FILM REVIEW

We reviewed jockey COREY NAKATANI's crop use in the tenth race from Sunday with his representative and issued the following ruling:

DMTD Ruling #064

Jockey COREY NAKATANI is fined FOUR HUNDRED DOLLARS (\$400.00)* for violation of California Horse Racing Board rule #1688 (b) (6) (Use of Riding Crop – more than three times in succession without giving the horse a chance to respond – fourth offense in the last sixty days), during the tenth race at Del Mar Race Track on August 27, 2017, (last offense August 16, 2017).

08-30-17²

CLOCKER MEETING

We met with Head Clocker John Malone and Racing Secretary David Jerkens to reiterate two rules: (1) workout times cannot be amended without permission of the Stewards and (2) trainers must turn in names and distances to the Clockers before the workouts occur.

08-30-17³

BROCKLEBANK HEARING

We held a formal hearing into case number 17SA187 which was a complaint filed by the CHRB against trainer JOHN BROCKLEBANK alleging a dexamethasone (class 4) positive (above permitted level). He had some theories about why the overage occurred but no concrete explanations. Much of the problem seemed to stem from the fact that Mr. Brocklebank is spread so thin that he cannot monitor the medications administrations of all of his horses. Documentary evidence was introduced, oral evidence was taken and the record was closed. Decision to follow.

DMTD Ruling #067

Jockey NORBERTO ARROYO, Jr., who rode Zapperkat in the sixth race at Del Mar Race Track on August 27, 2017, is suspended for THREE (3) racing days (September 3, 4, and 7, 2017) for failure to maintain a straight course in the stretch and causing interference, which resulted in the disqualification of his mount from first to second. This constitutes a violation of California Horse Racing Board rule #1699 (Riding Rules - Careless Riding). Pursuant to California Horse Racing Board rule #1766 (Designated Races). The term of suspension shall not prohibit participation in designated races.

DMTD Ruling #068

DMTD Ruling #065

DMTD Ruling #066

During the term of suspension, all licenses and license privileges JOSE RODRIGUEZ suspended and pursuant to California Horse Racing Board rule #1528 (Jurisdiction of Stewards to Suspend and Fine), JOSE RODRIGUEZ is denied access to all premises in this jurisdiction.

INQUIRY/NON-STARTER

Following the running of the seventh race, we undertook a Stewards' Review into the start of #4 Long Hot Summer (J. Talamo) who broke poorly. After a quick review, we upgraded the review to an Inquiry. Video revealed that the horse was fractious, pushed open the left gate, and had the assistant starter try to prevent this act as the Starter dispatched the field. #4 Long Hot Summer therefore broke poorly and lost several lengths. We unanimously voted to make the horse a non-starter.

FILM REVIEW

Jockey EDWIN MALDONADO came to the office as directed to review his ride in the fifth race yesterday during which his mount drifted in slightly, causing the horse to his inside to check. He argued that it was the rival to the inside (angling out) that caused the interference. We disagreed even though Mr. Maldonado's horse only drifted in a few inches. No suspension was appropriate but we issued a warning that maintaining a straight course is always the best course of action.

INQUIRY/NO CHANGE

We posted the inquiry sign following the running of the eighth race in order to examine an incident mid-stretch on the turf where fifth place finisher #11 Buymeabond (C. Nakatani) steadied sharply on the fence. Video revealed that Mr. Nakatani was trying to enter an opening (at the point where the inner rail disappears because of the chute) that was never really sufficient for a horse to pass through. We therefore unanimously voted to make no change to the original order of finish.

FILM REVIEW

Jockey STEWART ELLIOTT came to the office to review his ride in the third race yesterday. Video showed that he struck his horse left handed on at least two occasions while his horse was ducking out in the stretch. He argued that he was influenced by the horse in front of him. While there was some degree of truth to his argument, we felt that he should not have used his left handed crop. Warning.

Jockey RAFAEL BEJARANO came to the office to review his ride in the last race yesterday. His horse was the subject of an inquiry described yesterday. There was some sentiment that Mr. Bejarano tightened the opening in which a horse on the inner rail was trying to pass. Video revealed that there was never sufficient room for that horse and therefore Mr. Bejarano was exonerated.

CAFARCHIA FORMAL HEARING CASE #17SA194

Joining the BOS to hear the complaint filed by the CHRB were owner Nicholas Cafarchia, his counsel Darrell Vienna, trainer Sean McCarthy representing himself and owners, Kelly or MacLenna and jockey Corey Nakatani representing himself. Investigator Jim Hamilton represented the CHRB and court reporter Michelle Derieg recorded the proceedings. The substance of the protest is as follows:

On June 24, 2017 the horse My Italian Babbo trained by Richard Baltas and owned by Nicholas Cafarchia finished 1st in the 8th race at Santa Anita Race Track. It was determined that the owner Nick Cafarchia was suspended (Case #17SA153) by ruling LATS #206 issued on June 23, 2017. Under CHRB rule 1755 (Grounds For Protest) a jockey, driver, trainer or owner which started in the race was ineligible to participate in racing as provided in this division. The second and third place finishers filed a protest with the Stewards under CHRB rule 1754. Testimony was given by owner Mr. Cafarchia, all exhibits were entered into evidence and the hearing was closed. Decision to follow.

09-02-17³

INQUIRY/NO CHANGE

We posted the inquiry sign following the running of the sixth race yesterday to examine an incident when third place finisher #3 Ample Sufficiency (T. Baze) steadied sharply while trying to enter an opening along the inside fence. Video showed that there was never sufficient room and therefore we unanimously voted to make no change to the original order of finish.

FILM REVIEW

Apprentice Jockey Laura Werner accompanied by Jockey Corey Nakatani came in to review yesterday's last race (11th). Ms. Werner's horse made contact several times with the inside horse coming out of the turf chute. The young rider stated she came in very little and the inside horse came out slightly and she was trying to pull her horse off as much as possible. The video does show that she was tipped in her hind quarters causing her to angle in and she was making an effort to pull off the inside horse. The majority agreed with her explanations, Steward Baker voted for a 3 day suspension.

Jockey Corey Nakatani was called to review yesterday's stake race (9th) for a possible overuse of the riding crop. Mr. Nakatani's explanation was that he hit the shoulder twice and flagged his stick twice. After reviewing the video a few times, we agreed with his explanation. Therefore, he left without a penalty.

09-03-17²

LAWSON RULING

Jockey Agent DEREK LAWSON was fined in the following ruling when he failed to make a change at scratch time for his rider that he knew would more than likely not be able to ride his mount yesterday.

DMTD Ruling #078

Jockey Agent DEREK LAWSON is fined TWO HUNDRED DOLLARS (\$200.00)* pursuant to California Horse Racing Board rule #1530 (Cases Not Covered by Rules and Regulations – failure to conduct business in a proper manner) on August 31, 2017 at Del Mar Race Track.

09-03-17³

INQUIRY/DISQUALIFICATION

Following the running of the second race, we posted the inquiry sign to examine an incident between the fourth and fifth place finishers #9 Jet Set Man (E. Roman) and #8 Eichel (T. Baze), respectively. Video showed that #9 does duck out midstretch causing #8 to move off his path and steady. After speaking the patrol judges and riders involved and since the margin between the two horses was a nose, we unanimously voted to disqualify #9 from fourth position and place it fifth.

Original order of finish: 10-7-6-(9)-8-4-5-3-1-2

Corrected order finish: 10-7-6-8-(9)-4-5-3-1-2

09-03-17⁴

INQUIRY/NO CHANGE

Following the running of the ninth race, we posted the inquiry sign to examine an incident between second place finisher #10 Desert General (F. Prat) and fifth place finisher #9 Trustworthy (K. Desormeaux). As the horses straightened out for the stretch run, #10 drifts over in front of the #9 who has to steady slightly. After speaking with the patrol judges and riders involved, the majority voted to make no change to the original of finish because #9 was not the cost the opportunity at a better placing. Steward Sawyer voted for a disqualification because she believed the horse was cost the opportunity at a better placing.

FILM REVIEW

Jockey agent Tom Knust came to the office to represent his jockey MARIO GUTIERREZ and his rides in the second and fifth races yesterday. Films showed that he angled in leaving the gate in the second and tightened the space up on the horses to his inside. Warning. In the fifth race, he used his riding crop five times in succession without giving his mount the chance to respond. We therefore issued the following penalty:

DMTD Ruling #079

Jockey MARIO GUTIERREZ is fined ONE HUNDRED DOLLARS (\$100.00)* for violation of California Horse Racing Board rule #1688 (b)(6) (Use of Riding Crop – more than three times in succession without giving the horse a chance to respond – first offense in the last sixty days), during the fifth race at Del Mar Race Track on September 3, 2017.

Jockey RICARDO JAMIE came to the office to review his crop use in the fourth race yesterday. He explained that he wasn't aware of how the crop rule worked in California. We explained the rule and examined the video. A few of the strikes may have been flags which made it difficult to determine whether there was a violation or not. Therefore we issued a warning.

Jockey FLAVIEN PRAT came to the office to review his ride in the ninth race yesterday which was the subject of an inquiry. He explained that when he dropped down to the inside as his mount straightened out in the stretch, he looked back and saw one horse but not the second one that was racing between them. Although he did acknowledge his error, he also argued that the inner rail is odd here at Del Mar at that point in the turn. The majority voted for a suspension whereas Steward Chaney voted for no penalty.

DMTD Ruling #080

Jockey FLAVIEN PRAT, who rode Desert General in the ninth race at Del Mar Race Track on September 3, 2017, is suspended for FOUR (4) racing days (September 10, 14, 15 and 16 2017) for altering course without sufficient clearance and causing interference. This constitutes a violation of California Horse Racing Board rule #1699 (Riding Rules - Careless Riding – Second violation in last 60 days). Pursuant to California Horse Racing Board rule #1766 (Designated Races). The term of suspension shall not prohibit participation in designated races.

Jockey SASHA RISENHOOVER came to the office to review her ride in the ninth race yesterday. At mid stretch, she angled her mount to the outside and in so doing, caused a rival to steady to avoid clipping heels. The angle was quite sharp. She explained that she was concerned that the horse in front of her was going to drift down to the fence and shut her off and that her horse took a sharper angle than she intended. While both of those things were true, we nevertheless issued the following ruling:

DMTD Ruling #081

Jockey SASHA RISENHOOVER, who rode Mercer Island in the ninth race at Del Mar Race Track on September 3, 2017, is suspended for THREE (3) racing days (September 10, 14, and 15, 2017) for altering course without sufficient clearance and causing interference. This constitutes a violation of California Horse Racing Board rule #1699 (Riding Rules - Careless Riding). Pursuant to California Horse Racing Board rule #1766 (Designated Races). The term of suspension shall not prohibit participation in designated races.

Apprentice jockey EVIN ROMAN came to the office to review his ride in the second race yesterday after which his mount was disqualified when it ducked out in the lane. While he did interfere with a rival to his outside, two things spared him suspension: (1) he did not strike his horse when he started ducking although he had started the motion, and (2) he corrected well, albeit a bit slow. Warning.

09-04-17²

GUZMAN RULING

We issued the following ruling after considering the Guzman case from last week (8/20/17) (Steward Baker concurred in the ruling but believed that a short suspension was appropriate):

DMTD Ruling #082

Apprentice Jockey JIMMY GUZMAN is fined THREE HUNDRED DOLLARS (\$300.00)* for violation of California Horse Racing Board rule #1874 (Disorderly Conduct – Tested Positive for Marijuana – Arrested for Drunk in Public). Furthermore JIMMY GUZMAN is placed on probation for the term of his license and ordered to sign an 'Agreement to Test' form (CHRB – 238) with the California Horse Racing Board. Mr. GUZMAN must also submit to an evaluation with the Winners' Foundation, and abide by any recommendations from that organization.

09-04-17³

THERIOT RULINGS

Jockey JAMIE THERIOT was ordered to appear in the office this morning when he reported the incorrect weight yesterday and weighed out two pounds over what he had reported. He failed to appear and we therefore issued the following two rulings:

DMTD Ruling #083

Jockey JAMIE THERIOT is fined ONE HUNDRED DOLLARS (\$100.00)* for violation of the California Horse Racing Board rule #1930 (Obedience to Security Officers and Public Safety Officers) failure to appear in the Stewards' office as ordered on September 4, 2017.

DMTD Ruling #084

Jockey JAMIE THERIOT who rode It's The Ice (GB) in the seventh race on September 3, 2017 at Del Mar Race Track is fined THREE HUNDRED DOLLARS (\$300.00)* for violation of California Horse Racing Board rule #1682 (Weighing Out – Reported Wrong Weight – second offense).
