite wagering facilities to cover operating costs at such satellite wagering facilities shall be withheld.

(b) It is the mutual desire of the parties that all satellite wagering facilities conduct pari-mutuel wagering on and accept the audio visual signals from Quarter Horse race meets conducted in California. Each of the parties agrees to use its best efforts to achieve that goal.

(c) Quarter Horse races will be placed on the card to maximize the income generated from mutual handle for Quarter Horse races and will be given priority for trifectas, superfectas, etc.

5.15 TRACK will not use any purse monies for the purpose of conducting any “exhibition” or “match” type race without consulting with and obtaining the consent of PCQHRA.

5.16 (a) Purses for Cal-bred races shall not be less than purses paid in “open” races for substantially the same scales and conditions (b) Any Quarter Horse race horse must be registered with PCQHRA as Cal-Bred in order to qualify its owner, breeder, and the stallion owner eligible for Cal-Bred awards or purses.

5.17 TRACK agrees to write races in such a manner so as not to penalize a maiden for its first win.

5.18 PCQHRA agrees that TRACK may allocate up to a maximum of twenty-five percent (25 %) of all races scheduled during a racing week to Thoroughbred or Arabian races.

TRACK agrees that it will not conduct more than 25% Thoroughbred or Arabian races on a given day without first consulting with and obtaining the consent of the PCQHRA President, Vice-President or Business Manager. Any additional breed racing will require the consent of PCQHRA.

For the 2026 race meeting the Racing Secretary shall not write more than 14 live races on any program without first obtaining the consent of PCQHRA. Subject to availability of horses, TRACK has stated that its present intention for the 2026 meet is to run 14 live races on Friday programs, 14 live races on Saturday programs and 12 live races on Sunday programs.

TRACK and PCQHRA agree that if the horse inventory is greater than in previous years TRACK and PCQHRA may agree to additional live races.

It is the intention of TRACK to never run more than one live race and one import race between live Quarter Horse races. PCQHRA acknowledges that due to the importing of signals from other locations this may become unmanageable at times, but if TRACK is using its best efforts to accomplish this PCQHRA will not object.

TRACK and PCQHRA agree to work diligently to coordinate calling horses from the Receiving Barn to the Saddling Paddock and from the Saddling Paddock to the Racetrack, during times when races are being imported to the racetrack. If a dispute arises as to this Section, it will be resolved under Article VI, Section 6.1.

5.19 It is agreed that if trials for races are required they will be run back-to-back. The interval between trials will be 25 minutes. In addition to trials being run back-to-back, all conditions are to be the same (i.e. time spent in receiving barn, time spent in saddling paddock, time spent on track prior to start of race, etc.). Any modification to these conditions will require the written consent of PCQHRA.

5.20 (a) In accordance with the Federal Interstate Racing Act of 1978, TRACK has requested consent of PCQHRA to simulcast its races listed on "Exhibit E". PCQHRA consents to the simulcast of TRACK'S races listed on "Exhibit E", subject to receipt by PCQHRA of a copy of the contract with each proposed simulcast location prior to the transmission of the signal and PCQHRA consent to its terms and conditions. TRACK and PCQHRA understand that TRACK may, subsequent to the

execution of this Agreement, request PCQHRA consent to simulcast additional races to other satellite locations. TRACK and PCQHRA agree that this Agreement may be amended from time to time pursuant to letter Agreement executed by TRACK and PCQHRA. Said amendment shall include TRACK request to simulcast to additional satellite locations and PCQHRA consent thereto. Each request by TRACK shall state the satellite location, the race(s) which TRACK desires to simulcast, the type of races conducted at the simulcast location (for example, quarter horse racing, standard bred racing, thoroughbred racing, or mixed meets) and the consideration that TRACK will receive for simulcasting such race(s). All consideration shall, after payment of California license fees, be shared equally for Quarter Horse purses and commissions. TRACK further agrees that it will account to PCQHRA on a timely basis and pay over to the Horsemen's account the Horsemen's share of the purses earned from such out-of-state/out-of-country satellite locations.

(b) In accordance with 19605.3 (f) of California Horse Racing Law, PCQHRA consents to the acceptance of wagers on races conducted by TRACK at satellite locations which are approved by the CHRB and the organization described in Section 19608.2 of California Horse Racing Law within the State of California. PCQHRA approves the importation of California Harness racing during the LAQHRA meet according to the terms and conditions outlined in 19601(4) (l).

5.21 It is also the desire of the parties that, to the extent possible, racing on Fridays and Saturdays end at 11:30 p.m. and on other nights at 11 p.m. It is also agreed that there will not be a first post time after 8 p.m. without the consent of PCQHRA.

5.22 TRACK will provide adequate owner parking in a well-lighted area convenient and accessible to the grandstand. In addition, the lot to the West of the PCQHRA offices shall be reserved for owners, trainers and jockeys on the nights when racing is being conducted. TRACK will provide, prior to opening of the meet, credentials and parking stickers for directors, directors emeritus, ex-officio members and business manager of PCQHRA. TRACK shall also furnish, at no charge, membership in the Vessels Club to the Board of Directors, directors emeritus, ex-officio members and business manager of PCQHRA and their spouse/guest.

5.23 A copy of the CHRB license application for the 2026 meet is attached herewith as "Exhibit A". In the event TRACK should for any reason make application to the California Horse Racing Board for a change in the approval of their license regarding days on which racing will be conducted, post times for the races, or any other reason which would have a significant effect on the horsemen, TRACK would agree to notify PCQHRA and obtain their consent, which will not be unreasonably withheld, prior to seeking approval of the California Horse Racing Board.

5.24 Where TRACK is required pursuant to this ARTICLE V to consult with PCQHRA, a consultation shall mean that TRACK shall in writing submit its proposed changes to PCQHRA and PCQHRA shall have three (3) business days from receipt of the proposed changes to either approve or disapprove the changes. If PCQHRA disapproves the changes, each side shall designate two members which are authorized to represent them. These members shall meet and confer to resolve the changes. Under no circumstances will TRACK release any of the proposed changes to the horsemen or the public prior to the expiration of the three (3) day period stated herein, unless PCQHRA has approved said changes prior to expiration of the three (3) day period.

5.25 The 3rd Party Lasix Administration Agreement (Exhibit G) is entered into as part of this agreement between Los Alamitos Race Course (LARC), and Pacific Coast Quarter Horse Racing Assoc. (PCQHRA).

- A. CHRB Rule 1845 requires that the Parties enter into an agreement to provide for Race-day furosemide administration,
- B. CHRB Rule 1845 further requires that the agreement describe LARC's program for the administration of race day furosemide, the minimum level of staffing necessary to carry out the program, and the projected costs to horsemen for such administration.
- C. The Parties intend for this Agreement to comply with and satisfy the requirements of CHRB Rule 1845.

ARTICLE VI MUTUAL COOPERATION

6.1 TRACK and PCQHRA represent to and agree with each other that they are mutually interested in the continuance, maintenance and improvement of Quarter Horse racing in the State of California and, to that end, believe it advisable and to their mutual best interests that any further differences of opinion between them with respect to the provisions hereof, or the matters covered hereby, should be settled by them without undue publicity by negotiation and consultation.

In order to carry out the intentions of this paragraph, PCQHRA will appoint a committee consisting of the President and the Executive Director of the PCQHRA and four (4) owners and/or trainers of Quarter Horses. The Chairman of said committee will communicate with TRACK management on the day-to-day track operations problems, in regard to actual racing horses as it affects the members of PCQHRA and, except where a differing procedure is authorized in this Agreement, attempt to resolve any grievance between the TRACK and the horsemen through this committee. If TRACK and PCQHRA cannot settle the grievance, it may be submitted to the CHRB for resolution.

ARTICLE VII STALL ALLOCATIONS

7.1 It is the intention hereof that stall allocations shall be made primarily on the basis of the quality and condition of the horses for which stall space is requested, upon the then availability of stall space, and upon the qualifications and reputation of the owner or trainer involved. In the allocation of stall space, TRACK shall have the right to take into consideration the character of the meet contemplated to be held by TRACK and the horses and trainers suitable for the holding of such race meeting. Between the close of the 2025 Quarter Horse meet and the opening of the 2026 Quarter Horse meet, Quarter Horses will be allowed to remain stabled in the backstretch of Los Alamitos Race Course and will have daily use of the racetrack for training purposes with the exception of Christmas Day and New Year's Day.

7.2 It is agreed that, if a horseman is granted and occupies stall space, he shall enter his horse in races for which they may be eligible (owner or trainer, as the case may be, to determine eligibility for any particular race) unless his horses are physically unfit to race or, unless, for other good cause owner elects to remove his horse(s) from TRACK.

7.3 PCQHRA shall cooperate with TRACK in the removal from stall space of any horse:

(a) Found not qualified to race as provided in TRACK Condition Book and in this Agreement. (b) Fired, blistered, or horses upon which recent surgery has been done, which would prevent the horse from running at the race meet, shall be excluded and denied stall space. (c) The past performance of the horse at the preceding race meet shall be considered in determining its suitability to run and be allotted stall space, provided, however, further consideration of past performance shall only relate to horses three (3) years old and up. (d) Any 3-year-old and older horse which has not qualified to be eligible to enter within thirty (30) days upon arrival on the grounds. Any 2-year-old horse which has not qualified to be eligible to enter within sixty (60) days upon arrival on the grounds. (e) If, in the opinion of a veterinarian, there are medical reasons that would prevent the horse from running at the race meet, such horse shall be denied stall space.

7.4 TRACK will maintain its racing surface in good condition for Quarter Horse racing and training and agrees to promptly rectify any condition unsafe to race horses during the racing meeting. TRACK shall not conduct any activity on the racing surface hazardous to horsemen or horses.

7.5 TRACK agrees that all approved qualifying works shall be listed and displayed in the lobby area of the racing department on the morning said horses qualify.

7.6 Racing Secretary shall post daily in the public lobby of the Racing Office, with a copy forwarded to PCQHRA, a list of all races that did not get carded that day. These lists shall remain posted for at least 7 days.

7.7 TRACK agrees to allow 2-year-old Quarter Horses that are broken to use the track for training purposes. The determination if the horse is adequately broken is at the sole discretion of the Racing Secretary, the head outrider, or their designated representative.

7.8 TRACK agrees to furnish a qualified outrider(s) during the morning use of the racetrack. From the opening of the track for training until Jan. 1, TRACK will furnish at least one (1) qualified outrider. For the following 30 days, TRACK shall furnish at least two (2) qualified outriders. For the next 45 days, TRACK will furnish at least (2) qualified outriders Tuesdays through Saturdays, and at least one (1) qualified outrider on Sundays. TRACK shall furnish at least two (2) qualified outriders on all qualifying days. Track will be open for training seven (6) days per week. TRACK shall also provide a minimum number of headmen for each race equal to the amount of starters in the race. TRACK and PCQHRA further agree that they have a mutual interest in the competency and attire of the employees of TRACK which are involved in the performance of these duties. After Aug. 1, 2018, TRACK and PCQHRA agree to meet to reevaluate the need for a second outrider for the remainder of the season. Procedure for Collection of biological Samples

Exhibit D

PROCEDURE FOR COLLECTION OF BIOLOGICAL SAMPLES

Materials Needed:

- Disposable gloves.
- Tamper-proof evidence bag or container (i.e., urine sample jars)
- Submission Paperwork (identical to other CHRB samples)
- Sample Labels (Use NC labels for Pre-race/OOCT; use track labels for post-race)

Biological Sample Requirement:

- A new pair of gloves for collecting each sample should be used so as to avoid cross contamination between horses.
- Approximately one pencil-width of mane hair should be pulled, 10cm (4" \approx hand width) in length.
- Take sample from the underside of the mane, midway between the withers and poll.
- Pull (break) hairs as close to root as possible.

Identification

Identification and Chain of Custody are to be conducted in a manner identical to standard CHRB test procedures.

The horse is to be identified by name and tattoo number, or by direct comparison to official markings. The simplest approach is to have the trainer's representative or groom should raise the lip to check the tattoo.

Collection personnel should not touch the mucous membranes of the horse, except with clean disposable gloves.

Procedure:

1. Put on clean pair of gloves.
2. Swab the section of the mane to be sampled with alcohol
3. Flip mane over and take required quantity of hairs from underside.
4. One 'pull' (approximately one pencil-width) should provide sufficient hair for testing. Mane hairs are easily broken off in smaller sections near mane root. While holding pencil sized sample, pull in other hand.
5. Place hairs carefully in bottom of urine jar or comparable evidence container, and seal container with label. Trainer's representative should initial the label with a Sharpie or similar permanent ink marker. Note: Gloves can be inverted over the hairs and placed with the hairs inside the jar.
6. Discard used gloves if not included with the hair sample.

Chain of Custody:

Chain of Custody procedures are to be identical to CHRB procedures.

- The trainer's representative/witnesses is to observe the sample being pulled and placed in the jar, and sealing process.
- That representative/witness is to initial the evidence seal on the sample jar, and sign the Acknowledgement of biological Test Sample.

- Samples are to be kept under direct control of the individual collecting the samples until they are turned over to the CHRB sample custodian.

Submission:

Biological test samples are to be submitted to Maddy Lab with all other CHRB test samples.

Green sheets are to be sent to the Split Sample Custodian.

"Hair" is to be noted/designated on all paperwork and shipping invoices (CHRB-38 or Los Alamitos equivalent), as well as the Green sheet (CHRB-37 or Los Alamitos equivalent).

If the Hair sample has a label number different than the blood and/or urine samples, please note which Hair sample goes with which blood and urine sample pair, when the latter samples are taken contemporaneously.

The Los Alamitos modified Green Sheet form CHRB-37 is to be maintained at Los Alamitos. Do not send it to the CHRB.

Los Alamitos Hair test samples are to be shipped with official CHRB samples in the evidence containers supplied by the Maddy Lab, under the same chain of custody as CHRB official samples.

Note: If such biological test samples are collected at Los Alamitos by someone other than a CHRB representative, such samples must also be shipped using either the Los Alamitos modified form or CHRB-38. The Lab will need such information to ensure proper billing and reporting.

Lastly, please also note that, scientifically, the contemporaneous collection of split samples is not essential to the accuracy of such biological testing, as additional hair samples can be collected from the subject horse if an additional split sample test analysis is subsequently warranted.

3rd Party Lasix Administration Agreement

This 3rd Party Lasix Administration Agreement (this "Agreement") is entered into as of Dec. 27, 2025 (the "Effective Date") by and between Los Alamitos Race Course (LARC), and Pacific Coast Quarter Horse Racing Assoc. (PCQHRA).

Recitals

- A. CHRB Rule 1845 requires that the Parties enter into an agreement to provide for Race-day furosemide administration,
- B. CHRB Rule 1845 further requires that the agreement describe LARC's program for the administration of race day furosemide, the minimum level of staffing necessary to carry out the program, and the projected costs to horsemen for such administration.
- C. The Parties intend for this Agreement to comply with and satisfy the requirements of CHRB Rule 1845.

. Agreement

With reference to the foregoing Recitals, which are hereby incorporated by reference, and in exchange for good and valuable consideration, the sufficiency and receipt of which are hereby acknowledged, LARC and PCQHRA agree as follows:

1. **Term.** This Agreement shall take effect on **December 24, 2025**, and shall continue through **December 22, 2026** (the "Term"). If the Parties have not entered into a new agreement which satisfies the requirements of CHRB Rule 1845 prior to the conclusion of the Term, the terms and conditions set forth in this Agreement shall continue to remain in effect and binding on the Parties after the Term until such time that the Parties enter into such a new agreement or until any Party terminates this agreement upon twenty-four (24) hours' notice.
2. **Cost to Horsemen.** The owner shall pay to LARC (on a per administration basis) an amount equal to ~~===~~ Thirty-five dollars (\$=35) for the administration of race day furosemide to such owner's horse ("Lasix Administration Fee"). The Paymaster of Purses will deduct the Lasix Administration Fee from such owner's purse account and remit it to LARC. By way of this Agreement, all owners hereby consent for the Paymaster of Purses to deduct the Lasix Administration Fee from such owner's purse account and remit it to LARC. LARC may increase the Lasix Administration Fee if there is a material increase in cost to administer the race day furosemide program; provided, however, that such increase must first be approved, with such approval not being unreasonably withheld, by the PCQHRA.
3. **Number of Veterinarians and Technicians.** LARC shall initially hire one (1) furosemide veterinarian and two (2) furosemide veterinary technicians to administer the race day furosemide. The furosemide veterinary technicians shall report to the furosemide

Veterinarian. If LARC decides, after consultation with the PCQHRA, that additional furosemide veterinarians or furosemide veterinary technicians are necessary for the proper and orderly administration of race day furosemide, LARC shall hire such additional number of furosemide veterinarians or furosemide veterinary technicians as it deems necessary.

4. Race Day Lasix Administration Program.

a. By way of this Agreement, each individual owner does hereby consent to the procedures set forth in this Agreement and agrees that the pre-race examination conducted under the direction of the official veterinarian or racing veterinarian shall constitute a veterinary-client-patient relationship within the meaning of 16 CCR 2032.1.

b. The syringe used to administer the furosemide shall be placed in an evidence/ biohazard tamper-proof bag, which will be sealed in front of the witnesses. The witnesses shall sign the sealed evidence/ biohazard tamper-proof bag. The sealed and signed evidence/ biohazard tamper-proof bag containing the syringe will be delivered to the CHRB.

c. Additional terms and conditions of the Race Day Lasix Administration Program are attached as Exhibit G of the horsemen's agreement, which are hereby incorporated into this Agreement.

5. PCQHRA Covenants.

a. The PCQHRA covenants that it will take all steps necessary to ensure that all owners and trainers take all steps necessary to comply with: i) the terms of this Agreement and ii) all statutes, laws, and regulations that the owner must comply with to effectuate this Agreement's purpose.

6. Miscellaneous.

a. Entire Agreement: This Agreement, including the Exhibit, contains the entire understanding of the Parties relating to the subject matter hereof, supersedes any and all prior or contemporaneous agreements or understandings, either oral or written, and

may not be changed or terminated orally. Except as specifically provided herein, this Agreement may be amended only by writing signed by the Parties.

b. **Applicable Law.** This Agreement, including all matters of construction, validity, and performance, shall be governed, construed, and enforced in accordance with the laws of the State of California, as applied to contracts executed and to be fully performed in California by citizens of California and without reference to principles of conflicts of law. Venue of any action arising out of this Agreement shall be heard first in an applicable state court of California and absent jurisdiction in such state, then in the applicable federal court of California.

c. **Waiver; Remedies.** The failure by one Party to require performance of any provision of this Agreement shall not affect that Party's right to require performance at any time thereafter, nor shall a waiver by one Party of a breach by the other Party be considered a waiver of any or all subsequent breaches by the breaching Party. All rights and remedies provided in this Agreement are cumulative and not exclusive of any other rights or remedies that may be available to the Parties, whether provided by law, equity, statute, or in any other agreement between the Parties, or otherwise.

d. **Counterparts.** This Agreement and all amendments hereto may be executed in several counterparts and each counterpart shall constitute a duplicate original of the same instrument. LARC and PCQHRA agree that copies of this Agreement sent by email (in PDF or similar format) or fax, and the signatures thereon, shall be deemed valid executed originals of this Agreement.

e. **Severability.** Any provision hereof prohibited by, or unlawful, or unenforceable under any applicable law, rule, or regulation shall be ineffective without affecting any other provision or enforcement of this Agreement.

f. **No Third Party Beneficiaries.** The provisions of this Agreement are not intended to be for the benefit of, or enforceable by, any party other than LARC and PCQHRA. Except for LARC and PCQHRA, no person shall have any right to rely upon or enforce any of the terms and provisions of this Agreement other than the indemnification obligations set forth in this Agreement.
