**JOCKEY FILM REVIEW**

MARIO GUTIERREZ met with the Stewards to discuss his ride entering the first turn in the third race yesterday. Mr. Gutierrez was in the outside post aboard #8. Soon after the start he quickly

veered inward to the rail crossing in front of two horses. This caused the horse on the fence to check to stay off of his heels. In a majority opinion, jockey Gutierrez was given a warning due to his unblemished riding record this meet. Steward Sawyer voted for suspension days.

3/26/22<sup>2</sup>

**RACE MADE OFFICIAL- DELAY**

After the order of finish of the sixth race yesterday was verified, a dead heat for fifth place was confirmed. This was the second time this meet there had been a dead heat for fifth place in a super high five wager. Also, the second time the Placing Judges entered the fifth-place dead heat into the system the tote board shut down and went black. Last time this occurred the TV department was able to immediately show the dead heat on the in-house feed that goes out to all wagering outlets. Yesterday, TV had issues repeating this feat. It took several minutes before the TV department could show some kind of evidence verifying the dead heat on their outlet. The BOS then made the race official. Senior Vice President & General Manager Nate Newby and Senior Vice President & Executive Producer Amy Zimmerman were made aware of the glitch in their Tote system.
