FILM REVIEW

Jockey COREY NAKATANI came to the office as directed to review his ride in the third race yesterday. We felt that he allowed his horse to drift too far in the stretch before correcting him. After viewing the films, he reluctantly agreed.

02/12/12²

TRACK PHYSICIAN MEETING

We met with Director of Racing RICK HAMMERLE and Clerk of Scales CHARLIE MCCAUL to discuss changing the current procedure with respect to when the track physician arrives at the track on race days. As described in yesterday's minutes, the physician arrived too late to clear a rider for the first race. We agreed that for the purpose of examining jockeys that the physician should be in the first aid at least one hour before first post.

02/12/12³

HART DISMISSAL

The complaint (case number 12SA052) that DVM Melinda Blue filed against owner TIMOTHY HART was dismissed when Dr. Blue relayed to us that the veterinary bill was paid in full.

02/12/12⁴

SAYLER HEARING

We held an informal hearing today into a complaint (case number 12SA054) filed by horse shoer KYLE BAZE against trainer JAMES SAYLER alleging unpaid shoeing bills. The case was continued one week in order for Mr. Sayler to do additional research into the veracity of the bills and alleged amount.

FILM REVIEW

Jockey ALONSO QUINONEZ came to the office as directed to review his ride in the fifth race on Sunday. We believed that he crossed over during the run down the backstretch without being completely clear, causing a rider to steady. We cautioned him to ensure that he is clear when crossing over.

02/16/12²

DELEON WARNING

Trainer RAFAEL DELEON was warned for being late to the receiving barn (case number 12SA056).

02/16/12³

STEIN WARNING

Vendor RICH STEIN (donuts and bagels) was warned pursuant to a complaint (case number 12SA057) filed against him at the behest of Santa Anita security for speeding and erratic driving on the road nearing the stable gate.

02/16/12⁴

INQUIRY/NO CHANGE

Following the running of the fifth race, we posted the inquiry sign in order to examine an incident in which #1 Party Mandate unseated his jockey Christian Santiago Reyes. Films were somewhat inconclusive as to what happened, but it appeared that Mr. Reyes' mount might have cross fired and stumbled (the horse received what appeared to be a self inflicted laceration on the right front fetlock). This led us to unanimously make no change to the original finish. The horse was caught by the outrider and vanned to trainer Henry Moreno's barn. Jockey Santiago Reyes, after initially refusing further medical treatment, was transported to the hospital and excused from his remaining two mounts. See attached accident report.

02/16/12⁵

INQUIRY/NO CHANGE

Following the running of the eighth race, we posted the inquiry sign in order to examine an incident in which apprentice jockey Keiber Coa was unseated from his mount #4 Golden Miracle shortly after the start. While the winner did create a chain reaction that resulted in a bump to Mr. Coa's mount, we concluded that it did not constitute interference and therefore made no change to the original order of the finish. The horse was caught by the outrider and Mr. Coa, who appeared uninjured, was taken to first aid for evaluation. See attached accident report.

HOLLYWOOD PARK STABLE AREA ALTERCATION

Hollywood Park security sent trainer Bobby Wayne Grayson's two assistant trainers (Martin Valenzuela and Robert Strauss) to the office this morning (citation numbers 735 and 736) following an altercation at the barn and parking area which involved yelling and shoving. Both explained what happened and that this has been an ongoing problem. We told them that further disorderly conduct would not be tolerated and that we would have a word with Mr. Grayson about what appears to be an employment problem. We warned both licensees and explained that any further incidents would result in a penalty with which neither would be happy. We also telephoned trainer Grayson and told him to sort out this employment issue.

02/17/12²

MACIAS REINSTATEMENT

Owner MIGUEL MACIAS was reinstated today when he appeared and began making arrangements with the two licensees to whom he owed money.

LATS #045

Owner **MIGUEL MACIAS**, having appeared before the Board of Stewards, is reinstated. SCFR Ruling #003, issued at Santa Rosa on July 28, 2006, is set aside.

02/17/12³

AGUIRRE RULING

Trainer PAUL AGUIRRE was suspended in the ruling that follows. This action (case number 11HP067) stems from a matter last year in which one of Mr. Aguirre's horses was disqualified for an eligibility issue from a win at Hollywood Park last summer. Mr. Aguirre altered the foal papers the day after that particular race, presumably to strengthen his case that the horse was eligible. Pursuant to a stipulated agreement with the CHRB, we approved the following penalty:

LATS #044

Trainer **PAUL AGUIRRE**, who trains the horse "DOC CAN DANCE", having entered into a stipulated agreement with the California Horse Racing Board is fined **TWO THOUSAND DOLLARS (\$2,000.00)** due thirty (30) days from the date of this ruling and suspended for **FIVE (5) CALENDAR DAYS (February 22 through February 26, 2012)** for violation of California Horse Racing Board rule #1595 (Alteration or Forgery of Certificate of Registration-altered claiming price on back of foal papers).

During the term of suspension, all licenses and license privileges of Paul Aguirre are suspended and pursuant to California Horse Racing Board rule #1528 (Jurisdiction of Stewards to Suspend or Fine), Mr. Aguirre is denied access to all premises in this jurisdiction.

02/17/12⁴

STARTING GATE MALFUNCTION AND DELAY

Approximately three minutes before post time for the fourth race (6.5 furlongs on the hillside turf course), starter Jay Slender informed us that the starting gate did not have electricity and therefore the stalls doors would not close (and consequently not open). The electrician was immediately dispatched to the top of the hill and the track announcer explained that there would be a delay to the start of the race. We ordered the jockeys off of their mounts and directed the track superintendent to begin transporting the main track gate to the hill in the event that the malfunctioning gate could not be fixed. Once the electrician determined that the problem could not be immediately remedied, we directed the track announcer to explain that there would be a further delay while the gate was being switched. During the delay we discussed several options for how to start the race without a functioning gate. We also conferred with the mutuel manager to determine an appropriate protocol should the race need to be cancelled. Fortunately the gates were switched, and the problem resulted in a 22 minute delay. Before starting the race, we directed racing veterinarian Stead to examine the field in order to be certain that all of the horses were fit to race. The race was then run without mishap and the favorite got up for the win on the wire. The problem turned out to be a broken relay switch, which was fixed and functioned properly for the seventh race.

FILM REVIEW

Jockey FREDERIC LENCLUD came to the office as directed to review his ride in the third race yesterday in which his mount drifted out going into the far turn, causing a rival to steady. He explained that the horse switched leads and made a sudden move; he further explained that the horse has a sensitive mouth and was therefore harder to correct. We warned him that he needs to make a harder, quicker effort in the future.

Apprentice jockey KEIBER COA came to the office as directed to review his ride in the eighth race yesterday. Films revealed that he allowed his mount to drift out throughout the stretch run. He agreed with that analysis in acknowledging his error. We warned him to make a better effort in the future.

02/18/12²

EXERCISE RIDERS APPEARED

The morning outriders sent two of trainer Craig Dollase's exercise riders (apprentice jockey Juan Olivera and exercise rider Jose Orozco) to our office this morning for disobedience and working while the siren and lights were turned on (signifying an emergency on the racetrack). Accompanied by Mr. Dollase, the two exercise riders claimed that the horses were hard to handle and that at Hollywood Park this rule was not enforced. Neither of these explanations was sufficient to spare each a penalty:

LATS #046

Exercise rider **JOSE RODRIGO OROZCO** is fined **ONE HUNDRED DOLLARS (\$100.00)*** for violation of California Horse Racing Board rule #1437 (Conditions of a Race Meeting-working a horse while the horse ambulance was on the track).

LATS #047

Apprentice jockey **JUAN MANUEL OLIVERA** is fined **ONE HUNDRED DOLLARS (\$100.00)*** for violation of California Horse Racing Board rule #1437 (Conditions of a Race Meeting-working a horse while the horse ambulance was on the track).

FILM REVIEW

Jockey JOE TALAMO came to the office as directed to discuss the circumstances under which he pulled up his mount in the second race yesterday (#4 Cloud Hopper, turf). The horse was the favorite, Mr. Talamo pulled him up on the backstretch, and the horse walked back to the test barn after being examined by the racing veterinarian. Mr. Talamo explained that the horse didn't feel quite right in the hind quarters and the films seem to support that supposition, but our objection was that Mr. Talamo did not dismount the colt quickly enough after he had him pulled up and in control of the outrider. Our concern was based on the welfare of the horse and the public perception with respect to the horse being pulled up. Mr. Talamo acknowledged his error and was warned for the slow action.

Apprentice jockey ESWAN FLORES came to the office to discuss the circumstances surrounding his absence from film review (with the film analyst) yesterday. He explained that he missed the required review because he needed to reduce in order to ride that day. This incident is emblematic of a pattern of behavior, and therefore a ruling will be published tomorrow.

02/19/12²

SAYLER REHEARING

Case number 12SA054 which was continued from last week was resolved when trainer JAMES SAYLER and horse shoer KYLE BAZE reached a signed financial agreement.

02/19/12³

INGEBRITSON RULING

Trainer MARK INGEBRITSON was fined in the following ruling when he failed to register his horse for lasix before entry time:

LATS #048

Trainer **MARK INGEBRITSON** is fined **THREE HUNDRED DOLLARS (\$300.00)*** for violation of California Horse Racing Board rule #1845(Authorized Bleeder Medication-late registration of "On Line Sweetie") in the first race at Santa Anita Park on February 18, 2012.

02/19/12⁴

CORDOVA HEARING

We held an informal hearing this morning into a complaint (case number 12SA066) filed by trainer Jorge Periban alleging that owner Henry Cordova was keeping a horse for which he had paid Mr. Cordova for a 50% ownership interest. The facts were somewhat muddled because there were loans involved, reductions on training bills, and the horse in question was a post-surgical case,

not assured of making it back to the races. Rather than sort out those details, Mr. Periban offered \$9,000 for full ownership of the horse. Mr. Cordova will return next Sunday for the money and the transfer will be completed.

02/19/12⁵

TACHYCARDIA DISMISSAL

Case number 11HP116, which was filed by Dr. John Araujo against owner Tachycardia Stables, was dismissed when the alleged debt was paid in full.
