Licensee In [Ref: 11/22/14 (8)]

Owner/Trainer/Driver Ryan Grundy appeared in the Stewards office to explain his absence on Saturday, November 22, 2014. The fact is that Grundy operates under a "Declaration of No Employees" and had three (3) horses programmed to start on that card. At issue was the fact because Grundy does not have workers compensation insurance, substitute drivers could not be named necessitating the scratching of all three (3) horses. Grundy, who is a Canadian citizen explained that he was refused re-entry to the U.S. after returning home to bring more horses to Cal Expo to race. Ultimately it took seven (7) or eight (8) days for Grundy to meet the requirements imposed on him by the I.N.S. Grundy understood the negative effect of his absence and while an unfortunate circumstance accepted a penalty, which will be published next week. (More to follow)

11/29/14 (3)

Driver Sanction

At the conclusion of fourth race the Stewards contacted Driver Luke Plano #1 "Hello Sevens" the eventual race winner, at issue was the fact Driver Plano was three (3) minutes late to the post parade. Driver Plano could provide no viable explanation for his tardiness ruling will be issued next week.

11/30/14 (1) **Third Race Inquiry/ No Change**

The inquiry sign was lit in order for the Stewards to investigate the actions of #4 "El Azteca" (James Kennedy) eventual second place finisher, prior to and after the start. After reviewing video the Stewards unanimously concluded that there had been no interference and #4 complied with the breaking rule thus no change.

11/30/14 (2) **Fifth Race Inquiry/ No Change**

The inquiry sign was lit after the Stewards observed #5 "Myrearsureview" (Steve Wiseman) the eventual race winner and #4 "Rhi's Acuz Thats Y" (David Siegel) the fourth place finisher in very close quarters in deep stretch. After reviewing video and speaking with the drivers involved the Stewards unanimously concluded that the actions of #5 did not cause #3 "an opportunity for a better placing" thus no change.

11/30/14 (3) **Seventh Race/ Non Finisher/ Protocols**

During the running of seventh race #2 "Peruvian Paradise" (Williams Hernandez) pulled up in the vicinity of the ¾ mile marker. As soon as the race concluded the Stewards dispatched official Veterinarian Dr. De La Cruz to the scene. Dr. De La Cruz after a quick evaluation called for the horse ambulance, a request that was routed to the Starter Ken Fowler in accordance with established protocol. The protocols did not function as planned resulting in a twelve (12) minute delay in the horse ambulance's arrival on scene. In the interim Dr. De La Cruz advised the Stewards #2 had suffered a "heart arhythmeia" and while serious the situation was not life threatening. Blood samples were drawn and the horse was safely removed from the racing surface. The Stewards referred the situation to Safety Steward Tom McCarthy for evaluation and suggestions as to ways to avoid a repeat of this situation.

11/30/14 (4) **Eighth Race/ Driver Objection/No Change**

Driver Stephen Farrell lodged an objections against #5 "Me Tarzan" (Tim Maier) for alleged interference after the start and approaching the ¼ mile marker. After reviewing video the Stewards unanimously concluded that there was no basis for the objection and in fact if there was culpability in the incident it might rest with Driver Farrell. Driver Farrell will attend film review with the Stewards on December 6, 2014.

11/30/14 (5) **Management Approaches Board of Stewards/ Re: Horse Ambulance**

After the ninth race the Stewards received a visit in the "crows nest" from Backstretch Coordinator Kate Phariss. Ms. Phariss assured the Stewards to the effect that adequate protocols are in place and she was taking steps to insure this doesn't happen again. The Stewards, while appreciative of her assurance

informed Ms. Phariss that Safety Steward Tom McCarthy would be reviewing the protocols.

11/30/14 (6) **Tenth Race Inquiry/ Disqualification**

The inquiry sign was lit in order to review the actions of #2 “Flight of the Kiwi” (Bruce Clarke) the eventual fifth place finisher who was observed “off-stride” at the finish. After reviewing video and photo finish shots it was unanimously determined that #2 was in violation of the breaking rule “lapped on at finish.” Thus #2 was disqualified and placed seventh for violation of the breaking rule. Driver Bruce Clarke was held blameless in the incident.
