After reviewing the various recorded views, it was determined #4, while racing in tight quarters inside #2 (SEDUCTIONIST (2nd place – jockey Christian Santiago Reyes), always had a clear path, and the rider of #4 used good judgment in not pursuing that path. CHRISTIAN SANTIAGO REYES - POSSIBLE WHIP VIOLATION

Jockey CHRISTIAN REYES met with the Stewards regarding working his mount, #3 RITZVILLE trained by MIKE HARRINGTON, out after the finish of the race. Working a horse out past the finish is allowed if permission is granted by the Stewards. However, use of the whip after the finish is not and that was the case with Mr. REYES.

Discussions were held with Mr. HARRINGTON regarding getting prior approval to work further than the distance of the race and he was asked if he instructed Mr. REYES to use the whip after the finish line. He denied instructing Mr. REYES to continue with the use of the whip.

Mr. REYES, accompanied by Safety Steward LUIS JAUREGUI who acted as Mr. REYES' interpreter, acknowledged using the whip. However, he was unaware that using the whip after the wire while working a horse out after a race was a possible rule violation. By majority vote, a warning was issued. Steward DARREL McHARGUE dissented. It was noted rule #1688 (Use of the Whip) does not specifically state a whip shall not be used after the finish of the race, as stated in harness rule #1733 (Whipping), and the majority felt a warning should be issued. Steward McHARGUE was of the opinion a penalty was in order.

9/23/10³

INQUIRY – 11TH RACE

Following the running of the 11th race, the inquiry sign was posted for a review of observed interference at the head of the stretch involving #2 RAZZO (2nd place – jockey Christian Santiago Reyes), and #3 WANNA CHAT (4th place – jockey Felipe Valdez).

After talking with the riders involved and reviewing the recordings of the race, by majority vote, Steward McHARGUE dissenting, the numbers posted on the tote board were made official.

The recordings show #2 SHIFT OUT into the path of #3, forcing that rival out and causing it to lose ground.

9/24/10³ JOCKEY PEDROZA FILM REVIEW

Jockey MARTIN PEDROZA who rode #1 LIQUID ASSET (2nd place) in the 6th race run on 9/22/10, was in to review that race. The recording showed Mr. PEDROZA allowed #3 E Z LED (1ST place - jockey Alonso Quinonez) to go into and opening on his inside and then tighten up that opening. After discussing the matter, Mr. PEDROZA was cautioned about causing an opening to narrow down after he allows someone to take that opening.

9/24/10⁴ JOCKEY PEDROZA REMOVED FROM MOUNTS

Prior to the third race, jockey MARTIN PEDROZA's first mount, the Stewards were notified by track physician, Dr. DANIEL YANNI, that he had examined Mr. PEDROZA and would not clear him to ride.

Mr. PEDROZA was instructed to have his attending physician contact Dr. YANNI and was taken off his mounts, race by race, until the 8th race at which time he was removed from his remaining mounts.

Mr. PEDROZA was sent to UCI Medical Center for further examination and the result of that examination will be provided to the track physician tomorrow when he re-examines Mr. PEDROZA before he rides.

Mr. PUETT was cited for a verbal and physical altercation between himself and trainer ROBERT ALLEN. Mr. PUETT allegedly threatened Mr. ALLEN with a pitch fork.

Present in addition to Stewards RANDY WINICK, DARREL McHARGUE, and JON WHITE, were trainer ROBERT ALLEN, LLOYD PUETT, Jr., LLOYD PUETT, Sr., groom CARLOS LABOY, and CHRB investigator PHILLIP MIYAZAKI.

9/25/10⁴**JOCKEY AGENT VIC LIPTON WARNED**

Jockey agent VIC LIPTON, accompanied by his friend and driver YOLANDA RICHARDSON, and racing official MYRA TRUITT, were in our office to address possible abusive language allegations.

After hearing all parties, it was determined Mr. LIPTON used abusive language; however, it was directed at Ms. RICHARDSON and not Ms. TRUITT. Mr. LIPTON was told this Board would not tolerate abusive behavior toward officials and if it is proven in the future that he has been abusive, an appropriate penalty would be issued.

9/25/10⁵**MARIO CAMPOS HUANTE RULING (LAFP #010)**

Exercise rider MARIO CAMPOS HUANTE, having failed to appear before the Board of Stewards at the Los Angeles County Fair on September 24, 2010, to answer a complaint regarding Case #10SA113, alleging violation of California Horse Racing Board rule #1902.5 (Animal Welfare – abandoned injured horse), is suspended pending appearance before the Board of Stewards pursuant to California Horse Racing Board rule #1547 (Failure to Appear).

During the term of suspension, all licenses and license privileges of MARIO CAMPOS HUANTE are suspended and pursuant to California

Horse Racing Board rule #1528 (Jurisdiction of Stewards to Suspend or Fine), subject is denied access to all premises in this jurisdiction.

Following the running of the 4th race, the inquiry/objection sign was posted for a review of an incident at the head of the stretch involving #2 LOVE FIRE PLUS TWO (3rd place – jockey Santiago Reyes) and #7 YODELMEISTER (5th place – jockey Alonso Quinonez). The trainer of #7 MIKE HARRINGTON, and jockey ALONSO QUINONEZ also lodged an objection against #2.

After talking to the riders involved and reviewing the recorded view, no change was made to the order of finish.

The tapes show #7 point for an opening inside #2 and steady momentarily as that opening was closing. In the Stewards' unanimous opinion, #7's placing was not affected.

9/25/10⁷ **INQUIRY – 5TH RACE**

Following the running of the 5th race, the inquiry sign was posted for a review of observed interference near the 1/8 pole between #2 KANAN DUME (2nd place – jockey David Flores) and #1 WARREN'S TONY R (1st place – jockey Alonso Quinonez).

After talking to the riders involved and reviewing the tapes of the race, no change was made to the order of finish.

The recording showed #1 drifted out and forced #2 out off its path; however, in the Stewards' unanimous opinion, #2 finished a length and one-half back for the win and the interference sustained did not cost that rival a better placing.

9/25/10⁸ **INQUIRY – DISQUALIFICATION**

Following the running of the 9th race, the inquiry sign was posted for a review of observed contact between #7 AQUA FEVER (1st place – jockey Edwin Maldonado-Alicea) and #10 TWICE THE APPEAL (3rd place – jockey Felipe Valdez) inside the 1/16 pole.

After the running of the 10th race, the inquiry sign was posted for a review of observed interference through the stretch involving #1 ASHLEY'S GAMBLE (1st place – jockey Martin Pedroza) and #6 MICHAILASHEARTLITE (2nd place – jockey Christian Santiago Reyes).

After reviewing the tapes of the race and talking to the riders involved, the race was made official. The tapes show #6 under right-hand whip drift in, bump and impede #1. #1 out finished #6, therefore, no change in placings was necessary.
